

MEMORANDUM
Educational Services & Student Success

TO: Ron Gerhard, Chancellor

FROM: Theresa Fleischer Rowland and Jason Ames (AACC Co-Chairs)

DATE: March 4, 2024

SUBJECT: AACC Final Recommendation

On Friday, March 1, a majority of the 18-member Alternative Academic Calendar Committee recommended a suspension of further steps towards consideration of a compressed calendar at this time. The committee's discussion leading up to the recommendation highlighted concerns and impacts in the following areas: students and student success, the SCFF metric (budget), transition to a compressed calendar, workload, facilities, technology, and classified professionals representation.

The co-chairs of the AACC would like to thank all the members for their hard work over the last 15 months.

Regards,
AACC Co-Chairs
