

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

June 24, 2008

Agenda Item: 5.4.e.

Subject: Approval of Renewal of Agreement with ValleyCare Health System, Las Positas College

Background: Las Positas College contracts with ValleyCare Health System to provide services for its Student Health Center. This Sports Medicine Agreement with ValleyCare Health System provides the College several services in the areas of prevention and care of sports-related injuries during the 2008-09 athletic season.

Among other things, this agreement will provide a certified athletic trainer for all men's and women's major sports (practice and games), according to a mutually agreed-upon schedule. The hospital will assist the College in training and sports clinic programs and will provide specialized health and injury prevention seminars for College athletes and coaches and pre-participation health screenings prior to athletes' participation in sports programs.

The cost of these services is \$20,000 for the term of this agreement, August 1, 2008, through March 30, 2009.

Recommended Action: That the Board of Trustees approve the agreement with ValleyCare Health System, Las Positas College for athletic health, training, and injury-prevention services for 2008-09, not to exceed the amount of \$20,000. It is further recommended that the Board authorize the Vice Chancellor, Business Services, to execute this agreement and any future augmentations or amendments to the agreement on behalf of the District.
