

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

December 8, 2009

Agenda Item: 5.4

Subject: Approval of Agreement with Stanford Hospital and Clinics, Las Positas College

Background: Stanford University Medical Center is located at 300 Pasteur Drive in Palo Alto, California. The hospital provides medical care for patients locally, nationally, and internationally. The hospital serves as the primary teaching hospital and plays a key role in the training of physicians and other medical professionals.

Las Positas College conducts an academic and experiential learning program in Surgical Technology, which requires clinical experience for students enrolled in the this program. It is to the benefit of Las Positas College and Stanford Hospital and Clinics that students enrolled in the Surgical Technology program at Las Positas College have the opportunity to gain clinical experience and enhance their capabilities by participating in providing clinical services at Stanford Hospital and Clinics with appropriate supervision and instruction.

Recommended Action: That the Board of Trustees approve an agreement with Stanford Hospital and Clinics, a California Non-Profit Public Benefit Corporation, for the Surgical Technology Program, Las Positas College. The agreement is for the period January 1, 2010 through December 31, 2014. It is further recommended that the Board authorize the Vice Chancellor, Business Services, to execute the agreement and any future augmentations or amendments to the agreement on behalf of the District.
