

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

January 19, 2010

Agenda Item: 5.6

Subject: Approval of Agreement—Children's Hospital and Research Center-Oakland for Surgical Technology Program, Las Positas College

Background: Las Positas College conducts an academic and experiential learning program in Surgical Technology. One of the requirements of the program is for students to gain clinical experiences outside the standard classroom setting.

As a contribution to community health education, Children's Hospital and Research Center-Oakland would like to provide Surgical Technology Program students the opportunity to gain practical clinical experiences at their institution.

The Board approved a similar agreement to provide clinical training for the Surgical Technology Program with Stanford Hospital and Clinics on December 8, 2009 under item. 5.4.

Recommended Action: That the Board of Trustees approve the proposed agreement with Children's Hospital and Research Center-Oakland for the Surgical Technology Program, Las Positas. It is further recommended that the Board authorize the Vice Chancellor, Business Services, to execute the agreement and any further augmentations or amendments on behalf of the District.
