November 16, 2010

Agenda Item: 4.3

Subject: Approval of Agreement Renewal—Tri-Valley Community Foundation for the College Foundation Semester Program, Las Positas College

Background: Las Positas College received notification from the Tri-Valley Community Foundation (TVCF) of its commitment to continue to support a portion of the College Foundation Semester (CFS) Program with the Employment Plus Program (EPP) as one of the organizations that provide funding to this vital program.

The funding will be used to identify, assess and enroll twenty-two (22) at-risk youths between the ages of 16 and 21 years of age. A specific and step-by-step plan for each at-risk youth will be developed and implemented to increase the likelihood for attaining career objectives. The program includes tutoring, study skill training and instruction, internships, work experience, occupation skills training, apprenticeships and leadership development opportunities.

In Fall 2006, the program's original name, Bring Academics to Youth Career Project (BAY Career Project) was changed to the CFS Program to more clearly reflect and clarify the project's purpose and population served.

The award is in the amount of \$57,000 for the period of July 1, 2010 through June 30, 2011.

The Board of Trustees approved the initial funding for the pilot program on November 13, 2006, item 4.3 under the BAY Career Project with the Community College Foundation in the amount to \$107,506.
