

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

September 20, 2011

Agenda Item: 4.1

Subject: Acceptance of Faculty Entrepreneurship Project Sub-Agreement with Rancho Santiago Community College District, Chabot College

Background: The Rancho Santiago Community College District has a grant funded through State funds (Entrepreneurship Career Pathways Project 10-172-055) that authorizes them to award grants through sub-agreements with different colleges throughout the State for “Faculty Entrepreneurship Projects.”

This grant supports Chabot College’s Entrepreneurship Program, allowing it to improve entrepreneurship learning and to stimulate and support self-employment and successful business management. No matching funds are required.

Funding for the project is in the amount of \$15,000 for the period July 25, 2011 through June 15, 2012.

Recommended Action: That the Board of Trustees accepts the proposed Faculty Entrepreneurship Project Sub-Agreement with Rancho Santiago Community College District and Chabot College in the amount of \$15,000 for the period July 25, 2011, through June 15, 2012. It is further recommended that the Board authorize the Vice Chancellor, Business Services, to execute the sub-agreement on behalf of the District.
