

CHABOT COLLEGE
2012-2013 CURRICULUM CHANGES

NEW DEGREES

Entrepreneurship (AS)
Environmental Studies (AA)

REVISED DEGREES

Automotive Technology (AS)
Automotive Technology (Emphasis in BMW Manufacture Training) (AS)
English (Emphasis in Literature) (AA)

REVISED CERTIFICATES

Automotive Maintenance Technology (Certificate of Achievement)
Automotive Chassis Technology (Certificate of Achievement)
Automotive Drivetrain Technology (Certificate of Achievement)
Automotive Engine Machining (Certificate of Achievement)
Automotive Engine Performance Technology (Certificate of Achievement)
Entrepreneurship (Certificate of Proficiency)

NEW COURSES

Administration of Justice 45, Law and Democracy, 3 units
Anthropology 4, Language and Culture, 3 units
Anthropology 13, Forensic Anthropology, 3 units
Automotive Technology 1, Automotive Engines, 4 units
Automotive Technology 6B, Automotive Electrical and Electronic Systems, 3 units
Automotive Technology 10, Automotive Advanced Engine Performance, 3 units
Automotive Technology 80, California Emissions Testing Technician Training Course,
7.5 units
Automotive Technology 91, Hybrid Diagnosis and Alternate Fuels Technology, 2 units
English 28, Classic and Contemporary Youth Literature, 3 units
Entrepreneurship 40, Business Incubation and Launch, 2 units
Political Science 45, Law and Democracy, 3 units

DELETED COURSES

Automotive Technology 68, California BAR Basic and Advanced Clean Air Car Course,
5 units
Political Science 40, Contemporary Issues in American Politics, 3 units

RENAMED/RENUMBERED COURSES and UNIT CHANGES

Automotive Technology 2, Automotive Automatic Transmissions and Transaxles, 3 units;
changed from Automotive Technology 64B, Automatic Transmission/Transaxle
Assemblies, 3 units
Automotive Technology 3, Automotive Manual Transmissions and Transaxles, 3 units;
changed from Automotive Technology 64A, Manual Drive Train and Axle
Assemblies, 3 units
Automotive Technology 4, Automotive Suspension and Steering, 3 units; changed from
Automotive Technology 66, Automotive Steering, Suspension, and Alignment
Systems, 3 units

Chabot College
2012-13 Curriculum Changes

Automotive Technology 5, Automotive Braking Systems, 3 units; changed from
Automotive Technology 65, Automotive Braking Systems, 3 units
Automotive Technology 6A, Automotive Electrical and Electronic Fundamentals, 4 units;
changed from Automotive Technology 60, Automotive Electrics/Electronics,
4 units
Automotive Technology 7, Automotive Heating and Air Conditioning Systems, 2.5 units;
changed from Automotive Technology 62, Automotive Air Conditioning, Cooling
and Heating Systems, 2.5 units
Automotive Technology 8, Automotive Air and Fuel Delivery Systems, 4 units; changed
from Automotive Technology 61, Automotive Fuel Induction Systems, 4 units
Automotive Technology 50, Introduction to Automotive Technology, 3 units; changed
from Automotive Technology 50, Automotive Fundamentals, 2.5 units.
