**DATE:** May 15, 2012

**TO:** Chief Executive Officers  
Chief Instructional Officers

**FROM:** Barry A. Russell  
Vice Chancellor, Academic Affairs Division

**SUBJECT:** Notification of Intent to Award Fund for Student Success: Mathematics,  
Engineering, Science Achievement Program Awards | RFA 12-109

**Notification:** This is a formal notification of the intent to award *Fund for Student Success (FSS)* grants for new and continuing *Mathematics, Engineering, Science, Achievement (MESA)* programs. A list of the grant applications and their status is attached. This information is also available on the Chancellor's Office website at [www.cccco.edu](http://www.cccco.edu), Academic Affairs Division, located under *What's New*.

**Process:** The district/college grant applications were reviewed and competitively scored by Chancellor's Office and community college representatives.

**Results:** Based on the scores, applications were assigned to one of two categories:

1. **Funded (F)** = Grant application received a score at, or above, 75 points and recommended for funding.
2. **Not Funded (NF)** = Grant application received less than 75 points and therefore not eligible for funding.

**Protest:** Applicants that disagree with the result of the review of their application may file a letter of protest within 10 days from the date of this notification. For purposes of this grant award, the deadline is Tuesday, May 29, 2012. Please refer to Section 3470 of the *Grants and Contracts Manual* for information on correctly filing a protest. If a protest is submitted during this period, the grants affected will not be awarded until the protest is resolved.

**Revisions:** Chancellor's Office staff contact those districts/colleges awarded funds for technical amendments to the grant documents. These revisions must be received and approved before the grant can be processed for funding.

**Executed Agreements:** Pursuant to Article I of this RFA, an advance payment of 60 percent of the total grant award will be disbursed after the *Grant Agreement* is fully executed. Progress payments may be requested with submission of progress reports. A final payment will be made after submission of the *Final Performance and Expenditure Report*.

For audit purposes, districts awarded *FSS MESA* funding must retain a copy of the grant agreement and the RFA specification for three years. Collectively, these documents constitute the legally binding agreement to perform the specified work.

**Action/Date Requested:** Please provide your MESA Director and the Responsible Administrator with a copy of this memorandum and attachment. If you have questions or concerns, please contact Sally Montemayor Lenz at (916) 327-1260 or [slenz@cccoco.edu](mailto:slenz@cccoco.edu).
