

CHABOT – LAS POSITAS COMMUNITY COLLEGE DISTRICT

July 17, 2012

Agenda Item: 5.11

Subject: Approval of Sub-Award Agreement Renewal – Jewish Vocational and Career Counseling Service for the Immigrant Nurse Re-entry Program, Chabot College

Background: In October, 2006 the Immigrant Nurse Re-entry Program (INRP) and the Jewish Vocational and Career Counseling (JVS) began negotiations with Chabot College to provide educational support for a population of foreign trained nurses that needs help to re-enter the health care profession in the United States. With the new implementation of new nursing ratios for hospitals across the State of California, increasing pressure has come to bear on community colleges and other nursing education providers to increase their capacity to prepare Registered Nurses (RN) for employment in regional medical systems. The Chabot Nursing Program developed a ten (10) week course for RN Refresher nurses. In 2008 and 2009, 37 students completed this course. Since 2010, JVS has fully funded this project through its own grant programs.

Funding for Sumer 2012 class of 20 students will be the sole responsibility of JVS. Chabot College will provide the facilities and engage approved faculty to conduct the class. Alameda County Medical Center will provide the clinical facilities at no cost to the school or JVS.

Recommended Action: That the Board of Trustees approves the renewal of sub-award agreement with Jewish Vocational and Career Counseling Service for the Immigrant Nurse Re-entry Program, Chabot College, for Summer 2012. It is further recommended that the Board authorizes the Vice Chancellor, Business Services, to execute the agreement on behalf of the District.
