

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

August 21, 2012

Agenda Item: 5.9

Subject: Approval of Agreement - HealthStream, Inc., Chabot College

Background: In 2009 nursing programs throughout Northern California worked with Health Stream to create a hospital standard review for regulatory compliance standard for all hospitals in Northern California. These online modules would teach and test for compliance in HIPAA; Ethics, Sexual Harassment, Patient Rights, Informed Consent, Advanced Directive, Grievance, Appropriate Care, Culture Competence, Restraints and Seclusion, Patient Abuse/Assault/Neglect as well as standard safety requirements; hand hygiene, Standard Precautions and Bloodborne Pathogens, lifting/transporting, slips/trips/falls, etc. Students completing these modules would meet the initial hospital requirements in Northern California for clearance to enter and treat patients as “student nurses.” The process would eliminate individual hospital requirements for each rotation. The Chabot Nursing Program currently utilizes eight local hospitals for clinical rotations. We are working with the Chabot Medical Assistance Program and EMT program to help standardize the requirements for all health-related studies at Chabot and Las Positas Colleges. These are the same modules currently used at Oakland Children’s Hospital and Eden Medical Center for their health-related personnel.

Funding for these online classes in school year 2012-2013 will be through California Chancellor Retention Grant 10-107-004 Amendment #2. The funding covers \$10.50 per student for the three modules. One hundred students will be served

Recommended Action: That the Board of Trustees approves the proposed agreement with Health Stream, Inc. for the period of August 1, 2012 to July 31, 2013. It is further recommended that the Board authorize the Vice Chancellor, Business Services, to execute the amendment on behalf of the District.
