

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

September 17, 2013

Agenda Item: 4.4

Subject: Approval of Memorandum of Understanding (MOU) - Affiliate Scholar Program with Cal State East Bay (CSUEB), Chabot College

Background: California's economy depends upon having a good supply of mathematics and science graduates for the State's science and technology jobs. In order to increase future student interest and engagement in science, technology, engineering and math (STEM) fields, it is critical that we as an educational institution help to prepare and foster future teachers in science and math to foster the pipeline. Therefore, Chabot College would like to collaborate with CSUEB to identify and provide students who are interested in teaching, specifically math and science, an opportunity to participate in a pre-teaching cohort that provides pre-professional development and financial support for field experience opportunities in local K-12 classrooms.

The Board of Trustees has previously approved Memorandum of Understanding for - Affiliate Scholar Program with CSUEB on November 15, 2011 under item 4.4.

Recommended Action: That the Board of Trustees approves the proposed Memorandum of Understanding (MOU) for the Affiliate Scholar Program with Cal State East Bay (CSUEB), Chabot College in the amount of \$5,500 for the 2013-2014 academic year. It is further recommended that the Board authorize the Vice Chancellor, Business Services, to execute the MOU on behalf of the District.
