(ii) determines that immediate action is necessary to prevent misuse of Federal funds, and

(iii) determines that the likelihood of loss outweighs the importance of the procedures prescribed under subparagraph (F), for limitation, suspension, or termination, except that an emergency action shall not exceed 30 days unless the limitation, suspension, or termination proceedings are initiated by the Secretary against the individual or organization within that period of time, and except that the Secretary shall provide the individual or organization an opportunity to show cause, if it so requests, that the emergency action is unwarranted.

(2) If an individual who, or entity that, exercises substantial control, as determined by the Secretary in accordance with the definition of substantial control in subpart 3 of part G of this subchapter, over one or more institutions participating in any program under this subchapter and part C of subchapter I of chapter

(3)(A) Upon determination, after reasonable notice and opportunity for a hearing, that an eligible institution has engaged in substantial misrepresentation of the nature of its educational program, its financial charges, or the employability of its graduates, the Secretary may suspend or terminate the eligibility status for any or all programs under this subchapter and part C of subchapter I of chapter 34 of title 42 of any otherwise eligible institution, in accordance with procedures specified in paragraph (1)(D) of this subsection, until the Secretary finds that such practices have been corrected.

(B)(i) Upon determination, after reasonable notice and opportunity for a hearing, that an eligible institution -

(I) has violated or failed to carry out any provision of this subchapter and part C of subchapter I of chapter 34 of title 42 or any regulation prescribed under this subchapter and part C of subchapter I of chapter 34 of title 42; or

(ii) Any civil penalty may be compromised by the Secretary. In determining the amount of such penalty, or the amount agreed upon in compromise, the appropriateness of the penalty to the size of the institution of higher education subject to the determination, and the gravity of the violation, failure, or misrepresentation shall be considered. The amount of such penalty, when finally determined, or the amount agreed upon in compromise, may be deducted from any sums owing by the United States to the institution charged.

(4) The Secretary shall publish a list of State agencies which the Secretary determines to be reliable authority as to the quality of public postsecondary vocational education in their respective States for the purpose of determining eligibility for all Federal student assistance programs.

(5) The Secretary shall make readily available to appropriate guaranty agencies, eligible lenders, State agencies notifying the Secretary under subpart 1 of part G of this subchapter, and accrediting agencies or associations the results of the audits of eligible institutions conducted pursuant to paragraph (1)(A).

(6) The Secretary is authorized to provide any information collected as a result of audits conducted under this section, together with audit information collected by guaranty agencies, to any Federal or State agency having responsibilities with respect to

student financial assistance, including those referred to in subsection (a)(15) of this section.

(7) Effective with respect to any audit conducted under this subsection after December 31, 1988, if, in the course of conducting any such audit, the personnel of the Department of Education discover, or are informed of, grants or other assistance provided by an institution in accordance with this subchapter and part C of subchapter I of chapter 34 of title 42 for which the institution has not received funds appropriated under this subchapter and part C of subchapter I of chapter 34 of title 42 (in the amount necessary to provide such assistance), including funds for which reimbursement was not requested prior to such discovery or information, such institution shall be permitted to offset that amount against any sums determined to be owed by the institution pursuant to such audit, or to receive reimbursement for that amount (if the institution does not owe any such sums).

(d) "Eligible institution" defined

For the purpose of this section, the term "eligible institution" means any such institution described in section 1002 of this title.

(e) Construction

Nothing in the amendments made by the Higher Education Amendments of 1992 shall be construed to prohibit an institution from recording, at the cost of the institution, a hearing referred to in subsection (b)(2), subsection (c)(1)(D), or subparagraph (A) or (B)(i) of subsection (c)(2), of this section to create a record of the hearing, except the unavailability of a recording shall not serve to delay the completion of the proceeding. The Secretary shall allow the institution to use any reasonable means, including stenographers, of recording the hearing.

(21) It will not impose any penalty, including, but not limited to, the assessment of late fees, the denial of access to classes, libraries, or other institutional facilities, or the requirement that the student borrow additional funds for which interest or other charges are assessed, on any student because of the student's inability to meet his or her financial obligations to the institution as a result of the delayed disbursement of the proceeds of a Title IV, HEA program loan due to compliance with statutory and regulatory requirements of or applicable to the Title IV, HEA programs, or delays attributable to the institution;

(22)(i) It will not provide any commission, bonus, or other incentive payment based directly or indirectly upon success in securing enrollments or financial aid to any person or entity engaged in any student recruiting or admission activities or in making decisions regarding the awarding of title IV, HEA program funds, except that this limitation does not apply to the recruitment of foreign students residing in foreign countries who are not eligible to receive title IV, HEA program funds.

(ii) Activities and arrangements that an institution may carry out without violating the provisions of paragraph (b)(22)(i) of this section include, but are not limited to:

(A) The payment of fixed compensation, such as a fixed annual salary or a fixed hourly wage, as long as that compensation is not adjusted up or down more than twice during any twelve month period, and any adjustment is not based solely on the number of students recruited, admitted, enrolled, or awarded financial aid. For this purpose, an increase in fixed compensation resulting from a cost of living increase that is paid to all or substantially all full-time employees is not considered an adjustment.

(B) Compensation to recruiters based upon their recruitment of students who enroll only in programs that are not eligible for title IV, HEA program funds.

(C) Compensation to recruiters who arrange contracts between the institution and an employer under which the employer's employees enroll in the institution, and the employer pays, directly or by reimbursement, 50 percent or more of the tuition and fees charged to its employees; provided that the compensation is not based upon the number of employees who enroll in the institution, or the revenue they generate, and the recruiters have no contact with the employees.

(D) Compensation paid as part of a profit-sharing or bonus plan, as long as those payments are substantially the same amount or the same percentage of salary or wages, and made to all or substantially all of the institution's full-time professional and administrative staff. Such payments can be limited to all, or substantially all of the full-time employees at one or more organizational level at the institution, except that an organizational level may not consist predominantly of recruiters, admissions staff, or financial aid staff.

(E) Compensation that is based upon students successfully completing their educational programs, or one academic year of their educational programs, whichever is shorter. For this purpose, successful completion of an academic year means that the student has earned at least 24 semester or trimester credit hours or 36 quarter credit hours, or has successfully completed at least 900 clock hours of instruction at the institution.

(F) Compensation paid to employees who perform clerical "pre-enrollment" activities, such as answering telephone calls, referring inquiries, or distributing institutional materials.

(G) Compensation to managerial or supervisory employees who do not directly manage or supervise employees who are directly involved in recruiting or admissions activities, or the awarding of title IV, HEA program funds.

(H) The awarding of token gifts to the institution's students or alumni, provided that the gifts are not in the form of money, no more than one gift is provided annually to an individual, and the cost of the gift is not more than \$100.

(K) Payments to third parties, including tuition sharing arrangements, that deliver various services to the institution, provided that none of the services involve recruiting or admission activities, or the awarding of title IV, HEA program funds.

(L) Payments to third parties, including tuition sharing arrangements, that deliver various services to the institution, even if one of the services involves recruiting or admission activities or the awarding of title IV, HEA program funds, provided that the individuals performing the recruitment or admission activities, or the awarding of title IV, HEA program funds, are not compensated in a manner that would be impermissible under paragraph (b)(22) of this section.

(26) If the stated objectives of an educational program of the institution are to prepare a student for gainful employment in a recognized occupation, the institution will—

(i) Demonstrate a reasonable relationship between the length of the program and entry level requirements for the recognized occupation for which the program prepares the student. The Secretary considers the relationship to be reasonable if the number of clock hours provided in the program does not exceed by more than 50 percent the minimum number of clock hours required for training in the recognized occupation for which the program prepares the student, as established by the State in which the program is offered, if the State has established such a requirement, or as established by any Federal agency; and

(ii) Establish the need for the training for the student to obtain employment in the recognized occupation for which the program prepares the student.

(c) In order to participate in any Title IV, HEA program (other than the LEAP and NEISP programs), the institution must certify that it—

(d)(1) The institution, if located in a State to which section 4(b) of the National Voter Registration Act (42 U.S.C. 1973gg-2(b)) does not apply, will make a good faith effort to distribute a mail voter registration form, requested and received from the State, to each student enrolled in a degree or certificate program and physically in attendance at the institution, and to make those forms widely available to students at the institution.

(2) The institution must request the forms from the State 120 days prior to the deadline for registering to vote within the State. If an institution has not received a sufficient quantity of forms to fulfill this section from the State within 60 days prior to the deadline for registering to vote in the State, the institution is not liable for not meeting the requirements of this section during that election year.

(3) This paragraph applies to elections as defined in section 301(1) of the Federal Election Campaign Act of 1971 (2 U.S.C. 431(1)), and includes the election for Governor or other chief executive within such State.

(2) A new program participation agreement supersedes any prior program participation agreement between the Secretary and the institution.

(f)(1) Except as provided in paragraphs (g) and (h) of this section, the Secretary terminates a program participation agreement through the proceedings in subpart G of this part.

(2) An institution may terminate a program participation agreement.

(3) If the Secretary or the institution terminates a program participation agreement under paragraph (f) of this section, the Secretary establishes the termination date.
