### **PENAL CODE SECTIONS 261, 264.1, 273a, 273d, and 11164-1117.3**

**261.** (a) Rape is an act of sexual intercourse accomplished with a person not the spouse of the perpetrator, under any of the following circumstances:

(1) Where a person is incapable, because of a mental disorder or developmental or physical disability, of giving legal consent, and this is known or reasonably should be known to the person committing the act. Notwithstanding the existence of a conservatorship pursuant to the provisions of the Lanterman-Petris-Short Act (Part 1 (commencing with Section 5000) of Division 5 of the Welfare and Institutions **Code**), the prosecuting attorney shall prove, as an element of the crime, that a mental disorder or developmental or physical disability rendered the alleged victim incapable of giving consent.

(2) Where it is accomplished against a person's will by means of force, violence, duress, menace, or fear of immediate and unlawful bodily injury on the person or another.

(3) Where a person is prevented from resisting by any intoxicating or anesthetic substance, or any controlled substance, and this condition was known, or reasonably should have been known by the accused.

(4) Where a person is at the time unconscious of the nature of the act, and this is known to the accused. As used in this paragraph, "unconscious of the nature of the act" means incapable of resisting because the victim meets one of the following conditions:

(A) Was unconscious or asleep.

(B) Was not aware, knowing, perceiving, or cognizant that the act occurred.

(C) Was not aware, knowing, perceiving, or cognizant of the essential characteristics of the act due to the perpetrator's fraud in fact.

(D) Was not aware, knowing, perceiving, or cognizant of the essential characteristics of the act due to the perpetrator's fraudulent representation that the sexual penetration served a professional purpose when it served no professional purpose.

(5) Where a person submits under the belief that the person committing the act is the victim's spouse, and this belief is induced by any artifice, pretense, or concealment practiced by the accused, with intent to induce the belief.

(6) Where the act is accomplished against the victim's will by threatening to retaliate in the future against the victim or any other person, and there is a reasonable possibility that the perpetrator will execute the threat. As used in this paragraph, "threatening to retaliate" means a threat to kidnap or falsely imprison, or to inflict extreme pain, serious bodily injury, or death.

(7) Where the act is accomplished against the victim's will by threatening to use the authority of a public official to incarcerate, arrest, or deport the victim or another, and the victim has a reasonable belief that the perpetrator is a public official. As used in this paragraph, "public official" means a person employed by a governmental agency who has the

authority, as part of that position, to incarcerate, arrest, or deport another. The perpetrator does not actually have to be a public official.

(b) As used in this section, "duress" means a direct or implied threat of force, violence, danger, or retribution sufficient to coerce a reasonable person of ordinary susceptibilities to perform an act which otherwise would not have been performed, or acquiesce in an act to which one otherwise would not have submitted. The total circumstances, including the age of the victim, and his or her relationship to the defendant, are factors to consider in appraising the existence of duress.

(c) As used in this section, "menace" means any threat, declaration, or act which shows an intention to inflict an injury upon another.

**264.1.** The provisions of Section 264 notwithstanding, in any case in which the defendant, voluntarily acting in concert with another person, by force or violence and against the will of the victim, committed an act described in Section **261**, 262, or 289, either personally or by aiding and abetting the other person, that fact shall be charged in the indictment or information and if found to be true by the jury, upon a jury trial, or if found to be true by the court, upon a court trial, or if admitted by the defendant, the defendant shall suffer confinement in the state prison for five, seven, or nine years.

**273a.** (a) Any person who, under circumstances or conditions likely to produce great bodily harm or death, willfully causes or permits any child to suffer, or inflicts thereon unjustifiable physical pain or mental suffering, or having the care or custody of any child, willfully causes or permits the person or health of that child to be injured, or willfully causes or permits that child to be placed in a situation where his or her person or health is endangered, shall be punished by imprisonment in a county jail not exceeding one year, or in the state prison for two, four, or six years.

(b) Any person who, under circumstances or conditions other than those likely to produce great bodily harm or death, willfully causes or permits any child to suffer, or inflicts thereon unjustifiable physical pain or mental suffering, or having the care or custody of any child, willfully causes or permits the person or health of that child to be injured, or willfully causes or permits that child to be placed in a situation where his or her person or health may be endangered, is guilty of a misdemeanor.

(c) If a person is convicted of violating this section and probation is granted, the court shall require the following minimum conditions of probation:

(1) A mandatory minimum period of probation of 48 months.

(2) A criminal court protective order protecting the victim from further acts of violence or threats, and, if appropriate, residence exclusion or stay-away conditions.

(3) (A) Successful completion of no less than one year of a child abuser's treatment counseling program approved by the probation department. The defendant shall be ordered to begin participation in the program immediately upon the grant of probation. The counseling program shall meet the criteria specified in Section **273.1**. The defendant shall produce documentation of program enrollment to the court within 30 days of enrollment, along with quarterly progress reports.

(B) The terms of probation for offenders shall not be lifted until all reasonable fees due to the counseling program have been paid in

full, but in no case shall probation be extended beyond the term provided in subdivision (a) of Section 1203.1. If the court finds that the defendant does not have the ability to pay the fees based on the defendant's changed circumstances, the court may reduce or waive the fees.

(4) If the offense was committed while the defendant was under the influence of drugs or alcohol, the defendant shall abstain from the use of drugs or alcohol during the period of probation and shall be subject to random drug testing by his or her probation officer.

(5) The court may waive any of the above minimum conditions of probation upon a finding that the condition would not be in the best interests of justice. The court shall state on the record its reasons for any waiver.

**273d.** (a) Any person who willfully inflicts upon a child any cruel or inhuman corporal punishment or an injury resulting in a traumatic condition is guilty of a felony and shall be punished by imprisonment in the state prison for two, four, or six years, or in a county jail for not more than one year, by a fine of up to six thousand dollars (\$6,000), or by both that imprisonment and fine.

(b) Any person who is found guilty of violating subdivision (a) shall receive a four-year enhancement for a prior conviction of that offense provided that no additional term shall be imposed under this subdivision for any prison term served prior to a period of 10 years in which the defendant remained free of both prison custody and the commission of an offense that results in a felony conviction.

(c) If a person is convicted of violating this section and probation is granted, the court shall require the following minimum conditions of probation:

(1) A mandatory minimum period of probation of 36 months.

(2) A criminal court protective order protecting the victim from further acts of violence or threats, and, if appropriate, residence exclusion or stay-away conditions.

(3) (A) Successful completion of no less than one year of a child abuser's treatment counseling program. The defendant shall be ordered to begin participation in the program immediately upon the grant of probation. The counseling program shall meet the criteria specified in Section 273.1. The defendant shall produce documentation of program enrollment to the court within 30 days of enrollment, along with quarterly progress reports.

(B) The terms of probation for offenders shall not be lifted until all reasonable fees due to the counseling program have been paid in full, but in no case shall probation be extended beyond the term provided in subdivision (a) of Section 1203.1. If the court finds that the defendant does not have the ability to pay the fees based on the defendant's changed circumstances, the court may reduce or waive the fees.

(4) If the offense was committed while the defendant was under the influence of drugs or alcohol, the defendant shall abstain from the use of drugs or alcohol during the period of probation and shall be subject to random drug testing by his or her probation officer.

(5) The court may waive any of the above minimum conditions of probation upon a finding that the condition would not be in the best interests of justice. The court shall state on the record its reasons for any waiver.

**11164.** (a) This article shall be known and may be cited as the Child Abuse and Neglect Reporting Act.

(b) The intent and purpose of this article is to protect children

from abuse and neglect. In any investigation of suspected child abuse or neglect, all persons participating in the investigation of the case shall consider the needs of the child victim and shall do whatever is necessary to prevent psychological harm to the child victim.

**11165.** As used in this article "child" means a person under the age of 18 years.

**11165.1.** As used in this article, "sexual abuse" means sexual assault or sexual exploitation as defined by the following:

(a) "Sexual assault" means conduct in violation of one or more of the following sections: Section 261 (rape), subdivision (d) of Section 261.5 (statutory rape), 264.1 (rape in concert), 285 (incest), 286 (sodomy), subdivision (a) or (b), or paragraph (1) of subdivision (c) of Section 288 (lewd or lascivious acts upon a child), 288a (oral copulation), 289 (sexual penetration), or 647.6 (child molestation).

(b) Conduct described as "sexual assault" includes, but is not limited to, all of the following:

(1) Any penetration, however slight, of the vagina or anal opening of one person by the penis of another person, whether or not there is the emission of semen.

(2) Any sexual contact between the genitals or anal opening of one person and the mouth or tongue of another person.

(3) Any intrusion by one person into the genitals or anal opening of another person, including the use of any object for this purpose, except that, it does not include acts performed for a valid medical purpose.

(4) The intentional touching of the genitals or intimate parts (including the breasts, genital area, groin, inner thighs, and buttocks) or the clothing covering them, of a child, or of the perpetrator by a child, for purposes of sexual arousal or gratification, except that, it does not include acts which may reasonably be construed to be normal caretaker responsibilities; interactions with, or demonstrations of affection for, the child; or acts performed for a valid medical purpose.

(5) The intentional masturbation of the perpetrator's genitals in the presence of a child.

(c) "Sexual exploitation" refers to any of the following:

(1) Conduct involving matter depicting a minor engaged in obscene acts in violation of Section 311.2 (preparing, selling, or distributing obscene matter) or subdivision (a) of Section 311.4 (employment of minor to perform obscene acts).

(2) Any person who knowingly promotes, aids, or assists, employs, uses, persuades, induces, or coerces a child, or any person responsible for a child's welfare, who knowingly permits or encourages a child to engage in, or assist others to engage in, prostitution or a live performance involving obscene sexual conduct, or to either pose or model alone or with others for purposes of preparing a film, photograph, negative, slide, drawing, painting, or other pictorial depiction, involving obscene sexual conduct. For the purpose of this section, "person responsible for a child's welfare" means a parent, guardian, foster parent, or a licensed administrator or employee of a public or private residential home, residential school, or other residential institution.

(3) Any person who depicts a child in, or who knowingly develops, duplicates, prints, or exchanges, any film, photograph, video tape, negative, or slide in which a child is engaged in an act of obscene sexual conduct,

except for those activities by law enforcement and prosecution agencies and other persons described in subdivisions (c) and (e) of Section 311.3.

**11165.2.** As used in this article, "neglect" means the negligent treatment or the maltreatment of a child by a person responsible for the child's welfare under circumstances indicating harm or threatened harm to the child's health or welfare. The term includes both acts and omissions on the part of the responsible person.

(a) "Severe neglect" means the negligent failure of a person having the care or custody of a child to protect the child from severe malnutrition or medically diagnosed nonorganic failure to thrive. "Severe neglect" also means those situations of neglect where any person having the care or custody of a child willfully causes or permits the person or health of the child to be placed in a situation such that his or her person or health is endangered, as proscribed by Section 11165.3, including the intentional failure to provide adequate food, clothing, shelter, or medical care.

(b) "General neglect" means the negligent failure of a person having the care or custody of a child to provide adequate food, clothing, shelter, medical care, or supervision where no physical injury to the child has occurred.

For the purposes of this chapter, a child receiving treatment by spiritual means as provided in Section 16509.1 of the Welfare and Institutions **Code** or not receiving specified medical treatment for religious reasons, shall not for that reason alone be considered a neglected child. An informed and appropriate medical decision made by parent or guardian after consultation with a physician or physicians who have examined the minor does not constitute neglect.

**11165.3.** As used in this article, "the willful harming or injuring of a child or the endangering of the person or health of a child," means a situation in which any person willfully causes or permits any child to suffer, or inflicts thereon, unjustifiable physical pain or mental suffering, or having the care or custody of any child, willfully causes or permits the person or health of the child to be placed in a situation in which his or her person or health is endangered.

**11165.4.** As used in this article, "unlawful corporal punishment or injury" means a situation where any person willfully inflicts upon any child any cruel or inhuman corporal punishment or injury resulting in a traumatic condition. It does not include an amount of force that is reasonable and necessary for a person employed by or engaged in a public school to quell a disturbance threatening physical injury to person or damage to property, for purposes of self-defense, or to obtain possession of weapons or other dangerous objects within the control of the pupil, as authorized by Section 49001 of the Education **Code**. It also does not include the exercise of the degree of physical control authorized by Section 44807 of the Education **Code**. It also does not include an injury caused by reasonable and necessary force used by a peace officer acting within the course and scope of his or her employment as a peace officer.

**11165.5.** As used in this article, the term "abuse or neglect in out-of-home care" includes physical injury inflicted upon a child by another person by other than accidental means, sexual abuse as defined in Section 11165.1,

neglect as defined in Section 11165.2, unlawful corporal punishment or injury as defined in Section 11165.4, or the willful harming or injuring of a child or the endangering of the person or health of a child, as defined in Section 11165.3, where the person responsible for the child's welfare is a licensee, administrator, or employee of any facility licensed to care for children, or an administrator or employee of a public or private school or other institution or agency. "Abuse or neglect in out-of-home care" does not include an injury caused by reasonable and necessary force used by a peace officer acting within the course and scope of his or her employment as a peace officer.

**11165.6.** As used in this article, the term "child abuse or neglect" includes physical injury inflicted by other than accidental means upon a child by another person, sexual abuse as defined in Section 11165.1, neglect as defined in Section 11165.2, the willful harming or injuring of a child or the endangering of the person or health of a child, as defined in Section 11165.3, and unlawful corporal punishment or injury as defined in Section 11165.4. "Child abuse or neglect" does not include a mutual affray between minors. "Child abuse or neglect" does not include an injury caused by reasonable and necessary force used by a peace officer acting within the course and scope of his or her employment as a peace officer.

The term includes any employee of such a person; it does not include a person who develops film or makes prints for a public agency.

(30) A child visitation monitor. As used in this article, "child visitation monitor" means any person who, for financial compensation, acts as monitor of a visit between a child and any other person when the monitoring of that visit has been ordered by a court of law.

supervision of children are not mandated reporters but are encouraged to obtain training in the identification and reporting of child abuse and neglect and are further encouraged to report known or suspected instances of child abuse or neglect to an agency specified in Section 11165.9.

(c) Employers are strongly encouraged to provide their employees who are mandated reporters with training in the duties imposed by this article. This training shall include training in child abuse and neglect identification and training in child abuse and neglect reporting. Whether or not employers provide their employees with training in child abuse and neglect identification and reporting, the employers shall provide their employees who are mandated reporters with the statement required pursuant to subdivision (a) of Section 11166.5.

(d) School districts that do not train their employees specified in subdivision (a) in the duties of mandated reporters under the child abuse reporting laws shall report to the State Department of Education the reasons why this training is not provided.

(e) Unless otherwise specifically provided, the absence of training shall not excuse a mandated reporter from the duties imposed by this article.

(f) Public and private organizations are encouraged to provide their volunteers whose duties require direct contact with and supervision of children with training in the identification and reporting of child abuse and neglect.

**11165.9.** Reports of suspected child abuse or neglect shall be made by mandated reporters to any police department or sheriff's department, not including a school district police or security department, county probation department, if designated by the county to receive mandated reports, or the county welfare department. Any of those agencies shall accept a report of suspected child abuse or neglect whether offered by a mandated reporter or another person, or referred by another agency, even if the agency to whom the report is being made lacks subject matter or geographical jurisdiction to investigate the reported case, unless the agency can immediately electronically transfer the call to an agency with proper jurisdiction. When an agency takes a report about a case of suspected child abuse or neglect in which that agency lacks jurisdiction, the agency shall immediately refer the case by telephone, fax, or electronic transmission to an agency with proper jurisdiction. Agencies that are required to receive reports of suspected child abuse or neglect may not refuse to accept a report of suspected child abuse or neglect from a mandated reporter or another person unless otherwise authorized pursuant to this section, and shall maintain a record of all reports received.

**11165.11.** As used in this article, "licensing agency" means the State Department of Social Services office responsible for the licensing and enforcement of the California Community Care Facilities Act (Chapter 3 (commencing with Section 1500) of Division 2 of the Health and Safety Code), the California Child Day Care Act (Chapter 3.4 (commencing with Section 1596.70) of Division 2 of the Health and Safety Code), and Chapter 3.5 (commencing with Section 1596.90) of Division 2 of the Health and Safety Code), or the county licensing agency which has contracted with the state for performance of those duties.

**11165.12.** As used in this article, the following definitions shall control:

(a) "Unfounded report" means a report that is determined by the investigator who conducted the investigation to be false, to be inherently improbable, to involve an accidental injury, or not to constitute child abuse or neglect, as defined in Section 11165.6.

(b) "Substantiated report" means a report that is determined by the investigator who conducted the investigation to constitute child abuse or neglect, as defined in Section 11165.6, based upon evidence that makes it more likely than not that child abuse or neglect, as defined, occurred.

(c) "Inconclusive report" means a report that is determined by the investigator who conducted the investigation not to be unfounded, but the findings are inconclusive and there is insufficient evidence to determine whether child abuse or neglect, as defined in Section 11165.6, has occurred.

**11165.13.** For purposes of this article, a positive toxicology screen at the time of the delivery of an infant is not in and of itself a sufficient basis for reporting child abuse or neglect. However, any indication of maternal substance abuse shall lead to an assessment of the needs of the mother and child pursuant to Section 123605 of the Health and Safety **Code**. If other factors are present that indicate risk to a child, then a report shall be made. However, a report based on risk to a child which relates solely to the inability of the parent to provide the child with regular care due to the parent's substance abuse shall be made only to a county welfare or probation department, and not to a law enforcement agency.

**11165.14.** The appropriate local law enforcement agency shall investigate a child abuse complaint filed by a parent or guardian of a pupil with a school or an agency specified in Section 11165.9 against a school employee or other person that commits an act of child abuse, as defined in this article, against a pupil at a schoolsite and shall transmit a substantiated report, as defined in Section 11165.12, of that investigation to the governing board of the appropriate school district or county office of education. A substantiated report received by a governing board of a school district or county office of education shall be subject to the provisions of Section 44031 of the Education **Code**.

**11166.** (a) Except as provided in subdivision (d), a mandated reporter shall make a report to an agency specified in Section 11165.9 whenever the mandated reporter, in his or her professional capacity or within the scope of his or her employment, has knowledge of or observes a child whom the mandated reporter knows or reasonably suspects has been the victim of child abuse or neglect. The mandated reporter shall make an initial report to the agency immediately or as soon as is practicably possible by telephone and the mandated reporter shall prepare and send, fax, or electronically transmit a written followup report thereof within 36 hours of receiving the information concerning the incident. The mandated reporter may include with the report any nonprivileged documentary evidence the mandated reporter possesses relating to the incident.

(1) For the purposes of this article, "reasonable suspicion" means that it is objectively reasonable for a person to entertain a suspicion, based upon facts that could cause a reasonable person in a like position, drawing, when appropriate, on his or her training and experience, to suspect child abuse or neglect. For the purpose of this article, the pregnancy of a minor does not, in and of itself,

constitute a basis for a reasonable suspicion of sexual abuse.

(2) The agency shall be notified and a report shall be prepared and sent, faxed, or electronically transmitted even if the child has expired, regardless of whether or not the possible abuse was a factor contributing to the death, and even if suspected child abuse was discovered during an autopsy.

(3) Any report made by a mandated reporter pursuant to this section shall be known as a mandated report.

(b) If after reasonable efforts a mandated reporter is unable to submit an initial report by telephone, he or she shall immediately or as soon as is practicably possible, by fax or electronic transmission, make a one-time automated written report on the form prescribed by the Department of Justice, and shall also be available to respond to a telephone follow-up call by the agency with which he or she filed the report. A mandated reporter who files a one-time automated written report because he or she was unable to submit an initial report by telephone is not required to submit a written follow-up report.

(1) The one-time automated written report form prescribed by the Department of Justice shall be clearly identifiable so that it is not mistaken for a standard written follow-up report. In addition, the automated one-time report shall contain a section that allows the mandated reporter to state the reason the initial telephone call was not able to be completed. The reason for the submission of the one-time automated written report in lieu of the procedure prescribed in subdivision (a) shall be captured in the Child Welfare Services/Case Management System (CWS/CMS). The department shall work with stakeholders to modify reporting forms and the CWS/CMS as is necessary to accommodate the changes enacted by these provisions.

(2) This subdivision shall not become operative until the CWS/CMS is updated to capture the information prescribed in this subdivision.

(3) This subdivision shall become inoperative three years after this subdivision becomes operative or on January 1, 2009, which ever occurs first.

(4) On the inoperative date of these provisions, a report shall be submitted to the counties and the Legislature by the Department of Social Services that reflects the data collected from automated one-time reports indicating the reasons stated as to why the automated one-time report was filed in lieu of the initial telephone report.

(5) Nothing in this section shall supersede the requirement that a mandated reporter first attempt to make a report via telephone, or that agencies specified in Section 11165.9 accept reports from mandated reporters and other persons as required.

(c) Any mandated reporter who fails to report an incident of known or reasonably suspected child abuse or neglect as required by this section is guilty of a misdemeanor punishable by up to six months confinement in a county jail or by a fine of one thousand dollars (\$1,000) or by both that imprisonment and fine. If a mandated reporter intentionally conceals his or her failure to report an incident known by the mandated reporter to be abuse or severe neglect under this section, the failure to report is a continuing offense until an agency specified in Section 11165.9 discovers the offense.

(d) (1) A clergy member who acquires knowledge or a reasonable suspicion of child abuse or neglect during a penitential communication is not subject to subdivision (a). For the purposes of this subdivision, "penitential communication" means a communication,

intended to be in confidence, including, but not limited to, a sacramental confession, made to a clergy member who, in the course of the discipline or practice of his or her church, denomination, or organization, is authorized or accustomed to hear those communications, and under the discipline, tenets, customs, or practices of his or her church, denomination, or organization, has a duty to keep those communications secret.

(2) Nothing in this subdivision shall be construed to modify or limit a clergy member's duty to report known or suspected child abuse or neglect when the clergy member is acting in some other capacity that would otherwise make the clergy member a mandated reporter.

(3) (A) On or before January 1, 2004, a clergy member or any custodian of records for the clergy member may report to an agency specified in Section 11165.9 that the clergy member or any custodian of records for the clergy member, prior to January 1, 1997, in his or her professional capacity or within the scope of his or her employment, other than during a penitential communication, acquired knowledge or had a reasonable suspicion that a child had been the victim of sexual abuse that the clergy member or any custodian of records for the clergy member did not previously report the abuse to an agency specified in Section 11165.9. The provisions of Section 11172 shall apply to all reports made pursuant to this paragraph.

(B) This paragraph shall apply even if the victim of the known or suspected abuse has reached the age of majority by the time the required report is made.

(C) The local law enforcement agency shall have jurisdiction to investigate any report of child abuse made pursuant to this paragraph even if the report is made after the victim has reached the age of majority.

(e) Any commercial film and photographic print processor who has knowledge of or observes, within the scope of his or her professional capacity or employment, any film, photograph, videotape, negative, or slide depicting a child under the age of 16 years engaged in an act of sexual conduct, shall report the instance of suspected child abuse to the law enforcement agency having jurisdiction over the case immediately, or as soon as practicably possible, by telephone and shall prepare and send, fax, or electronically transmit a written report of it with a copy of the film, photograph, videotape, negative, or slide attached within 36 hours of receiving the information concerning the incident. As used in this subdivision, "sexual conduct" means any of the following:

(g) Any other person who has knowledge of or observes a child whom he or she knows or reasonably suspects has been a victim of child abuse or neglect may report the known or suspected instance of child

abuse or neglect to an agency specified in Section 11165.9.

(h) When two or more persons, who are required to report, jointly have knowledge of a known or suspected instance of child abuse or neglect, and when there is agreement among them, the telephone report may be made by a member of the team selected by mutual agreement and a single report may be made and signed by the selected member of the reporting team. Any member who has knowledge that the member designated to report has failed to do so shall thereafter make the report.

(i) (1) The reporting duties under this section are individual, and no supervisor or administrator may impede or inhibit the reporting duties, and no person making a report shall be subject to any sanction for making the report. However, internal procedures to facilitate reporting and apprise supervisors and administrators of reports may be established provided that they are not inconsistent with this article.

(2) The internal procedures shall not require any employee required to make reports pursuant to this article to disclose his or her identity to the employer.

(3) Reporting the information regarding a case of possible child abuse or neglect to an employer, supervisor, school principal, school counselor, coworker, or other person shall not be a substitute for making a mandated report to an agency specified in Section 11165.9.

(j) A county probation or welfare department shall immediately, or as soon as practicably possible, report by telephone, fax, or electronic transmission to the law enforcement agency having jurisdiction over the case, to the agency given the responsibility for investigation of cases under Section 300 of the Welfare and Institutions **Code**, and to the district attorney's office every known or suspected instance of child abuse or neglect, as defined in Section 11165.6, except acts or omissions coming within subdivision (b) of Section 11165.2, or reports made pursuant to Section 11165.13 based on risk to a child which relates solely to the inability of the parent to provide the child with regular care due to the parent's substance abuse, which shall be reported only to the county welfare or probation department. A county probation or welfare department also shall send, fax, or electronically transmit a written report thereof within 36 hours of receiving the information concerning the incident to any agency to which it makes a telephone report under this subdivision.

A law enforcement agency shall report to the county welfare or probation department every known or suspected instance of child abuse or neglect reported to it which is alleged to have occurred as a result of the action of a person responsible for the child's welfare, or as the result of the failure of a person responsible for the child's welfare to adequately protect the minor from abuse when the person responsible for the child's welfare knew or reasonably should have known that the minor was in danger of abuse. A law enforcement agency also shall send, fax, or electronically transmit a written report thereof within 36 hours of receiving the information concerning the incident to any agency to which it makes a telephone report under this subdivision.

**11166.01.** (a) Except as provided in subdivision (b), any supervisor or administrator who violates paragraph (1) of subdivision (h) of Section 11166 shall be punished by not more than six months in a county jail, by a fine of not more than one thousand dollars (\$1,000), or by both that fine and imprisonment.

(b) Notwithstanding Section 11162, any mandated reporter who willfully fails to report abuse or neglect, or any person who impedes or inhibits a report of abuse or neglect, in violation of this article, where that abuse or neglect results in death or great bodily injury, shall be punished by not more than one year in a county jail, by a fine of not more than five thousand dollars (\$5,000), or by both that fine and imprisonment.

**11166.05.** Any mandated reporter who has knowledge of or who reasonably suspects that a child is suffering serious emotional damage or is at a substantial risk of suffering serious emotional damage, evidenced by states of being or behavior, including, but not limited to, severe anxiety, depression, withdrawal, or untoward aggressive behavior toward self or others, may make a report to an agency specified in Section 11165.9.

(2) A report of the death of a child who was, at the time of death, living at, enrolled in, or regularly attending a facility licensed to care for children by the State Department of Social Services, unless the circumstances of the child's death are clearly unrelated to the child's care at the facility.

The agency shall send the licensing agency a copy of its investigation and any other pertinent materials.

(b) Any employee of an agency specified in Section 11165.9 who has knowledge of, or observes in his or her professional capacity or within the scope of his or her employment, a child in protective custody whom he or she knows or reasonably suspects has been the victim of child abuse or neglect shall, within 36 hours, send or have sent to the attorney who represents the child in dependency court, a copy of the report prepared in accordance with Section 11166. The agency shall maintain a copy of the written report. All information requested by the attorney for the child or the child's guardian ad litem shall be provided by the agency within 30 days of the request.

**11166.2.** In addition to the reports required under Section 11166, any agency specified in Section 11165.9 shall immediately or as soon as practically possible report by telephone, fax, or electronic transmission to the appropriate licensing agency every known or suspected instance of child abuse or neglect when the instance of abuse or neglect occurs while the child is being cared for in a child day care facility, involves a child day care licensed staff person, or occurs while the child is under the supervision of a community care facility or involves a community care facility licensee or staff

person. The agency shall also send, fax, or electronically transmit a written report thereof within 36 hours of receiving the information concerning the incident to any agency to which it makes a telephone report under this subdivision. The agency shall send the licensing agency a copy of its investigation report and any other pertinent materials.

**11166.3.** (a) The Legislature intends that in each county the law enforcement agencies and the county welfare or probation department shall develop and implement cooperative arrangements in order to coordinate existing duties in connection with the investigation of suspected child abuse or neglect cases. The local law enforcement agency having jurisdiction over a case reported under Section 11166 shall report to the county welfare or probation department that it is investigating the case within 36 hours after starting its investigation. The county welfare department or probation department shall, in cases where a minor is a victim of actions specified in Section 288 of this **code** and a petition has been filed pursuant to Section 300 of the Welfare and Institutions **Code** with regard to the minor, evaluate what action or actions would be in the best interest of the child victim. Notwithstanding any other provision of law, the county welfare department or probation department shall submit in writing its findings and the reasons therefor to the district attorney on or before the completion of the investigation. The law enforcement agency shall send a copy of its investigation report and any other pertinent materials to the licensing agency upon the request of the licensing agency.

**11166.5.** (a) On and after January 1, 1985, any mandated reporter as specified in Section 11165.7, with the exception of child visitation monitors, prior to commencing his or her employment, and as a prerequisite to that employment, shall sign a statement on a form provided to him or her by his or her employer to the effect that he or she has knowledge of the provisions of Section 11166 and will comply with those provisions. The statement shall inform the employee that he or she is a mandated reporter and inform the employee of his or her reporting obligations under Section 11166 and of his or her confidentiality rights under subdivision (d) of Section 11167. The employer shall provide a copy of Sections 11165.7, 11166, and 11167 to the employee.

On and after January 1, 1993, any person who acts as a child visitation monitor, as defined in paragraph (30) of subdivision (a) of Section 11165.7, prior to engaging in monitoring the first visit in a case, shall sign a statement on a form provided to him or her by the court which ordered the presence of that third person during the visit, to the effect that he or she has knowledge of the provisions

of Section 11166 and will comply with those provisions.

The signed statements shall be retained by the employer or the court, as the case may be. The cost of printing, distribution, and filing of these statements shall be borne by the employer or the court.

This subdivision is not applicable to persons employed by public or private youth centers, youth recreation programs, and youth organizations as members of the support staff or maintenance staff and who do not work with, observe, or have knowledge of children as part of their official duties.

(b) On and after January 1, 1986, when a person is issued a state license or certificate to engage in a profession or occupation, the members of which are required to make a report pursuant to Section 11166, the state agency issuing the license or certificate shall send a statement substantially similar to the one contained in subdivision (a) to the person at the same time as it transmits the document indicating licensure or certification to the person. In addition to the requirements contained in subdivision (a), the statement also shall indicate that failure to comply with the requirements of Section 11166 is a misdemeanor, punishable by up to six months in a county jail, by a fine of one thousand dollars (\$1,000), or by both that imprisonment and fine.

(c) As an alternative to the procedure required by subdivision (b), a state agency may cause the required statement to be printed on all application forms for a license or certificate printed on or after January 1, 1986.

(d) On and after January 1, 1993, any child visitation monitor, as defined in paragraph (30) of subdivision (a) of Section 11165.7, who desires to act in that capacity shall have received training in the duties imposed by this article, including training in child abuse identification and child abuse reporting. The person, prior to engaging in monitoring the first visit in a case, shall sign a statement on a form provided to him or her by the court which ordered the presence of that third person during the visit, to the effect that he or she has received this training. (e) Any person providing services to a minor child, as described in paragraph (37) of subdivision (a) of Section 11165.7, shall not be required to make a report pursuant to Section 11166 unless that person has received training, or instructional materials in the appropriate language, on the duties imposed by this article, including identifying and reporting child abuse and neglect.

**11167.** (a) Reports of suspected child abuse or neglect pursuant to Section 11166 shall include the name, business address, and telephone number of the mandated reporter; the capacity that makes the person a mandated reporter; and the information that gave rise to the reasonable suspicion of child abuse or neglect and the source or sources of that information. If a report is made, the following information, if known, shall also be included in the report: the child's name, the child's address, present location, and, if applicable, school, grade, and class; the names, addresses, and telephone numbers of the child's parents or guardians; and the name, address, telephone number, and other relevant personal information about the person or persons who might have abused or neglected the

child. The mandated reporter shall make a report even if some of this information is not known or is uncertain to him or her.

(b) Information relevant to the incident of child abuse or neglect may be given to an investigator from an agency that is investigating the known or suspected case of child abuse or neglect.

(c) Information relevant to the incident of child abuse or neglect, including the investigation report and other pertinent materials, may be given to the licensing agency when it is investigating a known or suspected case of child abuse or neglect.

(2) No agency or person listed in this subdivision shall disclose the identity of any person who reports under this article to that person's employer, except with the employee's consent or by court order.

(e) Notwithstanding the confidentiality requirements of this section, a representative of a child protective services agency performing an investigation that results from a report of suspected child abuse or neglect made pursuant to Section 11166, at the time of the initial contact with the individual who is subject to the investigation, shall advise the individual of the complaints or allegations against him or her, in a manner that is consistent with laws protecting the identity of the reporter under this article.

(f) Persons who may report pursuant to subdivision (f) of Section 11166 are not required to include their names.

**11167.5.** (a) The reports required by Sections 11166 and 11166.2, and child abuse or neglect investigative reports that result in a summary report being filed with the Department of Justice pursuant to subdivision (a) of Section 11169 shall be confidential and may be disclosed only as provided in subdivision (b). Any violation of the confidentiality provided by this article is a misdemeanor punishable by imprisonment in a county jail not to exceed six months, by a fine of five hundred dollars (\$500), or by both that imprisonment and fine.

(b) Reports of suspected child abuse or neglect and information contained therein may be disclosed only to the following:

(1) Persons or agencies to whom disclosure of the identity of the reporting party is permitted under Section 11167.

(2) Persons or agencies to whom disclosure of information is permitted under subdivision (b) of Section 11170 or subdivision (a) of Section 11170.5.

(7) Hospital scan teams. As used in this paragraph, "hospital scan team" means a team of three or more persons established by a hospital, or two or more hospitals in the same county, consisting of health care professionals and representatives of law enforcement and child protective services, the members of which are engaged in the identification of child abuse or neglect. The disclosure authorized by this section includes disclosure among all hospital scan teams.

(8) Coroners and medical examiners when conducting a postmortem examination of a child.

(9) The Board of Prison Terms, who may subpoena an employee of a county welfare department who can provide relevant evidence and reports that both (A) are not unfounded, pursuant to Section 11165.12, and (B) concern only the current incidents upon which parole revocation proceedings are pending against a parolee charged with child abuse or neglect. The reports and information shall be confidential pursuant to subdivision (d) of Section 11167.

Disclosure under this paragraph is required notwithstanding the California Public Records Act, Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1 of the Government **Code**. Nothing in this paragraph shall preclude a submitting agency prior to disclosure from redacting any information necessary to maintain confidentiality as required by law.

The request shall be signed by the department supervisor of the requesting law enforcement agency. The written request shall cite the out-of-state statute or interstate compact provision that requires that the information contained within these reports is to be disclosed only to law enforcement, prosecutorial entities, or multidisciplinary investigative teams, and shall cite the criminal penalties for unlawful disclosure provided by the requesting state or the applicable interstate compact provision. In the absence of both (A) a specific out-of-state statute or interstate compact provision that requires that the information contained within these reports be disclosed only to law enforcement, prosecutorial entities, or multidisciplinary investigative teams, and (B) criminal penalties equivalent to the penalties in California for unlawful disclosure, access shall be denied.

(13) Each chairperson of a county child death review team, or his or her designee, to whom disclosure of information is permitted under

this article, relating to the death of one or more children and any prior child abuse or neglect investigation reports maintained involving the same victim, siblings, or suspects. (e) This section shall not be interpreted to allow disclosure of any reports or records relevant to the reports of child abuse or neglect if the disclosure would be prohibited by any other provisions of state or federal law applicable to the reports or records relevant to the reports of child abuse or neglect.

**11168.** The written reports required by Section 11166 shall be submitted on forms adopted by the Department of Justice after consultation with representatives of the various professional medical associations and hospital associations and county probation or welfare departments. Those forms shall be distributed by the agencies specified in Section 11165.9.

**11169.** (a) An agency specified in Section 11165.9 shall forward to the Department of Justice a report in writing of every case it investigates of known or suspected child abuse or severe neglect which is determined not to be unfounded, other than cases coming within subdivision (b) of Section 11165.2. An agency shall not forward a report to the Department of Justice unless it has conducted an active investigation and determined that the report is not unfounded, as defined in Section 11165.12. If a report has previously been filed which subsequently proves to be unfounded, the Department of Justice shall be notified in writing of that fact and shall not retain the report. The notice required by this section shall be in a form approved by the Department of Justice. The requirements of this subdivision shall apply with respect to reports forwarded to the department on or after the date on which this subdivision becomes operative.

(c) Agencies shall retain child abuse or neglect investigative reports that result in a report filed with the Department of Justice

pursuant to subdivision (a) for the same period of time that the information is required to be maintained on the Child Abuse Central Index pursuant to this section and subdivision (a) of Section 11170. Nothing in this section precludes an agency from retaining the reports for a longer period of time if required by law.

(d) The immunity provisions of Section 11172 shall not apply to the submission of a report by an agency pursuant to this section. However, nothing in this section shall be construed to alter or diminish any other immunity provisions of state or federal law.

**11170.** (a) (1) The Department of Justice shall maintain an index of all reports of child abuse and severe neglect submitted pursuant to Section 11169. The index shall be continually updated by the department and shall not contain any reports that are determined to be unfounded. The department may adopt rules governing recordkeeping and reporting pursuant to this article.

(2) The department shall act only as a repository of reports of suspected child abuse and severe neglect to be maintained in the Child Abuse Central Index pursuant to paragraph (1). The submitting agencies are responsible for the accuracy, completeness, and retention of the reports described in this section. The department shall be responsible for ensuring that the Child Abuse Central Index accurately reflects the report it receives from the submitting agency.

(3) Information from an inconclusive or unsubstantiated report filed pursuant to subdivision (a) of Section 11169 shall be deleted from the Child Abuse Central Index after 10 years if no subsequent report concerning the same suspected child abuser is received within that time period. If a subsequent report is received within that 10-year period, information from any prior report, as well as any subsequently filed report, shall be maintained on the Child Abuse Central Index for a period of 10 years from the time the most recent report is received by the department.

(b) (1) The Department of Justice shall immediately notify an agency that submits a report pursuant to Section 11169, or a prosecutor who requests notification, of any information maintained pursuant to subdivision (a) that is relevant to the known or suspected instance of child abuse or severe neglect reported by the agency. (2) When a report is made pursuant to subdivision (a) of Section 11166, the investigating agency, upon completion of the investigation or after there has been a final disposition in the matter, shall inform the person required to report of the results of the investigation and of any action the agency is taking with regard to the child or family.

(3) The Department of Justice shall make available to a law enforcement agency, county welfare department, or county probation department that is conducting a child abuse investigation relevant information contained in the index.

(4) The department shall make available to the State Department of Social Services or to any county licensing agency that has contracted with the state for the performance of licensing duties information regarding a known or suspected child abuser maintained

pursuant to this section and subdivision (a) of Section 11169 concerning any person who is an applicant for licensure or any adult who resides or is employed in the home of an applicant for licensure or who is an applicant for employment in a position having supervisory or disciplinary power over a child or children, or who will provide 24-hour care for a child or children in a residential home or facility, pursuant to Section 1522.1 or 1596.877 of the Health and Safety **Code**, or Section 8714, 8802, 8912, or 9000 of the Family **Code**.

(5) For purposes of child death review, the Department of Justice shall make available to the chairperson, or the chairperson's designee, for each county child death review team, or the State Child Death Review Council, information maintained in the Child Abuse Central Index pursuant to subdivision (a) of Section 11170 relating to the death of one or more children and any prior child abuse or neglect investigation reports maintained involving the same victims, siblings, or suspects. Local child death review teams may share any relevant information regarding case reviews involving child death with other child death review teams.

(6) The department shall make available to investigative agencies or probation officers, or court investigators acting pursuant to Section 1513 of the Probate **Code**, responsible for placing children or assessing the possible placement of children pursuant to Article 6 (commencing with Section 300), Article 7 (commencing with Section 305), Article 10 (commencing with Section 360), or Article 14 (commencing with Section 601) of Chapter 2 of Part 1 of Division 2 of the Welfare and Institutions **Code**, Article 2 (commencing with Section 1510) or Article 3 (commencing with Section 1540) of Chapter 1 of Part 2 of Division 4 of the Probate **Code**, information regarding a known or suspected child abuser contained in the index concerning any adult residing in the home where the child may be placed, when this information is requested for purposes of ensuring that the placement is in the best interests of the child. Upon receipt of relevant information concerning child abuse or neglect investigation reports contained in the index from the Department of Justice pursuant to this subdivision, the agency or court investigator shall notify, in writing, the person listed in the Child Abuse Central Index that he or she is in the index. The notification shall include the name of the reporting agency and the date of the report.

(7) The Department of Justice shall make available to a government agency conducting a background investigation pursuant to Section 1031 of the Government **Code** of an applicant seeking employment as a peace officer, as defined in Section 830, information regarding a known or suspected child abuser maintained pursuant to this section concerning the applicant.

(8) (A) Persons or agencies, as specified in subdivision (b), if investigating a case of known or suspected child abuse or neglect, or the State Department of Social Services or any county licensing agency pursuant to paragraph (4), or an investigative agency, probation officer, or court investigator responsible for placing children or assessing the possible placement of children pursuant to paragraph (6), or a government agency conducting a background investigation of an applicant seeking employment as a peace officer pursuant to paragraph (7), to whom disclosure of any information maintained pursuant to subdivision (a) is authorized, are responsible for obtaining the original investigative report from the reporting agency, and for drawing independent conclusions regarding the quality of the evidence disclosed, and its sufficiency for making decisions regarding investigation, prosecution, licensing, placement of a child, or employment as a peace officer.

(B) If Child Abuse Central Index information is requested by an agency for the temporary placement of a child in an emergency situation pursuant to Article 7 (commencing with Section 305) of Chapter 2 of Part 1 of Division 2 of the Welfare and Institutions **Code**, the department is exempt from the requirements of Section 1798.18 of the Civil **Code** if compliance would cause a delay in providing an expedited response to the agency's inquiry and if further delay in placement may be detrimental to the child.

(9) (A) Whenever information contained in the Department of Justice files is furnished as the result of an application for employment or licensing pursuant to paragraph (4) or (7), the Department of Justice may charge the person or entity making the request a fee. The fee shall not exceed the reasonable costs to the department of providing the information. The only increase shall be at a rate not to exceed the legislatively approved cost-of-living adjustment for the department. In no case shall the fee exceed fifteen dollars (\$15).

(B) All moneys received by the department pursuant to this section to process trustline applications for purposes of Chapter 3.35 (commencing with Section 1596.60) of Division 2 of the Health and Safety **Code** shall be deposited in a special account in the General Fund that is hereby established and named the Department of Justice Child Abuse Fund. Moneys in the fund shall be available, upon appropriation by the Legislature, for expenditure by the department to offset the costs incurred to process trustline automated child abuse or neglect system checks pursuant to this section.

(C) All moneys, other than that described in subparagraph (B), received by the department pursuant to this paragraph shall be deposited in a special account in the General Fund which is hereby created and named the Department of Justice Sexual Habitual Offender Fund. The funds shall be available, upon appropriation by the Legislature, for expenditure by the department to offset the costs incurred pursuant to Chapter 9.5 (commencing with Section 13885) and Chapter 10 (commencing with Section 13890) of Title 6 of Part 4, and the DNA and Forensic Identification Data Base and Data Bank Act of 1998 (Chapter 6 (commencing with Section 295) of Title 9 of Part 1), and for maintenance and improvements to the statewide Sexual Habitual Offender Program and the DNA offender identification file (CAL-DNA) authorized by Chapter 9.5 (commencing with Section 13885) of Title 6 of Part 4 and the DNA and Forensic Identification Data Base and Data Bank Act of 1998 (Chapter 6 (commencing with Section 295) of Title 9 of Part 1).

(c) The Department of Justice shall make available to any agency responsible for placing children pursuant to Article 7 (commencing with Section 305) of Chapter 2 of Part 1 of Division 2 of the Welfare and Institutions **Code**, upon request, relevant information concerning child abuse or neglect reports contained in the index, when making a placement with a responsible relative pursuant to Sections 281.5, 305, and 361.3 of the Welfare and Institutions **Code**. Upon receipt of relevant information concerning child abuse or neglect reports contained in the index from the Department of Justice pursuant to this subdivision, the agency shall also notify in writing the person listed in the Child Abuse Central Index that he or she is in the index. The notification shall include the location of the original investigative report and the submitting agency. The notification shall be submitted to the person listed at the same time that all other parties are notified of the information, and no later than the actual judicial proceeding that determines placement.

If Child Abuse Central Index information is requested by an agency

for the placement of a child with a responsible relative in an emergency situation pursuant to Article 7 (commencing with Section 305) of Chapter 2 of Part 1 of Division 2 of the Welfare and Institutions **Code**, the department is exempt from the requirements of Section 1798.18 of the Civil **Code** if compliance would cause a delay in providing an expedited response to the child protective agency's inquiry and if further delay in placement may be detrimental to the child.

(d) The department shall make available any information maintained pursuant to subdivision (a) to out-of-state law enforcement agencies conducting investigations of known or suspected child abuse or neglect only when an agency makes the request for information in writing and on official letterhead, identifying the suspected abuser or victim by name. The request shall be signed by the department supervisor of the requesting law enforcement agency. The written requests shall cite the out-of-state statute or interstate compact provision that requires that the information contained within these reports shall be disclosed only to law enforcement, prosecutorial entities, or multidisciplinary investigative teams, and shall cite the criminal penalties for unlawful disclosure of any confidential information provided by the requesting state or the applicable interstate compact provision. In the absence of a specified out-of-state statute or interstate compact provision that requires that the information contained within these reports shall be disclosed only to law enforcement, prosecutorial entities, or multidisciplinary investigative teams, and criminal penalties equivalent to the penalties in California for unlawful disclosure, access shall be denied.

(e) (1) Any person may determine if he or she is listed in the Child Abuse Central Index by making a request in writing to the Department of Justice. The request shall be notarized and include the person's name, address, date of birth, and either a social security number or a California identification number. Upon receipt of a notarized request, the Department of Justice shall make available to the requesting person information identifying the date of the report and the submitting agency. The requesting person is responsible for obtaining the investigative report from the submitting agency pursuant to paragraph (1) of subdivision (b) of Section 11167.5.

(2) No person or agency shall require or request another person to furnish a copy of a record concerning himself or herself, or notification that a record concerning himself or herself exists or does not exist, pursuant to paragraph (1) of this subdivision.

(f) If a person is listed in the Child Abuse Central Index only as a victim of child abuse or neglect, and that person is 18 years of age or older, that person may have his or her name removed from the index by making a written request to the Department of Justice. The request shall be notarized and include the person's name, address, social security number, and date of birth.

**11170.5.** (a) Notwithstanding paragraph (4) of subdivision (b) of Section 11170, the Department of Justice shall make available to a licensed adoption agency, as defined in Section 8530 of the Family **Code**, information regarding a known or suspected child abuser maintained in the Child Abuse Central Index, pursuant to subdivision (a) of Section 11170, concerning any person who has submitted to the agency an application for adoption.

(b) A licensed adoption agency, to which disclosure of any information pursuant to subdivision (a) is authorized, is responsible for obtaining the original investigative report from the reporting

agency, and for drawing independent conclusions regarding the quality of the evidence disclosed and the sufficiency of the evidence for making decisions when evaluating an application for adoption.

(c) Whenever information contained in the Department of Justice files is furnished as the result of an application for adoption pursuant to subdivision (a), the Department of Justice may charge the agency making the request a fee. The fee shall not exceed the reasonable costs to the department of providing the information. The only increase shall be at a rate not to exceed the legislatively approved cost-of-living adjustment for the department. In no case shall the fee exceed fifteen dollars (\$15).

All moneys received by the department pursuant to this subdivision shall be deposited in the Department of Justice Sexual Habitual Offender Fund pursuant to subparagraph (C) of paragraph (9) of subdivision (b) of Section 11170.

**11171.** (a) (1) The Legislature hereby finds and declares that adequate protection of victims of child physical abuse or neglect has been hampered by the lack of consistent and comprehensive medical examinations.

(2) Enhancing examination procedures, documentation, and evidence collection relating to child abuse or neglect will improve the investigation and prosecution of child abuse or neglect as well as other child protection efforts.

(b) The agency or agencies designated by the Director of Finance pursuant to Section 13820 shall, in cooperation with the State Department of Social Services, the Department of Justice, the California Association of Crime Lab Directors, the California District Attorneys Association, the California State Sheriffs Association, the California Peace Officers Association, the California Medical Association, the California Police Chiefs' Association, child advocates, the California Medical Training Center, child protective services, and other appropriate experts, establish medical forensic forms, instructions, and examination protocols for victims of child physical abuse or neglect using as a model the form and guidelines developed pursuant to Section 13823.5.

(c) The forms shall include, but not be limited to, a place for notation concerning each of the following:

(1) Any notification of injuries or any report of suspected child physical abuse or neglect to law enforcement authorities or children's protective services, in accordance with existing reporting procedures.

(2) Addressing relevant consent issues, if indicated.

(3) The taking of a patient history of child physical abuse or neglect that includes other relevant medical history.

(4) The performance of a physical examination for evidence of child physical abuse or neglect.

(5) The collection or documentation of any physical evidence of child physical abuse or neglect, including any recommended photographic procedures.

(6) The collection of other medical or forensic specimens, including drug ingestion or toxication, as indicated.

(7) Procedures for the preservation and disposition of evidence.

(8) Complete documentation of medical forensic exam findings with recommendations for diagnostic studies, including blood tests and X-rays.

(9) An assessment as to whether there are findings that indicate physical abuse or neglect.

(d) The forms shall become part of the patient's medical record

pursuant to guidelines established by the advisory committee of the agency or agencies designated by the Director of Finance pursuant to Section 13820 and subject to the confidentiality laws pertaining to the release of a medical forensic examination records.

(e) The forms shall be made accessible for use on the Internet.

**11171.2.** (a) A physician and surgeon or dentist or their agents and by their direction may take skeletal X-rays of the child without the consent of the child's parent or guardian, but only for purposes of diagnosing the case as one of possible child abuse or neglect and determining the extent of the child abuse or neglect.

(b) Neither the physician-patient privilege nor the psychotherapist-patient privilege applies to information reported pursuant to this article in any court proceeding or administrative hearing.

**11171.5.** (a) If a peace officer, in the course of an investigation of child abuse or neglect, has reasonable cause to believe that the child has been the victim of physical abuse, the officer may apply to a magistrate for an order directing that the victim be X-rayed without parental consent.

Any X-ray taken pursuant to this subdivision shall be administered by a physician and surgeon or dentist or their agents.

(b) With respect to the cost of an X-ray taken by the county coroner or at the request of the county coroner in suspected child abuse or neglect cases, the county may charge the parent or legal guardian of the child-victim the costs incurred by the county for the X-ray.

(c) No person who administers an X-ray pursuant to this section shall be entitled to reimbursement from the county for any administrative cost that exceeds 5 percent of the cost of the X-ray.

**11172.** (a) No mandated reporter shall be civilly or criminally liable for any report required or authorized by this article, and this immunity shall apply even if the mandated reporter acquired the knowledge or reasonable suspicion of child abuse or neglect outside of his or her professional capacity or outside the scope of his or her employment. Any other person reporting a known or suspected instance of child abuse or neglect shall not incur civil or criminal liability as a result of any report authorized by this article unless it can be proven that a false report was made and the person knew that the report was false or was made with reckless disregard of the truth or falsity of the report, and any person who makes a report of child abuse or neglect known to be false or with reckless disregard of the truth or falsity of the report is liable for any damages caused. No person required to make a report pursuant to this article, nor any person taking photographs at his or her direction, shall incur any civil or criminal liability for taking photographs of a suspected victim of child abuse or neglect, or causing photographs to be taken of a suspected victim of child abuse or neglect, without parental consent, or for disseminating the photographs with the reports required by this article. However, this section shall not be construed to grant immunity from this liability with respect to any other use of the photographs.

(b) Any person, who, pursuant to a request from a government agency investigating a report of suspected child abuse or neglect, provides the requesting agency with access to the victim of a known

or suspected instance of child abuse or neglect shall not incur civil or criminal liability as a result of providing that access.

(c) The Legislature finds that even though it has provided immunity from liability to persons required or authorized to make reports pursuant to this article, that immunity does not eliminate the possibility that actions may be brought against those persons based upon required or authorized reports. In order to further limit the financial hardship that those persons may incur as a result of fulfilling their legal responsibilities, it is necessary that they not be unfairly burdened by legal fees incurred in defending those actions. Therefore, a mandated reporter may present a claim to the State Board of Control for reasonable attorney's fees and costs incurred in any action against that person on the basis of making a report required or authorized by this article if the court has dismissed the action upon a demurrer or motion for summary judgment made by that person, or if he or she prevails in the action. The State Board of Control shall allow that claim if the requirements of this subdivision are met, and the claim shall be paid from an appropriation to be made for that purpose. Attorney's fees awarded pursuant to this section shall not exceed an hourly rate greater than the rate charged by the Attorney General of the State of California at the time the award is made and shall not exceed an aggregate amount of fifty thousand dollars (\$50,000).

This subdivision shall not apply if a public entity has provided for the defense of the action pursuant to Section 995 of the Government **Code**.

(d) A court may award attorney's fees and costs to a commercial film and photographic print processor when a suit is brought against the processor because of a disclosure mandated by this article and the court finds this suit to be frivolous.

**11174.** The Department of Justice, in cooperation with the State Department of Social Services, shall prescribe by regulation guidelines for the investigation of abuse in out-of-home care, as defined in Section 11165.5, and shall ensure that the investigation is conducted in accordance with the regulations and guidelines.

**11174.1.** (a) The Department of Justice, in cooperation with the State Department of Social Services, shall prescribe by regulation guidelines for the investigation of child abuse or neglect, as defined in Section 11165.6, in facilities licensed to care for children, and shall ensure that the investigation is conducted in accordance with the regulations and guidelines.

(b) For community treatment facilities, day treatment facilities, group homes, and foster family agencies, the State Department of Social Services shall prescribe the following regulations:

(1) Regulations designed to assure that all licensees and employees of community treatment facilities, day treatment facilities, group homes, and foster family agencies licensed to care for children have had appropriate training, as determined by the State Department of Social Services, in consultation with representatives of licensees, on the provisions of this article.

(2) Regulations designed to assure the community treatment facilities, day treatment facilities, group homes, and foster family agencies licensed to care for children maintain a written protocol for the investigation and reporting of child abuse or neglect, as

defined in Section 11165.6, alleged to have occurred involving a child placed in the facility.

(c) The State Department of Social Services shall provide such orientation and training as it deems necessary to assure that its officers, employees, or agents who conduct inspections of facilities licensed to care for children are knowledgeable about the reporting requirements of this article and have adequate training to identify conditions leading to, and the signs of, child abuse or neglect, as defined in Section 11165.6.

**11174.3.** (a) Whenever a representative of a government agency investigating suspected child abuse or neglect or the State Department of Social Services deems it necessary, a suspected victim of child abuse or neglect may be interviewed during school hours, on school premises, concerning a report of suspected child abuse or neglect that occurred within the child's home or out-of-home care facility. The child shall be afforded the option of being interviewed in private or selecting any adult who is a member of the staff of the school, including any certificated or classified employee or volunteer aide, to be present at the interview. A representative of the agency investigating suspected child abuse or neglect or the State Department of Social Services shall inform the child of that right prior to the interview.

The purpose of the staff person's presence at the interview is to lend support to the child and enable him or her to be as comfortable as possible. However, the member of the staff so elected shall not participate in the interview. The member of the staff so present shall not discuss the facts or circumstances of the case with the child. The member of the staff so present, including, but not limited to, a volunteer aide, is subject to the confidentiality requirements of this article, a violation of which is punishable as specified in Section 11167.5. A representative of the school shall inform a member of the staff so selected by a child of the requirements of this section prior to the interview. A staff member selected by a child may decline the request to be present at the interview. If the staff person selected agrees to be present, the interview shall be held at a time during school hours when it does not involve an expense to the school. Failure to comply with the requirements of this section does not affect the admissibility of evidence in a criminal or civil proceeding.

(b) The Superintendent of Public Instruction shall notify each school district and each agency specified in Section 11165.9 to receive mandated reports, and the State Department of Social Services shall notify each of its employees who participate in the investigation of reports of child abuse or neglect, of the requirements of this section.

## **WELFARE AND INSTITUTIONS CODE SECTIONS 300 & 318**

**300.** Any child who comes within any of the following descriptions is within the jurisdiction of the juvenile court which may adjudge that person to be a dependent child of the court:

(a) The child has suffered, or there is a substantial risk that the child will suffer, serious physical harm inflicted nonaccidentally upon the child by the child's parent or guardian. For the purposes of this subdivision, a court may find there is a

substantial risk of serious future injury based on the manner in which a less serious injury was inflicted, a history of repeated inflictions of injuries on the child or the child's siblings, or a combination of these and other actions by the parent or guardian which indicate the child is at risk of serious physical harm. For purposes of this subdivision, "serious physical harm" does not include reasonable and age-appropriate spanking to the buttocks where there is no evidence of serious physical injury.

(b) The child has suffered, or there is a substantial risk that the child will suffer, serious physical harm or illness, as a result of the failure or inability of his or her parent or guardian to adequately supervise or protect the child, or the willful or negligent failure of the child's parent or guardian to adequately supervise or protect the child from the conduct of the custodian with whom the child has been left, or by the willful or negligent failure of the parent or guardian to provide the child with adequate food, clothing, shelter, or medical treatment, or by the inability of the parent or guardian to provide regular care for the child due to the parent's or guardian's mental illness, developmental disability, or substance abuse. No child shall be found to be a person described by this subdivision solely due to the lack of an emergency shelter for the family. Whenever it is alleged that a child comes within the jurisdiction of the court on the basis of the parent's or guardian's willful failure to provide adequate medical treatment or specific decision to provide spiritual treatment through prayer, the court shall give deference to the parent's or guardian's medical treatment, nontreatment, or spiritual treatment through prayer alone in accordance with the tenets and practices of a recognized church or religious denomination, by an accredited practitioner thereof, and shall not assume jurisdiction unless necessary to protect the child from suffering serious physical harm or illness. In making its determination, the court shall consider (1) the nature of the treatment proposed by the parent or guardian, (2) the risks to the child posed by the course of treatment or non-treatment proposed by the parent or guardian, (3) the risk, if any, of the course of treatment being proposed by the petitioning agency, and (4) the likely success of the courses of treatment or non-treatment proposed by the parent or guardian and agency. The child shall continue to be a dependent child pursuant to this subdivision only so long as is necessary to protect the child from risk of suffering serious physical harm or illness.

(c) The child is suffering serious emotional damage, or is at substantial risk of suffering serious emotional damage, evidenced by severe anxiety, depression, withdrawal, or untoward aggressive behavior toward self or others, as a result of the conduct of the parent or guardian or who has no parent or guardian capable of providing appropriate care. No child shall be found to be a person described by this subdivision if the willful failure of the parent or guardian to provide adequate mental health treatment is based on a sincerely held religious belief and if a less intrusive judicial intervention is available.

(d) The child has been sexually abused, or there is a substantial risk that the child will be sexually abused, as defined in Section 11165.1 of the Penal **Code**, by his or her parent or guardian or a member of his or her household, or the parent or guardian has failed to adequately protect the child from sexual abuse when the parent or guardian knew or reasonably should have known that the child was in danger of sexual abuse.

(e) The child is under the age of five years and has suffered

severe physical abuse by a parent, or by any person known by the parent, if the parent knew or reasonably should have known that the person was physically abusing the child. For the purposes of this subdivision, "severe physical abuse" means any of the following: any single act of abuse which causes physical trauma of sufficient severity that, if left untreated, would cause permanent physical disfigurement, permanent physical disability, or death; any single act of sexual abuse which causes significant bleeding, deep bruising, or significant external or internal swelling; or more than one act of physical abuse, each of which causes bleeding, deep bruising, significant external or internal swelling, bone fracture, or unconsciousness; or the willful, prolonged failure to provide adequate food. A child may not be removed from the physical custody of his or her parent or guardian on the basis of a finding of severe physical abuse unless the social worker has made an allegation of severe physical abuse pursuant to Section 332.

(f) The child's parent or guardian caused the death of another child through abuse or neglect.

(g) The child has been left without any provision for support; physical custody of the child has been voluntarily surrendered pursuant to Section 1255.7 of the Health and Safety **Code** and the child has not been reclaimed within the 14-day period specified in subdivision (e) of that section; the child's parent has been incarcerated or institutionalized and cannot arrange for the care of the child; or a relative or other adult custodian with whom the child resides or has been left is unwilling or unable to provide care or support for the child, the whereabouts of the parent are unknown, and reasonable efforts to locate the parent have been unsuccessful.

(h) The child has been freed for adoption by one or both parents for 12 months by either relinquishment or termination of parental rights or an adoption petition has not been granted.

(i) The child has been subjected to an act or acts of cruelty by the parent or guardian or a member of his or her household, or the parent or guardian has failed to adequately protect the child from an act or acts of cruelty when the parent or guardian knew or reasonably should have known that the child was in danger of being subjected to an act or acts of cruelty.

(j) The child's sibling has been abused or neglected, as defined in subdivision (a), (b), (d), (e), or (i), and there is a substantial risk that the child will be abused or neglected, as defined in those subdivisions. The court shall consider the circumstances surrounding the abuse or neglect of the sibling, the age and gender of each child, the nature of the abuse or neglect of the sibling, the mental condition of the parent or guardian, and any other factors the court considers probative in determining whether there is a substantial risk to the child.

It is the intent of the Legislature that nothing in this section disrupt the family unnecessarily or intrude inappropriately into family life, prohibit the use of reasonable methods of parental discipline, or prescribe a particular method of parenting. Further, nothing in this section is intended to limit the offering of voluntary services to those families in need of assistance but who do not come within the descriptions of this section. To the extent that savings accrue to the state from child welfare services funding obtained as a result of the enactment of the act that enacted this section, those savings shall be used to promote services which support family maintenance and family reunification plans, such as

client transportation, out-of-home respite care, parenting training, and the provision of temporary or emergency in-home caretakers and persons teaching and demonstrating homemaking skills. The Legislature further declares that a physical disability, such as blindness or deafness, is no bar to the raising of happy and well-adjusted children and that a court's determination pursuant to this section shall center upon whether a parent's disability prevents him or her from exercising care and control. The Legislature further declares that a child whose parent has been adjudged a dependent child of the court pursuant to this section shall not be considered to be at risk of abuse or neglect solely because of the age, dependent status, or foster care status of the parent.

As used in this section, "guardian" means the legal guardian of the child.

**318.** If a district attorney has represented a minor in a dependency proceeding, that district attorney shall not appear, on behalf of the people of the State of California, in any juvenile court hearing which is based upon a petition that alleges that the same minor is a person within the description of Section 602.

Records kept by the district attorney in the course of representation of a minor described in Section 300 are confidential and shall be held separately, and shall not be inspected by members of the district attorney's office not directly involved in the representation of that minor. A district attorney who represents or who has represented a minor in a proceeding brought pursuant to Section 300 shall not discuss the substance of that case with a district attorney representing the people pursuant to Section 681 in a proceeding brought pursuant to Section 602 in which that same minor is the subject of the petition.

## **WELFARE AND INSTITUTIONS CODE SECTION 601**

**601.** (a) Any person under the age of 18 years who persistently or habitually refuses to obey the reasonable and proper orders or directions of his or her parents, guardian, or custodian, or who is beyond the control of that person, or who is under the age of 18 years when he or she violated any ordinance of any city or county of this state establishing a curfew based solely on age is within the jurisdiction of the juvenile court which may adjudge the minor to be a ward of the court.

(b) If a minor has four or more trancies within one school year as defined in Section 48260 of the Education **Code** or a school attendance review board or probation officer determines that the available public and private services are insufficient or inappropriate to correct the habitual truancy of the minor, or to correct the minor's persistent or habitual refusal to obey the reasonable and proper orders or directions of school authorities, or if the minor fails to respond to directives of a school attendance review board or probation officer or to services provided, the minor is then within the jurisdiction of the juvenile court which may adjudge the minor to be a ward of the court. However, it is the intent of the Legislature that no minor who is adjudged a ward of the court pursuant solely to this subdivision shall be removed from the custody of the parent or guardian except during school hours.

(c) To the extent practically feasible, a minor who is adjudged a ward of the court pursuant to this section shall not be permitted to come into or

remain in contact with any minor ordered to participate in a truancy program, or the equivalent thereof, pursuant to Section 602.

(d) Any peace officer or school administrator may issue a notice to appear to a minor who is within the jurisdiction of the juvenile court pursuant to this section.

## **FAMILY CODE SECTIONS 7802, 7807, 7808, 7820-7829, 7892**

**7802.** A proceeding may be brought under this part for the purpose of having a minor child declared free from the custody and control of either or both parents.

**7807.** (a) Sections 3020, 3022, 3040 to 3043, inclusive, and 3409 do not apply in a proceeding under this part.

(b) All proceedings affecting a child under Divisions 8 (commencing with Section 3000) to 11 (commencing with Section 6500), inclusive, and Parts 1 (commencing with Section 7500) to 3 (commencing with Section 7600), inclusive, of this division shall be stayed pending final determination of proceedings to declare the minor free from parental custody and control under this part.

(c) Nothing in this section may limit the jurisdiction of the court pursuant to Part 3 (commencing with Section 6240) and Part 4 (commencing with Section 6300) of Division 10 with respect to domestic violence orders.

**7808.** This part does not apply to a minor adjudged a dependent child of the juvenile court pursuant to subdivision (c) of Section 360 of the Welfare and Institutions **Code** on and after January 1, 1989, during the period in which the minor is a dependent child of the court. For those minors, the exclusive means for the termination of parental rights are provided in the following statutes:

(a) Section 366.26 of the Welfare and Institutions **Code**.

(b) Sections 8604 to 8606, inclusive, and 8700 of this **code**.

(c) Chapter 5 (commencing with Section 7660) of Part 3 of this division of this **code**.

**7820.** A proceeding may be brought under this part for the purpose of having a child under the age of 18 years declared free from the custody and control of either or both parents if the child comes within any of the descriptions set out in this chapter.

**7821.** A finding pursuant to this chapter shall be supported by clear and convincing evidence.

**7822.** (a) A proceeding under this part may be brought where the child has been left without provision for the child's identification by the child's parent or parents or by others or has been left by both parents or the sole parent in the care and custody of another for a period of six months or by one parent in the care and custody of the other parent for a period of one year without any provision for the child's support, or without communication from the parent or parents, with the intent on the part of the parent or parents to abandon the child.

(b) The failure to provide identification, failure to provide support, or failure to communicate is presumptive evidence of the intent to abandon. If the parent or parents have made only token efforts to support or communicate with the child, the court may declare the child abandoned by the parent or parents.

(c) If the child has been left without provision for the child's identification and the whereabouts of the parents are unknown, a petition may be filed after the 120th day following the discovery of the child and citation by publication may be commenced. The petition may not be heard until after the 180th day following the discovery of the child.

(d) If the parent has placed the child for adoption and has not refused to give the required consent to adoption, evidence of the adoptive placement shall not in itself preclude the court from finding an intent on the part of that parent to abandon the child. If the parent has placed the child for adoption and has refused to give the required consent to adoption but has not taken reasonable action to obtain custody of the child, evidence of the adoptive placement shall not in itself preclude the court from finding an intent on the part of that parent to abandon the child.

**7823.** (a) A proceeding under this part may be brought where all of the following requirements are satisfied:

(1) The child has been neglected or cruelly treated by either or both parents.

(2) The child has been a dependent child of the juvenile court under any subdivision of Section 300 of the Welfare and Institutions **Code** and the parent or parents have been deprived of the child's custody for one year before the filing of a petition pursuant to this part.

(b) Physical custody by the parent or parents for insubstantial periods of time does not interrupt the running of the one-year period.

**7824.** (a) "Disability" as used in this section means any physical or mental incapacity which renders the parent or parents unable to care for and control the child adequately.

(b) A proceeding under this part may be brought where all of the following requirements are satisfied:

(1) The child is one whose parent or parents (A) suffer a disability because of the habitual use of alcohol, or any of the controlled substances specified in Schedules I to V, inclusive, of Division 10 (commencing with Section 11000) of the Health and Safety **Code**, except when these controlled substances are used as part of a medically prescribed plan, or (B) are morally depraved.

(2) The child has been a dependent child of the juvenile court, and the parent or parents have been deprived of the child's custody continuously for one year immediately before the filing of a petition pursuant to this part.

(c) Physical custody by the parent or parents for insubstantial periods of time does not interrupt the running of the one-year period.

**7825.** (a) A proceeding under this part may be brought where both of the following requirements are satisfied:

(1) The child is one whose parent or parents are convicted of a felony.

(2) The facts of the crime of which the parent or parents were convicted are of such a nature so as to prove the unfitness of the parent or parents to have the future custody and control of the child.

(b) The mother of a child may bring a proceeding under this part against the father of the child, where the child was conceived as a result of an act in violation of Section 261 of the Penal **Code**, and where the father was convicted of that violation. For purposes of this subdivision, there is a conclusive presumption that the father is unfit to have custody or control of the child.

**7826.** A proceeding under this part may be brought where both of the following requirements are satisfied:

(a) The child is one whose parent or parents have been declared by a court of competent jurisdiction, wherever situated, to be developmentally disabled or mentally ill.

(b) In the state or country in which the parent or parents reside or are hospitalized, the Director of Mental Health or the Director of Developmental Services, or their equivalent, if any, and the superintendent of the hospital, if any, of which the parent or parents are inmates or patients, certify that the parent or parents so declared to be developmentally disabled or mentally ill will not be capable of supporting or controlling the child in a proper manner.

**7827.** (a) "Mentally disabled" as used in this section means that a parent or parents suffer a mental incapacity or disorder that renders the parent or parents unable to care for and control the child adequately.

(b) A proceeding under this part may be brought where the child is one whose parent or parents are mentally disabled and are likely to remain so in the foreseeable future.

(c) Except as provided in subdivision (d), the evidence of any two experts, each of whom shall be a physician and surgeon, certified either by the American Board of Psychiatry and Neurology or under Section 6750 of the Welfare and Institutions **Code**, a licensed psychologist who has a doctoral degree in psychology and at least five years of postgraduate experience in the diagnosis and treatment of emotional and mental disorders, is required to support a finding under this section. In addition to this requirement, the court shall have the discretion to call a licensed marriage and **family** therapist, or a licensed clinical social worker, either of whom shall have at least five years of relevant postlicensure experience, in circumstances where the court determines that this testimony is in the best interest of the child and is warranted by the circumstances of the particular **family** or parenting issues involved. However, the court may not call a licensed marriage and **family** therapist or licensed clinical social worker pursuant to this section who is the adoption service provider, as defined in Section 8502, of the child who is the subject of the petition to terminate parental rights.

(d) If the parent or parents reside in another state or in a foreign country, the evidence required by this section may be supplied by the affidavits of two experts, each of whom shall be either of the following:

(1) A physician and surgeon who is a resident of that state or foreign country, and who has been certified by a medical organization or society of that state or foreign country to practice psychiatric or neurological medicine.

(2) A licensed psychologist who has a doctoral degree in psychology and at least five years of postgraduate experience in the diagnosis and treatment of emotional and mental disorders and who is licensed in that state or authorized to practice in that country.

(e) If the rights of a parent are sought to be terminated pursuant to this section, and the parent has no attorney, the court shall appoint an attorney for the parent pursuant to Article 4 (commencing with Section 7860) of Chapter 3, whether or not a request for the appointment is made by the parent.

**7828.** (a) A proceeding under this part may be brought where all of the following requirements are satisfied:

(1) The child is one who has been in out-of-home placement under the supervision of the juvenile court, the county welfare department, or other public or private licensed child-placing agency for a one-year period.

(2) The court finds that return of the child to the child's parent or parents would be detrimental to the child and that the parent or parents have failed during the one-year period, and are likely to fail in the future, to maintain an adequate parental relationship with the child, which includes providing both a home and care and control for the child.

(b) If the child has been adjudged a dependent child of the juvenile court and placed in out-of-home placement pursuant to Section 361 of the Welfare and Institutions **Code**, the one-year period is calculated from the date of the dispositional hearing at which the child was placed in out-of-home placement pursuant to that section.

(c) If the child is in placement under the supervision of a county welfare department or other public or private licensed child-placing agency, pursuant to a voluntary placement, as described in Section 16507.4 of the Welfare and Institutions **Code**, the one-year period is calculated from the date the child entered out-of-home placement.

(d) Trial placement of the child in the physical custody of the parent or visitation of the child with the parent during the one-year period, when the trial placement or visitation does not result in permanent placement of the child with the parent, does not interrupt the running of the one-year period.

(e) The court shall make a determination that reasonable services have been provided or offered to the parents which were designed to aid the parents to overcome the problems which led to the deprivation or continued loss of custody and that despite the availability of these services, return of the child to the parents would be detrimental to the child. The probation officer or social worker currently assigned to the case of the child shall appear at the termination proceedings. If the child has been adjudged to be a dependent child of the court pursuant to Section 300 of the Welfare and Institutions **Code**, the court shall review and consider the contents of the juvenile court file in determining if the services offered were reasonable under the circumstances.

**7829.** A proceeding under this part may be brought where both of the following requirements are satisfied:

(a) The child has been found to be a dependent child of the juvenile court.

(b) The juvenile court has determined, pursuant to paragraph (3), (4), or (5) of subdivision (b) of Section 361.5 of the Welfare and Institutions **Code**, that reunification services shall not be provided to the child's parent or guardian.

**7890.** In a proceeding under this part, the court shall consider the wishes of the child, bearing in mind the age of the child, and shall act in the best interest of the child.

**7892.** (a) The testimony of the child may be taken in chambers and outside the presence of the child's parent or parents if the child's parent or parents are represented by counsel, the counsel is present, and any of the following circumstances exist:

(1) The court determines that testimony in chambers is necessary to ensure truthful testimony.

(2) The child is likely to be intimidated by a formal courtroom setting.

(3) The child is afraid to testify in front of the child's parent or parents.

(b) The testimony of a child also may be taken in chambers and outside the presence of the guardian or guardians of a child under the circumstances specified in subdivision (a).

(c) A finding pursuant to this section shall be supported by clear and convincing evidence.

(d) After testimony in chambers, the parent or parents of the child may elect to have the court reporter read back the testimony or have the testimony summarized by counsel for the parent or parents.
