

Part II: Planned Student Equity (SE) Expenditures

Report planned expenditures of the college Student Equity allocation by object code as defined by the California Community Colleges Budget and Accounting Manual (BAM). Although they appear in the CCC BAM, not all expenditures categories are eligible Student Equity expenditures. Eligible and ineligible expenditures for Student Equity funds are listed below. The Activity ID and the \$ amounts to be reported under the categories: Outreach, Student Services & Categoricals, Research and Evaluation, SE Coordination & Planning, etc. must match the Activity ID and amount(s) reported for that activity in the Student Equity Plan narrative for each success indicator (Access, Course Completion, etc.).

BAM can be found at: <http://extranet.cccco.edu/Divisions/FinanceFacilities/FiscalStandards/BudgetandAccountingManual.aspx>

Other Instructions

A complete list of eligible and ineligible uses of student equity funds is available on the CCCCCO website at <http://extranet.cccco.edu/Divisions/StudentServices/StudentEquity.aspx>. Funding listed for specific activities in the plan narrative, must also be entered into the Summary Budget spreadsheet. Equity funds are intended to augment programs or services for students. Districts and colleges cannot use equity funds to supplant funding for programs, positions or services funded from another source, prior to the availability of equity funds in the 2014-15 FY. Multi-college districts who choose to conduct and fund student equity related activities at the district level must incorporate a description of those activities in one or several of their college's plans, and also include related expenditures in the Summary Budget spreadsheet for that college or colleges. The spreadsheet has a separate signature page from the narrative that requires the signature of the district chief business officer and the district chancellor or chief executive officer, since districts are the legal fiscal agent for student equity funds.

Eligible expenditures:

8. Developing or adapting academic or career-related programs, curriculum and courses to improve student equity outcomes.
9. Providing embedded tutoring, counseling support for learning communities, and other instructional support services that do not generate FTES.
10. In-State travel in support of student equity. Out-of-state travel for college employees or students will be considered on a case-by-case basis, with prior approval from the Chancellor's Office.
