

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

March 15, 2016

Agenda Item: 4.9

Subject: Approval of Memorandum of Understanding (MOU) – City of Hayward (COH) in Support of the East Bay Mathematics and Science Teacher Initiative, Chabot College

Background: California’s economy depends upon having a good supply of mathematics and science graduates for the State’s science and technology jobs. In order to increase future student interest and engagement in science, technology, engineering and math (STEM) fields, it is critical that we as an educational institution help to prepare and foster future teachers in science and math to foster the pipeline. Chabot is a primary partner in the California State University, East Bay Mathematics and Science Teacher Initiative and is entering into this agreement with the City of Hayward (COH) to carry out the Initiative-related out-of-school time and student transitional support activities on behalf of Chabot.

COH will recruit and train students from Chabot’s math, sciences, and engineering tutor/student population to act as tutors in the Hayward Public Library’s After-School Homework Support Centers at local middle school and high school sites. Tutors will support students in their math and science subjects between August 2015 and June 2016.

The MOU is for the period of August 1, 2015 – June 30, 2016 and Chabot will compensate COH in the amount of \$11,500. The invoice is to be dated no earlier March 1, 2016.

Recommended Action: That the Board of Trustees approves the proposed Memorandum of Understanding (MOU) with the City of Hayward (COH) in the amount of \$11,500 for the period of July 1, 2015 – June 30, 2016. It is further recommended that the Board authorize the Vice Chancellor, Business Services, to execute the MOU on behalf of the District.

Approved: Jannett N. Jackson/Date
