Chabot College MEDICAL ASSISTING PROGRAM CLINICAL AFFILIATION AGREEMENT

The Chabot College Medical Assisting Program enters into this agreement with:

NAME: Asian Health Services (Physician/Clinic)

ADDRESS: 818 Webster Street

Oakland, CA 94607

Website: www.asianhealthservices.org

Phone #: 510-986-6880

This agreement is to provide identified clinical learning experience for the students in the Medical Assisting Program at Chabot College

THE CLINICAL SITE AGREES TO:

Supervise the students involved in clinical practice by:

- 1. Assigning students to meaningful learning activities which meet the agreed upon program learning objectives.
- 2. Observing and assisting students' clinical learning and performance
- 3. Evaluating students' clinical performance.
- 4. Providing a clinical orientation for students.
- 5. Providing an environment and resources within the facility to support learning activities for students.

THE STUDENT MAY NOT RECEIVE PAY/COMPENSATION, AND MUST NOT BE A SUBSTITUTE FOR A REGULAR EMPLOYEE DURING THE CLINICAL EXPERIENCE.

THE COLLEGE AGREES TO:

- 1. Provide Worker's Compensation and for each student.
- 2. Professional liability insurance coverage for each student
- 3. Provide the necessary record forms and related materials required by each student during the clinical experience.
- 4. Provide each student with fundamental knowledge of the health profession, medical ethics, confidentiality, and professionalism prior to entry into the clinical area.
- 5. Require each student to be in acceptable dress, including student photo ID and to abide by the policies of the clinical affiliate.
- 6. Plan a student rotation schedule including dates, number of students, required hours, and recommended activities for each student.
- 7. Provide at minimum of one visit per rotation period each semester by the clinical coordinator to each clinical facility in order to coordinate the didactic and clinical experiences; and foster effective communication between the college and the clinical educator/supervisor.
- 8. Insure that students provide current background check, health history, medical exams and appropriate immunizations per site requirements.

- 9. Provide the clinical site with medical assisting instructor's contact information so they can be reached at any time when a student is on site.
- Problems with individual students during clinical experience should be brought to the attention of the medical assisting instructor as soon as possible.
- 11. Attempts should be made with options to resolve the issue of the student's performance or to remove the student from the clinical site if the problems are unresolved.
- 12. Advise students that the practicum is unpaid and that the student must provide their own transport
- 13. Chabot College and/or the student will be responsible for the costs of their medical care if injured at Asian Health Services. AHS will provide immediate first aid and arrange for emergency care.

This agreement may be reviewed every year and amended by mutual consent.

Effective until June 15, 2020 unless revoked by either party

The parties agree that they will comply with all terms and conditions of the governing Clinical Education Agreement, including ATTACHMENT A, which is hereby incorporated.

IN WITNESS WHEREOF, the parties have caused this Agreement to be duly executed as of the Effective Date by their respective duly authorized officers.

ATTACHMENT A

Clinical Education Agreement

This attachment is incorporated into the Clinical Education Agreement between Facility and School dated April 1, 2017 ("Clinical Education Agreement") in support of the Chabot College Medical Assisting Program.

Medical Assisting Education Review

These standard requirements are stipulated by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Medical Assisting Education Review Board (MAERB) Section III 3 – Curriculum- Practicum.

- A. This is an unpaid, supervised practicum of at least 160 contact hours (180 per college requirements) in an ambulatory healthcare setting, demonstrating the knowledge, skills, and behaviors of the of the MAERB Core Curriculum in performing clinical and administrative duties
- B. On-site supervision of the student must be provided by an individual who has knowledge of the medical assisting profession.

Evaluation

Facility and School shall cooperate in setting regularly scheduled meetings between the appropriate School and Facility staff for the purpose of interpreting, discussing, and evaluating the Program and the clinical experience of the students. The final individual student evaluation will be completed by the instructor of record.

HIPAA Confidentiality

Maintaining confidentiality of patient information: No student or instructor shall have access to or have the right to receive any medical record, except when necessary in the regular course of the training. The discussion, transmission or narration in any form by students or instructors of any patient information of a personal nature, medical or otherwise, obtained in the regular course of the Program(s) is forbidden except as a necessary part of the training. Students and instructors shall use de-identified information only in any discussions with School, its employees or agents not participating as on-site instructors, unless the patient has first given express authorization using a form approved by SBMF that complies with applicable state and federal law, including the Federal Health Insurance Portability and Accountability Act of 1996, Public Law 104-191, Subtitle D of the Federal HITECH Act ("HITECH Act," 42 U.S.C. § 17921 et seq.), and the regulations promulgated thereunder (collectively referred to herein as "HIPAA"). To preserve patient confidentiality, students and instructors shall not be permitted to use any cameras or camera cell phones in the Facilities. Any student(s)/instructor(s) participating in the Program(s) under this Agreement must execute a Confidentiality Form prior to placement.

Compliance with Family Educational Rights and Privacy Act.

As an educational institution, School is obligated to comply with the Family Educational Rights and Privacy Act (known as "FERPA" or the "Act") in its handling of educational records of students enrolled in their programs. Facility has agreed to provide educational training to School's students and as such will be an agent of School for the purposes of FERPA compliance. To the extent Facility generates or maintains educational records related to a student participating in the Program, Facility agrees to comply with FERPA, to the same extent as such laws and regulations apply to the School and shall limit access to only those employees or agents with a need to know. Additionally, for the avoidance of doubt, Facility

shall be able to rely on the exceptions under FERPA to share information as appropriate to resolve a health or safety emergency. For the purposes of this Agreement, pursuant to FERPA, School hereby designates Facility as a school official with a legitimate educational interest in the educational records of the participating student(s) to the extent that access to the School's records is required by Facility to carry out the Program.
