

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

September 19, 2017

Agenda Item: 4.3

Subject: Approval of Memorandum of Understanding (MOU) with the Livermore Amador Valley Transit Authority for the Las Positas College Transit Pass Demonstration Project

Background: Livermore Amador Valley Transit Authority (LAVTA) provides public transit service within the cities of Dublin, Livermore, Pleasanton, and the immediately adjacent unincorporated areas of Alameda County within its jurisdiction, by offering local, intercity, and interregional express bus services, including 15 minute service to Las Positas College with quick, convenient connections to Bay Area Rapid Transit (BART) and Altamont Corridor Express (ACE) trains. The goal of the demonstration project is to ascertain the potential usage of a Transit Pass Demonstration Project, and to provide information necessary to plan for a long-term Transit Pass Program.

LAVTA and Las Positas College desire to enter into this MOU for the second year to coordinate the Las Positas College Transit Pass Demonstration Project, which will allow all Las Positas College students and employees the privilege of riding the Wheels and Rapid fixed route system free of charge from August 16, 2017 through the last day of the summer term of 2018. The goal of the demonstration project is to ascertain the potential usage of a Transit Pass Demonstration Project, and to provide the information necessary to plan for a long-term Transit Pass Program.

Recommended Action: That the Board of Trustees approves the proposed Memorandum of Understanding (MOU) with the Livermore Amador Valley Transit Authority for the Las Positas College Transit Pass Demonstration Project. It is further recommended that the Board authorizes the Vice Chancellor, Business Services, to execute the agreement on behalf of the District.
