Agenda Item: 5.5

Subject: Approval of Award of a Piggyback Contract for Personal Computer Equipment for Instructional Study at Chabot College using the State of California WSCA-NASPO VP PC Cooperative Purchasing Program

Background: District is preparing for the purchase, delivery and installation of personal computer equipment for the first-phase of a scheduled life-cycle replacement equipment in multiple areas of Instructional study at Chabot College for 2018. These systems will replace existing systems that are no longer meeting the needs of curriculum and need to be updated in order to support current application and programs in three computer labs of building 300.

The Western States Contracting Alliance (WSCA) has formed a cooperative purchasing organization; the National Association of State Procurement Officials (NASPO) to manage a cooperative purchasing program approved by the California's State Chief Procurement Official and makes contracts available to authorized governmental entities such as public schools and institutions of higher education. The WSCA-NASPO contract planned for this use is the computer contract (7-15-70-34-001) with Hewlett Packard Company. This piggybackable contract utilizes a previously conducted bidding process and contract award to WSCA members.

Recommended Action: That the Board of Trustees approve the award of a piggyback contract for Personal Computer Equipment for Instructional Study at Chabot College using the State of California WSCA-NASPO VP PC Cooperative Purchasing Program, to Hewlett Packard Company of Omaha, NE, in the respective amounts including taxes, not to exceed \$216,073.41.
