August 21, 2018

Agenda Item: 4.7

Subject: Approval of Amendment to California State Department of Education  
State Preschool CSPP Contract 2017-18

Background: The Chabot-Las Positas Community College District has contracted with the California Department of Education, Child Development Division to continue to provide early childhood development (ECD) education services at the Chabot ECD Lab School and Las Positas ECD Lab School. The purpose of the State Preschool Program Contract is to provide preschool services for eligible student and community families as well as a practicum lab environment for our Early Childhood Development students, and students from our Nursing and Dental programs.

This amendment, pre-approved by the State Department of Education, changes the previously approved contract to reflect actual days of operation. The Lab School opened one week later than anticipated in August 2017.

Recommended Action: That the Board of Trustees approves the amendment to California State Department of Education State Preschool CSPP Contract 2017-18. It is further recommended that the Board authorize the Vice Chancellor, Business Services, to execute the contract on behalf of the Chabot-Las Positas Community College District.
