Dear Mr. Letcher,

**Re: Las Positas College  
Academic Building 100 Construction Project  
DSA Project Inspector Services**

This proposal is a request for extension of project inspector services for this subject project. This extension is based on additional time for Balfour Beatty construction to complete this project.

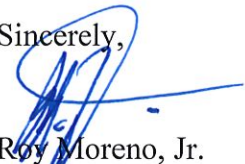

This extended cost is based on part time work during the contract extension dates August 2018 to March 2019. This inspection cost is based on an estimated contract completion dated of 3-31-19 which includes all DSA close-out work.

The estimated inspection cost is \$85.00/Hour x 176 Hours = \$14,960.00.

The NOT TO EXCEED amount is \$14,960.00.

Please call me at (510) 363-9041 if any additional information is required.

Sincerely,

  
Roy Moreno, Jr.  
Inspector of Record
