MAXIENT

Title IX investigations from the Office of Civil Rights. High-profile student conduct cases. Clery audits.

The need for effective data tracking and case management tools in higher education has never been greater.

You need more than a software provider. You need a partner that understands the field, with the size and scope to not just respond to trends, but to be out in front of them.

Align your campus with the leader in behavior records management: Maxient

More than

800

colleges and universities rely on Maxient every single day.

"The support of Maxient compares to none and is a critical tool for the work of our campus to be effective."

Mr. Travis E. Overton
