II. Drug-Free Workplace Act of 1990

The State of California requires that every person or organization awarded a grant or contract shall certify it will provide a drug-free workplace.

III. Lobbying

POST grant funds, grant property, or grant funded positions shall not be used for any lobbying activities, including, but not limited to, being paid by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the making of any federal grant, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal grant or cooperative agreement.

IV. Proof of Authority from City Council/Governing Board

The above-named organization (Applicant) accepts responsibility for and will comply with the requirement to obtain a signed resolution from the city council/governing board in support of this program. The Applicant agrees to provide all matching funds required for said project (including any amendment thereof) under the Program and the funding terms and conditions of POST, and that any cash match will be appropriated as required. It is agreed that any liability arising out of the performance of this Award, including civil court actions for damages, shall be the responsibility of the grant Recipient and the authorizing agency. The State of California and POST disclaim responsibility of any such liability. Furthermore, it is also agreed that grant funds received from POST shall not be used to supplant expenditures controlled by the city council/governing board.

The Applicant is required to obtain written authorization from the city council/governing board that the official executing this agreement is, in fact, authorized to do so. The Applicant is also required to maintain said written authorization on file and readily available upon demand.

All appropriate documentation must be maintained on file by the project and available for POST or public scrutiny upon request. Failure to comply with these requirements may result in suspension of payments under the grant or termination of the grant or both and the Recipient may be ineligible for award of any future grants if POST determines that any of the following has occurred: (1) the Recipient has made false certification, or (2) violates the certification by failing to carry out the requirements as noted above.
