

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

June 18, 2019

Agenda Item: 6.6

Subject: Adoption of Resolution No. 10-1819—Authorization to Submit the Five-Year Construction Plan (2021-2025) to the California Community Colleges Chancellor’s Office and Request for State Funds for Capital Outlay Projects

Background: Each year the District Facilities Planning Department is responsible for conducting a review and update of the District’s Five-Year Construction Plan. The Five-Year Construction Plan is an annual summary of current and proposed capital outlay projects. The plan gives the State Chancellor’s Office a complete picture of the capital improvement needs and projects at the colleges, enabling the Chancellor’s Office to make informed decisions regarding project priorities for State Funding.

The 2021-2025 Five-Year Construction Plan includes twenty-five (25) projects. The following one (1) project is being submitted as Final Project Proposals (FPPs): Building 3000 Maintenance Operations Warehouse & Garage at Chabot College. It is anticipated that funding for these projects will be considered for funding year 2021-2022.

Recommended Action: That the Board of Trustees adopts Resolution No. 10-1819 authorizing the District’s submittal of the Five-Year Construction Plan (2021–2025) to the California Community Colleges Chancellor’s Office before July 1, 2019 and Request for State Funds for Capital Outlay Projects.
