I. Purpose

The purpose of this Agreement is to set forth the responsibilities of Chabot-Las Positas Community College District (CLPCCD, Contractor or Agency) and Contra Costa County on behalf of its Employment and Human Services Department (County or EHSD) in the provision of training in both foster care and adoption services to Children and Family Services (CFS) staff, community partners, and resource families serving Contra Costa County foster children and families.

II. Agency Obligations

Training topics, scheduling, and delivery will be coordinated between EHSD staff and Agency. Agency shall collaborate with subcontracting agencies to deliver training and resources to CFS staff, community partners, and resource families serving Contra Costa County foster children and families. Subcontractors shall include, but may not be limited to, Alternative Family Services, Seneca Center/Seneca Family of Agencies, and Lilliput Children’s Services. Agency will submit the names of any potential subcontracting agencies for approval to EHSD prior to creating new subcontracts. Potential subcontractors will be required to submit to EHSD a proposal document outlining details about the agency and their ability to deliver the above training prior to creating a subcontract with them.

Trainings and technical assistance will be offered to group homes, Short Term Residential Treatment Programs (STRTPs), Caregivers, County child welfare staff, foster family agency staff and others who work with out-of-home children in a coordinated and sequential manner. This will allow trainees to build on and enhance their professional competencies, ranging from a foundational knowledge of direct care to sophisticated skills for intervening with children and families in crisis to the design of innovative services that meet the needs of even the most challenging clients. Agency shall attempt to make trainings available to as many providers (community, service and caregivers) and County staff who serve foster children and families as possible.

A. Services

In collaboration with EHSD’s CFS Bureau, Agency must provide the following services:

- 1) Assist with sourcing trainers and conferences that will address County’s training needs.
- 2) As part of the trainings offered, ensure that appropriate instructional materials are provided to each training participant.
- 3) Provide evaluation and feedback forms for all classes; include summary of evaluation forms with training documentation.
- 4) Pay for instructors, instructional materials, and travel expenses. Contract with vendors to provide training facilities.
- 5) Subcontract with local community-based organizations to provide trainings.

- 6) Provide and maintain attendance records of all training participants and their organization and/or role affiliations.

B. Training

Working with subcontractors and direct providers (instructors and facilitators), Agency shall enhance CFS's ability to deliver quality, culturally-responsible, and trauma-informed services through training offered via this Agreement. Agency will provide the training services identified on Attachment A, Budget of Estimated Program Expenditures. The qualified trainings will provide new information and refresher courses directly related to working with court dependents and their families, and will maintain the exemplary skill level required by child welfare workers, families, healthcare providers, and others who work with foster and adoptive care children. A key service to be provided by Agency under this Agreement is the comprehensive delivery of trainings that promote safety, permanency, and well-being to children and families in the foster care arena.

To meet these requirements, Agency must provide resources, including contracting with vendors and subcontractors to deliver training sessions designed to:

- 1) Support CFS program mandates and initiatives.
- 2) Meet the training needs required to implement those initiatives.
- 3) Enhance CFS staff and other child welfare provider participants' professional skills and knowledge.
- 4) Increase participants' cultural awareness and responsiveness.
- 5) Educate staff on new laws and regulations affecting child welfare.

- 7) Provide culturally-appropriate training to participants.
- 8) Procure training curricula and other training resources that are culturally-appropriate and trauma-informed, to be utilized by CFS managers, supervisors, and staff.

Most training shall be offered at subcontractors' training sites. Trainings for smaller, individual groups/agencies may be delivered at the groups/agencies' sites or other facilities conducive to training. Training specific to County employees may be held at County facilities or other venues that may be used as necessary to accommodate larger or geographically remote audiences or special needs. Training at County facilities require pre-approval from the CFS Staff Development Division Manager, or designee. Offsite training of County employees may also be funded under this Agreement.

C. Full Day Trainings and Conferences

With prior approval from designated CFS Staff, Agency will contract with vendors and site locations as requested by subcontractors or CFS Development Staff for full day trainings and conferences. The CFS Staff Development team, in consultation with the CFS Management team, will coordinate with Agency to organize and implement full day training/conference needs.

D. Transfer of Learning

Recognizing that the skills and knowledge learned in the classroom need to be transferred to the workplace, Agency shall identify various ways to measure the transfer of learning by participants and their supervisors.

Where appropriate as agreed upon by CFS Staff, the measurement process will include:

- 1) Clearly-stated learning objectives for each training in writing.
- 2) A course summary outlining topics to be covered that must be completed by all trainers and included in supporting documentation.
- 3) Next-steps of learning goals as part of each training session to be provided by trainers.

Additionally, following CFS Staff specific trainings, Agency will ensure that participants are asked to complete a course evaluation form to assist the Agency and CFS Staff Development program coordinators with assessing the effectiveness of the instructor, materials, and information offered in the training. Trainings that meet regulatory/licensing requirements shall require a post-test. A minimum of 75% of the class shall pass the post-test with a 75% score or better. Agency shall review both instructor performance and post-test scores to evaluate instructor performance and curriculum. Agency shall make appropriate changes based on these scores and inputs. Additional training shall be provided to students who do not pass any post-test to ensure their comprehension of the material. County reserves the right to review course evaluations and post-test contents for appropriateness.

employed, did not then and do not now occupy a position that would create a conflict of interest under Government Code section 1090. In addition to any indemnity provided by Contractor in this Contract, Contractor will indemnify, defend, and hold the County harmless from any and all claims, investigations, liabilities, or damages resulting from or related to any and all alleged conflicts of interest. Contractor warrants that it has not provided, attempted to provide, or offered to provide any money, gift, gratuity, thing of value, or compensation of any kind to obtain this Contract.

16. **Confidentiality**. To the extent allowed under the California Public Records Act, Contractor agrees to comply and to require its officers, partners, associates, agents and employees to comply with all applicable state or federal statutes or regulations respecting confidentiality, including but not limited to, the identity of persons served under this Contract, their records, or services provided them, and assures that no person will publish or disclose or permit or cause to be published or disclosed, any list of persons receiving services, except as may be required in the administration of such service. Contractor agrees to inform all employees, agents and partners of the above provisions, and that any person knowingly and intentionally disclosing such information other than as authorized by law may be guilty of a misdemeanor.
17. **Nondiscriminatory Services**. Contractor agrees that all goods and services under this Contract will be available to all qualified persons regardless of age, gender, race, religion, color, national origin, ethnic background, disability, or sexual orientation, and that none will be used, in whole or in part, for religious worship.
18. **Indemnification**. Contractor will defend, indemnify, save, and hold harmless County and its officers and employees from any and all claims, demands, losses, costs, expenses, and liabilities for any damages, fines, sickness, death, or injury to person(s) or property, including any and all administrative fines, penalties or costs imposed as a result of an administrative or quasi-judicial proceeding, arising directly or indirectly from or connected with the services provided hereunder that are caused, or claimed or alleged to be caused, in whole or in part, by the negligence or willful misconduct of Contractor, its officers, employees, agents, contractors, subcontractors, or any persons under its direction or control. If requested by County, Contractor will defend any such suits at its sole cost and expense. If County elects to provide its own defense, Contractor will reimburse County for any expenditures, including reasonable attorney's fees and costs. Contractor's obligations under this section exist regardless of concurrent negligence or willful misconduct on the part of the County or any other person; provided, however, that Contractor is not required to indemnify County for the proportion of liability a court determines is attributable to the sole negligence or willful misconduct of the County, its officers and employees. This provision will survive the expiration or termination of this Contract.
19. **Insurance**. During the entire term of this Contract and any extension or modification thereof, Contractor shall keep in effect insurance policies meeting the following insurance requirements unless otherwise expressed in the Special Conditions:
- a. **Commercial General Liability Insurance**. For all contracts where the total payment limit of the contract is \$500,000 or less, Contractor will provide commercial general liability insurance, including coverage for business losses and for owned and non-owned automobiles, with a minimum combined single limit coverage of \$500,000 for all damages, including consequential damages, due to bodily injury, sickness or disease, or death to any person or damage to or destruction of property, including the loss of use thereof, arising from each occurrence. Such insurance must be endorsed to include County and its officers and employees as additional insureds as to all

services performed by Contractor under this Contract. Said policies must constitute primary insurance as to County, the state and federal governments, and their officers, agents, and employees, so that other insurance policies held by them or their self-insurance program(s) will not be required to contribute to any loss covered under Contractor's insurance policy or policies. Contractor must provide County with a copy of the endorsement making the County an additional insured on all commercial general liability policies as required herein no later than the effective date of this Contract. For all contracts where the total payment limit is greater than \$500,000, the aforementioned insurance coverage to be provided by Contractor must have a minimum combined single limit coverage of \$1,000,000.

- b. **Workers' Compensation.** Contractor must provide workers' compensation insurance coverage for its employees.
- c. **Certificate of Insurance.** The Contractor must provide County with (a) certificate(s) of insurance evidencing liability and worker's compensation insurance as required herein no later than the effective date of this Contract. If Contractor should renew the insurance policy(ies) or acquire either a new insurance policy(ies) or amend the coverage afforded through an endorsement to the policy at any time during the term of this Contract, then Contractor must provide (a) current certificate(s) of insurance.
- d. **Additional Insurance Provisions.** No later than five days after Contractor's receipt of: (i) a notice of cancellation, a notice of an intention to cancel, or a notice of a lapse in any of Contractor's insurance coverage required by this Contract; or (ii) a notice of a material change to Contractor's insurance coverage required by this Contract, Contractor will provide Department a copy of such notice of cancellation, notice of intention to cancel, notice of lapse of coverage, or notice of material change. Contractor's failure to provide Department the notice as required by the preceding sentence is a default under this Contract
20. **Notices.** All notices provided for by this Contract must be in writing and may be delivered by deposit in the United States mail, postage prepaid. Notices to County must be addressed to the head of the county department for which this Contract is made. Notices to Contractor must be addressed to the Contractor's address designated herein. The effective date of notice is the date of deposit in the mails or of other delivery, except that the effective date of notice to County is the date of receipt by the head of the county department for which this Contract is made.
21. **Primacy of General Conditions.** In the event of a conflict between the General Conditions and the Special Conditions, the General Conditions govern unless the Special Conditions or Service Plan expressly provide otherwise.
22. **Nonrenewal.** Contractor understands and agrees that there is no representation, implication, or understanding that the services provided by Contractor under this Contract will be purchased by County under a new contract following expiration or termination of this Contract, and Contractor waives all rights or claims to notice or hearing respecting any failure to continue purchasing all or any such services from Contractor.
23. **Possessory Interest.** If this Contract results in Contractor having possession of, claim or right to the possession of land or improvements, but does not vest ownership of the land or improvements in the same person, or if this Contract results in the placement of taxable improvements on tax exempt land (Revenue & Taxation Code Section 107), such interest or improvements may represent a possessory interest subject to property tax, and Contractor may be subject to the payment of property taxes levied on such interest. Contractor agrees that this provision complies with the notice

requirements of Revenue & Taxation Code Section 107.6, and waives all rights to further notice or to damages under that or any comparable statute.

24. **No Third-Party Beneficiaries.** Nothing in this Contract may be construed to create, and the parties do not intend to create, any rights in third parties.
25. **Copyrights, Rights in Data, and Works Made for Hire.** Contractor will not publish or transfer any materials produced or resulting from activities supported by this Contract without the express written consent of the County Administrator. All reports, original drawings, graphics, plans, studies and other data and documents, in whatever form or format, assembled or prepared by Contractor or Contractor's subcontractors, consultants, and other agents in connection with this Contract are "works made for hire" (as defined in the Copyright Act, 17 U.S.C. Section 101 et seq., as amended) for County, and Contractor unconditionally and irrevocably transfers and assigns to Agency all right, title, and interest, including all copyrights and other intellectual property rights, in or to the works made for hire. Unless required by law, Contractor shall not publish, transfer, discuss, or disclose any of the above-described works made for hire or any information gathered, discovered, or generated in any way through this Agreement, without County's prior express written consent. If any of the works made for hire is subject to copyright protection, County reserves the right to copyright such works and Contractor agrees not to copyright such works. If any works made for hire are copyrighted, County reserves a royalty-free, irrevocable license to reproduce, publish, and use the works made for hire, in whole or in part, without restriction or limitation, and to authorize others to do so.
26. **Endorsements.** In its capacity as a contractor with Contra Costa County, Contractor will not publicly endorse or oppose the use of any particular brand name or commercial product without the prior written approval of the Board of Supervisors. In its County-contractor capacity, Contractor will not publicly attribute qualities or lack of qualities to a particular brand name or commercial product in the absence of a well-established and widely accepted scientific basis for such claims or without the prior written approval of the Board of Supervisors. In its County-contractor capacity, Contractor will not participate or appear in any commercially produced advertisements designed to promote a particular brand name or commercial product, even if Contractor is not publicly endorsing a product, as long as the Contractor's presence in the advertisement can reasonably be interpreted as an endorsement of the product by or on behalf of Contra Costa County. Notwithstanding the foregoing, Contractor may express its views on products to other contractors, the Board of Supervisors, County officers, or others who may be authorized by the Board of Supervisors or by law to receive such views.
27. **Required Audit.**
- a. If Contractor expends \$750,000 or more in federal grant funds in any fiscal year from any source, Contractor must provide to County, at Contractor's expense, an audit conforming to the requirements set forth in the most current version of Code of Federal Regulations, Title 2, Part 200, Subpart F.
 - b. If Contractor expends less than \$750,000 in federal grant funds in any fiscal year from any source, but the grant imposes specific audit requirements, Contractor must provide County with an audit conforming to those requirements.
 - c. If Contractor expends less than \$750,000 in federal grant funds in any fiscal year from any source, Contractor is exempt from federal audit requirements for that year except as required by Code of Federal Regulations, Title 2, Part 200, Subpart F. Contractor shall make its records available for, and an audit may be required by, appropriate

officials of the federal awarding agency, the General Accounting Office , the pass-through entity and/or the County. If an audit is required, Contractor must provide County with the audit.

- d. With respect to the audits specified in sections (a), (b) and (c) above, Contractor is solely responsible for arranging for the conduct of the audit, and for its cost. County may withhold the estimated cost of the audit or 10 percent of the contract amount, whichever is greater, or the final payment, from Contractor until County receives the audit from Contractor.
28. **Authorization**. Contractor, or the representative(s) signing this Contract on behalf of Contractor, represents and warrants that it has full power and authority to enter into this Contract and to perform the obligations set forth herein.
29. **No Implied Waiver**. The waiver by County of any breach of any term or provision of this Contract will not be deemed to be a waiver of such term or provision or of any subsequent breach of the same or any other term or provision contained herein.

Subject: Contract with Chabot-Las Positas Community College District for Services to Foster Care Providers

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Employment and Human Services Director, or designee, to execute an interagency agreement with Chabot-Las Positas Community College District (CLPCCD) in an amount not to exceed \$550,000 to deliver education and training services to foster care providers and Children and Family Services staff for the period of July 1, 2019 through June 30, 2020.

FISCAL IMPACT:

The interagency agreement is funded 100% by State 2011 State Realignment revenue.

BACKGROUND:

CLPCCD has a successful history in providing an array of training and technical assistance to child welfare agencies and community partners as evidenced by partnerships with Alameda, Mendocino and Solano Counties. CLPCCD provides training to increase the skills and capacity of those who work directly with foster and adoptive children. Courses range from trauma informed care to topics such as Resource Family Pre-Approval training, Safety Organized Practice, professional development and new laws and initiatives impacting child welfare. This is an effort to expand expertise and knowledge of those individuals providing care and services to Contra Costa County children and youth placed in foster care.
