

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

November 12, 2019

Agenda Item: 6.1

Subject: Approval of the Purchase of the new SciDome IQ2400 Laser Projector from Spitz, Inc.

Background: The District has planned to purchase the materials and installation for the replacement of the Planetarium Projector at the Chabot College at dollar levels that require Board approval. The specified materials for the new projector upgrade are only available from one manufacturer – Spitz, Inc. The projector is an integral part of the overall planetarium dome projection system and must work in conjunction with existing equipment to remain and be seamlessly integrated into the existing equipment.

Public Contract Code 3400 authorizes the District to purchase necessary items that are only available from one source. It is recommended that the equipment be purchased from the named source.

Recommended Action: That the Board of Trustees approve the purchase of the SciDome IQ2400 Laser Projector from Spitz, Inc. of Chadds Ford, PA in the total amount including taxes, not to exceed \$164,883. It is further recommended that the Board authorize the Vice Chancellor, Business Services, to execute the purchase agreements and any future augmentations or amendments to these agreements on behalf of the District.

Funding Source: Measure B Bond Funds

Submitted: Owen Letcher/Date

Approved: Ronald P. Gerhard/Date
