

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

September 8, 2020

Agenda Item: 4.2

Subject: Approval of College and Career Access Pathways Partnership Agreement for Dual Enrollment between New Haven Unified School District and Chabot Las Positas Community College District, Chabot College

Background: The purpose of this College and Career Access Pathways (CCAP) Partnership Agreement is to provide high school students in the New Haven Unified School District an opportunity to earn early college credit at Chabot College while enrolled in high school. The intent is to offer provisions of AB 288 and AB 30 (Ed Code 76004), for high school students “who may not already be college bound or who are underrepresented in higher education”. The goals are: a.) to develop seamless pathways from high school to community college for career technical education or preparation for transfer b.) improve high school graduation rates c.) assist high school pupils to achieve college and career readiness d.) to serve “underachieving students”, those from groups underrepresented in postsecondary education, those who are seeking advanced studies while in high school, and those seeking a career technical education credential or certificate.

These students who earn college credit are more likely to earn high school diplomas, to enroll in community college and four-year colleges, to attend post-secondary education on a full-time basis, and to complete degrees in those institutions than students without these experiences.

Recommended Action: That the Board of Trustees approves the proposed College and Career Access Pathway Partnership Agreement for Dual Enrollment between New Haven Unified School District and Chabot-Las Positas Community College District, Chabot College, effective as of July 1, 2020. It is further recommended that the Board Authorize the Chancellor, to execute the Agreement on behalf of the District.
