BP 5210 COMMUNICABLE DISEASE PROTOCOLS FOR STUDENTS

Reference:

Education Code Section 76403

~~The Chancellor shall establish procedures necessary to assure cooperation with local public health officials in measures necessary for the prevention and control of communicable diseases in students.~~

~~Also see BP/AP 5200 Student Health Services, BP 5205 Student Accident Insurance, AP 5210 Communicable Disease—Students, and BP/AP 7330 Communicable Disease—Employees~~

~~The Chabot-Las Positas Community College District is committed to providing a safe and healthy learning and working environment. The District fully cooperates with county and state health officers in measures deemed necessary for the prevention and control of communicable diseases in students.~~

~~The novel coronavirus and the disease it causes, COVID-19, is a global pandemic and has resulted in widespread severe illness and death worldwide, in the United States, and in California.~~

~~In furtherance of this commitment to a safe environment, the district shall also establish administrative procedures regarding COVID-19 vaccination to mitigate the risks surrounding exposure to COVID-19. These administrative procedures will require that all students attending classes, programs, utilizing services or participating in any activity on any campus or otherwise in-person must be fully vaccinated against COVID-19, unless approved as exempt due to the verified medical or religious reason (as defined in federal or state laws and regulations). Students who qualify as exempt may be subject to other safety measures in accordance with applicable federal, state, or county regulations. Further, the District may require vaccine boosters or supplemental administrations of vaccines, as circumstances warrant.~~

~~The Chancellor shall establish administrative procedures to implement this policy.~~
