Agenda Item: 8.4

Subject: First Reading of New, Reviewed, or Revised Administrative Procedures

Background:

Board Policy and Administrative Procedure 2410 articulates the process in which Board Policies and Administrative Procedures are created and reviewed on a six-year cycle. The Administrative Procedures presented have been reviewed through this established process. Changes, if any, are identified using track changes (strike through where deletions occur and underlines where additions are included). The Administrative Procedures are reviewed in the same manner as Board Policies except that they are presented to the Board once, as informational items.
