

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

January 18, 2022

Agenda Item: 4.6

Subject: Approval of Practicum Agreement between the Community Counseling Clinic at Cal State University (CSU) East Bay and Chabot-Las Positas Community College District, General Counseling, Chabot College

Background: Chabot College offers an Associate in Arts degree for transfer in Social Work and Human Services that is specifically designed as a degree pathway to majors deemed "similar" at California State University campuses. This degree can support entry level positions with local community-based organizations, county, or state service centers. Chabot College is committed to cultivating partnerships with mental health and human services organizations in Alameda County that would provide practicum placement sites for students to gain work experience and exposure to the field.

The Community Counseling Clinic at CSU East Bay will serve as a practicum host site for Chabot College students with both parties agreeing to a scope of work that is appropriate and supports the advancement of students' trajectory in their academic program. The CSU East Bay Community Counseling Clinic internship is an opportunity for students to explore a career in Behavioral Health and gain hands-on experience supporting members of the Hayward community in receiving counseling services. In this role, students will be trained to support the functions and daily operations of the clinic, which include checking in clients for their sessions, updating client files, and taking inventory of clinic materials and equipment.

Recommended Action: That the Board of Trustees approves the proposed Practicum Agreement between the Community Counseling Clinic at Cal State University (CSU) East Bay and Chabot-Las Positas Community College District, General Counseling, Chabot College, effective February 1, 2022. It is further recommended that the Board Authorize the Vice Chancellor of Business Services, to execute the Agreement on behalf of the District.
