## **General Conditions and General Requirements**

### **R&S GENERAL REQUIREMENTS**

Line	Description						
Gene	General Conditions are a part of Contractor's Fee (11.65%)						
Gene	ral Requirements for Increment 1 (Part of GMP)						
1	Jobsite safety coordinator - full time	\$58,715					
2	Safety equipment, supplies, fire extinguishers, etc	\$12,154					
3	Site security, protection, and site maintenance	\$41,048					
4	Temp site fencing & gates	\$5,591					
5	Temp site barricades, walkways, protection,	\$16,071					
6	Temporary site winterization & SWPPP maint	\$10,262					
7	Staging area, parking, patching \$18,970						
8	General Cleaning \$17,625						
9	Temp water & sewer connection to trailer	\$9,306					
10	Temp toilets and handwash stations	\$5,025					
11	Dumpsters - Debris - Cleaning	\$10,067					
12	Flagging	\$14,827					
13	Vehicles	\$10,569					
14	Expendable Tools/Boxes	\$8,648					
15	Colonnade temp waterproofing and patching	\$2,250					
Subtotal: Increment 1 General Requirements \$182,414							
Adjusted Total for Increment 1 General Requirements \$182,414							

### **R&S GENERAL REQUIREMENTS**

Line	Description				
Gene	ral Requirements for Increment 2				
1	Jobsite safety coordinator - full time	\$352,289			
2	Carpenter foreman - full time	\$338,606			
3	Perimeter safety cable maintenance & removal	\$27,120			
4	Shaft and leave out bay opening protection	\$111,360			
5	Safety equipment, supplies, fire extinguishers, etc	\$87,874			
6	Security System or service at nighttime for trailer & site	\$110,000			
7	Exterior personnel hoist & operator	\$696,119			
8	Forklift / Hyster rental for general use	\$167,110			
9	Temp use of building elevator after hoist removal	\$106,450			
10	Temporary scaffold stairs/ramps	\$117,720			
11	Temp site fencing & gates	\$28,697			
12	Temp site barricades, walkways, protection, etc.	\$78,091			
13	Temp flagmen - 2 men, full time	\$459,326			
14	Temporary building winterization	\$100,000			
15	Temporary site winterization & SWPPP maint.	\$45,529			
16	Staging area and parking area temp construction	\$67,440			
17	Protection of existing building, trees, walkways, etc.	\$199,998			
18	General Small Tools and Equipment	\$45,639			
19	Maintenance and fueling of temp heat/dehumidification for building during finis	\$100,000			
20	Temp toilets, handwash stations, and trailer holding tank	\$110,000			
21	Temp protection of finish flooring	\$62,455			
22	Temp protection of stairwells	\$47,120			
23	Temp protection of architectural millwork tops	\$15,613			
24	Daily interim clean up of building & site	\$229,663			
25	Dumpsters - general debris only	\$113,305			
26	Street sweeping - 20 hrs. per week, 20 months	\$260,000			
27	Final janitorial clean up - building	\$46,841			
28	Final site cleaning	\$21,859			
29	Additional 2 months	\$250,000			
	Subtotal: Increment 2 General Requirements \$4,396,224				
Adjus	Adjusted Total for Increment 2 General Requirements \$4,396,224				
TOTA	TOTAL GENERAL REQUIREMENTS AMOUNT \$4,578,638				

# **Qualifications and Assumptions**

#### EXHIBIT B to Lease-Leaseback Agreement - Exclusions

Chabot-Las Positas Community College District

Library & Learning Connection Building / Chabot College, 25555 Hesperian Blvd. Hayward, CA

The Parties hereby agree that the following items of work are not included in the Scope of Work for the Project:

[ANY EXCLUSIONS SHALL BE INSERTED CONCURRENTLY WITHIN EXHIBIT A AND EXHIBIT D]

Please see continuation below

Page 1 of 9

Chabot – Las Positas Community College District
Chabot College Library and Learning Connection (LLC)
Increment 2 - Guaranteed Maximum Price
LLB – Exhibit B Exclusions

#### I. ASSUMPTIONS / CLARIFICATIONS

#### A. **General**

- 1. The Increment 2 GMP is based on the following drawing sets:
  - (a) Increment 2: Library and Learning Connection Issue for Bid Set also called "DSA Backcheck-Inc 2", as prepared by Group 4/HMC Architects, dated September 10, 2021. This set was received October 10, 2021.
- 2. Subcontractor pricing will be honored for 90 days after receipt, which is approximately 2/1/22. To onboard subs prior to bids expiring, we require a GMP Approval and NTP by 1/21/22.
- 3. This GMP is based off the attached Construction Schedule Dated December 14, 2021.
- 4. Cost impacts or schedule delays due to DSA permitting are not included. Please see the bid alternates for potential adjustments
- 5. Pricing assumes DSA Increment 2 Permit will be received by March 31, 2022.
- 6. Owner and Owner's separate contractors shall abide by Contractor's jobsite safety rules and regulations as long as the Contractor is the controlling contractor. Separate contractors working on the project site concurrent with the Contractor shall attend jobsite orientations and weekly tailgate safety meetings held by Contractor.
- 7. Pricing includes R&S Subcontract Agreement Appendix J Aerosol Transmission Disease Plan and Response & Management Plan both dated June 29,2021. These documents are in accordance with Cal/OSHA guidelines as of the date of this GMP. Any revisions by Cal/OSHA or local mandates will be evaluated at that time.

https://tutorperini.egnyte.com/fl/dLKsRHxjRn

Password: b2SrNYXEYZ

- 8. General Conditions and General Requirements costs for the project are lump sum.
- 9. The GMP does not include a contingency for any design changes or added scope as a result of the DSA permitting process. The project team will work

together on drawing management to track changes in order to develop a Change Order for any revisions after the Issue for Bid set.

- 10. Credits on the project will be transferred into the Contractor Contingency.
- 11. Developing SWPPP Plans, QSP/QSD services, sampling, monitoring or reporting for SWPPP will be conducted by BKF.
- District health guidelines currently do not require a vaccine mandate for visitors per BP 7330 adopted on August 31, 2021. R&S will conduct construction activities per Cal/OSHA requirements as of November 22, 2021. Should the District or Cal/OSHA change these requirements there will an impact.
- 13. District LEED requirements are for LEED Silver Certification. The project team has a goal of LEED Gold.
- 14. Refer to the RFI log below for RFIs included in the GMP. There is a single item not included in this GMP (RFI 067) as it will require further design development. The team will capture any potential cost impacts from the one unanswered RFI as part of a Change Order due to the design progression to obtain DSA Permit.

#### B. Trade Specific Qualifications

#### 1. **1A HVAC, Controls, and Plumbing**

- (a) HHW and CHW are assumed to be hot tap tie ins to avoid shutdown of the campus loop system.
- (b) There are potential conflicts of the HHW, CHW, Fire Water, Storm Drain, and Electrical Ductbank. The design team will address RFI 067 as part of the DSA Inc 2 Backcheck 2 and any adjustments will be captured part of the Change Order for the Final DSA Permitted Set.

#### 2. **1B Balancing**

(a) This building utilizes system pressure for the HHW and CHW systems. Balancing and pressure will be subject to existing system capabilities.

#### 3. **1C Fire Sprinkler**

(a) None

#### 4. <u>1D Electrical, Fire Alarm, LV Rough In</u>

(a) Connections to OFOI Modular Furniture: assumed this will be pre-wired with receptacles and occupancy sensors. The electrical contractor shall

Assumptions, Clarifications and Exclusions – GMP (Exhibit B from LLB)

- provide modular furniture whips, floor boxes, home runs, etc. for complete and operational system.
- (b) Temporary power is to be pulled from Building 1800. The exact routing is to be reviewed at a later date in the field and agreed to by the electrical sub and Chabot M&O.
- (c) As discovered on site walk with the College on December 9, 2021, the proposed Fire Alarm route to Building 800 is nonexistent. The design team will address this item as part of the DSA Inc 2 Backcheck 2 and any adjustments will be captured part of the Change Order for the Final DSA Permitted Set.

#### 5. <u>1E Teldata System & Security</u>

(a) Temporary data is to be pulled from Building 1400.

#### 6. **1F AV Systems**

(a) None

#### 7. **1H Professional Surveying & Staking**

(a) None

#### 8. 11 Demo & Earthwork

(a) None

#### 9. **1J Site Utilities**

(a) None

#### 10. **1K Site Concrete**

(a) None

#### 11. <u>1L Landscape & Irrigation</u>

(a) None

#### 12. **1M Structural Concrete & Rebar**

(a) The team has discussed Bid RFI 064 on December 2, 2021. The design team confirmed revisions will be made to the specifications in conformance with ACI standards. No cost impacts are expected; however the formal response has not yet been received.

#### 13. **1N Structural Steel**

(a) During GMP RO review, the design team verified that all openings where support steel is required have been captured on the structural drawings of the Issue for Bid Set. Any additional openings or structural steel will be addressed as part of a Change Order.

#### 14. **10 Metal Decking**

- (a) None
- 15. **1R Glazing and Architectural Metals** 
  - (a) None

#### 16. <u>1S Metal Studs, Plaster, Drywall, Insulation, Fiber Cement Panel</u>

(a) UHPC panel system is not a deferred approval item. G4/HMC has provided a design including calculations to DSA in the DSA backcheck 1 set submitted on 11/9/21.

#### 17. <u>1T Sheetmetal Flashing & Louvers</u>

(a) None

#### 18. **1V Roofing & Waterproofing**

(a) None

#### 19. <u>1W Miscellaneous Metals & Stairs</u>

(a) None

#### 20. **1X Elevators**

(a) TKE and Schindler would not agree to provisions from the Owner Agreement and R&S Longform contract. As such Otis is the lowest responsive bidder.

#### 21. **1Y Millwork & Library Stacks**

(a) Specification section 06 41 00 – Architectural Woodwork does not exist. Per Bid RFI 084 and additional verification, the design team has confirmed that Woodwork Institute Standard Details will apply for all Architectural Woodwork applications and Specification 06 41 00 will not be required.

#### 22. **1Z Doors, Frames, Hardware**

(a) Final keying requirements are to be developed and shared by the District.

#### 23. **2A Overhead Coiling Fire Doors**

(a) Equal Cornell Cookson is to be used.

#### 24. **2B** Elevator Smoke Curtains

(a) BOD Smoke Guard will be used.

#### 25. **2C Acoustical Ceilings & Walls, Metal Scrims**

(a) None

- 26. **2D Painting** 
  - (a) None
- 27. **2E** Carpet, Resilient Floor, Base & Moisture Membrane
  - (a) None
- 28. **2F Terrazzo** 
  - (a) None
- 29. **2G** Tile
  - (a) None
- 30. **2H Miscellaneous Specialties** 
  - (a) None
- 31. **2K Window Shades** 
  - (a) None
- 32. **2L Signage & Graphics** 
  - (a) None
- II. EXCLUSIONS & OTHER PROJECT COSTS (Not included in this Estimate)
  - 1. Misc. design costs, including engineering judgments, etc.. Please note ground improvement design (Soils Improvement Plan/deferred approval is included in Increment 1 cost of Work).
  - 2. See exclusions list below:

#### **Design and Consulting Fees:**

- 3 A Architectural
- 3 B Structural
- 3 C Civil
- 3 D Landscaping
- 3 E Electrical
  - i Fire Alarm
- 3 F Mechanical
  - i HVAC
  - ii Plumbing
  - iii Fire Protection

#### Misc. Design and Consulting Fees:

- 4 A Arborist
- 4 B Archaeologist
- 4 C Paleontologist
