

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

June 21, 2022

Agenda Item: 5.7

Subject: Approval of Amendment to Agreement with BrightStar Care for vaccination verification and health screening support for Chabot College

Background:

At the January 18, 2022 meeting, the Board of Trustees approved a contract for \$95,000 with BrightStar Care to support Chabot College’s return to primarily in-person services and instruction. In order to continue providing the critical services included within the scope of that agreement, a contract amendment increasing the total contract to \$140,000 is being requested. Welcome Tables will be provided to ensure compliance with the District vaccination requirement for use of campus facilities. Student “concierge” assistants will staff the Welcome Tables and partner with BrightStar Care staff to support the Chabot-Las Positas Community College District COVID-19 vaccination policy. Student COVID-19 vaccination verification will include looking up student vaccine status in District provided software and other digital and hard copy formats, and assisting students in entering their vaccination proof into the school portal to clear status. BrightStar Care staff will also help student assistants with COVID-19 symptom screening questions as needed to ensure smooth intake operations for on-campus services.

Recommended Action: That the Board of Trustees approves the proposed BrightStar Care Medical Staffing Agreement for Chabot-Las Positas Community College District, Chabot College, for the amended amount of \$140,000 for the period of January 19, 2022 through June 30, 2022. It is further recommended that the Board authorizes the Vice Chancellor, Business Services, to execute the contract on behalf of the District.
