MB Star Connect & MB Campus FAQ's

MB Star Connect

1. What type of school is this program applicable for?

a. Secondary Education Programs: Technical High Schools, Career Centers, Automotive Academies, etc.

2. How do we sign up for the program?

a. Go to mbstar.logicbay.com and sign up your dealership.

3. How do we find a school to partner with?

- a. Go to https://aseeducationfoundation.org/find-a-program
- b. Does not need to be ASE accredited if you can vouch for the quality of the school you're interested in.

4. Is there a contract for the program? How do we acquire it?

- a. Yes, the agreement is between MBUSA and the school and the program can launch in tandem with, or prior to signature.
- b. The contract can be found in the "Digital Dealer Kit" within the LogicBay LMS platform.

5. How do we launch the program?

a. School expresses interest in participating to MBUSA, signs contract and returns to MBUSA, creates an account in LogicBay, then, dealer does a kick-off event at the school with the students.

6. What does the program entail for the dealership/students?

- a. Students gain access to complete the Registered Technician Training Path (20 eLearnings) in the LogicBay LMS platform .
- b. Dealers are recommended to provide students internship opportunities, but, not required.

7. Are there marketing materials for the program?

MB Campus

1. What type of school is this program applicable for?

a. Post-secondary Education Programs: Community Colleges, Vocational Schools, Automotive Trade Schools

2. How do we find a school to partner with?

- a. Go to https://aseeducationfoundation.org/find-a-program
- b. Does not need to be ASE accredited if you can vouch for the quality of the school.

3. How do we sign up for the program?

a. Go to mbcampus.logicbay.com and reach out to <u>techcareers@mbusa.com</u> to sign up your dealership or school.

4. Is there a contract for the program? How do we acquire it?

- a. Yes, this is between MBUSA and the school. This must be signed prior to colleges receiving curriculum or assets from MBUSA (cars, tools, etc.).
- b. The contract can be found in the "Digital Dealer Kit" within LogicBay LMS.

5. What does the program entail for the dealership/students?

- a. Students gain access to complete the Registered Technician Training Path (20 eLearnings) in the LogicBay LMS platform, an additional 2 eLearnings and 2 ILTs related to Basic and Intermediate Electrical. For most programs, students complete this training in conjunction with their 2-year degree.
- b. 1-4 internships per school year are required by the dealer based on the size/capability of the dealership.

6. Is this a standalone program at the college?

a. Usually, no. MB Campus can supplement existing training Automotive Technology students take during their 2-year automotive degree.

7. Does MBUSA donate any items for the program?

a. Yes, MBUSA donates one vehicle, Xentry Kit3 Scope, wiring repair consumables, and instructor led training.

8. What does the curriculum integration consist of for the College?

a. Adds 22 eLearnings and several face-to-face electrical activities (from Basic/Intermediate Electrical) into the classes' syllabi where most applicable. These go in tandem with many existing college automotive courses, making for an easy integration.

9. Are there marketing materials we can order for the schools/program?

a. Yes, please reach out to rhillyer@bdainc.com to place an order.

10. Where can we find more information on the program?

a. Listen/Watch our webinar for MB Campus https://mbusatraining.adobeconnect.com/po8av69qk8jh/
