If performance specifications, technical product descriptions or other similar descriptive materials submitted by Seller in connection with the Order have been incorporated by reference in the Purchase Order these shall not be deemed to supersede any contrary requirements of District, but to the extent that such materials are not inconsistent with District's requirements, they shall constitute a part of the basis of this agreement.
- Payment:** Payment terms are as set forth in the Purchase Order. . If no terms are specified, the net amount shall be payable within 30 days after the later of (i) delivery and acceptance of goods or other performance conforming with the terms of this Order or (ii) invoicing. - Changes:** District may make changes to this Order, including drawings and specifications for specially manufactured goods and place of delivery, by giving written notice to Seller. If such changes affect the cost of or the time required for performance of this Order, an equitable adjustment in the price or date of delivery or both shall be made. No change by Seller is allowed without written approval of District. Any claim of Seller for an adjustment under this Article must be made in writing within thirty (30) days from the date of receipt by Seller of notification of such change. Nothing in this Article excuses Seller from delivering the goods and services described in this Order. Except as otherwise provided herein, no other supplement, modification, waiver or termination of this Agreement shall be binding unless executed in writing by the parties to be bound thereby.
- Time:** If delivery or completion dates cannot be met, Seller shall inform District immediately. Such notice shall not, however, constitute a change to the delivery or completion terms of this Order unless District modifies this Order in writing. If any item is not received or if any element of the work is not completed by the date specified, the District, at District's option and without prior notice to Seller may either approve a revised date or may cancel this Order and may obtain such goods or work elsewhere and in either event the Seller shall be liable to the District for any resulting loss incurred by the District. Seller's sole remedy for a delay caused by District shall be an extension in the time for Seller's performance equal to the duration of District's delay. 5. **Improper Performance:** In addition to other remedies provided by law, District reserves the right to reject any goods or to revoke any previous acceptance and to cancel all or any part of the Order if Seller fails to deliver all or any part of the goods or perform any of the work in accordance with the terms and conditions of this Order. Acceptance of any part of the Order shall not bind the District to accept any future shipments or work nor deprive it of the right to return goods already accepted. At District's option, all disputes arising in connection with this Order shall be resolved by arbitration in accordance with the rules of the American Arbitration Association, except that each party shall have the discovery rights established by the California Code of Civil Procedure.
6. **Cancellations:** The District may cancel this Order in whole or in part, for no cause, upon written or fax notice to the Seller, effective when sent, provided such notice is sent at least fourteen (14) days prior to the delivery date specified on the face of this Order.

Upon the occasion of any one of the aforesaid and in addition to any remedies, which the District may have in law or in equity, the District may also cancel this order or any outstanding deliveries hereunder by notifying Seller in writing of such cancellation. Seller shall thereupon transfer title and deliver to the District such work in progress or completed material as may be requested by the District. 8. **Warranty:** The goods and services furnished shall be exactly as specified in the Order, and shall be free from all defects in design, workmanship and materials. The goods and services are subject to inspection and test by the District at any time and place. If Seller is unable or refuses to correct such items within a time deemed reasonable by the District, the District may terminate this Order in whole or in part. Seller bears all risks as to rejected goods and services. Seller shall reimburse the District for all transportation costs, other related costs incurred, and overpayments in respect of the neglected goods and services. These express warranties shall not be waived by reason of acceptance or payment by the District. This Order incorporates by reference all terms of the Uniform Commercial Code as adopted in the State of California providing any protection to the District, including but not limited to all warranty protection (express or implied) and all of the District's remedies under the UCC. All goods and work shall also be subject to any stricter warranties specified in the Data Sheet or in other materials incorporated by reference.
