**PROJECT LABOR AGREEMENT
FOR CHABOT LAS POSITAS COMMUNITY COLLEGE DISTRICT PROJECTS**

INTRODUCTION/FINDINGS

This Agreement is entered into this 18th day of November, 2020, by and between the CHABOT LAS POSITAS COMMUNITY COLLEGE DISTRICT (hereinafter the "District"), together with contractors and subcontractors of all tiers, who shall become signatory to this Agreement by signing the "Agreement to be Bound" (Addendum A) (referred to collectively herein as "Contractor(s)/Employer(s)"), and the Building and Construction Trades Council of Alameda County (hereinafter the "Council") and its affiliated local Unions that have executed this Agreement (referred to collectively herein as "Union" or "Unions").

The purpose of this Agreement is to promote the efficiency of construction operations for the District through the use of skilled labor resulting in quality construction outcomes, and to provide for the peaceful settlement of labor disputes and grievances without strikes or lockouts, thereby promoting the public interest in assuring the timely and economical completion of the Project.

WHEREAS, the District has successfully developed construction projects in the past under a Project Labor Agreement and wishes to continue its use of Project Labor Agreements for proprietary construction projects going forward; and

WHEREAS, the timely and successful completion of the Project is of the utmost importance to meet the needs of the District and avoid increased costs resulting from delays in construction; and

WHEREAS, large numbers of workers of various skills will be required in the performance of the construction work and will be represented by the Unions signatory to this Agreement and employed by contractors and subcontractors who are also signatory to this Agreement; and

WHEREAS, the use of skilled labor on construction work increases the safety of construction projects as well as the quality of completed work; and

WHEREAS, the District, the Council and its affiliated local Unions wish to establish a mutually beneficial relationship, as a part of this agreement the Council agrees to promote and encourage affiliated local Unions to utilize Chabot-Las Positas Community College District as the Local Education Agency (LEA) in accordance with Article X.

WHEREAS, it is recognized that on projects of this magnitude with multiple contractors and bargaining units on the job site at the same time over an extended period of time, the potential for work disruption is substantial without an overriding commitment to maintain continuity of work; and

WHEREAS, the interests of the general public, the District, the Unions, and the Contractors/Employers would be best served if the construction work proceeded in an orderly

manner without disruption because of strikes, sympathy strikes, work stoppages, picketing, lockouts, slowdowns or other interferences with work; and

WHEREAS, the Contractors/Employers and the Unions desire to mutually establish and stabilize wages, hours and working conditions for the workers employed on the Project and to encourage close cooperation among the Contractors/Employers and the Unions so that a satisfactory, continuous and harmonious relationship will exist among the parties to this Agreement; and

WHEREAS, the parties agree that one of the primary purposes of this Agreement is to avoid the tensions that might arise on the Project if Union and non-union workers of different employers were to work side by side on the Project, potentially leading to labor disputes that could delay completion of the Project; and

WHEREAS, this Agreement is not intended to replace, interfere with, abrogate, diminish or modify existing local or national collective bargaining agreements in effect during the duration of the Project, insofar as a legally binding agreement exists between the Contractors/Employers and the affected Unions, except to the extent that the provisions of this Agreement are inconsistent with said collective bargaining agreements, in which event the provisions of this Agreement shall prevail; and

WHEREAS, the District places a high priority upon the development of comprehensive programs for the recruitment, training and employment of traditionally underrepresented and targeted workers, local area residents, and District students and graduates, and recognizes the ability of local pre-apprenticeship and apprenticeship programs to provide meaningful and sustainable career pathways to careers in the construction industry; and

WHEREAS, the contract(s) for construction work on the Project will be awarded in accordance with the applicable provisions of the California State Public Contract Code and all state, local and federal laws; and

WHEREAS, the District has the right to select the lowest responsive and responsible bidder for the award of Construction Contract(s) on the Project; and

WHEREAS, the parties to this Agreement pledge their full good faith and trust to work toward the mutually satisfactory completion of the Project.

ARTICLE III **EFFECT OF AGREEMENT**

3.1 By executing this Agreement, the Unions, and the District agree to be bound by each and all of the provisions of the Agreement.

3.2 By accepting the award of work under a Construction Contract for the Project, whether as a Contractor or subcontractor thereunder, the Contractor/Employer agrees to be bound by each and every provision of the Agreement and agrees that it will evidence its acceptance prior to the commencement of work by executing the **Agreement to be Bound** in the form attached hereto as **Addendum A**.

3.3 At the time that any Contractor/Employer enters into a subcontract with any subcontractor providing for the performance of work under a Construction Contract, the Contractor/Employer shall provide a copy of this Agreement to said subcontractor and shall require the subcontractor, as a condition of accepting the award of a construction subcontract, to agree in writing, by executing the Agreement to be Bound, to be bound by each and every provision of this Agreement prior to the commencement of work. The obligations of a Contractor may not be evaded by subcontracting. If the subcontractor refuses to execute the Agreement to be Bound, then such subcontractor shall not be awarded a construction subcontract to perform work on the Project.

3.4 This Agreement shall only be binding on the signatory parties hereto and their successors and assigns, and shall not apply to the parents, affiliates, subsidiaries, or other ventures of any such party. Each Contractor/Employer shall alone be liable and responsible for its own individual acts and conduct and for any breach or alleged breach of this Agreement, except as otherwise provided by law or the applicable Schedule A. Any dispute between the

Union(s) and the Contractor(s)/Employer(s) respecting compliance with the terms of the Agreement shall not affect the rights, liabilities, obligations and duties between the Union(s) and other Contractor(s)/Employer(s) party to this Agreement.

3.5 It is mutually agreed by the parties that any liability by a Union signatory to this Agreement shall be several and not joint. Any alleged breach of this Agreement by a Union shall not affect the rights, liabilities, obligations and duties between the Contractor(s)/Employer(s) and the other Union(s) party to this Agreement.

3.6 The provisions of this Agreement, including the Schedule A's incorporated herein by reference, shall apply to the work covered by this Agreement, notwithstanding the provisions of any other local, area and/or national agreements which may conflict with or differ from the terms of this Agreement. To the extent a provision of this Agreement is inconsistent with a Schedule A, the provisions of this Agreement shall prevail. Where a provision of a Schedule A is not inconsistent with this Agreement, the provision of the Schedule A shall apply.

ARTICLE IV **WORK STOPPAGES, STRIKES, SYMPATHY STRIKES AND LOCKOUTS**

4.1. The Unions, District, and Contractor(s)/Employer(s) covered by this Agreement agree that for the duration of the Project:

4.1.1 There shall be no strikes, sympathy strikes, work stoppages, picketing, hand billing or otherwise advising the public that a labor dispute exists, or slowdowns of any kind, for any reason, by the Unions or employees employed on the Project, at the job site of the Project or at any other facility of the District because of a dispute on the Project. Disputes arising between the Unions and Contractor(s)/ Employer(s) on other District projects are not governed by the terms of the Agreement or this Article.

4.1.2 There shall be no lockout of any kind by a Contractor/Employer of workers employed on the Project.

4.1.3 If a Master Agreement expires before the Contractor/Employer completes the performance of work under a Construction Contract and the Union or Contractor/Employer gives notice of demands for a new or modified Master Agreement, the Union agrees that it will not strike on work covered by this Agreement and the Union and the Contractor/Employer agree that the expired Master Agreement will continue in full force and effect for work covered under this Agreement until a new or modified Master Agreement is reached. If the new or modified Master Agreement provides that any terms of the Master Agreement shall be retroactive, the Contractor/ Employer agrees to comply with any retroactive terms of the new or modified Master Agreement that are applicable to any employee(s) on the Project during the interim, with retroactive payment due within seven (7) calendar days of the effective date of the new or modified Master Agreement.

4.1.4 In the case of nonpayment of wages or trust fund contributions on the Project, the Union shall give the District and the Contractor/Employer three (3) business days' notice when nonpayment of trust fund contributions has occurred, and one (1) business days'

notice when nonpayment of wages has occurred or when paychecks being tendered to a financial institution normally recognized to honor such paychecks will not honor such paycheck as a result of insufficient funds, of the intent to withhold labor from the Contractor/Employer's or their subcontractor's workforce, during which time the Contractor/Employer may correct the default. In this instance, a Union's withholding of labor (but not picketing) from a Contractor/Employer that has failed to pay its fringe benefit contributions or failed to meet its weekly payroll shall not be considered a violation of this Article.

4.1.5 Notification: If the District contends that any Union has violated this Article, it will so notify, in writing, the Senior Executive of the Council and the Senior Executive of the Union, setting forth the facts alleged to violate the Article, prior to instituting the expedited arbitration procedure set forth below. The Council will immediately use its best efforts to cause the cessation of any violation of this Article. The leadership of the Union will immediately inform the workers of their obligations under this Article. A Union complying with this obligation shall not be held responsible for unauthorized acts of employees it represents.

4.2 Expedited Arbitration: Any party to this Agreement shall institute the following procedure, prior to initiating any other action at law or equity, when a breach of this Article is alleged to have occurred.

4.2.1 A party invoking this procedure shall notify Robert Hirsch or Barry Winograd as the permanent arbitrators, or Martin Gran, as the alternate arbitrator under this procedure. In the event the permanent arbitrators are unavailable at any time, the alternate will be contacted. If neither is available, then the parties shall select the arbitrator from the list in Section 14.4. Notice to the arbitrator shall be by the most expeditious means available, with notice by email and telephone to the District and the party alleged to be in violation, and to the Council and involved local Union if a Union is alleged to be in violation.

4.2.2 Upon receipt of said notice, the County will contact the permanent arbitrator named above, or his alternate, who will attempt to convene a hearing within twenty-four (24) hours if it is contended that the violation still exists.

4.2.3 The arbitrator shall notify the parties by email and telephone of the place and time for the hearing. Said hearing shall be completed in one session, which, with appropriate recesses at the arbitrator's discretion, shall not exceed twenty-four (24) hours unless otherwise agreed upon by all parties. A failure of any party to attend said hearings shall not delay the hearing of evidence or the issuance of an award by the arbitrator.

4.2.4 The sole issue at the hearing shall be whether or not a violation of Section 4.1 of the Agreement has occurred. The arbitrator shall have no authority to consider any matter of justification, explanation, or mitigation of such violation or to award damages, which issue is reserved for court proceedings, if any. The award shall be issued in writing within three (3) hours after the close of the hearing and may be issued without a written opinion. If any party desires a written opinion, one shall be issued within fifteen (15) calendar days, but the parties shall not delay compliance with or enforcement of the award due to the issuance of a written opinion. The arbitrator may order cessation of the violation of this Article and other appropriate relief and

such award shall be served on all parties by hand or registered mail upon issuance. Should a party found in violation of this Article fail to comply with an arbitrator's award to cease the violation, the party in violation shall pay to the affected party as liquidated damages the sum of ten thousand dollars (\$10,000.00) per shift for which it failed to comply, or portion thereof, until such violation is ceased. The arbitrator shall retain jurisdiction to resolve any disputes regarding the liquidated damages claimed under this section.

4.2.5 Such award may be enforced by any court of competent jurisdiction upon the filing of this Agreement and all other relevant documents referred to above in the following manner. The party filing such enforcement proceedings shall give written notice to the other party. In the proceeding to obtain a temporary order enforcing the arbitrator's award as issued under this Article, all parties waive the right to a hearing and agree that such proceedings may be *ex parte*. Such agreement does not waive any party's right to participate in a hearing for a final order of enforcement. The Court's order or orders enforcing the arbitrator's award shall be served on all parties by hand or delivered by certified mail.

4.2.6 Any rights created by statute or law governing arbitration proceedings inconsistent with the above procedure, or which interfere with compliance, are waived by the parties.

4.2.7 The fees and expenses of the arbitrator shall be divided equally between the party instituting the arbitration proceedings provided in this Article and the party alleged to be in breach of its obligation under this Article.

4.2.8 Should either the permanent or the alternate arbitrator identified above no longer work as a labor arbitrator, the District and the Council shall mutually agree to a replacement.

ARTICLE V **PRE-CONSTRUCTION CONFERENCES**

5.1 **Timing:** The Project Manager shall convene and conduct, at a location and time mutually agreeable to the Council, a pre-construction conference with the Unions and with representatives of all involved Contractors/Employers, who shall be prepared to announce craft assignments and to discuss in detail the scope of work and the other issues set forth below, at least twenty-one (21) calendar days prior to:

- (a) The commencement of any Project work, and
- (b) The commencement of Project work on each subsequently awarded Construction Contract.

5.2 The pre-construction conference shall be attended by a representative of each participating Contractor and each affected Union, and the Council and District may attend at their discretion.

5.3 The pre-construction conference shall include but not be limited to the following subjects:

- (a) A listing of each Contractor's scope of work.
- (b) The craft assignments.
- (c) The estimated number of craft workers required to perform the work.
- (d) Transportation arrangements.
- (e) The estimated start and completion dates of the work; and
- (f) Discussion of prefabricated materials.

5.4 Review Meetings: In order to ensure the terms of this Agreement are being fulfilled and all concerns pertaining to the District, the Unions and the Contractors are addressed, the Project Manager, General Contractor and Senior Executive of the Council, or designated representatives thereof, shall meet on a periodic basis during the term of construction. The District and the Council shall have the right to call a meeting of the appropriate parties to ensure the terms of this Agreement are being fulfilled.

ARTICLE VI **NO DISCRIMINATION**

6.1 The Contractors/Employers and the Unions agree to comply with all anti-discrimination provisions of federal, state, and local law, to protect employees and applicants for employment, on the Project.

ARTICLE VII **UNION SECURITY**

7.1 The Contractors/Employers recognize the Unions as the sole bargaining representative of all craft employees working within the scope of this Agreement, and all such employees must be represented by a Union for the duration of their employment on the Project.

7.2 All employees who are employed by Contractors/Employers to work on the Project will be required to become members and maintain membership in the appropriate Union on or before eight (8) days of consecutive or cumulative employment on the Project. Membership shall be satisfied by the tendering of periodic dues and fees that are uniformly required, to the extent allowed by law.

7.3 Authorized representatives of the Unions shall have access to the Project whenever work covered by this Agreement is being, has been, or will be performed on the Project. Such authorized representatives shall comply with reasonable, uniform, and posted visitor safety and security rules established for the Project.

ARTICLE VIII
REFERRAL

8.1 Contractor(s)/Employer(s) performing construction work on the Project shall, in filling craft job requirements, utilize and be bound by the registration facilities and referral systems established or authorized by the Unions signatory hereto. The Contractor(s)/Employer(s) shall have the right to reject any applicant referred by the Union(s), in accordance with the applicable Master Agreement.

8.2 Contractor(s)/Employer(s) shall have the unqualified right to select and hire directly all supervisors above the level of general foreman it considers necessary and desirable, without such persons being referred by the Union(s) (unless such craft construction employees are covered by existing Master Agreements).

8.3 In the event that referral facilities maintained by the Union(s) are unable to fill the requisition of a Contractor/Employer for employees within a forty-eight (48) hour period (Saturdays, Sundays and Holidays excluded) after such requisition is made by the Contractor/Employer, the Contractor/Employer shall be free to obtain workers from any source. A Contractor/Employer who hires any worker(s) to perform Covered Work on the Project pursuant to this section shall immediately provide the appropriate Union with the name and address of such worker(s) and shall immediately refer such worker(s) to the appropriate Union to satisfy the requirements of Article VII of this Agreement.

8.4 Unions unable to fill requisition of the Contractor/Employer for workers in accordance with Section 8.3 on more than three (3) separate occasions shall attend a meeting of the Joint Administrative Committee to discuss the issue.

ARTICLE IX
WAGES AND BENEFITS

9.1 The Contractors/Employers agree to pay contributions to the vacation, pension and/or other form of deferred compensation plan, apprenticeship, worker protection and assistance, and health benefit funds established by the applicable Master Agreement(s) for each hour worked on the Project, in the amounts designated in the Master Agreement(s) of the appropriate local Union(s).

9.2 By signing this Agreement, the Contractors/Employers adopt and agree to be bound by the written terms of the legally established Trust Agreements described in Section 9.1, which may from time to time be amended, specifying the detailed basis on which payments are to be made into, and benefits paid out of, such Trust Funds. The Contractors/Employers authorize the parties to such local Trust Agreements to appoint trustees and successor trustees to administer the Trust Funds and hereby ratify and accept the trustees so appointed as if made by the Contractors/Employers. The Contractors/Employers agree to execute a separate Subscription Agreement(s) when such Trust Fund(s) requires such document(s).

9.3 Wages, Hours, Terms and Conditions of Employment: The wages, hours and other terms and conditions of employment on the Project shall be governed by the Master

Agreement of the respective craft, to the extent such Master Agreement is not inconsistent with this Agreement. Where a subject is covered by the Master Agreement and not covered by this Agreement, the Master Agreement will prevail. When a subject is covered by both the Master Agreement and this Agreement, to the extent there is any inconsistency, this Agreement will prevail.

9.4 Holidays: Holidays shall be as set forth in the applicable Master Agreement.

9.5 Work on Fire Sprinkler Systems: All inspections on a Fire Sprinkler System shall be performed by an ASSE 15000 certified Sprinkler Fitter who is registered with the Office of the California State Fire Marshall. All testing and/or maintenance performed on any Fire Sprinkler System shall be performed by an individual who has graduated from a state-approved apprenticeship program. All apprentices working on fire protection systems shall be registered with a state-approved apprenticeship program.

ARTICLE X APPRENTICES

10.1 Recognizing the need to develop adequate numbers of competent workers in the construction industry, the Contractors/Employers shall employ apprentices from a California state-approved Joint Apprenticeship Training Program in the respective crafts to perform such work as is within their capabilities and that is customarily performed by the craft in which they are indentured.

10.2 The apprentice ratios will be in compliance with the applicable provisions of the California Labor Code and Prevailing Wage Rate Determinations.

10.3 Consistent with the Master Agreements, there shall be no restriction on the utilization of apprentices in performing the work of their craft, provided they are properly supervised.

10.4 The District and the Council and its affiliated local Unions wish to establish a more formal partnership regarding workforce development. The Council therefore agrees to promote and encourage the Unions to utilize the District as the Local Education Agency (LEA) for their apprenticeship programs. To this end, the Unions agree to attend annual meetings with representatives from the District and the respective Colleges to discuss the LEA services provided by the District and, for those Unions not currently utilizing the services of a California Community College District, to allow the District to provide a proposal for services to be considered against the current LEA provider. In addition, the Council and its workforce development partner Construction Trades Workforce Initiative shall work with the District to develop pre-apprenticeship opportunities for District students and graduates.

ARTICLE XI HELMETS TO HARDHATS

11.1 The Contractors/Employers and Unions recognize a desire to facilitate the entry into the building and construction trades of veterans who are interested in careers in the building

and construction industry. The Contractors/Employers and Unions agree to utilize the services of the Center for Military Recruitment, Assessment and Veterans Employment (hereinafter "Center") and the Center's "Helmets to Hardhats" program to serve as a resource for preliminary orientation, assessment of construction aptitude, referral to apprenticeship programs or hiring halls, counseling and mentoring, support network, employment opportunities and other needs as identified by the parties. The current address for the local Helmets to Hardhats program is as follows:

1231 I Street, Suite 302
 Sacramento, CA 95814
www.helmetstohardhats.org

In the event this address is changed, the Council shall endeavor to update the District as needed throughout the life of the Agreement.

11.2 The Unions and Contractors/Employers agree to coordinate with the Center to participate in an integrated database of veterans interested in working on the Project and of apprenticeship and employment opportunities for this Project. To the extent permitted by law, the Unions will give credit to such veterans for bona fide, provable past experience.

ARTICLE XII **COMPLIANCE**

12.1 It shall be the responsibility of the Contractors/Employers and Unions to investigate and monitor compliance with the provisions of the Agreement contained in Article IX. Nothing in this Agreement shall be construed to interfere with or supersede the usual and customary legal remedies available to the Unions and/or employee benefit Trust Funds to collect delinquent Trust Fund contributions from Contractors/Employers on the Project. The District shall monitor and enforce compliance with the prevailing wage requirements of the state and the Contractors/Employers' compliance with this Agreement as required by law, however, no part of this agreement shall obligate the District to implement a more formal labor compliance program.

ARTICLE XIII **JOINT ADMINISTRATIVE COMMITTEE**

13.1 Committee Membership: The parties to this Agreement shall establish a four (4) person Joint Administrative Committee. This Committee shall be comprised of two (2) representatives selected by the Chabot-Las Positas Community College District and two (2) representatives selected by the Council. The District and the Council shall designate alternates who shall serve in the absence of designated representatives for any purpose contemplated by this Agreement. The Joint Administrative Committee shall meet quarterly, or at the request of either Party to the Agreement, to review the implementation of the Agreement, review progress of the Projects, and resolve concerns or issues relating to the administration of the Agreement, however, the Joint Administrative Committee may not change, amend, add to or detract from any of the provisions of the Agreement. It shall be the responsibility of the District

Representative to convene and facilitate the quarterly meetings and any other meetings requested by the Parties.

13.2 JAC Meetings:

13.2.1 The JAC will meet quarterly or at the call of either the District Representative or the Council Representative.

13.2.2 The District Representative will establish agenda topics with input from the Committee and send notices of meetings with agenda in advance of the meetings.

13.2.3 The JAC will receive reports and consider work progress and practices, local hire utilization, pre-apprentice recruitment, training referral, apprentice development, apprentice utilization, bidding participation by trade contractors, labor supply and progress toward the utilization of the District by signatory affiliated local unions as an LEA.

13.2.4 The District Representative and Signatory Parties shall report progress on these issues and provide ongoing workforce projections of their work.

13.3 Dispute Resolution: The Joint Administrative Committee shall convene to confer in an attempt to resolve a grievance that has been filed consistent with Article XIV. Any questions regarding the meaning, interpretation, or application of the provisions of this Agreement shall be referred directly to the Joint Administrative Committee for resolution. The Joint Administrative Committee shall meet as required to solve grievances by majority vote with such resolutions to be final and binding on all signatories of the Agreement. A failure of any party to attend said hearing shall not delay the hearing of evidence or issuance of an award by the Joint Administrative Committee, if the award is made by a majority vote, and the hearing shall proceed ex parte. If the Committee is unable to resolve the grievance, the grievance may be referred in accordance with Step 3 of Article XIV.

ARTICLE XIV
GRIEVANCE ARBITRATION PROCEDURE

14.1 Project Labor Disputes: All disputes involving the application or interpretation of a Master Agreement to which a Contractor/Employer and a Union are parties shall be resolved pursuant to the resolution procedures of the Master Agreement. All disputes relating to the interpretation or application of this Agreement, other than disputes under Article IV (Work Stoppages, Strikes, Sympathy Strikes and Lockouts) and Article XV (Work Assignments and Jurisdictional Disputes), shall be subject to resolution by the grievance arbitration procedures set forth below.

14.2 Employee Discipline: All disputes involving the discipline and/or discharge of an employee working on the Project shall be resolved through the grievance and arbitration provisions contained in the Master Agreement for the craft of the affected employee. No employee working on the Project shall be disciplined or discharged without just cause.

14.3 Grievance Notice: No grievance shall be recognized unless the grieving party (Union or District Council on its own behalf, or on behalf of an employee whom it represents, or a Contractor/Employer on its own behalf) provides notice in writing to the party with whom it has a dispute within five (5) business days after becoming aware of the dispute but in no event more than twenty (20) business days after it reasonably should have become aware of the event giving rise to the dispute. Time limits may be extended by mutual agreement of the parties.

14.4 Grievances shall be settled according to the following procedures:

Step 1: Within five (5) business days after the receipt of the written notice of the grievance, the representative of the involved Union or District Council, or his/her designee, and the representative of the involved Contractor/Employer, shall confer and attempt to resolve the grievance.

Step 2: If the grievance is not resolved at Step 1, within five (5) business days of the Step 1 meeting, the alleged grievance may be referred in writing by either involved party to the Business Manager(s) of the affected Union(s) involved and the Labor Relations Manager of the Contractor/Employer, or the Contractor/Employer's designated representative, for discussion and resolution. Regardless of which party has initiated the grievance, the Union shall notify its International Union representative prior to the Step 2 meeting, and the International Union representative shall advise if it intends to participate in the Step 2 meeting. The Project Manager and the Council shall have the right to participate in any efforts to resolve the dispute at Step 2.

Step 3: If the grievance is not resolved at Step 2, within five (5) business days of the Step 2 meeting, either party may request the dispute be submitted to arbitration or the time may be extended by mutual consent of both parties. Within five (5) business days after referral of a dispute to Step 3, an arbitrator shall be selected by the alternate striking method from the list of five (5) below. The order of striking names from the list of arbitrators shall be determined by a coin toss, the winner of which shall decide whether they wish to strike first or second.

1. Barry Winograd
2. Robert Hirsch
3. William Riker
4. Martin Gran
5. Carol Vendrillo

14.5 The decision of the Arbitrator shall be final and binding on all parties. The Arbitrator shall have no authority to change, amend, add to, or detract from any of the provisions of the Agreement. The expense of the Arbitrator shall be borne equally by both parties. The Arbitrator shall arrange for a hearing on the earliest available date from the date of his/her selection. A decision shall be given to the parties within five (5) calendar days after completion of the hearing unless such time is extended by mutual agreement. A written opinion may be requested by a party from the presiding Arbitrator.

14.6 The time limits specified at any step of the Grievance Procedure may be extended by mutual agreement of the parties. However, failure to process a grievance, or failure to respond in writing within the time limits provided above, without an agreed upon extension of time, shall be deemed a waiver of such grievance without prejudice, or without precedent to the processing and/or resolution of like or similar grievances or disputes.

14.7 In order to encourage the resolution of disputes and grievances at Steps 1 and 2 of this Grievance Procedure, the parties agree that such settlements shall not be precedent setting.

14.8 Retention: At the time a grievance is submitted under this Agreement or any Master Agreement, the Union may request that the District withhold and retain an amount from what is due and owing to the Contractor against whom the grievance is filed, sufficient to cover the damages alleged in the grievance, should the Union(s) prevail. The amount shall be retained by the District until such time as the underlying grievance giving rise to the retention is withdrawn, settled, or otherwise resolved, and the retained amount shall be paid to whomever the parties to the grievance shall decide, or to whomever an Arbitrator shall so order.

14.9 Should any of the arbitrators listed in this Article or Article IV no longer work as a labor arbitrator, the District and the Council shall mutually agree to a replacement.

14.10 District Disputes: Notwithstanding the above, and for disputes not arising under Articles IV and Article XV, where the District is the grievant or where a grievance is brought solely against the District, the parties shall use their best efforts to settle the grievance in an informal manner. To this effect, they shall consult and negotiate with each other in good faith and, recognizing their mutual interests, attempt to reach a just and equitable solution satisfactory to both parties within (15) days of the filing of the grievance. If the parties do not reach such a solution within a period of sixty (60) days, then upon notice by either party, the grievance shall be finally settled by an arbitration administered by the American Arbitration Association. The arbitrator hearing the matter shall have experience in applying Project Labor Agreements.

ARTICLE XV

WORK ASSIGNMENTS AND JURISDICTIONAL DISPUTES

15.1 The assignment of Covered Work will be solely the responsibility of the Employer performing the work involved; and such work assignments will be in accordance with the Plan for the Settlement of the Jurisdictional Disputes in the Construction Industry (the "Plan") or any successor Plan.

15.2 All jurisdictional disputes on this Project between or among the building and construction trades Unions and the Employers parties to this Agreement, shall be settled and adjusted according to the present Plan established by the Building and Construction Trades Department or any other plan or method of procedure that may be adopted in the future by the Building and Construction Trades Department. Decisions rendered shall be final, binding, and conclusive on the Employers and Unions parties to this Agreement.

15.3 If a dispute arising under this Article involves the Northern California Carpenters Regional Council or any of its subordinate bodies, an Arbitrator shall be chosen by the procedures specified in Article V, Section 5 of the Plan from a list composed of John Kagel, Thomas Angelo, Robert Hirsch and Thomas Pagan, and the Arbitrator's hearing on the dispute shall be held at the offices of the California State Building and Construction Trades Council in Sacramento, California, within fourteen (14) calendar days of the selection of the Arbitrator. All other procedures shall be as specified in the Plan.

15.4 All jurisdictional disputes shall be resolved without the occurrence of any strike, work stoppage, or slow-down of any nature, and the Employer's assignment shall be adhered to until the dispute is resolved. Individual employees violating this section shall be subject to immediate discharge. Each Employer will conduct a pre-job conference with the Council prior to commencing work. The District and the Project Manager will be advised in advance of all such conferences and may participate if they wish. Pre-job conferences for different Employers may be held together.

ARTICLE XVI **MANAGEMENT RIGHTS**

16.1 Consistent with the Schedule A agreements, the Contractors/Employers shall retain full and exclusive authority for the management of their operations, including the right to direct their work force in their sole discretion. No rules, customs or practices shall be permitted or observed which limit or restrict production, or limit or restrict the working efforts of employees, except that lawful manning provisions in the Master Agreement shall be recognized.

ARTICLE XVII **DRUG AND ALCOHOL TESTING**

17.1 The use, sale, transfer, purchase and/or possession of a controlled substance, alcohol and/or firearms at any time during the work day is prohibited. In addition, the use and/or sale of tobacco or vaping products on District property is prohibited.

17.2 Drug and alcohol testing shall be conducted in accordance with the Substance Abuse Prevention Policies contained in the applicable Master Agreement.

ARTICLE XVIII **SAVINGS CLAUSE**

18.1 The parties agree that in the event any article, provision, clause, sentence, or word of the Agreement is determined to be illegal or void as being in contravention of any applicable law, by a court of competent jurisdiction, the remainder of the Agreement shall remain in full force and effect. The parties further agree that if any article, provision, clause, sentence or word of the Agreement is determined to be illegal or void, by a court of competent jurisdiction, the parties shall substitute, by mutual agreement, in its place and stead, an article, provision, clause, sentence or word which will meet the objections to its validity and which will be in accordance with the intent and purpose of the article, provision, clause, sentence or word in question.

18.2 The parties agree that in the event a decision of a court of competent jurisdiction materially alters the terms of the Agreement such that the intent of the parties is defeated, then the entire Agreement shall be null and void.

18.3 If a court of competent jurisdiction determines that all or part of the Agreement is invalid and/or enjoins the District from complying with all or part of its provisions and the District accordingly determines that the Agreement will not be required as part of an award to a Contractor/Employer, the Unions will no longer be bound by the provisions of Article IV.

ARTICLE XIX **TERM**

19.1 This Agreement shall be included in the bid documents, requests for proposals, or other equivalent Project solicitations, which shall indicate that entering into this Agreement is a condition of the award of a Construction Contract(s) for the Project.

19.2 This Agreement shall become effective on the day it is executed by the District and the Council (the "Effective Date") and shall apply to each Project until Completion. Prior to the five-year anniversary of the Effective Date, the District and the Council shall meet to discuss proposed changes, if any, to the Agreement. The Agreement, including any mutually agreed-upon changes, shall be reapproved by the governing board of the District for another 5 years.

ARTICLE XX **MISCELLANEOUS PROVISIONS**

20.1. This Agreement may be executed in counterparts, such that original signatures may appear on separate pages and when bound together all necessary signatures shall constitute an original. Faxed or emailed PDF signature pages transmitted to other parties to this Agreement shall be deemed the equivalent of original signatures.

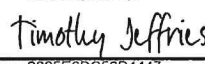

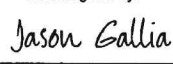

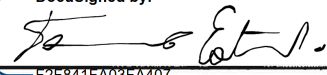

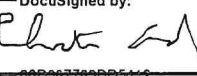

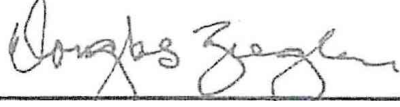

20.2 Each of the persons signing this Agreement represents and warrants that such person has been duly authorized to sign this Agreement on behalf of the party indicated, and each of the parties signing this Agreement warrants and represents that such party is legally authorized and entitled to enter into this Agreement.

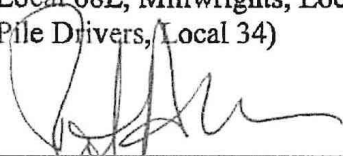

20.3 The parties acknowledge that this is a negotiated agreement, that they have had the opportunity to have this Agreement reviewed by their respective legal counsel, and that the terms and conditions of this Agreement are not to be construed against any party on the basis of such party's draftsmanship thereof.

20.4 The section headings contained in this Agreement are inserted for convenience only and shall not affect in any way the meaning or interpretation of this Agreement. All defined terms used in this Agreement shall be deemed to refer to the singular and/or plural, in each instance as the context and/or particular facts may require.
