Accordingly, we do not express any assurance on the internal control.

The results of our tests indicated that, in all significant respects, Chabot-Las Positas Community College District expended Measure B General Obligation Bond funds for the year ended June 30, 2015 only for the specific projects developed by the District's Board of Trustees and approved by the voters, in accordance with the requirements of Proposition 39, as specified by Section 1(b)(3)(C) of Article XIII A of the California Constitution.

METHODOLOGY

We performed the following procedures to the List of Measure B General Obligation Bond project expenditures for the year ended June 30, 2015:

- Interviewed District management related to controls over planning, bidding, contracting, expenditure of bond funds and financial reporting and determined that controls have been put in place and are working as documented.

- Performed tests to determine that the District controls over planning, bidding, contracting, expenditure of bond funds and financial reporting have been put in place and are working as documented.
- Verified the mathematical accuracy of the expenditures List.
- Reconciled the List to total bond expenditures as reported by the District in the District's audited financial statements for the year ended June 30, 2015, presented as the General Obligation Bond Construction Fund (Fund 42).
- Examined 100% of the salaries and related benefits, which totaled \$633,184. We also selected a sample of 25 non-payroll expenditures totaling \$8,951,322 from Measure B. The sample was selected to provide a representation across specific construction projects, vendors and expenditure amounts. Verified that the expenditures were for authorized projects, and were to construct, upgrade, and improve classrooms and school facilities, renovate restrooms and plumbing, upgrade electrical systems, improve student access to computers and technology, replace heating and air conditioning systems or to make health and safety improvements.
