

JOINT RESOLUTION
FACULTY, CLASSIFIED, AND STUDENT SENATES FOR CHABOT
COLLEGE

Full and Transparent Communication Resolution

Joint Resolution Number: 21.01

Whereas, The welfare and safety of the college community must be the institution's primary concern;

Whereas, Covid-19 and all its variants, are highly transmissible and when contracted can result in severe illness and/or loss of life;

Whereas, Notification of recent occurrences of on campus Covid-19 exposure has been limited to those potentially exposed;

Whereas, A lack of transparency or completeness of recent developments relating to Covid-19 can deprive students and employees of crucial contextual information needed to make informed decisions about personal safety;

Whereas, Best practices and guidelines support the provision of clear, accurate and up-to-date guidance regarding Covid-19;

Resolved, For the safety and well-being of the entire college community, the Faculty, Classified, and Student Senates for Chabot College require full and transparent reporting to the college community at large of all on campus related instances of known exposure and reported cases of Covid-19;

Resolved, The Faculty, Classified, and Student Senates require creation of a Covid-19 Dashboard that is available to all students and employees, featuring timely updates of campus related known exposure occurrences; reported Covid-19 cases; information on when it was last updated; and definitions of terms and data on community rates.
