**Multiple Method #9**

The Chancellor and Classified Professionals in the Chabot-Las Positas Community College District instituted a "Grow-Your-Own" program called CLIP (Classified Leadership Institute for Professionals).

The Classified Professional population in the District is diverse. Creating a formal leadership program collaboratively with the Classified Professionals focused on providing professional skills, educational knowledge, and personal growth that supports the goals of our educational community, we believe, is a positive step that will increase the diversity of the leadership throughout the District.
