

AP 5210 COMMUNICABLE DISEASE PROTOCOLS FOR STUDENTS

Reference:

Education Code Section 76403

The District fully cooperates with county and state health officers in measures deemed necessary for the prevention and control of communicable disease and to comply with any immunization program required by the California Department of Health Services regulations.

Protocols and standardized procedures for the prevention and response to outbreaks of communicable disease are contained in the following documents which are on file and available for review in the Health Services Offices:

- Health Services Standardized Protocols
- Pandemic Response Plan
- Emergency Operations Plan
