The Chancellor shall assure that student records are maintained in compliance with applicable federal and state laws relating to the privacy of student records.

The Chancellor may direct the implementation of appropriate safeguards to assure that student records cannot be accessed or modified by any person not authorized to do so.

Any currently enrolled or former student of the district has a right of access to any and all district-maintained student records relating to them. The Chancellor shall implement a system by which current students can declare an affirmed name, gender, or both name and gender identification to be used in their records where legal names are not required by law. Upon the request of a current student, the district shall update any records for the student to include the affirmed name, gender, or both name and gender identification. The records that shall be updated include but are not limited to district issued email addresses, student identification cards, class rosters, diplomas, certificates of completion of courses, or similar records. Upon request by a former student of the district, the district will update and reissue student records to include an updated legal name or gender. These documents include but are not limited to transcripts or a diploma.

The district cannot require a current student to provide legal documentation in order to have the student's affirmed name or gender listed on the student's records.

No district representative shall release the contents of a student record to any member of the public without the prior written consent of the student, other than directory information as defined in this policy and information sought pursuant to a court order or lawfully issued subpoena, or as otherwise authorized by applicable federal and state laws.

Students shall be notified of their rights with respect to student records, including the definition of directory information contained here, and that they may limit the information.

Directory information shall include:

- Student participation in officially recognized activities and sports including weight, height, and high school of graduation of athletic team members.
- Degrees and awards received by students, including honors, scholarship awards, athletic awards, and Dean's List recognition.
- Student name
