  - Simplifies communication
3. Access to the LPC network
4. 2-year/3-year plans for degree completion
  - Better software for degree auditing and planning
5. Automated alerts for deadlines, financial aid, progress, etc.
6. Help students throughout their time at LPC
  - Course enrollment
  - Graduation
  - Transfer
7. Degree and certificate mapping over a 2 or 3 year plan
  - Program mapping
  - Robust!
8. Career assessment
9. Student progress alerts

## LPC Guided Pathways Retreat

1. Career Exploration
  - An app with information about careers/programs/courses
  - Clustering / meta majors
  - Salaries
2. Timeline of Completion
  - Dynamic (adjusts with individual student situations)
3. Enter the Path
  - Students need to see end goals, cost of attendance, videos!
  - Specific counselors for clusters/meta majors
4. Stay on Path
  - Online communities (safe spaces)
  - Faculty should have an easy way to contact students in the discipline
  - Early alert system
  - Easy display of progress
5. Ensure Learning
  - Extend online communities to include multi-disciplinary faculty
  - Alumni “tracking”
