

# Buildings 3500 & 3700

## Early Childhood Lab School

Follow the general COVID-19 safety practices for employees and visitors, as well as additional practices developed for this building as follows:

**Medical Screening.** Leave the building and remain at home if you are experiencing symptoms related to COVID-19, test positive or have been exposed to a known or suspected case.

**Physical Distancing.** Maintain at least six feet between yourself and others at all times. The greater the distance the better. Respect distancing markings and notifications. Avoid congregating or loitering in common areas. Utilize outdoor areas when feasible.

**Personal Hygiene.** Wash hands/use hand sanitizer when entering and exiting the building. Cover coughs/sneezes.

**Protective Equipment.** Wear a face covering/mask which covers the nose and mouth at all times when moving through the building or using common areas.

**Environmental Cleaning.** High touch surfaces in the building are cleaned and disinfected on a daily basis. In addition, ventilation systems have been adjusted to help enhance COVID-19 safety where practicable.

**Additional Practices.** Coordinate with representatives from the specific areas/operations you are visiting in the building regarding additional COVID-19 safe practices that may apply.

**Note: These practices are current as of the revision date. Since the COVID-19 pandemic is evolving rapidly, extra diligence should be used in watching for updates to these practices.**
