Background: The Las Positas College Forensics Team, LPC Talk Hawks, has been invited to participate in the International Forensics Association Tournament in Barcelona, Spain, during March 2015. Approximately ten students and two faculty coaches would like to represent the College at the tournament. The purpose of this trip is to expose our students to the highest caliber of competition from the United States as well as foreign institutions. This team has the potential to uphold the successful records that the LPC Talk Hawks have maintained throughout the history of the College.

The Talk Hawks have participated in this competition six times in the past: in Paris, France (January 21, 2014 under item 3.7); Antwerp, Belgium (January 15, 2013 under item 4.4); Rome, Italy (November 15, 2011 under item 4.5); Montreal, Canada (November 18, 2008 under item 4.4); Buenos Aires, Argentina (November 14, 2006 under item 4.4); and Prague, Czech Republic (February 21, 2006 under item 4.4). In 2006 and 2009, LPC had the International Champion Informative Speaking. In 2007, LPC finished as the top two-year institution at the tournament. In 2009, LPC finished 2nd Place overall at the competition, and in 2013, LPC collected six individual awards and finished in 3rd Place in the Community College Division, and 6th Place overall.

Board Policies 6216 (Field Trips) and 6217 (Travel Study Program), Administrative Rules and Procedures, and materials from our insurance broker have been reviewed. The District is in compliance with each of these and has secured all necessary and required waivers.

Recommended Action: That the Board of Trustees approves the LPC Talk Hawks proposed travel abroad for the International Forensics Association Tournament to Barcelona, Spain, during March 2015. Agenda Item: 3.3

Subject: Approval of Agreement Renewal – Child Development Training Consortium 2014-2015 Instructional Agreement No. 14-15-4024 with Yosemite Community College District, Chabot College

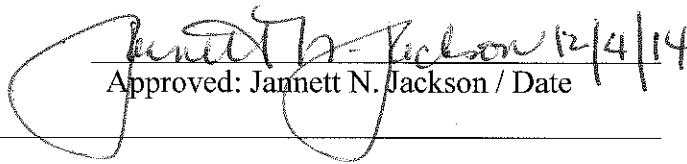

Background: Chabot College has received a program renewal for the Child Development Training Consortium (CDTC) 2014-2015 Instructional Agreement No. 14-15-4024 with the Yosemite Community College District (YCCD). The program allows the College to generate up to 700 units of college credit by enrolling students in courses required by the California Commission on Teacher Credentialing to obtain a new or renew a currently held Child Development Permit. As these courses do not generate state apportionment, the agreement provides the College with \$25 per enrolled unit of course work, not to exceed a total of \$17,500.

The College has been continuously involved with the YCCD/CDTC and has received an annual renewal since 1993.

The proposed agreement renewal is for the period of September 1, 2014 through June 30, 2015.

Agenda Item: 3.7

Subject: Authorization to Submit the Chabot College and Las Positas College Student Equity Plans (2014-2015) to the California Community Colleges Chancellor's Office

Background: Governor Jerry Brown and the California State Legislature provided \$70 million in the 2014-15 Budget Act to establish the Student Equity program "in order to ensure equal educational opportunities and to promote student success for all students, regardless of race, gender, age, disability, or economic circumstances." While a requirement has been in place since 1996 that colleges adopt Student Equity Plans, this is the first time that dedicated state resources have been provided to support efforts to achieve the goals reflected in those plans. SB 860 requires colleges to obtain Board of Trustees approval and submit Student Equity Plans on or before January 1, 2015.

Chabot College and Las Positas College have developed Student Equity Plans to respond to the findings of the disproportionate impact studies conducted on its student populations. The plan has been developed with college-wide representation through the Student Equity Coordinating Council, and in coordination with the Student Success and Support Program Plan, Basic Skills Initiative Plan, Program Reviews, Accreditation Self-Study and the District-wide Educational Support Services Committee. Plan recommendations were also presented to the Board of Trustees at the November 18, 2014 meeting. Chabot College and Las Positas College Presidents recommend approval of the plans supported by Chabot College and Las Positas College Council's recommendation.

Recommended Action: That the Board of Trustees Authorizes the District's submittal of the Chabot College and Las Positas College Student Equity Plans (2014-2015) to the California Community Colleges Chancellor's Office before January 1, 2015.

Pepsi has provided beverage services for the past five years and desires to continue the sponsorship agreement for an additional three years. Pepsi would continue to have exclusive rights to develop and carry out a program for the sale of its beverage products in all facilities owned or operated by the Las Positas College. Pepsi is experienced in installing, operating, servicing and maintaining equipment for dispensing beverage products and Las Positas College has determined that it is in the best interests of the College to renew the contract with Pepsi to provide services for the sale of beverage products.
