August 17, 2021

Agenda Item: 4.1

Subject: Approval of Letter of Partnership for East Bay College Agile Network (EBCAN) (EBCAN) Initiative between California State University East Bay and Chabot Las Positas Community College District

Background: The East Bay College Agile Network (EB CAN) is a collaborative project between California State University East Bay (CSUEB) and Chabot Las Positas Community College District (CLPCCD) to create equitable systems and support for students in our region to successfully complete their educational pathway. As we build this initiative based on evidence and an equity vision, EB CAN will include concurrent enrollment; coordinated outreach and referrals to students and their families; and an integrated care approach across the network focused on educational continuity. EB CAN focuses on a shift across our institutions by switching from an individualized institution approach to a collaborative network crossing traditional institutional boundaries. To further strengthen pilot projects and collaboration, this Letter of Partnership between CLPCCD and CSUEB formally recognizes the progress to date and formally establishes this partnership in 2021. Each partner has identified the collaborative EB CAN leadership to guide the initiative and revisit annual goals by the completion of each spring term. An evaluative analysis will follow at the end of three years, approximately June 30, 2024.

This agreement may be extended and/or modified by mutual agreement by the signing of a new Letter of Partnership. This agreement may also be terminated by either of the partners upon notice of 30 days.

Recommended Action: That the Board of Trustees accepts the proposed Letter of Partnership for East Bay College Agile Network (EBCAN) Initiative between California State University East Bay and Chabot Las Positas Community College District. It is further recommended that the Board authorize the Vice Chancellor, Business Services, to execute the Letter of Partnership on behalf of the District.

Agenda Item: 4.5

Subject: Approval of Memorandum of Understanding (MOU) between Three Valleys Community Foundation, Tri-Valley Nonprofit Alliance and Chabot Las Positas Community College, Las Positas College

Background: The purpose of this Memorandum of Understanding (MOU) is to establish the formal partnership between Three Valleys Community Foundation, hereinafter referred to as 3VCF, Tri-Valley Nonprofit Alliance, hereinafter referred to as TVNPA, and Chabot Las Positas Community College, Las Positas College, hereinafter referred to as LPC, related to Candid's Foundation Information Network (FIN) Training Access Program. The FIN Training Access Program is designed to provide nonprofit organizations with the ability to access grant information via the Foundation Directory and receive capacity building training. This MOU illustrates the collaborative arrangement between all three entities to fulfill the obligations associated with being a FINS Training Access Site. For the past ten years, LPC has served as the local access site for the Funding Information Network previously known as a Foundation Center Cooperative Collection. LPC has been able to offer a myriad of nonprofit resources and training opportunities - including a searchable grants database - free of charge to local organizations. LPC, in conjunction with the 3VCF and the TVNPA, will now become a Candid 'training' center. This higher membership status will afford local nonprofits the ability to search for appropriate grants, as well as a myriad of other benefits - such as the capability to visually map where and how philanthropic funds are flowing, within a particular geographical area. Identifying and capturing private philanthropic funds in a targeted approach aligns with the new 2040 Vision report unveiled in early June 2021 by Innovation TriValley as well as with the fundamental mission of the Three Valleys Community Foundation.

Recommended Action: That the Board of Trustees approves the proposed Memorandum of Understanding (MOU) between Three Valleys Community Foundation, Tri-Valley Nonprofit Alliance and Chabot Las Positas Community College, Las Positas College for the period beginning September 1, 2021 through August 31, 2022. Agenda Item: 4.6

**Subject:** Approval of Standard Agreement with the State of California Health and Human Services Department of Social Services and the California Early Childhood Mentor Program, and Associated Subcontracts with Community Colleges, Chabot College

**Background:** The Mentor Program was developed at Chabot College in 1988 with the support of private foundations. After a break in 2001, the program moved back to our district as lead fiscal agent in 2013. The program offers a unique strategy to improve the quality of early care and education through building a mechanism to train and retain qualified staff.

The program selects and provides advanced training to experienced ECE teachers and Directors who become Mentors. Mentor teachers earn stipends to train student teachers. Director mentors work with current or aspiring Early Childhood Directors to enhance the leadership and program quality in the field. The student teachers earn community college, university or high school credit for a practicum completed under the guidance of the Mentor. Both the availability of compensation and ongoing training contribute to improving the quality of early care and education in the Mentor's and the student teacher's classrooms.

The program makes it possible for early childhood students to complete their Practicum course (included in the Curriculum Alignment Project's (CAP) Lower Division Eight). The Practicum course is part of the Degrees offered by all 104 partner community colleges. The Board of Trustees has previously approved this contract and its accompanying subcontracts beginning April 16, 2013 and subsequently each year since the contract came back to Chabot College with the Chabot –Las Positas Community College District acting as the lead fiscal agent.

This agreement is being executed as of August 17, 2021 for the contract term of July 1, 2021-June 30, 2023. The contracted amount is not to exceed \$5,051,459.23 and authorizes Chabot –Las Positas Community College District, Chabot College to subcontract with 104 California Community Colleges to satisfy the terms of the contract. The subcontracts are in accordance with the program details and budget outlined in the award. A template of the subcontract has been attached for review and approval.
