BACKGROUND INFORMATION -

As part of the accountability measures for the Measure A Bond Program, the management team for the program has put into place a formal process for managing, tracking and presenting to the Board of Trustees all revisions to the Measure A individual project names, scopes and budgets. Additional criteria was added to the bond list revision process at the September 18, 2018 Board of Trustees meeting. In order to provide clarity for the Board of Trustees, the management team will identify bond list revisions containing “substantive changes” or “non-substantive changes in the agenda text.

Subject **8.3 Update of Firms to Provide Project Management and Construction Management Services for Various Measure A Projects until March 2027**
Meeting Mar 18, 2025 - BOARD OF TRUSTEES REGULAR MEETING
Category 8. INFORMATION AND DISCUSSION ITEMS (No Action)
Type Information/Discussion

BACKGROUND INFORMATION -

The District issued a request for qualifications RFQ B21/22-06 on December 9, 2021, seeking qualified Project management and Construction Management Service (PM/CM) firms for Various Measure A projects. Following established procurement procedures, a list of Project and Construction Management (PM/CM) service firms are

being established for the potential award of contracts for PM/CM services for the next five years. Firms will be selected from the list of qualified firms to submit future Request for Proposal (RFP) for specific projects as they come up in the College Prioritization List based upon the response to specific project types in the RFQ. Based upon responses to the issued RFQ documents, the established pool of firms either has limited staffing availability or has chosen not to respond to several of the requested position staffing opportunities provided by the bond program. In order to attract additional competent and competitive staffing for future project, staff recommended a recertification of the existing firms and a RFP for additional firms to be added to the list of firms invited to the future RFP solicitations

The District received 10 submittals for RFQ B21/22-08 in accordance with the request for qualifications (RFQ) process. In March of 2022 the Board approved six (6) firms having met the criteria. In January 2025 the District issued RFQ B24/2507 to recertify and potentially add PM/CM firms to the list of firms held by the District for solicitation of staffing for future projects. Of those firms, one has not responded to prior RFQ documents in the past three years and is being recommended for removal, having not met the recertification process for RFQ B24/25-07. Based upon the established recertification and scoring criteria, a committee of District and College personnel reviewed and scored the submitted qualifications packages. The committee recommends the following list of firms be included on the shortlist for future project selection:

AECOM	Oakland, CA
APSI	Pleasanton, CA
Cummings	Concord, CA
JGM/CBMG Joint Venture	San Jose, CA
Roebbelen	El Dorado Hills, CA
Sixth Dimension (6D PM/CM)	Pleasanton, CA
Swinerton	San Francisco, CA
Trover Construction Management	Chico, CA
Vanir	San Francisco, CA

The following firm did not submit for recertification and has not submitted responses to the request for proposals in the last two (2) years, and the committee is recommending removal of the firm.

Gilbane	San Jose, CA
---------	--------------

Information Item: For the Board of Trustees to receive the listing of Project Management and Construction Management Service providers for inclusion on the list of firms for invitation for various Measure A projects for the balance of the five-year period.
