

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

October 21, 2008

Agenda Item: 7.2

Subject: Approval of Standard Services Agreement—County of Mendocino, District-Economic Development

Background: Two of Mendocino County’s foster services agencies contacted the Chabot-Las Positas Community College District’s Economic Development department requesting that we administer a Title IV-E training contract for their County. Together we negotiated with the County of Mendocino to provide trainings for the County’s foster and adoptive care provider staff.

As we have with our other Title IV-E county agency contracts, we will be partnering with community non-profit agencies to deliver these trainings, as well as hiring subject matter experts to deliver a series of trainings that have been requested by local foster care agency and county child welfare services staff. Because of our experience in this area, and their unfamiliarity with these programs, Mendocino-Lake Community College District has given us permission to offer this program within their service area.

The contract is in the amount of \$300,000 for the period September 1, 2008 through June 30, 2009.

Recommended Action: That the Board of Trustees approve the proposed Standard Services Agreement with the County of Mendocino, District-Economic Development, in the amount of \$300,000, for the period September 1, 2008 through June 30, 2009. It is further recommended that the Board authorize the Vice Chancellor, Business Services, to execute the agreement and any future augmentations or amendments to the agreement on behalf of the District.
