March 15, 2022

Agenda Item: 7.1

Subject: Approval of Agreement between Automotive Repair and Machinists Trades Joint Apprenticeship Committee (JAC) of Northern California and Chabot-Las Positas Community College District, Economic Development

Background: Chabot College has been serving as one of many Local Education Agencies (LEA) for the Automotive Repair & Machinists Trades Joint Apprenticeship Committee (JAC) of Northern California since 2012. This new agreement formalizes the Apprenticeship under District Economic Development operational coordination.

Apprentices will be referred and attend Automotive Technician courses at Chabot College, with administration of program out of the Economic Development and Contract Education (EDCE) Department. This program will generate Related and Supplemental Instruction (RSI) based on classroom hours, and available on-the-job training hours will be attributed to Chabot College FTES. The Automotive Repair & Machinists Trades JAC requires CLPCCD to apportion twenty percent of RSI funds to maintain their responsibilities as Program Sponsor.

This Agreement has an initial term of thirty months, January 1, 2022, through June 30, 2024, with an option for an automatic annual renewal for two additional one-year periods.

Recommended Action: That the Board of Trustees approves the Agreement for the Automotive Repair & Machinists Trades Joint Apprenticeship Committee (JAC) of Northern California - District-Economic Development, for the period of January 1, 2022, through June 30, 2024. It is further recommended that the Board authorize the Vice Chancellor, Business Services, to execute the Agreement on behalf of the District.
