We conducted our performance audit in accordance with *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our conclusion based on our audit objectives. We believe that the evidence obtained provides a reasonable basis for the findings and conclusions based on our audit objectives.

Our audit was limited to the objectives listed on page 3 of this report which includes determining the compliance with the performance requirements for the Proposition 39 Measure A General Obligation Bonds under the applicable provisions of Section 1(b)(3)(C) of Article XIII A of the California Constitution and Proposition 39 as they apply to the bonds and the net proceeds thereof. Management is responsible for Chabot-Las Positas Community College District's compliance with those requirements.

Solely to assist us in planning and performing our performance audit, we obtained an understanding of the internal controls of Chabot-Las Positas Community College District to determine the audit procedures that are appropriate for the purpose of providing a conclusion on the District's compliance with the requirements of Proposition 39, as specified by Section 1(b)(3)(C) of Article XIII A of the California Constitution, but not for the purpose of expressing an opinion on the effectiveness of internal control. Accordingly, we do not express any assurance on the internal control.

The results of our tests indicated that, in all significant respects, Chabot-Las Positas Community College District expended Measure A General Obligation Bond funds for the year ended June 30, 2023 only for the specific projects developed by the District's Board of Trustees and approved by the voters, in accordance with the requirements of Proposition 39, as specified by Section 1(b)(3)(C) of Article XIII A of the California Constitution.

MEASURE A GENERAL OBLIGATION BONDS
OBJECTIVES, SCOPE, METHODOLOGY AND CONCLUSION

OBJECTIVES

The objective of our performance audit was to determine that the District expended Measure A General Obligation Bond funds for year ended June 30, 2023 only for the purposes approved by the voters and only on the specific projects developed by the District's Board of Trustees, in accordance with the requirements of Proposition 39, as specified by Section 1(b)(3)C of Article XIII A of the California Constitution.

SCOPE

The District provided to us a list of all Measure A General Obligation Bond project expenditures for the year ended June 30, 2023 (the "List"). A total of \$100,541,577 in expenditures from July 1, 2022 through June 30, 2023 were identified.

METHODOLOGY

We performed the following procedures to the List of Measure A General Obligation Bond project expenditures for the year ended June 30, 2023:

- Verified the mathematical accuracy of the expenditures List.
- Reconciled the List to total bond expenditures as reported by the District in the District's audited Measure A General Obligation Bonds financial statements for the year ended June 30, 2023.
- Examined 100% of the salaries and related benefits for the month of February 2023, which totaled \$156,769. Verified that the funds used to pay the salaries of district employees were allowable per Opinion 04-110 issued on November 9, 2004 by the State of California Attorney General.
- We also selected a sample of 25 non-payroll expenditures from Measure A, which totaled \$50,547,621. The sample was selected to provide a representation across specific construction projects, vendors and expenditure amounts. Verified that the expenditures were for authorized projects, and were to upgrade aging classrooms and technology/science labs for career education to prepare students, veterans and workers for good jobs and university transfer, remove asbestos/retrofit buildings for earthquake safety, acquire, construct and repair sites/facilities/equipment, and improve campus safety/security.

CONCLUSION

The results of our tests indicated that, in all significant respects, Chabot-Las Positas Community College District expended Measure A General Obligation Bond funds for the year ended June 30, 2023 only for the specific projects developed by the District's Board of Trustees and approved by the voters, in accordance with the requirements of Proposition 39, as specified by Section 1(b)(3)(C) of Article XIII A of the California Constitution.
