

Chabot – Las Positas Community College District
Convocation Day August 15, 2022

Suggestions for Department & Program Meetings, 2:30-3:45pm session

Suggested Agenda

1. Welcome and introductions
2. Ensure people know where to find the District Updates on Coronavirus, including the [most recent “When to Mask” Chancellor message and the Frequently Asked Questions \(FAQs\) with Answers](#).
3. Follow-on discussion from Morning program presentations, for example:
 - a. Vice Chancellor Rowland (Educational Services and Student Success) shared two transfer-focused initiatives gaining momentum in 2022-23. With upcoming opportunities to more closely collaborate with our public university counterparts, **what topics would we most like to discuss with our colleagues (e.g., at CSUEB, UCB, SJSU, SFSU) to support student success?** What information do we need? What policies or practices are we curious about?
Department input can be placed [here](#)

Additional ideas to support exchange on topics of mutual interest:

- The statewide Academic Senate California Community Colleges, ASCCC, published a [resource for DEI in Curriculum](#) in June 2022. Looking through the [CCC DEI in Curriculum Model Principles and Practices](#), what are some of the teaching/student support practices we already employ?
 - For example, on page 3: Represent multiple cultures in textbooks and course materials. • Use low-cost and zero cost textbooks/materials. • Use open educational resources.
 - What practices are appealing and practical to adopt individually? As a department? As a college?
For reference, [College Ed Master Plan and District-wide Strategic Plan](#)
- Updates and exchange on: enrollment, budget, etc...
