

Adding Course Attributes to Chabot Courses in Banner

SCFF Project Update
October 16, 2020

Presented by Noell Adams

Goals, Objectives, & Expected Outcomes

Goal

Empower students to make more informed registration decisions

Objectives

1. Add course attributes to Chabot College courses in Banner
2. Establish a process for course attributes to be regularly maintained

Expected Outcomes

Increase degree & certificate completions, FTES, and transfers to CSU and UC

District Award

1. Awarded one-time investment of \$22,750
 - Employ a professional expert
 - Cover overtime costs for Chabot staff
2. FOAP set up in February 2020
3. Unspent funds rolled over into 2020-2021

Adding Course Attributes to Chabot Courses in Banner - SCFF Project Update
