DISTRICT RIGHTS

5A. District Authority and Duties

It is understood and agreed that the District retains its power and authority to direct, manage and administer as provided by the California Public Employment Relations Board (PERB) regulations and relevant decisions of courts of competent jurisdiction. Among those duties and powers are the right to: determine its organization; direct the work of its unit members; determine the times and hours of operation; determine the kinds and levels of services to be provided, and the methods and means of providing them; establish its educational policies, goals and objectives; determine staffing patterns; determine the number and kinds of personnel required; maintain the efficiency of District operations; determine the curriculum; build, move or modify facilities; establish budget procedures and determine budgetary allocation; determine the methods of revenue; contract out work except as limited herein; and take action on any matter in the event of an emergency such as fire, earthquake or other acts of God. In addition, the Board of Trustees retains the rights to select, hire, classify, assign, evaluate, terminate and discipline unit members.

The Faculty Association shall be given the opportunity to consult with the District before any decision is made by the District to contract out work. The District and the Faculty Association shall negotiate over the impacts and effects of contracting out work. Further, the District shall not contract out work if contracting out will result in the termination of employment of Full-time unit members (i.e., Full-time unit members' employment will be terminated because of the decision to contract out their jobs).

5B. District Limitations

The exercise of the foregoing rights by the District shall be limited only by the specific and express terms of this Agreement and by the legal requirements imposed by the California Public Employment Relations Board (PERB) regulations and rulings and relevant decisions made by courts of competent jurisdiction.

ARTICLE 6

CONCERTED ACTIVITIES

The Faculty Association agrees not to engage in, or authorize any strike or work stoppage, during the Term of this Agreement. This limitation includes a prohibition on any conduct which would constitute a sympathy strike in support of any other union. This limitation does not prohibit the Faculty Association from exercising its constitutionally protected Free Speech Rights. See [Article 23](#).

ARTICLE 7

GRIEVANCE PROCEDURES

The intent of these grievance procedures is to resolve faculty to management issues that deal with matters other than sexual harassment, discrimination, and disabilities except for the provisions in [Article 33](#). Procedures for dealing with sexual harassment are found in the relevant Government Code 20 and Education Code 200, et seq., and are stated separately in Board of [Trustees' Policy 3430. Procedures](#) for dealing with discrimination and harassment due to disabilities are stated separately in [Board of Trustees Policy 3410](#).

7A. Definitions and Provisions

7A.1 Grievance

A grievance is a formal allegation by a unit member who has been adversely affected by an alleged violation or misapplication of a specific provision or provisions of this Agreement.

7A.2 Grievant

A grievant is any unit member adversely affected by an alleged violation or misapplication of the specific provision(s) of this Agreement. A grievant may be the Faculty Association in a claim relating to the rights of the Faculty Association contained in this Agreement. The Faculty Association may also file class action grievances as provided in [Article 7A.16](#).

7A.3 Day

A “day” is a calendar day.

7A.4 Immediate Supervisor

The Immediate Supervisor is a manager who directly supervises a Faculty member.

7A.5 Automatic Deadline Extensions

Any deadline date that falls on a Saturday, Sunday or holiday will automatically be extended to the next day that the colleges and/or District Office are open for business. See [Article 7A.13](#) below for timeline suspensions.

7A.6 Scheduling of Grievance Meetings

Every effort will be made to schedule meetings for the processing of grievances at times that will not interfere with the regular work day of the participants. If any grievance meeting or hearing must be scheduled during the work day, any unit member required by either party to participate as a witness, grievant or representative of the Faculty Association in the meeting or hearing shall be released from regular duties without loss of pay or benefits for a reasonable amount of time. The prompt resolution of grievances is encouraged.

7A.7 Representation

Any grievant has the right to be represented at any step in this procedure by the Faculty Association. However, any grievant may at any time before Level IV, present his/her grievance(s) and have said grievance(s) adjusted without the intervention of the Faculty Association.

7A.8 Deadlines

Failure of the grievant(s) to adhere to the time deadlines shall mean that the grievant(s) is/are satisfied with the previous decision and waives the right to further appeal. In the event that any of the College or District managers fail to respond within the timelines specified at any level, it shall be deemed denied on the last day that the response would have been due, and the grievant(s) may proceed to the next level of appeal within the prescribed timelines. The Faculty Association President and Chancellor or designee may extend any time deadline by mutual written agreement.

Absence of either the grievant(s) or the manager due to illness or emergency constitutes a basis for extension of the timelines. In addition, the parties may agree to grant extensions under other circumstances.

See [Article 7A.13](#) – Time Line Suspensions for additional information.

7A.9 Grievance Records

All documents dealing with the processing of a grievance shall be filed in the District's office of Human Resources separately from the Personnel Files of the participants, and each grievance shall be given an annual number [i.e., 2016-17 (1-2), 2016-17 (1-2)]. All records regarding the grievance shall be treated as confidential.

7A.10 Non-Retaliation

There shall be no retaliation against any grievant(s) for utilizing these grievance procedures. The fact that a unit member has filed a grievance or grievances shall not be considered in personnel decisions nor in any recommendations for job placement, nor in decisions of awarding continuous contracts to probationary or Contract members of the bargaining unit.

7A.11 Amendment of Grievance

A grievance may be amended prior to the filing of a request for arbitration, as long as:

- a. The amendment is based on evidence not known at the time the original grievance was filed;
- b. The amendment is submitted within twenty-eight (28) days of learning this new information; and,
- c. As long as the new allegations relate directly to the allegations contained in the original Level II written grievance submitted by the grievant(s).

The filing of an amendment shall not have an effect on the timeline or grievance level.

7A.12 Meeting Attendees

Unless it is explicitly stated in these procedures, each party (District and Faculty Association) shall inform the other party as soon as possible about who will be attending the meetings in Levels I through III. No attorney for either the District or the Faculty Association shall attend any of the meetings in Levels I through III.

7A.13 Time Line Suspensions

Regarding time limits and deadlines, unless otherwise agreed to by the parties to the grievance the clock stops during Academic Year recesses and Summer Session and begins on the first day that the unit member returns to active service.

7A.14 Grievant: Conformance to Original Decision of Supervisor

Until final disposition of a grievance takes place, the grievant is required to conform to the original decision of his/her immediate supervisor.

7A.15 Appropriate Grievance Step by Mutual Agreement

By mutual agreement of the grievant and the Chancellor or his/her designee, a grievance may be moved to an appropriate higher level.

7A.16 Class Action Grievances

Class action grievances may be filed by the Faculty Association as set forth in this Section. It is the intent of this Section to express the agreement that all grievants are required to satisfy all timeline deadlines and other procedural requirements of this Agreement, including but not limited to, the Faculty Association as the grievant, an individual grievant, or an individual covered within a class action grievance.

- a. If the same alleged violation of this Agreement is made by more than one (1) unit member, then either the Faculty Association or the one (1) unit member may file a class action grievance on behalf of him/herself and all other grievants in the class. The class action grievance shall be subject to all time deadlines and other procedural requirements of this Agreement. The unit members who wish to be joined in the class shall be required to satisfy all time deadlines and other procedural requirements of this Article applicable to individual grievants until such time as when they are identified in writing by the Faculty Association to the District to be a member of the class covered by the class action grievance.
- b. When the Faculty Association files a class action grievance, the District shall provide appropriate requested information to the Faculty Association to help the Faculty Association identify, in writing, to the District the unit members who make up the class covered by the class action grievance. Specifically, if the Faculty Association identifies a class of unit members to the District (e.g., by Department or hire date), then the District is obligated

to provide the names to the Faculty Association. Failure of the District to provide the names shall not result in exclusion of individuals from the class so long as the affected individual unit member or members have otherwise satisfied all time deadlines and other procedural requirements of this Agreement by:

- (1) filing an individual grievance satisfying said requirements, or
 - (2) as a result of being a member of the class covered by an individual or Faculty Association initiated class action grievance that satisfies such requirements.
- c. The District shall have the burden of proof before the arbitrator to prove that any time deadlines or other procedural requirements of this Agreement have not been satisfied.
- d. The final decision shall apply to all unit members properly joined in the class and to the respondents.

7A.17 Action of Central District Authority or Sabbatical Leave Committee

If a grievance alleged by the Faculty Association on behalf of itself or a unit member arises from the action of a central District authority, the Faculty Association and the Chancellor or his/her designee may mutually agree to initiate such a grievance at Level III of the grievance procedure. The timeline shall be commensurate with [Article 7B.3](#) below. This Section also applies to grievances related to a Sabbatical Leave of Absence, see [Article 12-1A.9m](#).

7A.18 Access to District Records

The District shall not deny the Faculty Association access to those District records and documents to which the Faculty Association is entitled under the California Educational Employment Relations Act set forth at California Government Code Section 3540, et seq.

7A.19 Forms

Forms for processing grievances shall be prepared by the District and Faculty Association. The forms shall be printed by the District and made available in the District's Office of Human Resources.

[See Appendices](#): Faculty Grievance Tracking form, Grievance: Level II form (President), Grievance: Level III form (Chancellor), Grievance: Level IV form (Arbitration).

7B. Procedure for Grievances

7B.1 Level I - Informal Resolution

Within twenty-eight (28) days of the time the aggrieved person(s) knows of the event or condition which gave rise to the grievance, the aggrieved shall meet to discuss the grievance issue with the immediate supervisor and/or other managers involved. During this meeting, the grievant shall state the specific Article and Section of this Agreement which he/she alleges was violated or misapplied. The aggrieved may have a designated representative of the Faculty Association

present as a participating observer at the meeting. The objective is to resolve the matter informally without a permanent record.

The Faculty Association and the District encourage the parties to a potential grievance to resolve their differences informally before entering the formal Levels of this procedure. A decision at Level I shall be provided within fourteen (14) working days of the Level I meeting.

7B.2 Level II – College President or Designee

- a. If the aggrieved is not satisfied with the disposition at Level I and wishes to pursue the grievance, the grievant must submit a written grievance to the appropriate College President or designee within twenty-one (21) days following the informal discussion provided at Level I. If the grievant is assigned to the District Office, he/she must submit the Level II grievance to the appropriate Administrator directly above the manager who heard the grievance at Level I. This document shall contain clear, concise statements of the grievance, the alleged violation with specific reference to Article, Section, and page of this Agreement, the results of the informal meeting, and the remedy desired by the grievant(s). [See Appendix](#): Grievance: Level II form (President).

Concurrently, the President of the Faculty Association may appoint a Grievance Committee of from one (1) to three (3) unit members to investigate the grievance. The written results of this investigation, if it occurs, will be given to the College President or designee along with the written grievance submitted by the grievant(s).

- b. Within fourteen (14) days of the receipt of the written grievance the College President or designee shall meet with the grievant, the Grievance Officer, and one member of the Grievance Committee (if one was created) who will be selected by the Grievance Officer, in an effort to resolve the grievance. A second person selected by management may also attend this meeting. Notes may be taken but no recording device may be used.
- c. A written decision shall be issued by the College President or designee (or appropriate Administrator directly above the manager who heard the Level I grievance, if the grievant is assigned to the District Office). The written decision shall include the stated reasons for said decision and shall be presented to the grievant(s), the Grievance Officer, and the Faculty Association President or designee within fourteen (14) days following the meeting with the grievant and the Grievance Officer or designee.

7B.3 Level III – Chancellor or Designee

If the grievant is not satisfied with the resolution of the grievance at Level II and wishes to pursue the grievance further the aggrieved must, within seven (7) days of receipt of the written decision of management in Level II, appeal the decision in writing to the Chancellor or designee. The written appeal shall include a copy of the original grievance and a clear and concise statement of the reason for the appeal. [See Appendix](#): Grievance: Level III form (Chancellor).

A meeting shall take place within twenty (20) days after the Chancellor has

received the written appeal. In addition to the grievant, the meeting will include the Grievance Officer, the Faculty Association President or designee, the Chancellor or designee, and a second member selected by management, if desired. Notes may be taken but no recording devices shall be used.

The Chancellor or designee shall communicate a decision, in writing, to the grievant(s), and the President of the Faculty Association or designee within fifteen (15) days following the meeting. The written decision shall include stated reasons for the decision.

7B.4 Level IV - Arbitration

If the Faculty Association is not satisfied with the disposition of the grievance at Level III, it must, within twenty (20) days of receipt of the written decision of the Chancellor or designee in Level III, send a written notice to the Chancellor that the matter is being submitted for arbitration. [See Appendix](#): Grievance: Level IV form (Arbitration).

- a. Either the Faculty Association or the District will request the California State Conciliation Service (C.S.C.S.) to provide a list of seven (7) names of persons experienced in hearing grievances in the public schools. The arbitrator shall be selected within fourteen (14) days following receipt of the list, by alternately striking names until only one (1) name remains. The party with the right to strike first shall be determined by a flip of the coin. In the event that the arbitrator is unable to serve, the parties shall request an arbitrator through the American Arbitration Association (A.A.A.) or may select a mutually agreed upon individual from the original list of seven (7) submitted by California State Conciliation Service (C.S.C.S.).
- b. The parties shall each bear the burden of one-half (1/2) of the Arbitrator's cost, and shall each bear their own separate legal and research costs.
- c. The hearing shall proceed under the Voluntary Labor Rules of the American Arbitration Association (A.A.A.) or under the Expedited Rules of the American Arbitration Association (A.A.A.) if agreed to in advance by both parties.
- d. The Arbitrator will hear evidence on issues of arbitrability and the substantive issues at the same arbitration hearing.
- e. After an investigation and hearing, it shall be the function of the arbitrator as empowered, except as those powers are limited by the provisions of this Article and the applicable American Arbitration Association (A.A.A.) rules, to make a decision in cases of an alleged violation(s) or misapplication of the specific Article(s) and Section(s) of this Agreement.
- f. The arbitrator shall have no power to add, subtract from, disregard, alter or modify any of the terms of this Agreement and shall not consider or include issues in the decision that are not directly involved in the case as submitted. The arbitrator shall not deprive the District or the Faculty Association of any rights expressly or implicitly reserved herein.
- g. The arbitrator shall make no retroactive award to the grievant(s) which

would pre-date the effective date of this Agreement. The arbitrator will be without the power or authority to make any decision which would require the commission of an act prohibited by law.

- h. The award or decision of the arbitrator shall be final and binding on all parties subject to the arbitration.
- i. The arbitrator's award shall be in writing and shall set forth his/her determination of the issue(s), findings of fact and conclusions.

8B. Deadline and Deadlock

The Academic Calendar Committee shall start the process no later than September 10 and complete deliberations by October 1 of each Academic Year. This deadline can be extended by mutual agreement of the Faculty Association President or designee and the Chancellor or designee. In the event the Academic Calendar Committee cannot reach agreement by that date, the Chancellor will establish the Academic Calendar using the factors listed in [Articles 8C](#) and [8E](#) below.

8C.1 Length of Academic Year

The Academic Year shall consist of one hundred and seventy-five (175) days of instruction, including:

One (1) Convocation Day, which is a Mandatory Flex Day;

One (1) College Day, which is a Mandatory Flex Day and;

Up to six (6) additional Mandatory Flex Days, and if necessary;

Variable Flex Days, as determined by the Academic Calendar Committee.

The Mandatory Flex Days (other than Convocation Day and College Day) shall be determined by the mutual agreement of the President of the respective College and the chair of the respective College Professional Development Committee. See [Article 29B](#) for Mandatory Flex Day definition.

Variable Flex Days are the exclusive domain of the Academic Calendar Committee as part of the one hundred seventy-five (175) day Academic Calendar. See [Article 29B](#) for Variable Flex Day definition.

8C.2 Orientation of New Contract Faculty

New Contract Faculty unit members will serve two (2) additional days of orientation. This does not count as Variable Flex activities. See [Article 29B.5](#).

8C.3 Commencement and Convocation

Each Contract and Regular unit member shall attend Commencement exercises at their respective college on alternating Academic Years. Commencement shall occur on Friday and Saturday. It shall be scheduled on the same weekday at a particular college for two (2) Academic Years in a row and then switched to the other day for two Academic Years in a row.

In the event that two commencement ceremonies are offered in a given year and on the same day, faculty whose year it is to attend, are required to attend both ceremonies.

Approved Leaves of Absence in the Spring Semester shall relieve the unit member of Commencement activities. The obligation shall resume on alternating Academic Years upon the unit member's return to active status as if no Leave of Absence occurred.

Approved Leaves of Absence in the Fall Semester shall relieve the unit member of Convocation week activities. This obligation shall resume annually upon the unit member's return to active status.

8C.4 Grade Due Dates

Due dates for grade submissions for each Academic Term (including Fall and Spring Semesters, Summer Session, and Inter-sessions) shall be established by the Academic Calendar Committee and be not less than seventy-two (72) hours from 5:00 p.m. on the last day of the Final Examination Schedule.

Part-time Faculty are entitled to two (2) hours of pay for orientation: the orientation to online grading and the orientation to the College, which may

include an online component. See [Article 18E.3](#) and [21G.2b](#).

8D. Alternative Academic Calendar Committee

The Faculty Association and the District may, upon mutual agreement, form an Alternative Academic Calendar Committee to examine in detail the benefits and liabilities involved with any modification to the standard seventeen and a half (17.5) week semester Primary Term. The Committee will be co-chaired by a representative designated by the Faculty Association and a representative Administrator designated by the District. Any agreed upon Committee shall identify potential benefits, costs and negotiable issues, if any, that would have to be addressed and negotiated by District with appropriate Faculty Association representatives.

When a holiday falls on a Saturday, the preceding Friday shall be deemed to be the holiday in lieu of the day observed. The Academic Calendar Committee may adjust the day of the holiday in lieu of the official day designated, if the law allows, and if too many holidays in a Term fall on the same day of the week which would affect instructional quality. Any adjustments must be in compliance with the official directions from the California Community College Chancellor's Office.

ARTICLE 9

WORKING CONDITIONS

Introduction and General Provisions

Academic Year

The Academic Year for all unit members, unless otherwise provided for in this Agreement, shall be composed of two (2) semesters of approximately seventeen and one-half (17½) weeks duration each, not to exceed one hundred and seventy-five (175) days of assigned duties. Sundays and holidays shall not be counted as days of the Academic Year.

Inter-sessions are voluntary assignments during contractually authorized work periods occurring between, but not overlapping with, the one hundred and seventy-five (175) days comprising the Fall and Spring Semesters. Inter-sessions do not include Summer Session.

9A. Faculty Schedules

9A.1 Consultation

Management shall develop academic discipline and individual schedules in consultation with Contract and Regular Faculty, and in accordance with the Discipline Plan described in the Enrollment Management [Article 26E.4-E.7](#), that will provide for student needs and will maximize faculty performance by considering faculty preferences and the avoidance of unreasonable time periods. Management will work with each Faculty member to develop a schedule that avoids unreasonably long-time gaps between classes and unreasonably short time gaps between the end of one work day and the beginning of the next work day. This process will consider faculty preferences and professional development opportunities, including the opportunity to teach in a unit member's Primary and Secondary Discipline(s). See [Article 1C.1h-i](#) for definition of Primary and Secondary Disciplines.

No less than eleven (11) consecutive hours shall normally elapse between the end of the last assigned hour that is part of regular Load on one day and the beginning of the first assigned hour that is part of regular Load on the following day, unless agreed otherwise by the individual unit member.

- a. A Contract or Regular unit member shall not, without his/her consent, be assigned to any of the following assignments:
 - (1) A Counseling Faculty assignment of more than that defined in [Article 10D.1d](#). In addition, for each teaching unit of a scheduled counseling class, the Counseling Faculty teaching that class shall be credited with the appropriate load value in Calculated A Hours (CAHs) appropriate to the teaching assignment, and the remainder of his/her semester workload shall be reduced proportionally. See [Article 10D.4c](#) for the specific impact on Counseling Faculty workload. A Library Faculty assignment of more than that defined in [Article 10D.1e](#), in addition, for each teaching unit of a scheduled library class, the Library Faculty

teaching that class shall be credited with the appropriate load value in Calculated A Hours (CAHs) appropriate to the teaching assignment, and the remainder of his/her semester workload shall be reduced proportionally. See [Article 10D.4c](#) for the specific impact on Library Faculty workload.

- (2) Other unit members (Special Assignments Faculty): Full-time and Part-time Faculty, other than Instructional Faculty, Counseling Faculty, or Library Faculty shall be assigned for no more than that defined in [Article 10D.1e](#).
- b. A Contract or Regular unit member shall not, without his/her consent, be scheduled for any of the following assignments unless there is a programmatic need in accordance with the Discipline Plan described in [Article 26: Enrollment Management](#) or to achieve a full Load:
- (1) A split assignment between work sites on the same day without mileage paid at the then-current Federal Internal Revenue Service rate.
 - (2) A day assignment following an evening assignment by less than eleven (11) hours.
 - (3) Correctional facilities (No assignment without consent regardless of programmatic needs).
 - (4) Teaching more than three (3) consecutive lecture hours or four (4) consecutive laboratory hours or combined lecture and laboratory hours without a half-hour (½ hour) break.
 - (5) A course or service scheduled on Saturday if a Part-time Faculty member is assigned to the same course or service on a weekday.
 - (6) No unit member shall be required, on an annual basis, to teach more than three (3) new preparations in a semester regardless of whether the course format is face-to-face, hybrid, or online unless more than three (3) preparations are needed to achieve a full Load (See [Article 19C](#) for supporting online language). A new preparation is a course of two (2) units or more which the unit member has not taught within the previous three (3) years. A revised course does not constitute a new preparation. Exceeding the average number of new preparations must be done on a rotational seniority basis. Rotational seniority is defined in [Article 10C.a- b](#).
 - (7) Full-time unit members may not be assigned without their consent to more evening assignments per Academic Year than the average of each of the other Full-time members of the discipline unless such assignments are necessary to create a Full-time Load. If the number of assignments available before 5:00 p.m. is insufficient for all Full-time Faculty in a discipline to receive full Loads, then evening assignments shall be made on a rotational basis ([Article 10C.a.-b.](#)) in order of seniority or by mutual agreement of Faculty in the discipline. Evening assignments begin on or after 5:00 p.m. for unit members.

- c. If, after consulting with the affected unit member, the District concludes that there is no reasonable way to avoid the assignments enumerated above, then the District may require a unit member to perform one of the following:
 - (1) A day assignment following an evening assignment by less than eleven (11) hours.
 - or
 - (2) Day assignments and an evening assignment occurring on the same day.

9A.2 Schedule Notification

All Contract and Regular unit members who are teaching classes shall be notified in writing of their initial assignment for each upcoming semester by the opening of priority registration.

a. Schedule Changes

Once workload assignments have been made and accepted, changes to a unit member's schedule can be made only after consultation with the affected unit member.

9A.3 Section Cancellation Consultation

Prior to the cancellation of any class Section that has been listed in the Class Schedule, the appropriate Administrator will consult with each affected Faculty member about the proposed cancellation and will give the reasons for the cancellation and discuss the alternatives to teaching the Section.

a. Cancellation Before First Day of Class

A class or assignment shall not be cancelled prior to the first day of class unless the College has given five (5) working days prior oral or written notice (by telephone, U.S. Mail, or email) to the unit member of the possibility that the class might be subject to cancellation. If notice is not given, a class shall not be subject to cancellation until the first class meeting. For the purpose of this Article, the five (5) working days begin the date the mailed notice is put in the U.S. Mail and postmarked.

b. Bumping Rights

Contract, Regular, and Temporary Leave Replacement (TLR) Faculty members who experience a class cancellation (for Load) may bump a Part-time unit member in accordance with the process below. Alternatively, the Faculty member may exercise the option to carry a Load underage to be made up according to [Article 10D.9](#).

The following steps outline the process by which the Faculty member's Load underage due to class cancellation may be satisfied in the sequence listed below:

- (1) The Faculty member may accept a class from the existent unstaffed classes within their primary discipline. In the event there are no unstaffed classes available, or the Faculty member is not adequately prepared to

teach the section(s) available, proceed to next step below.

- (2) Alternatively, if the Faculty member's Administrator sees student demand to use the FTEF from the canceled class to open a new section of a class within the Faculty member's primary discipline, the Faculty member may agree to teach that class. It is understood that the new section may be scheduled at a different time, or in a different format (*e.g.*, online vs. face-to-face) than the section cancelled. If such action isn't feasible, or otherwise if the Load underage remains unresolved, proceed to the next step.
- (3) If the Faculty member has scheduled overload and/or unbanked carryover, the combined Calculated A Hour (CAH) value of which is greater than that of the cancelled class, it will be used to cover the underage.
- (4) In consultation with the Faculty member's Administrator, bumping of a Part-time Faculty member may occur to satisfy the current semester's Load underage, in accordance with [Article 18H](#). Bumping of a Part-time Faculty member shall only occur prior to the first day of class.
- (5) If the Faculty member and Administrator cannot agree on a course to satisfy the Load underage, the Administrator will attempt to assign the Faculty member a class, subject to the restrictions following. In the event the class is online, and the Faculty member is not adequately prepared, according to the process of the Distance Education committee at the college, and the Faculty member's unbanked carryover does not have the amount of Calculated A Hour (CAH) equal to or greater than the cancelled class, the Faculty member will carry a Load underage to be made up according to [Article 10D.9](#).
- (6) If the Faculty member does not clear underage within the time frame according to [Article 10D.9](#), the Faculty Member's workload bank may be invaded to clear the underage, to the extent they have a positive balance in their workload bank.

9A.4 Student Grievance Action

Unit members shall not be required to attend a hearing on a student grievance filed against them if the student grievance timeline occurs outside of either the Fall or Spring Semesters. Moreover, it is agreed that in these circumstances an effort will be made to suspend the timelines in order to hear the grievance during the Academic Year. The student grievance process shall follow [Board Policy 5530](#).

9B. Syllabus Requirement

For each class, by the end of the first week of the class, the instructor of record shall submit a copy of the class Syllabus to their appropriate Administrator.

The Syllabus shall include:

- a. The Instructional Faculty person's information (name, office number, phone, voicemail, and Chabot-Las Positas Community College email address);

- b. Office hours (including both location and Zoom link accessible to all students for any online courses), textbook(s), and course supplies (required supplements and/or recommended text, special required supplies);
- c. An explanation of the manner in which final grades will be calculated;
- d. Dates to know including: last day for “W”, date and time of Final Examination, and the deadline to apply for Federal Financial Aid—or, alternatively, in the case of an online syllabus, a link to;
- e. Other supplemental information, including safety requirements;
- f. The Student Learning Outcomes (SLO) associated with that course, which could be provided as text or links;
- g. Information about disability accommodations and campus services, which could be provided as text or links;

In addition to the above, the syllabus should include the following as text, or as links to the appropriate college’s website:

- h. A statement of student rights and responsibilities;
- i. Expectations regarding behavioral standards per school policy;
- j. A summary of course content and expectations (general course content, course objectives, and prerequisites);
- k. Attendance and plagiarism policies.

The appropriate Administrator shall notify unit members for whom there is no Syllabus on record or if a Syllabus is submitted with deficiencies. The appropriate Administrator shall provide a receipt of acceptance of the Syllabus to the unit member upon written request by the unit member.

9C. Safety

The District shall provide safe working conditions for all unit members as required by law, continuous monitoring of working conditions, and the correction of unsafe working conditions. The responsibility for safe working conditions is that of the District, and the responsibility for the maintenance of safe procedures and practices is that of the unit member.

9C.1 Mandatory Safety/Emergency Management Training

Mandatory safety training of the District’s Injury and Illness Prevention Plan, Emergency Action Plans, and Fire Protection/Prevention Plan shall be required in order to meet California Office of Safety and Health Administration (OSHA) training requirements in accordance with the California Code of Regulations, Title 8, Subchapter 7, Sections 3203, 3220, and 3221, and where hazardous materials, chemicals, or dangerous equipment are routinely used and are subject to State and Federal regulations mandating safety training for Faculty and students.

Mandatory emergency management training shall be required to comply with the California State Chancellor’s Office recommendations identified in the Disaster

Resistant Community College training matrix. It is the Chabot-Las Positas Community College District's (CLPCCD's) responsibility to follow the California Emergency Services Act (CA Government Code Sections 3100-3109).

Mandatory safety training shall be conducted every semester, including summer, and may be required where hazardous materials, chemicals or dangerous equipment are routinely used and subject to State and Federal regulations mandating safety training for unit members and students. Affected unit members shall be required to attend these training programs if they have never received such training, or when new regulations are promulgated, or when otherwise required by State or Federal regulation. When safety training is required, failure to attend shall subject the unit member to discipline. It is understood when Part-time unit members are required to attend safety training, they will be compensated at the Faculty Hour F ("F" Hour) rate.

9C.2 Health and/or Safety Complaints

Unit members shall make all health and/or safety complaints in writing to their appropriate Administrator and the Director of Campus Safety and Security. If the issue is not resolved to the satisfaction of the unit member within ten (10) days, then he/she may appeal to the appropriate College President. The College President shall notify, in writing, the unit member who complained and the Faculty Association within thirty (30) days from the day he/she received the complaint. The College President's response shall state the actions taken by the District to remedy the problem. No unit member shall be retaliated against for filing a health or safety complaint.

9C.3 Procedure in the Event of Immediate Serious Threat

In the event of an immediate serious threat to the safety of the unit member, students, or staff within the instructional environment, the unit member may vacate the class without loss of pay until the emergency has been alleviated. However, the unit member must immediately report the emergency to Campus Safety and Security (or 911 when appropriate), who will determine the appropriate action and when the threat has been alleviated. The unit member may request information regarding alleviation of the threat or emergency from Campus Safety and Security.

9C.4 Reporting of Threats

If any person within the instructional environment makes a real or implied threat of bodily injury or property destruction, a unit member must:

- a. Report the threat immediately to Campus Safety and Security and to the unit member's Administrator or Administrator in Charge;
- b. Request the removal of the person or persons from class meetings for a period of time as authorized under the California Education Code Sections 76030, et seq; and
- c. Report immediately any instance of actual assault and/or battery or property destruction to the Office of Campus Safety and Security.

9C.5 CPR, First Aid, or Safety Training

Cardio-Pulmonary Resuscitation (CPR), First Aid, or Safety training shall be required of unit members as stipulated in the Chabot-Las Positas Community College District's Illness and Injury Prevention Program. The District shall pay the cost of this required training and shall pay Part-time unit members to attend at the rate set forth in [Article 21G.2b](#).

The District shall pay for the Cardio Pulmonary Resuscitation (CPR) course for all unit members in programs where Cardio Pulmonary Resuscitation (CPR) credentials are required by this Agreement or regulatory agencies (for example: including, but not limited to, Nursing, Dental Hygiene, Emergency Medical Technician, Medical Assisting, Fire Science).

9C.6 Disruptive or Harassing Student Behavior

The District shall take reasonable steps, including those set forth in this Article, to provide a workplace environment free from disruptive and/or harassing behavior by students. When a unit member has reported to the college administration through the student discipline referral form that a student is behaving in a disruptive or harassing manner:

- a. The college administration shall begin an investigation within the timeframe specified in the Student Discipline process or within ten (10) working days, whichever is the shorter timeframe. Written confirmation that the investigation has started shall be provided to the unit member.
- b. At the request of the unit member, the college administration shall include the Faculty Association (FA) President and/or college Grievance Officer in all communications from the District to the unit member that are made pursuant to this Article to the extent permitted by law.
- c. The College administration shall notify the unit member in writing of the outcome of the investigation and any subsequent disciplinary process, to the extent permitted by law, including but not limited to information on any expectations or conditions of student behavior if the student is to return to class, the worksite, or the College.

If the investigation and written notification are not completed within thirty (30) days of the report by the unit member, the College administration shall provide to the unit member a written report, containing information on the status of the investigation and anticipated timeline for resolution. Such reports shall continue to be provided to the unit member every thirty (30) days until the notification of outcome required by this Article is provided.

- d. If, after the investigation and any subsequent Student Discipline process has been completed, the unit member continues to experience disruptive or harassing behavior by the student, the unit member shall notify the Student Discipline Officer (SDO), who shall take each of the following steps:
 - (1) Investigate the complaint consistent with paragraph 1 above.
 - (2) Arrange a meeting with the affected Faculty member and their appropriate Administrator to discuss reasonable solutions, other than or in addition to

student discipline, which can be taken to address the Faculty member's concerns. At the request of the Faculty member, the SDO will arrange for the meeting to be attended by the Faculty Association (FA) President and/or college Grievance Officer. This meeting shall be held within five (5) business days of the notification by the Faculty member of continuing disruptive/harassing behavior

- e. It is understood that the District's decision whether or not to impose student discipline is not grievable.

9D. Protective and Specialized Attire and/or Medical Tests and Vaccinations

Protective and specialized attire and/or medical tests and vaccinations required by the District or affiliated agency shall be furnished at no cost to the unit member. Protective and specialized attire shall be worn by the unit member as appropriate to the task.

9E. Medical Exams

9E.1 Tuberculosis (TB) Testing

As required by California State law, all unit members must have a Tuberculosis (TB) risk assessment and/or examination every four (4) Calendar Years. This test can be waived if a qualified health care provider certifies that the unit member is at risk for excessive x-ray radiation, will test positive to the Tuberculin Purified Protein Derivative (PPD) skin test, and is clinically negative for tuberculosis.

The unit member shall not be responsible for the cost of the Tuberculosis (TB) risk assessment and/or examination after initial employment. All subsequent risk assessments and/or examinations will be at District expense, or otherwise reimbursed by the District. Unit members can receive the Tuberculosis (TB) risk assessment and/or examination without charge at either College's Student Health Center. Unit members who do not have current Tuberculosis (TB) risk assessment and/or examination results on file with the District will be placed on an Unpaid Leave of Absence until the Tuberculosis (TB) risk assessment and/or examination results have been received and acknowledged by the District Office of Human Resources. Unit members will be given written notice on or about forty-five (45) days before they are required to submit their Tuberculosis (TB) risk assessment and/or examination. The notices will inform the unit member that if they do not have a current Tuberculosis (TB) risk assessment and/or examination result on file with the District they will be placed on an Unpaid Leave of Absence until the Tuberculosis (TB) risk assessment and/or examination results have been received and acknowledged by the District Office of Human Resources.

In the event that a unit member's primary care physician recommends the unit member to receive the QuantiFERON TB blood test, the District will reimburse the unit member for any cost incurred that is not covered by the unit member's health insurance.

9E.2 Annual Risk Assessment and Examinations

For unit members working in Disciplines that require risk assessments and/or examinations to be performed more frequently than once every four (4) years (*e.g.*,

yearly risk assessments required for Nursing Faculty teaching at off-campus clinical settings), said requirements shall be performed at District expense. Faculty members in such disciplines may receive the required risk assessments and/or examinations at either College's Student Health Center, or through an outside provider. Any risk assessments and/or examinations performed by the College Student Health Center shall be limited to the services offered at the Student Health Center. The risk assessments and/or examinations covered under this provision shall be limited to those required by the program, or otherwise listed in the contract(s) and/or agreement(s) entered into between an outside entity and the Chabot-Las Positas Community College District (CLPCCD).

9F. Travel Reimbursement

Unit members shall be reimbursed for the pre-approved use of their personal vehicles while on official District business at the rate established by the District. This rate of reimbursement shall be based upon the prevailing Internal Revenue Service allowable non-taxed rate of reimbursement. Mileage reimbursement will be provided when unit members attend a mandatory meeting off the site of their regular campus assignment, except for Convocation days.

Contract and Regular Faculty who as a part of Load teach at more than one location in one day shall be paid for travel between his/her duty station and the second teaching location.

9G. Commencement

The District will provide academic regalia for commencement ceremonies. Unit members who own their own academic robes and caps may wear them.

9H. District-Provided Office Facilities and Work Spaces

Each college shall provide office space to all Contract, Regular, Temporary Leave Replacement (TLR), and Part-time unit members. Said offices shall have phones and computers with electronic mail availability. It is understood that Part-time unit members shall share office space and that Contract and Temporary Leave Replacement (TLR) unit members may share offices.

Unit members may access appropriate College office facilities and workspaces during regular operational hours. ARTICLE 10

WORKLOAD

10A. General Provisions

The intent of this Article is to assign unit members to fair and equitable workload assignments which will best serve the students of the Chabot-Las Positas Community College District. Its objective is to maximize educational opportunities for students.

- a. The District Management shall, in consultation with the District Enrollment Management Committee (DEMC), plan the District's operations including the Weekly Student Contact Hours (WSCH) per Full-time Equivalent Faculty (FTEF), in accordance with [Article 26](#). Individual assignments may vary in terms of Weekly Student Contact Hours (WSCH) according to contractual standards referred to herein. See [Article 26: Enrollment Management](#).
- b. The assignment of each unit member will be made by the District with due regard for such factors as number and nature of preparations, teaching experience, clerical-technical, and para-professional assistance provided.
- c. Managers may not perform unit member duties if any qualified unit member is available.
- d. The District shall negotiate all matters impacting working conditions.

10B. Experimental Assignments

Specific assignments to permit experimentation, institutional research, and related matters may be authorized by the District. During the period of experimentation, a written agreement between the unit member and the District will prescribe the Load with other considerations, such as anticipated outcomes, planned evaluations, time restrictions and fiscal implications. After the period of experimentation, the Load will revert to the standards prescribed by this Article. All Agreements will be kept on file in the College's Office of Academic Services and the appropriate Administrator's Office, available for review by the unit member, and will be subject to review and renewal each Academic Year by mutual agreement. A copy of the Agreement will also be sent to the Faculty Association.

10C. Faculty Assignments

The workload of a Full-time Contract, Regular, or Temporary Leave Replacement (TLR) unit member shall be thirty (30) Calculated A Hours (CAHs) or their equivalent per Academic Year.

Unit members initially hired to teach in a specific discipline, which shall be considered their Primary Discipline, shall have the right to assignments to fulfill their Full-time Service Obligation, as defined in [Article 10D.1](#), before unit members who are qualified to teach within the discipline but for whom it is not his/her Primary Discipline. See [Article 1C.1h](#). for definition of primary discipline.

- a. Rotational Seniority within the teaching specialty shall be used for scheduling up to this thirty (30) unit Full-time Service Obligation if requested by a Contract or Regular unit member. “Rotational Seniority” for this purpose means that if two (2) or more discipline unit members request a particular assignment in their Primary Discipline as fulfillment of their Full-time Service Obligation, then the assignment shall go to the unit member for whom it has been the longest period of time since he/she last received it, irrespective of the Distance Education course modality, as set forth in [Article 19A.1](#). Unit members requesting Rotational Seniority shall do so in writing, to their appropriate Administrator, at or before the time that principal assignments are selected for the upcoming Term. It is understood that when multiple sections of a given course are offered in a given Term, this right may only be invoked for one of those sections.
- b. The Full-time faculty within a Primary Discipline, in consultation with the appropriate dean, may develop an alternative process to enact Rotational Seniority, in order to emphasize other criteria within their discipline, *e.g.*, to ensure that online course assignments are distributed fairly. Notwithstanding, if the faculty are unable to arrive at a mutually agreeable arrangement, any Contract or Regular unit member within the discipline may request Rotational Seniority in accordance with the paragraph above.
- c. In the event that a unit member is under-loaded, not able to achieve a Load equal to a Full-time Service Obligation in his/her Primary Discipline because not enough assignments are available in their Primary Discipline, that unit member shall be eligible to take assignments for Load in another discipline for which the unit member meets minimum qualifications (Secondary Discipline—see definition in [Article 1C.1i](#)).

Under normal circumstances, the unit member for whom it is a Secondary Discipline shall receive Load in that discipline after the primary members of that discipline have completed scheduling their Full-time Service Obligations, but before any assignments in that discipline are taken for overload, or offered to Emeritus Faculty or Part-time unit members.

- (1) In the event that a unit member is under-loaded due to the cancellation of an assignment, and that unit member has an overload assignment in a Secondary Discipline, that unit member shall be eligible to convert that assignment from overload to regular Load to meet his/her Full-time Service Obligation.
- (2) Notwithstanding the above, a unit member may fulfill a portion of his or her Full-time Service Obligation with assignments in a Secondary Discipline for which he or she is qualified, even when a full teaching Load is available in the Primary Discipline. In this case, assignments in the Secondary Discipline shall require mutual consent of the unit member, the Vice President of Academic and/or Student Services, the affected appropriate Administrator(s), and the Faculty in both the unit member’s Primary and Secondary College-specific Disciplines.

10C.1 Full-Service Week

It is understood that all Full-time unit members are expected to participate professionally in the work of the college and District, which happens five (5) days per week. As such, Full-time unit members may be held accountable to participate in committee and required meetings in-person/on campus, on days other than their scheduled assignment days if they have less than a five (5) day on-campus assignment.

Counseling Faculty will hold eighteen (18) scheduled counseling hours during Final Examination Week except as their Administrator may make adjustments. Library Faculty and Special Assignments Faculty will provide their full service week during Final Examination Week except the last day of finals which shall be four (4) hours. For unit members with Contract, Regular or Temporary Leave Replacement (TLR) status teaching less than a one hundred percent (100%) Load, a proportionate assignment will be served in each instance. See [Article 10D.3a](#).

A final examination or course-related activity will be given in each course during the Final Exam Week. The final examination or course-related activity is planned to be two (2) hours in duration.

With the approval of their appropriate Administrator, unit members holding final examinations in locations other than those scheduled shall give prior written notification to their appropriate Administrator five (5) working days prior to the scheduled final examination time.

10C.3 Alternative Duty (for Four [4] or More CAHs)

An alternative duty assignment shall be any assignment of duties which are not part of the conventional faculty assignments as Instructional Faculty, Counseling Faculty, or Library Faculty. Faculty Senate Presidents and Faculty Association Officers with reassigned time are excluded from this process. Alternative duty assignments shall be on the basis of two and a sixth (2.17) weekly hours per one (1) Calculated A Hour (CAH), which shall not subsume any portion of the five weekly hours of professional activities (as described in [Article 10D.3c](#)) for full time faculty. Alternative duty assignments are college specific. Alternative duty assignments in the District Office shall be advertised District-wide.

Unit members shall be evaluated on their alternative duty assignment by the negotiated form for this purpose. [See Appendix](#): Alternate Duty Evaluation Form.

Continuation in the alternative duty assignment is contingent upon satisfactory performance. [See Appendix](#): Alternate Duty

Evaluation Form.

- b. Notification of available positions shall be announced by October 1, with an application deadline of October 31. The timeline shall be negotiated on a case-by-case basis for positions that arise later in the Academic Year. A single list for each college will be coordinated and sent out from the Office of Academic Services that includes a list of all assignments and assignment descriptions and qualifications. If new alternative duty opportunities become available mid-year, the appropriate Administrator will follow the process outlined in this Section.
- c. The appointment to any assignment shall be through the use of a posted assignment description and Internal Review Committee which will make its recommendation to the appropriate Administrator. The appropriate Administrator will coordinate the process. The assignment description will include a statement of assigned duties, responsibilities, expectations, and qualifications. The posted assignment description shall be distributed via district email.
- d. The Internal Review Committee will be comprised of two (2) Faculty representatives from appropriate or related discipline(s), one (1) representative from the Academic Senate, and one (1) representative from the Faculty Association, and the appropriate Administrator. The Internal Review Committee shall give serious consideration to “rotating” the alternative duty assignment to other qualified candidates.
- e. Contract and Temporary Leave Replacement (TLR) Faculty hired as Instructional Faculty, Counseling Faculty, or Library Faculty shall not be granted reassign time for the first two probationary contracts. If, however, a Contract or Temporary Leave Replacement (TLR) Faculty person is hired with demonstrable work experience outside of his/her primary assignment, management shall have the option to offer the unit member up to but not exceeding four (4) CAHs of reassign time. Minimum Qualifications shall be used to determine overload and Summer Session assignment eligibility and to augment a Load assignment if it is under-loaded.

c. Application of Load to Summer Session Assignments

If there will be no adverse effect on students or programs during the regular Academic Year, and if mutually agreed upon by the unit member and appropriate Vice President, up to two (2) Summer Session assignments can be counted toward the Academic Year Load requirement. If Summer Session assignments count toward the Academic Year Load requirement, then the unit member shall be credited this entire Load amount resulting in a reduced Load during the Academic Year immediately subsequent to the agreed-upon Summer Session assignment(s) at the unit member's discretion.

Notwithstanding, the unit member will fulfill all of his or her professional obligations during the Academic Year, commensurate with a full Load. This provision applies to Regular unit members only. [See Appendix](#): Summer Assignment: Form for Load Credit.

The effect on the unit member's Sick Leave balance and office hour obligation shall be as described in [Article 17E](#).

10D.1 Primary Assignment Hours

[See Appendix](#): Lab Load - Establishing Eligibility.

The Full-Time Service Obligation (Load obligation) is thirty (30) teaching units of Calculated A Hours (CAHs) per Academic Year, averaging fifteen (15) Calculated A Hours (CAHs) per Semester, or the equivalent as defined herein.

a. Faculty Lecture Hour A (CAH) is 1.00

Calculated Faculty Hour A (CAH) has a teaching unit value equal to an hour-for-hour equivalence between assigned weekly lecture hours and Faculty teaching units [e.g., three (3) weekly lecture hours equals three (3) Calculated A Hours (CAHs)]. These hours are typically known as lecture hours and presume one (1) hour of preparation and grading for each hour in class.

b. Laboratory Hour B is Calculated at 0.56, 0.75, 0.80, or 0.875 of a Calculated Faculty A Hour (CAH) and Includes the Following:

- (1) Faculty Hour B.1 at 0.75 of a Calculated A Hour** is a classroom

teaching hour in technical laboratories, clinics, studios, physical education activities, practice and performance classes, individualized instruction for credit apportionment, and other lab settings not included below.

- (2) **Faculty Hour B.2 at 0.80 of a Calculated A Hour** is an hour of line-of-sight supervision of Nursing students in a hospital setting that is accounted for through positive attendance as well as the courses in [Appendix XX](#). Faculty Laboratory Hour B.2 is also assignable to laboratory hours in any discipline in which it is shown that
- (a) Continual line-of-sight supervision is needed for safety reasons, and
 - (b) The level of grading or evaluation of student work necessitates a level of Instructional Faculty’s involvement that significantly exceeds that normally expected for laboratory courses.

Additional courses approved for Faculty B.2 are in [Appendix XX](#).

- (3) **Faculty Laboratory Hour B.3 at 0.875 of a Calculated A Hour (CAH)** laboratory classroom teaching hour for courses that, in addition to meeting the standards described above for Faculty Laboratory Hour B.2, involve grading a minimum level of “professional quality” laboratory reports (or the equivalent), as demonstrated by:
- (a) Grading criteria specified in the course outline of record, and
 - (b) A written Discipline Standard that details how the course meets this requirement.

Courses approved for Faculty Hour B.3 are in [Appendix XX](#).

- (4) **Faculty Laboratory Hour B.4 at 0.56 of a Calculated A Hour (CAH)** Laboratory classroom teaching hour for individualized instruction for credit, specifically for programs in which individualized instruction is required to meet transfer or accreditation requirements (e.g., applied lessons for transfer programs in Music).

The following provisions shall apply:

- (a) A Discipline offering such as individualized instruction will demonstrate how it meets its productivity goals in its Discipline Plan;
- (b) Unit Members providing individualized instruction will perform such duties on an Overload or Part-time basis.

Example: Applied lessons scheduled for 33.5 minutes per week for the duration of a semester are calculated at 0.67 hours per week. Such an assignment thus carries a Load calculation (pay-basis) of:

$$(0.56 \text{ Load Factor}) \times (0.67 \text{ weekly hours}) = 0.375 \text{ CAH.}$$

- (5) The District and Faculty Association shall meet annually to negotiate any further proposals for increased Load for selected laboratory-based courses. Specific guidelines on how disciplines may establish eligibility of their courses for Faculty Hour B.2 or Faculty Hour B.3 are set forth in

the [Appendix](#): Establishing Eligibility for Faculty Laboratory Hours B.2 and B.3.

(6) Faculty Hour B.5 at 0.625 of a Calculated A Hour (CAH)

Laboratory classroom teaching assignments in Basic Skills English which involve writing instruction, specifically in the following courses: English 101A and 102 at Chabot College.

c. Faculty Hour C is Calculated at Either 1.17 or 1.25 of a Calculated Faculty Hour A (CAH).

(1) **Faculty Hour C.1** is a classroom teaching hour of 1.17 of Faculty Hour A with a class size of twenty-five (25) students for the courses in [Appendix XX](#)

(2) **Faculty Hour C.2** is a classroom teaching hour of 1.25 of Faculty Hour A with a class size of twenty-eight (28) students for the courses in [Appendix XX](#). English 1AEX and 104 at Las Positas College will have a class size of twenty-five (25) students.

d. Counseling Faculty Hour D is Calculated at 0.545 of a Calculated Faculty Hour A (CAH), based on twenty-seven and a half (27.5) scheduled hours per week. Workload requirements are described in greater detail in [Article 10D.4](#). Faculty Hour D is a scheduled hour of assignment of Counseling Faculty for general students and/or special programs. In addition, the Counseling Faculty unit member will be required to maintain his or her two and a half (2.5) hours of weekly professional Counseling Faculty activities and five (5) weekly professional activity hours (See [Article 10D.3c](#)). If a Full-time, Regular Counseling Faculty unit member's assignment includes the coordination of a related program, the hours spent on this coordination will be calculated as F Hours, with the understanding that F-Hour load subsumes a corresponding portion of the Counseling Faculty unit member's weekly scheduled "D" hours and Counseling Faculty activities.

e. Library Faculty Hour E is calculated at .50 of a Calculated Faculty Hour A (CAH), based on thirty (30) scheduled hours per week. Workload requirements are described in greater detail in [Article 10D.5](#). If a Full-time, Regular Library Faculty's assignment includes the coordination of a related program, the hours spent on this coordination will be calculated as F Hours, with the understanding that these hours do not count towards the Library Faculty unit member's other obligations. In addition, the Library Faculty unit member will be required to maintain his/her two and one half (2.5) hours of professional Library Faculty activities weekly and five (5) professional activity hours weekly. See [Article 10D.3c](#).

f. Special Assignments Faculty Hour F is Calculated at 0.46 of a Calculated Faculty Hour A (CAH), and is an hour of Special Assignments that is different from the duties of [Article 10D.1a-e.](#), above. These duties may involve coordination of programs, projects, research, Faculty and professional development.

Effective Spring Semester, 2023, Faculty Hour F is based on 32.5 hours per

week, which shall not subsume any portion of a Full-time unit member's five (5) weekly hours of professional activities. One (1) CAH of F Hour work is equivalent to 2.17 weekly hours over a full semester, or thirty-eight (38) hours in aggregate.

g. Load Factors Specific to Non-Credit Instruction:

(Also see [Article 10H.](#)) When Faculty Hours G.1 or G.2 are applied to Faculty Load for Full-time Faculty (in accordance with [Article 10H.6f.](#)), the Calculated A Hour (CAH) Equivalent Load Value is computed as follows:

$$\text{CAH Load Value} = (\text{Total Hours}) \times (\text{Load Factor}) \div 17.5$$

A single noncredit course can be made up of a combination of G.1 and G.2 hours as determined by the Course Outline of Record. Such combination shall be determined either in the curriculum process, or shall otherwise follow a procedure comparable to how lecture and laboratory hours are established in the curriculum process.

- (1) **Faculty Hour G.1 at 0.75 Load Factor** is a noncredit instructional hour in which Faculty are responsible for facilitating learning in a whole group, small group, laboratory, or individualized environment. Instructors in this category will be expected to do some grading and preparation, as well as to set the activities and structure for all classroom learning experiences. In many instances, students will be expected to do additional preparation or work outside of the classroom. In some instances, the instruction is part of a defined sequence which prepares students for employment or to be successful in college-level credit coursework.
- (2) **Faculty Hour G.2 at 1.0 Load Factor** is an hour of instruction in a noncredit course that is part of a defined sequence which prepares students for employment or to be successful in college-level credit coursework. Course Hours approved for Faculty Hour G.2 will be expected to qualify for Career Development College Preparation (CDCP) Apportionment. Instructors in this category will provide a similar time commitment and level of preparation and grading as is expected in credit A Hour courses.

h. Faculty Tutorial Hour H (No Load Value).

Faculty Hour H is a tutorial hour of an instructor supervised time-on-task that may include group instruction or one-on-one interaction between instructor and student. This instruction may take place in a lab, classroom or other technology supported learning environment, or in clinical and similar settings. Faculty Hour H does not count toward Full-time or Part-time Load, and does not count toward the sixty-seven percent (67%) Load limitation for Part-time Faculty. See [Article 21G](#) for hourly compensation rates.

i. Definition of Hours

Instructional (Teaching) hours consist of fifty (50) minutes; Counseling Faculty, Library Faculty, and Specific Assignments Faculty hours are sixty (60) minutes. Faculty shall conduct class during scheduled class hours as specified in the Class Schedule.

10D.2 Specific Assignment Hour Definitions

a. Work Experience (Work Experience/Internship) Credit

0.125 Faculty Calculated A Hour (CAH) Credit is given for each student enrolled at census in Work Experience courses (94 and 95 at Las Positas; 95 and 96 at Chabot, or for ECE 95/96 at Las Positas). This compensation will be in addition to any mileage reimbursement provided as the result of required worksite visit(s). Faculty members teaching in the program will adhere to all the conditions set forth in the Work Experience Program by the appropriate Work Experience Coordinator (*e.g.*, orientation attendance, utilization of standard forms, and other processes and procedures as they relate to the successful administration of the Work Experience Program).

NOTE: Work Experience courses as described in Title 5 § 55256.5 can be repeated up to a total of 16 units per student because there is no lecture component to these classes.

b. Service Learning

One (1) unit Calculated Faculty Hour A (CAH) Load credit is given for a weekly one (1) hour lecture in which the class discusses issues in the community, receives training, and participates in reflection activities on their volunteer experience. In addition, 0.125 Faculty Calculated A Hour (CAH) Credit is given for each student enrolled at census participating in the fieldwork “community service” segment of the course.

NOTE: Service Learning courses, which contain a lecture component, are not repeatable as specified in Title 5 § 55256.5.

c. Team Teaching

If more than one (1) Instructional Faculty unit member is assigned to a class, the Instructional Faculty unit members will apportion the Load credit unless sections are combined to produce a proportionate increase in class size. In multiple team-teaching situations where more than one (1) Instructional Faculty unit member is assigned to teach and be present in the class, Load credit shall be given according to the time each is assigned and present in the class. [See Article 14C.6](#) for textbook requirement.

d. Colloquium

A Colloquium is a group of students who meet with an Instructional Faculty member to consider ideas or documents of continuing importance, or a special topic. A Colloquium involves a Contract between the unit member and the appropriate Administrator and Vice President.

Individual unit members may request up to one (1) Colloquium per semester as part of their workload obligation. For each particular colloquium, 0.125 Faculty Calculated A Hour (CAH) Credit is given for each student enrolled at census. A Colloquium may last one (1) or more semesters. See [Article 1C.1cc](#), for Census definition and [Appendix](#): Colloquium: Request to Offer.

e. **Coaches**

(1) **Rotation for Forensics.** The Communication Studies faculty at each campus shall determine a rotation process for the Director of Forensics position from the pool of all qualified faculty in the discipline with an interest in coaching Forensics. If the discipline faculty are unable to come to an agreement, the appropriate administrator will determine the rotation of faculty for the position. In the event that there is a Full-time faculty member in the Director of Forensics position that would like to continue in the position, then no rotation need take place, relative to the agreement of the pool of all qualified faculty in the discipline as noted above.

10D.3 Other Assignment Hours

a. **Office Hours**

(1) **Obligation**

Full-time unit members whose Load is one hundred percent (100%) teaching shall have five (5) scheduled office hours per week during the Academic Year. Of the five (5) scheduled office hours a maximum of two (2) scheduled hours may be virtual. Unit members whose teaching Load in a given semester is less than one hundred percent (100%) shall have their office hours obligation reduced proportionately to their teaching assignment at the ratio of one (1) office hour for every three (3) Calculated A Hours (CAHs) of instruction. For instance, if a Full-time unit member's teaching Load is nine (9) Calculated A Hours (CAHs), then the unit member shall have three (3) scheduled office hours per week during that semester.

If the unit member's teaching Load up to fifteen (15) Calculated A Hours (CAHs) is not divisible by three (3) Calculated A Hours (CAHs), then he/she shall serve half of the remaining office hour if the remainder is one and a half (1.5) Calculated A Hours (CAHs) or less. If the remainder is greater than one and a half (1.5) Calculated A Hours (CAHs), the unit member shall serve the full office hour.

Example:

Teaching Load of ten (10) Calculated A Hours (CAHs) equals three and a half (3.5) office hours per week.

Teaching Load of eleven (11) Calculated A Hours (CAHs) equals four (4) office hours per week.

(2) **Summer Session**

[See Article 17D](#) (Summer Session Office Hours).

(3) **Procedures**

Office hours should be structured to serve the students' needs (e.g., proximate to class time, meeting the needs of student availability, and mapped to the work flow of classes).

(a) Office hours must be listed in the syllabus.

- (b) Office hours must be consistent from week to week, unless students are notified of any change, the workday prior to the change.
- (c) For Full-time unit members, three (3) office hours per week must be held face-to-face on the specific campus to which you are assigned.
- (d) Up to two (2) office hours can be scheduled for each work day.
- (e) Virtual office hours can be held anytime between 7 a.m. and 11 p.m. Monday through Sunday.
- (f) On-Campus/In-person office hours can be held between 8 a.m. and 10 p.m. Monday through Thursday, or between 8 a.m. and 5 p.m. on Friday. In addition, on-Campus/in-person office hours can be held between 8 a.m. and 5 p.m. on Saturday by mutual agreement with the appropriate Administrator.

(4) Effect of Leaves of Absence

Regular Faculty who are on a Leave of Absence and who teach on a Part-time Faculty basis during the Leave of Absence may schedule paid office hours according to the provisions of [Article 18D.1](#).

(5) Split Assignments

Any unit member who has a split assignment between the two (2) college campuses shall conduct office hours at each campus in proportion to their Load at each campus. Notice of office hours and their location shall be posted outside each office and filed with the appropriate Administrator. Office hours shall be stated in the class Syllabus.

b. Two (2) Required College Hours or Other Forums

The colleges may institute College Hours or some other forums to enable all Faculty, Administrators, and students to be able to meet with the Chancellor, Vice Chancellors, Presidents, Faculty Senate, Faculty Association, divisions, sub- divisions, and/or college-wide committees on a regular basis. Full-time unit members will make themselves available for meetings during these times, and these meetings shall be deemed part of the five (5) required Professional Activity Hours described in Section c [[Article 10D.3c](#)] below.

(1) Required Division and “Town Hall” Meetings

Pursuant to this provision, the colleges may schedule standing monthly Division and/or Town Hall meetings. Full-time unit members shall be required to attend these meetings.

c. Five (5) Required Professional Activity Hours

Professional activities listed in this Section shall be considered to represent an additional five (5) hours per week, at least one hour (1) of which should be tasks related to creating and assessing Student Learning Outcomes (SLOs), Service Area Outcomes (SAOs), Course Learning Outcomes (CLOs), and/or Program Level Outcomes (PLOs), such as designing and planning assessments for course or program outcomes, pedagogy, mapping learning outcomes, reflecting on assessment results, classroom practice, dialoguing with colleagues on identified

gaps derived from assessment data, improving assignments, content, equity focused practices and theories, or course delivery based on assessments, teaching methodology, reporting assessment work in program review or assessment management system, curriculum, and/or refining and updating student learning outcomes. All Contract, Regular and Temporary Leave Replacement (TLR) unit members will participate in activities including the following:

- (1) Attend and participate in Faculty meetings, Division meetings, subdivision and/or task force meetings, Chabot College Hour activities and/or Las Positas Town Hall meetings;
- (2) Hold memberships in the Faculty Senates, and/or College or District committees;
- (3) Participate in program and subject area improvement tasks such as program review and accreditation;
- (4) Meet deadlines in submittal of grades and Census Reports - see [Article 1C.1cc.](#) for Census definition;

In addition to the activities listed above, as part of the five (5) weekly professional hours, unit members may also take part in activities listed below that include, but not limited to the following:

- (5) Professional development activities outside of Flex Days - see [Article 1C.4g.](#) for Flex Day definitions;
- (6) Special responsibilities that may be appropriate to a particular unit member's assignment, such as attending advisory committee meetings, or maintaining contacts with other educational institutions, organizations, businesses or industry;
- (7) Advising student clubs or activities, or other student mentoring;
- (8) Outreach activities to other educational segments and the community;
- (9) Tasks related to the coordination of a program or discipline that are not otherwise compensated through Reassign Time.
- (10) Mentoring – see [Article 14C.5](#) and/or [Article 15C.5](#).

When the unit member has assignments for Load in more than one (1) division, it is understood that he/she will normally devote a proportionate amount of time to the work of each division.

When a unit member is on any type of Leave of Absence, no professional activities are required.

d. Exception to Committee Service

- (1) Any Full-time unit member may choose to receive prior required training and then participate in four (4) Part-time Faculty unpaid evaluations in one semester, in lieu of serving on a standing committee for the semester. Evaluation training sessions shall be conducted on an annual basis as described in [Article 18L.8](#). Evaluators must be appointed by the appropriate Administrator.

- (2) See [Article 14C.5e](#).

10D.4 Counseling Faculty Workload

a. **Hours Per Week**

The Counseling Faculty Assignment shall consist of twenty-seven and one-half (27.5) hours of direct scheduled academic, career, and personal counseling, of which two and one-half hours is focused on proactive and follow-up student contact via telephone and electronic mail, plus two and one half (2.5) hours of professional Counseling Activities, and five (5) hours of professional activities as described in [Article 10D.3c](#).

The two and one-half (2.5) hours for professional Counseling Activities for guided pathways work including success teams, participation in discipline planning as described in [Article 26E.7](#); and liaison with instructional areas.

b. **Scheduled Counseling Hours**

The twenty-seven and one-half (27.5) scheduled hours of assignment shall include Appointment Counseling Faculty Hours, Drop-in Counseling Faculty Hours, Student Onboarding and Orientations. Student Group Counseling Sessions (e.g. abbreviated education planning), Counseling Related Workshops (e.g. transfer related workshops), and Embedded Counseling Hours (e.g. Guided Pathways Counseling), proactive and follow-up student contact via telephone and electronic mail.

- (1) Appointment Counseling Faculty Hours are scheduled on the basis of an average of two (2) per hour except for when such tasks may necessitate additional time, up to one (1) hour, as determined by the appropriate Administrator in consultation with the Counseling Faculty.
- (2) Drop-in Counseling Faculty Hours are scheduled on an “as needed” basis for needs other than Specific Appointment Counseling Faculty Hours.
- (3) Student Onboarding Sessions and Student Group Counseling Sessions to new and returning students.
- (4) If students scheduled for Appointment Counseling leave early or miss appointments, Counseling Faculty shall follow Counseling Department procedures as determined by the appropriate Administrator in consultation with the Counseling Faculty.
- (5) Full-time unit members shall have the opportunity to perform a portion of their professional responsibilities which include student contact hours in a remote modality with administrator approval. The administrator will determine the distribution of remote assignments across the week. No more than twenty-two percent (22%) of the Counseling Faculty member’s student contact hours (“D” Hours for load) will be scheduled to be performed remotely. The total scheduled online hours for a Counseling Faculty member who also instructs online, cannot exceed sixty percent (60%) of their Full-time load. Virtual and in-person counseling services will be delivered from campus offices on the non-remote work days of each week.

c. Other Specific Provisions for Counseling Faculty

- (1) Professional Activities see [Article 10D.3c-d](#).
- (2) When Counseling Faculty perform credit instruction for Load, their regularly scheduled counseling hours shall be reduced commensurately, excepting for that which is accounted as a workload residual in accordance with [Article 10D.9](#). For the purpose of this provision, one (1) Calculated A Hour (CAH) is equivalent to 32.083 cumulated scheduled counseling hours, or 1.833 hours per week over the duration of a 17.5 week semester [e.g., a 3 Calculated A Hour (CAH) credit assignment displaces five and a half (5.5) weekly Faculty (“D” Hours)].

In all cases, the Counseling Faculty member shall maintain the stated five (5) professional activity hours. It is understood that office hours associated with the instructional assignment will require Counseling Faculty to hold appropriate office hours at the rate of one (1) office hour per three (3) CAH assignment or a pro-rated portion of that commensurate with the CAH of the class. These office hours will be scheduled and done outside the scheduled counseling hours described above.

- (3) If a Regular, Contract, or Temporary Leave Replacement (TLR) Counseling Faculty unit member’s assignment includes the coordination of a related program, it is understood that the associated “F” Hours per week, combined with student contact hours (“D” hours) may exceed twenty-seven and one-half (27.5) hours per week. While there is a clear expectation that the coordination portion of the Faculty member’s duties carry the presumed 2.17 weekly hours per CAH (or 1.182 “F” Hours per “D” Hour) commensurate with an Alternative Duty assignment, Counselor-Coordination shall not be required to have more than twenty-seven and one-half (27.5) total scheduled weekly hours, (i.e., the remainder of coordinator duties will be performed on a non-scheduled basis).

Counseling faculty with reassignments will make every effort, in consultation with the appropriate administrator, to provide direct student contact during “peak periods” as defined in the discipline plan.

d. Deadline for Production of the Discipline Plan and Master Schedule

The Administrator(s) with supervisory responsibilities for each College’s Counseling Faculty Department(s) (including EOPS, DSPS, CalWORKS, or any department that contains Full-time Counseling Faculty) will, with the input of Counseling Faculty therein, produce a Discipline Plan that details a Master Schedule for the Summer Session and Fall Semester by the end of the first full week of April, and for the Spring Semester by the end of the first full week of November. This discipline plan will follow the process described in [Article 26.E](#). Counseling Faculty will provide the appropriate Administrator with their input at least ten (10) working days prior to the above deadline dates for the Fall, Spring and Summer Terms. Once developed, Master Schedule changes may be made as determined by the appropriate Administrator in consultation with the Counseling Faculty.

e. **Master Schedule Assignment**

The Master Schedule shall be opened for assignment selections by Counseling Faculty through a process established by the appropriate Administrator responsible for supervision of the Counseling Faculty, with advice from the Counseling Faculty.

In the absence of a consensus amongst Counseling Faculty as to how to determine which unit member shall receive a specific assignment that is either (a) requested by more eligible unit members than are required, or (b) a critical need that would otherwise be insufficiently staffed, the Administrator responsible for supervision of the Counseling Faculty will implement a Rotational Seniority process that is similar in scope and effect to that described in [Article 10D.10](#) for overload assignments.

10D.5 Library Faculty Workload

a. **Hours per Week**

The Library Faculty assignment (Library Faculty service) shall consist of thirty (30) scheduled hours per week. In addition, there will be two and one-half (2.5) hours of professional Librarian Faculty activities, which may include liaison to the outside community, liaison to instructional divisions and other college groups, and other activities related to the Specific Standards described in [Articles 14C.8](#) and [15C.8](#), plus five (5) hours of professional activities as described in [Article 10D.3c](#).

b. **Scheduled Library Faculty Hours**

The Library Faculty's scheduled hours of assignment are primarily for the purpose of reference service, collection development activities, library instruction on a not-for-credit basis (e.g., library orientations) and other activities related to maintaining library services to the college.

When Library Faculty perform credit instruction for Load, their regularly scheduled Library Faculty hours shall be reduced commensurately, excepting for that which is accounted as a workload residual in accordance with [Article 10D.9](#). For the purpose of this provision, one (1) Calculated A Hour (CAH) is equivalent to thirty-five (35) cumulated scheduled Library Faculty hours, or two (2) hours per week over the duration of a seventeen and a half (17.5) week semester.

c. **College Hours**

Library Faculty may use College Hours for either scheduled or unscheduled activities described above.

d. **Overloads and Workload Banking**

The provisions for overload service are described in [Article 10D.12](#). In all cases, order of assignments, described in [Article 18B.1e](#), shall apply. In addition, the Library Faculty unit member will be required to maintain his or her two and one-half (2.5) professional Library Faculty hours and five (5) professional hours.

10D.6 Student Coaching by Non-Counseling Faculty

- a. Faculty coaching may be undertaken by Instructional Faculty, but shall not include work routinely performed by counseling faculty, such as Student Educational Plans (SEPs), course articulation, and Probation plans.
- b. Faculty coaching approved for Load for institutional initiatives, such as Guided Pathways, will be compensated in accordance with Special Assignment Faculty Hour F (“F” Hour).

10D.7 Assignments Outside the Fall and Spring Semesters

All new Contract and Temporary Leave Replacement (TLR) unit members are expected to serve two (2) additional days of orientation immediately prior to the beginning of their first Fall Semester. [See Article 8C.2.](#)

The District may assign Faculty Load on days that are not part of the Fall and Spring Semesters to Contract, Regular, or Temporary Leave Replacement (TLR) Counseling, Library, and Special Assignments Faculty, if mutually agreed (See below for Counseling Faculty). Instructional Faculty shall not be assigned for Load on days that are not part of the Fall and Spring Semesters.

In the case of Counseling Faculty, the District will have certain rights of assignment outside the Fall and Spring Semesters as enumerated below. In no case will the total number of assigned days exceed one hundred and seventy-five (175) including required College Days, Convocation Day, and Orientation. In the event any unit member is required to work more than one hundred and seventy-five (175) days, the unit member shall have the right to receive overload pay according to the Schedule of Part-time Faculty Service Rates. Any portion of the assignment not compensated as overload shall count as a workload residual in accordance with [Article 10D.9.](#)

The appropriate Administrator responsible for the Counseling Faculty may require Counseling Faculty to work for Load outside of the Fall and Spring Terms. In these cases:

- a. The appropriate Administrator responsible for supervision of the Counseling Faculty shall make every effort to assign staff to fulfill the service requirement by mutual agreement among eligible Faculty;
- b. All hours worked outside Fall/Spring shall be converted to Calculated A Hour (CAH) and be counted as a workload residual according to [Article 10D.9](#) below, so the unit member may apply any positive residual to workload banking or toward taking paid compensatory time off in a future semester. If the unit member chooses to take compensatory time off, the time off can be scheduled for consecutive days, e.g., in week-long blocks; alternatively, the unit member may apply the residual to work a reduced load over all or part of a subsequent Term.
- c. In the absence of mutual agreement to assign staff to fulfill the service requirement outside Fall and Spring Terms, the District will follow a rotational assignment procedure consistent with that described in [Article 10D.10](#), but which begins with the least senior Regular or Contract unit member.

10D.8 Exclusions

Contract, Regular and Temporary Leave Replacement (TLR) unit members assigned to apprenticeship classes are not included in this Article.

10D.9 Workload Residuals for Continuing Contract or Regular Faculty

See [Article 21F.5d.](#) and [Appendix](#): Load Sheet Memo & Sample.

When an overload assignment is incurred, the unit member can choose to place all or part of the extra Calculated A Hours (CAHs) accordingly:

- Into a Non-Banked Carry-over Account, subject to the restrictions below;
- Into a Banked Account, subject to the restrictions in [Article 12-2A.2](#);
- Be paid cash according to the [Part-Time Faculty Salary Schedule](#) for all or part of the overload assignment; and/or Non-Banked Carry-Over.

When Contract or Regular unit member's completed assignment results in an overage or underage of more than five (5) CAHs the overage (positive balance) or underage (negative balance) must be brought to five (5) CAHs or less within two (2) Calendar Years. This shall be designated as "Non-Banked Carry-over" for the purpose of the unit member's Load Sheet. It is understood that a unit member may exceed his/her Load obligation in any Academic Year, as long as the Non-Banked Carry-over to the next Academic Year is not greater than five (5) CAHs. See [Article 17E](#) for Application of Load to Summer Session and Inter-session assignments.

If the unit member is participating in Workload Banking, the excess Load is subject to limitations in [Article 12-2A.1c](#).

a. Load Sheets and the Exclusion of Banked Load

Workload that is banked in accordance with [Article 12-2A.1](#) shall not be considered an overage for the purposes of this Section, and the two categories shall not commingle. For this reason, a unit member's Load Sheet shall have two (2) designations, one for Non-Banked Carry-over (overage or underage), and one for Banked Load.

A unit member may utilize the Workload Banking Request Form to transfer a specified amount of CAH from his/her positive overage (*i.e.*, Non-Banked Carry-over) into Banked Load, subject to the conditions in [Article 12-2A](#). Conversely, insofar as the Non-Banked Carry-over shows an underage (negative balance) the unit member may reduce the underage by transferring CAH from his/her Banked Load balance. See [Article 12-2A.1c\(3\)](#).

For Counseling, Librarian, and Special Assignments Faculty, Load equivalents are shown in [Article 10D.12](#). Load sheets should be maintained for such unit members carrying over workload from one (1) Academic Year to the next. Load sheets shall be maintained for all unit members who are workload banking.

b. Remedying an Overage Greater than Five (5) CAHs

Workload overages may not be cashed out directly. In such case that a unit member accumulates a positive Non-Banked Carry-over that exceeds five (5) CAHs, the unit member shall be afforded the opportunity to reduce said overage to five (5) CAHs or less by electing one or more of the methods below:

- (1) The unit member may transfer a specified amount of CAH to Banked Load, within the limitations of [Article 12-2A.1](#);
- (2) The unit member may elect to work a comparable underage in the present or upcoming semester (*i.e.* fulfill less than his/her normal Load obligation) while receiving full pay and benefits;
- (3) As part of option (2) above, the unit member may specify a class to be converted from Load to overload in the present or upcoming semester, as long as the resulting overload is within the limitations specified in [Article 10D.11](#).

c. Resolution of Workload Underage for Non-Continuing Faculty

A non-continuing Faculty member with a negative Load balance shall have preference for assignments to bring his/her Load balance to “0”.

10D.10 Overloads

Overloads are voluntary assignments of a Regular, Contract, or Temporary Leave Replacement (TLR) unit member to additional instructional, counseling, librarianship, or other unit member duties beyond those required of a Full-time Academic Load. During a contractually authorized semester for Instructional Faculty unit members, overload refers to units exceeding fifteen (15) Calculated A Hours (CAHs) and/or their equivalent assignment.

- a. The additional duties that comprise an overload may be additional days beyond the one hundred and seventy-five (175) day maximum for Fall and Spring Semester assignments;

or

The additional duties that comprise an overload may be additional courses or services beyond the Full-time contractual workload applicable for Fall and Spring Semester.

- b. Regular and Contract unit members shall request in writing an overload assignment for the following Academic Year, Summer Session, and/or Inter-session by the end of the first week of December. The request shall specify each Term desired for overload. If the unit member fails to declare his/her interest in an overload assignment by the deadline herein, then the contractual assignment based on preference may be forfeited for that Semester, Summer Session, and/or Inter-session.
- c. Regular and Contract unit members shall have priority over Part-time unit members for performing Inter-session, Summer Session or overload assignments based on their minimum qualifications up to the contractually authorized limit of overload defined in [Article 10D.11](#). below. Rotational seniority may be invoked at a unit member’s request, as described in items (d-e) below, or in [Articles 10D.4e](#) or [10D.7c](#). for Counseling Faculty.

Temporary Leave Replacement (TLR) unit members shall receive overload, Summer Session or Inter-session assignments according to the procedures listed in [Article 18B.1e](#) for Part-time unit members. Regular, Contract and Temporary Leave Replacement (TLR) unit members will be compensated

according to the Schedule of Part-time Faculty Service Rates for all overload work.

- d. The first round of assignments for overload shall go to unit members in the Primary Discipline. The second and subsequent rounds of assignments shall be open to all unit members who possess the minimum qualifications, including unit members for whom the discipline is secondary, provided the unit member has requested an overload assignment in the indicated discipline in accordance with item ([Article 10D.10b.](#)) above.
- e. If two (2) or more Regular or Contract unit members request assignment to the same course and section and cannot arrive at a consensus as to who will receive the assignment, the most senior unit member who has not taught the course in the longest time for overload shall receive the assignment. If no unit member requesting the same assignment has taught the course in the past, then the most senior unit member shall receive the assignment. This provision notwithstanding, if rotational seniority is requested by a Contract or Regular unit member, then each eligible unit member shall have the right to choose an assignment, in order of seniority (initially determined by date of hire) until either all the assignments are taken, or all unit members are assigned the desired amount of overload per [Article 10D.11](#). The written request shall be specific to: (a) the Academic Year (Fall and Spring Semesters); (b) Summer Sessions; or (c) Inter-sessions. The process shall proceed as follows:
 - (1) Once the most junior unit member receives an assignment in any round, the process shall wrap around to the most senior unit member who has the first right of choice in the next round;
 - (2) Each Term the process shall commence where it left off the previous Term (i.e., it does not automatically begin each Term with the most senior unit member). The following guidelines shall be followed:
 - (a) When rotational seniority is requested for the Academic Year, the process commences each Spring Semester where it left off the previous Fall Semester, and commences each Fall Semester where it left off the previous Spring Semester;
 - (b) When rotational seniority is requested for Summer Session, the process commences each Spring Semester where it left off for the previous Summer Session;
 - (c) When rotational seniority is requested for Inter-session, the process commences for each Inter-session where it left off for the previous Inter-session.

If two or more categories of rotational seniority are in effect concurrently, the rotations shall be independent and separate.

- (3) In some situations (e.g., if this process is invoked in accordance with [Article 10D.4](#) or [10D.7](#)), it may be appropriate to follow the order of seniority in reverse. In these cases, the initial use should start with the most junior eligible unit member.

Once rotational seniority is implemented at the request of a unit member it may be suspended by unanimous written consent of all Contract and Regular unit members assigned to the college-specific discipline or service area, as verified and approved by the appropriate Administrator. If it is re-implemented within four (4) Academic Years, the process shall re-commence where it most recently left off.

- f. Temporary Leave Replacement (TLR) unit members shall be eligible for overload, Summer Session, or Inter-session assignments according to [Article 18B.1e](#) after Part-time unit members receive assignments. The above processes of rotational seniority and requesting assignments shall be followed if invoked.

10D.11 Workload Banked and Overload Limits

Full-time Regular unit members may choose to workload bank hours in a semester in which they are providing services in excess of a full Load. In the same semester in which a Full-time Regular unit member chooses to workload bank, the Full-time Regular unit member may do an overload for hourly pay.

The total from the workload banking, overage, and the overload for hourly pay shall not exceed fifty percent (50%) or two classes (including large lecture classes and/or Special Assignment workload equivalents) whichever is greater not to exceed sixty-seven percent (67%) of a Full-time Load. The overload limit described herein is an annual aggregated total for both Fall and Spring semester; the limit shall apply independently to the summer sessions. Notwithstanding, a unit member may teach a single class for overload that is greater than fifty percent (50%) of a Full-time Load. For example, an eight and a quarter (8.25) Calculated A Hours (CAHs) lab science class that consists of a lecture that breaks into two (2) laboratory sections is considered a single class for the purpose of this provision. See [Article 10D.9](#) for overage reference.

Additionally, overload may occasionally exceed the limits specified above by mutual agreement of management and Faculty, or if all existing Part-time Faculty have an assignment consistent with [Article 18](#), or if programmatic needs require. Under no circumstances shall overload exceed fifteen (15) Calculated A Hours (CAHs) in any given Term, or three (3) classes not to exceed eighteen (18) Calculated A Hours (CAHs). This includes Summer Session and Inter-session.

- a. See Articles [12-1A.3h](#) and [18B.1e\(2\)](#). Unit members on Sabbatical Leaves of Absences have not entitlement to be offered overload assignments before hiring Part-time Faculty.

10D.12 Overload Limits and Workload Banking for Non-Instructional Faculty

In order to determine overload limits for Non-Instructional Faculty, irrespective of whether the overload includes an instructional component, the non-instructional hours shall be converted to Calculated A Hours (CAHs) as provided below, and the fifty percent (50%) Load limit described in [Article 10D.11](#), shall apply to the aggregated Load from both instructional and non-instructional elements. It is understood that unit members may elect to apply any Calculated A Hours (CAHs) defined herein to workload banking in accordance with [Article 12-2](#).

a. **Faculty Hour D [“D Hour”] (Counseling Faculty)**

One (1) Calculated A Hour (CAH) is equivalent to 32.083 cumulated scheduled counseling hours. Alternatively, for an overload assignment of a set number of weekly hours lasting a full semester (Fall or Spring), the Calculated A Hour (CAH) value is the number of weekly hours multiplied by the “D” Hour Load factor of 0.545.

b. **Faculty Hour E [“E” Hour] (Library Faculty)**

One (1) Calculated A Hour (CAH) is equivalent to thirty-five (35) cumulated scheduled Library Faculty hours. Alternatively, for an overload assignment of a set number of weekly hours lasting a full semester (Fall or Spring), the Calculated A Hour (CAH) value is the number of weekly hours multiplied by the “E” Hour Load factor of 0.50.

c. **Faculty Hour F [“F” Hour] (Special Assignments Faculty)**

One (1) Calculated A Hour (CAH) is equivalent to thirty-eight (38) cumulated hours (“F” hour). Alternatively, for an overload assignment of a set number of weekly hours lasting a full semester (Fall or Spring), the Calculated A Hour (CAH) value is the number of weekly hours multiplied by a Load factor of 0.46.

10E. Class Size

10E.1 Distance Education Impact

It is understood that all Distance Education courses shall not exceed the negotiated standards for a comparable face-to-face course unless requested by instructor.

10E.2 Minimum Class Size

The class size for credit classes shall normally be no fewer than twenty (20) enrollees, with it being understood that the District is authorized to maintain a limited number of classes of fewer than twenty (20) enrollees pursuant to the provisions of this Article.

Exceptions to the minimum of twenty (20) students enrolled may be made by each college. Factors to be considered in deciding which class may be allowed with fewer than twenty (20) enrollments include:

- a. Classes required for graduation, for a major, or for a career;
- b. Classes offered in limited capacity classroom or laboratory facilities;
- c. Classes subject to statutory or State regulations mandating class size;
- d. Initial pilot or experimental offerings for their first and second presentations;
- e. Contracts with outside agencies under which the District agrees to provide instruction;
- f. Classes in which the enrollment was targeted below the contractual minimum class size as part of a Discipline Plan which fulfills the recommended Weekly Student Contact Hour/Full-time Equivalent Faculty (WSCH/FTEF) target established by the College Enrollment Management Committee (CEMC) - see

[Article 26: Enrollment Management;](#)

- g. The District and the Faculty Association will negotiate over any increase in minimum class size.

10E.3 Large Enrollment Lecture Classes

[See Appendix:](#) Large Lecture Application Form.

In accordance with the Division Discipline Plan (see [Article 26E.4](#)), a unit member may elect to schedule a Large Enrollment Lecture Section. The unit member may receive support from the College Enrollment Management Committee (CEMC) in the following areas: enrollment analysis, student success analysis (i.e., retention, grades, and persistence), classroom strategies, and training for effectively using support staff. In the event that more unit members wish to teach large sections than there are suitable rooms available, a rotational schedule shall be used. All large lecture classes must be pre-approved and scheduled with mutual agreement of the unit member, the appropriate Administrator, and the appropriate Vice President, Academic Services.

The unit member may be provided additional student assistant time, additional supplies, or other class support. This additional support will be agreed upon with the appropriate Administrator at the time the class is scheduled and will be proportional to the class size at Census. See [Article 1C.1cc.](#) for Census definition.

Each approved class that is taught during the duration of this Contract shall be evaluated by the unit member offering the course and the evaluation results made available to the College Enrollment Management Committee (CEMC) upon request. This evaluation shall be submitted to the appropriate Administrator at the time course grades are filed, and shall include a summary of student evaluations. If a unit member teaches said class on a Part-time basis or for overload pay, service reports shall be made using monthly timesheets. Pay or Load shall be adjusted no later than thirty (30) days after the Census Report is recorded.

Compensation shall be according to the following chart:

[Class size at Census (see [Article 1C.1cc.](#) for Census information) is used to determine Load or pay factors.]

10E.4 Maximum Class Size

The Faculty Association shall negotiate with the District on the subject of maximum class size.

The standard maximum class size in lecture classes that are not limited to less is forty-four (44) students.

The standard maximum class size for Mathematics lecture classes is thirty-five (35) students.

The standard maximum class size for Communication Studies 1 is thirty (30) students. The standard maximum class size for World Languages lecture classes is thirty-five (35) students at the beginning/elementary (1A/1B) level, and thirty (30) students at the intermediate/advanced (2A/2B) level.

See [Article 10D.1c.\(1\),\(2\),\(3\)](#) for maximum class size for English classes.

No class enrollment may exceed the room occupant limits established for each individual classroom. Enrollments that exceed occupant limitations shall be immediately reported to the unit member's appropriate Administrator.

The District and the Faculty Association will negotiate any increase in maximum class size.

The administration may not add a student to a class that is full, or place a student onto its Wait List ahead of other students, without the written permission of the Instructor of Record.

10F. Dual Enrollment and Other Community Partnership Agreements

(See [MOU: Dual Enrollment and Other Community Partnership Agreements](#))

The District shall negotiate all impact issues of Dual Enrollment and other Community Partnership Agreements with classes at off-campus sites that propose to alter wages, hours, and working conditions of employment from what has been agreed in Section 10G.1 and across the Contract between the District and the Faculty Association.

10F.1 Dual Enrollment and Other Community Partnerships Agreements with Off-Campus Sites (DECPA) for Credit Classes

There is a limited practice of offering classes for credit under Dual Enrollment or any other Community Partnership Agreements. Some of these classes have been offered for apportionment at local high schools to the local student population by Chabot-Las Positas Faculty. The local venue for the DECPA classes has often had a different Academic Calendar than that of the Chabot-Las Positas Community College District (CLPCCD). This Section applies to DECPA courses.

In consideration of the potential for CLPCCD Faculty to be teaching DECPA classes as described above, the Parties agree to the following:

- a. The CLPCCD Faculty shall be apprised of any different Academic Calendar in advance of taking the assignment. CLPCCD Faculty shall be paid overload according to the [Schedule of Part-Time Service Rates](#) (within the Faculty Salary Schedule), if the DECPA assignment requires more than one hundred and seventy-five (175) days of instruction.
- b. DECPA assignments shall be completely voluntary. As a general rule, untenured, Contract Faculty will not be asked to teach a DECPA class.
- c. CLPCCD Faculty shall have the same number of instructional hours per DECPA course as their on-campus Faculty counterparts. To wit: If one on-campus course meets for fifty-four (54) hours during a semester, then the same course offered under DECPA shall meet for fifty-four (54) hours.
- d. [Article 18B.1e](#) shall be followed. Distribution of assignments shall be as follows:
 - (1) To all Contract, Regular and Temporary Leave Replacement (TLR) Faculty for Load.
 - (2) To Contract and Regular Faculty for overload for extra pay and Summer/Inter-session.
 - (3) To retirees with Emeritus status at District discretion.
 - (4) To existing or newly hired Part-time Faculty in order to fulfill program needs according to seniority provisions in [Article 18B](#).
 - (5) To Temporary Leave Replacement (TLR) Full-time Faculty for overload.Under [Article 18B.1g.](#), the appropriate CLPCCD Administrator may include any assignments of Part-time Faculty to DECPA courses in the twenty percent (20%) allocation he/she has for discretionary assignments.
The [Part-Time Faculty Assignment Preference Form](#) shall be consulted by the appropriate CLPCCD Administrator before making off-campus site assignments to Part-time Faculty.
- e. The Discipline Plan process articulated in [Article 26](#) shall be consulted. DECPA classes shall not replace a regular class on the CLPCCD schedule for either college.
- f. When DECPA classes are to be held at a high school location, CLPCCD Faculty assigned to the classes shall be trained in the specific regulations and required interventions related to the safety of the minor students at the high school site in advance of the start of the classes.

- g. The Faculty assignments shall be determined exclusively by either Chabot College or Las Positas College according to the Contract between the District and the Faculty Association. High School and Community Partners in DECPA shall not have any rights in this determination.
- h. The CLPCCD pay shall be according to the appropriate Salary Schedule in this Agreement, either the [Full-time or Part-Time Faculty Salary Schedule](#).
- i. Limits on assignments of Part-time Faculty shall follow the Sixty-seven Percent (67%) Law as articulated in [Article 18C.1](#).
- j. The class size shall not exceed the Contract limits. [Article 10E.4](#) states that the standard lecture class size is forty-four (44) unless limited to less and the standard lecture class size in Mathematics is thirty-five (35) unless limited to less. If the class is in English, it shall not exceed the Contract standards of [Article 10D.1c.\(1\),\(2\),\(3\)](#).
- k. If the class is offered for Distance Education, then [Article 19C](#) shall be followed.
- l. The evaluation of CLPCCD Faculty at off-campus sites shall follow the appropriate Article in this Agreement. High School and Community Partners in DECPA shall have no rights with respect to the evaluation of Faculty.
- m. It is the exclusive option of the CLPCCD Faculty, in collaboration with CLPCCD Management, to determine if they will serve office hours at the off-campus site. Part-time Faculty shall be paid for office hours according to [Article 21G.1](#). Regular, Contract, and Temporary Leave Replacement (TLR) Faculty shall have off-campus site office hours credited as part of their Load.
- n. If the Faculty person assigned to an off-campus site for a DECPA class serves office hours as part of his/her assignment, then the office shall be at the off-campus site and shall be part of the Faculty person's duty day so as not to require an extra trip to the off-campus site for the office hour.
- o. There shall be no obligation for the CLPCCD Faculty assigned to a DECPA class to participate in any special projects inherent to the off-campus site.
- p. The CLPCCD Faculty assigned to DECPA classes will teach their courses according to their course outline of record and their own syllabus. High School and Community Partners in DECPA shall not dictate the course content or the methods or modes of instruction or grading.
- q. Notwithstanding the requirements of [Article 8C.4](#), final grades shall be due not less than seventy-two (72) hours after the DECPA class final exam has been scheduled.

for historical purposes:

See [MOU](#): Community Partnership: Partnership Agreement: Valley Care Nursing.

10G. Assignment Outside of the One Hundred and Seventy-Five (175) Required Duty Days

If solicited by the administration, unit members are not required to participate in college activities outside of the required duty days defined in the Academic Calendar.

Unit members who choose to participate in non-social college activities outside of required duty days shall receive Variable Flex Day service for their time. Examples of such non-social college activities include programs offered on a weekend or during a break in the Academic Calendar when Faculty service is needed. Said Variable Flex service shall be credited pursuant to the time the unit member performed the service. See [Article 29B.b.](#) for Variable Flex Days.

If a unit member has already earned his/her Variable Flex Day service for the given Academic Year, or if there is no Variable Flex Day in that Academic Year's Calendar, then said unit member shall be compensated at the "F" Hour rate stated in [Article 21G.2](#). It is understood that prior management approval is needed to qualify for "F" Hour compensation. See [Article 29B.b.](#) for Variable Flex.

10H. Noncredit Instruction

All noncredit Instructional Faculty shall be afforded the working conditions and Unit Member rights as are granted to credit Instructional Faculty in this Collective Bargaining Agreement. All rights and responsibilities of Instructional Faculty in this Agreement shall be accorded to noncredit Instructional Faculty. Noncredit Instructional Faculty shall be hired, assigned, and evaluated pursuant to the guidelines described in this Agreement. Instruction that generates noncredit Full-time Equivalent Student (FTES) apportionment shall be taught or supervised by Unit Members.

10H.1 Assignments

- a. The current [*Minimum Qualifications Handbook for Faculty and Administrators in the California Community Colleges*](#) adopted by the California Community Colleges Board of Governors, and subsequent editions adopted, shall be used to determine the minimum qualifications and Faculty Service Areas (FSAs) for noncredit disciplines.
- b. Each college will maintain a list of noncredit disciplines under which noncredit courses will be offered.
- c. Noncredit teaching assignments will be made in the same manner as described for credit courses.
- d. Beginning in Fall Semester, 2018, the Full-time Faculty application for addition of secondary Faculty Service Areas (FSAs) will include noncredit disciplines.
- e. Each noncredit discipline will have a Seniority List separate from any Seniority List or status in credit instruction.
- f. Full-time Faculty may perform noncredit teaching assignments for load or overload.

10H.2 Class Size

Class size and class cancellations for noncredit classes shall be determined in the same way that credit class size and cancellations are determined under this Agreement.

10H.3 Reporting Student Attendance

Each noncredit Instructional Faculty will be responsible for recording, maintaining, and submitting student attendance records as required by the State for Positive Attendance Accounting for Full-time Equivalent Students (FTES) apportionment. The specific requirements and processes will be determined by the District in collaboration with the Faculty Association (FA).

10H.4 Productivity and Full-time Equivalent Student (FTES) Targets

The annual process for setting productivity and Full-time Equivalent Student (FTES) Targets will specify targets for noncredit instruction separate from credit instruction.

10H.5 Change in Regulations from The State

In the event that there is a change in the regulations for noncredit instruction brought about by the State, including changes in the Full-time Equivalent Student (FTES) apportionment rates, the Faculty Association (FA) and the District shall agree to meet and negotiate the impact effects of any relevant changes.

10H.6 Step Advancement and Load Limitations

Equivalent Load values, expressed in terms of Calculated A Hours (CAHs), shall be established for Faculty Hours G.1 and G.2, for the purposes of accounting for the impact of noncredit instruction in:

- a. Application of Noncredit instruction to the fulfillment of Full-time Load obligation;
- b. Full-time Overload Limitations defined in [Article 10D.11](#);
- c. Observance of the Sixty-Seven Percent (67%) Law, and Limit of Assignments for Part-time Faculty, defined in [Article 18J.1](#);
- d. Qualification for medical benefits for Part-time unit members in accordance with [Article 20A.6](#);
- e. Step Advancement for all Part-time and Overload work, in accordance with [Article 21I](#); and,
- f. Allowing for autopay for noncredit classes on a per-CAH basis. For such purposes, noncredit hours shall not be viewed differently and shall carry equivalent Load values as follows:

For Faculty Hour G.1 (Load Factor 0.75): 1 CAH = 23.33 Hours.

For Faculty Hour G.2 (Load Factor 1.0): 1 CAH = 17.5 Hours

For Faculty who perform both credit and noncredit instruction, noncredit CAH shall be combined with other CAH for the purpose of determining Load limits and eligibilities indicated in items a.-e. above. It is understood that Faculty Hour H [“H” Hour] (Tutorials) are exempt from this provision, and shall not count towards the purposes defined herein.

10H.7 Mirrored Classes

In the case that a college offers a “Mirrored Class,” where both noncredit and credit students are present, the class shall be staffed by an Instructional Faculty Member who is qualified to teach credit classes in that discipline. As such, the Instructional Faculty Member shall be compensated (or given Load credit) in accordance with the provisions established for credit instruction.

ARTICLE 11

LEAVES OF ABSENCE

Effect of Leaves of Absence on Retiree Medical Benefits

Faculty considering Leaves of Absences should review the provisions concerning group medical insurance for retirees in [Articles 20B](#) and [20C](#).

11A. Sick Leave of Absence for Personal Illness and Accident

[See Appendix](#): Absence: Leave of Absence (LOA) Request or Report and Absence Report Form.

Unit members considering a Leave of Absence should review the provisions of [Articles 20B](#) and [20C](#) concerning medical insurance for retirees and the provisions of [Article 30A.4b](#) concerning Pre-Retirement Reduction of Annual Workload.

11A.1 Uses of Sick Leave of Absence

Sick Leave for Illness and Accident Leave is intended for the unit member's use and includes, but is not limited to, visits to a medical doctor, dentist, optometrist, oculist, podiatrist, chiropractor, psychiatrist or licensed clinical psychologist, licensed Marriage, Family and Child Counselor (MFCC) and Christian Science Practitioner.

- a. Unit members who are working are entitled to use Sick Leave for disabilities caused or contributed to by pregnancy, miscarriage, childbirth, and recovery therefrom on the same terms and conditions governing Leaves of Absence for other illness or medical disability.

11A.2 Earning and Accumulating Sick Leave of Absence for Contract, Regular, and Temporary Leave Replacement (TLR) Faculty

a. Full-time Employment

Sick Leave is earned at the rate of one (1) day per month of Full-time employment. Unit members who are employed Full-time (100% Load) shall be entitled to ten (10) days of paid Sick Leave each July 1 for the purposes of personal illness or injury. This Sick Leave accrual will be posted on the August pay warrant.

(1) Accumulation of Sick Days

If a unit member does not utilize the full amount of Sick Leave authorized in any Fiscal Year, the amount not utilized shall be accumulated from Fiscal Year to Fiscal Year. Sick Leave is credited at the beginning of the Term and may be utilized immediately. If the unit member terminates employment before the end of the Term, the unit member must reimburse the District for any Sick Leave hours claimed that were not yet earned.

(2) **Leave of Absence Without Pay**

A unit member who is on Leave of Absence without Pay shall not earn Sick Leave.

(3) **Partial Day**

A unit member who is absent for less than one (1) full day shall have deducted from the accumulated Sick Leave the pro-rata portion of a day based on the ratio of scheduled hours absent to the total number of required assigned hours for that day. This calculation shall be done on the basis of percentage of the unit member's absence from the total number of hours he/she was scheduled that day. For instance, if a unit member was scheduled to work a six (6) hour day and missed three (3) hours, then only fifty percent (50%) of a Sick Day shall be deducted from his/her allotted benefit.

(4) **Five Day Work Week for Purpose of Sick Leave Reporting**

For purposes of this Section, a Contract, Regular, or Temporary Leave Replacement (TLR) unit member who is absent for five (5) consecutive days shall have five (5) days of Sick Leave deducted from his or her accumulated Sick Leave. This shall be the standard regardless of how many week days the unit member has of on-campus assigned duty days.

(5) **Full-time Employment (Eleven (11) Month Assignment)**

Sick Leave is earned at the rate of one (1) day per month of Full-time employment. Unit members who are employed Full-time under an eleven (11) month contract (one hundred percent [100%] Load) shall be entitled to eleven (11) days of paid Sick Leave each July 1 for the purposes of personal illness or injury. This Sick Leave accrual will be posted on the August pay warrant (pursuant to [Article 10C.4](#)). All other provisions under [Article 11A.2](#) apply in the same manner as ten (10) month positions.

b. **Less Than Full-time Employment Status**

Unit members who work less than Full-time shall be entitled to the pro-rated portion of the ten (10) days of Sick Leave based on the percentage of annual Full-time Load assigned.

c. **Summer Session**

For unit members teaching Summer Session for Load see [Article 17E.1](#).

d. **Part-Time (Overload) Sick Leave**

A Contract, Regular, or Temporary Leave Replacement (TLR) unit member who renders service on a Part-time basis during a Fall or Spring Semester will earn Sick Leave in exactly the same manner as stated in [Article 11A.3](#). For example, a three (3) hour class will earn three (3) hours of Sick Leave for the Term. Unit members with Contract or Regular status may utilize Sick Leave, accumulated for the Academic Year and Summer Session, during their service on a Part-time basis.

If a Contract, Regular, or Temporary Leave Replacement (TLR) unit member who is providing overload service for pay is absent from both his/her regular assignment and overload assignment, then both the Regular and the Part-time Sick Leave will be deducted. When the unit member exhausts his or her Part-time Sick Leave, Regular Sick Leave is reduced as follows:

For instructional assignments:	1 hour = 1/4 day
For non-instructional assignments:	1 hour = 1/6 day

When a unit member has exhausted his or her Part-time Sick Leave, it is possible to use more than one (1) day of regular Sick Leave per day of absence. For example, absence of one (1) day of regular assignment in addition to absence from two (2) instructional hours of an overload assignment will reduce regular Sick Leave by one and a half (1.5) days.

Part-time Sick Leave hours may be converted to days according to the above conversion factors, and added to the unit member’s Full-time Sick Leave days upon request of the unit member.

e. **Notification**

Each unit member shall be notified of the accumulated Sick Leave earned during the regular Academic Year and/or the Summer Session with each monthly pay warrant.

f. **Situations in Which Sick Leave is Not Normally Charged**

(1) **Voluntary Substitution by Another Faculty Member:** No unit member absent due to illness or personal necessity for a period of three (3) days or less shall be charged Sick Leave if, during his/her absence the position is voluntarily filled by other unit members who meet minimum qualifications, and are available to directly supervise the students at no cost to the District. It is understood that this provision only applies when the class is not canceled or when instructional, Counseling, Library or Special Assignments Faculty duties are not forfeited.

Whenever possible, the appropriate Administrator is to be notified in advance; otherwise the Administrator is to be notified the following work day. The [Absence Report Form](#) must be submitted to the appropriate Administrator or director by the unit member who was absent to verify that these conditions have been met.

(2) **Rescheduled Office Hours:** Upon the appropriate Administrator’s approval a missed office hour may be rescheduled and served at a different time without charging against the unit member’s sick leave balance. The unit member must notify their students in advance of day, time and method of rescheduled office hour.

g. Eligible Sick Leave from Outside the District

- (1) Sick Leave credit received by transfer from the previous employer of a new unit member shall be accepted within one Calendar Year from date of hire pursuant to the provisions and limitations of the California Education Code.
- (2) It shall be the responsibility of the unit member to notify the office of Human Resources in writing of the name and address of the District by whom he/she was last employed, and to request credit for the accumulated Leave of Absence for illness or injury to which he/she is or was entitled at the time of separation from said District.

h. Impact of Sabbatical Leave of Absence

For any Academic Year that includes one or both semesters on Sabbatical Leave of Absence, the Sick Leave earned shall be a pro-rata accrual of the normal ten (10) day allotment, in a proportion equal to the percentage of the unit member's normal salary that is to be disbursed for the Academic Year (for example, a unit member earning seventy-five percent (75%) of his/her normal annual salary will accrue seven and a half days (7.5) for the Academic Year). If the unit member elects to use Banked Load to bring his/her pay to one hundred percent (100%), then the Academic Year's Sick Leave accrual shall be the full ten (10) days.

11A.3 Earning and Accumulating Sick Leave of Absence for Part-Time Faculty and Full-Time Faculty Teaching Overload

Sick Leave for Part-time Faculty or Full-time Faculty teaching overload is calculated on a scheduled hourly basis. For each hour of primary service for a week during a Term, one (1) hour of Sick Leave is earned. These Sick Leave hours are accumulated from Fiscal Year to Fiscal Year. Sick Leave is credited at the beginning of the Term and may be utilized immediately. If the unit member terminates employment before the end of the Term, the unit member must pay back the hours earned.

Formula: # hours/week/Term = # sick hours/Term

[For example: A three (3) hour class equals (3) three hours of Sick Leave for the Term. A Counseling Faculty member who works ten (10) hours per week for that Term would earn ten (10) hours of Sick Leave for the Term.]

- a. For short-term, Summer Session or Inter-session assignments, Sick Leave Hours shall accrue on the basis of the hours per week the assignment would entail if it were a full-term assignment, for example, a three (3) unit lecture assignment accrues three (3) hours Sick Leave regardless of the number of weeks the class meets.
- b. Unused Part-time Faculty Sick Leave shall be converted to days and reported to the California State Teachers' Retirement System (CalSTRS) or California Public Employees' Retirement System (CalPERS) upon the unit member's retirement. This shall also apply to Full-time unit members who have Part-time Sick Leave hours. The conversion factor shall be as follows:

For Sick Leave hours accumulated for instructional assignments:

4 sick hours = 1 day

For Sick Leave hours accumulated for non-instructional assignments:

6 sick hours = 1 day

- c. See [Article 29D.2](#) for impact issues related to Part-time Faculty Sick Leave of Absence deductions for missed mandatory Flex Day activities.

11A.4 Salary Deduction During Leave of Absence for Extended Illness or Accident

[See Appendix](#): Absence: Leave of Absence (LOA) Request or Report and Absence Report Form.

When a unit member with Contract or Regular status has exhausted all accumulated Sick Leave and is absent from duties on account of extended illness or accident for a period of five (5) school months [e.g. one hundred (100) working days] or less, the monthly salary shall be adjusted for each month that the absence occurs. Specifically, pursuant to Education Code Section 87786, the unit member shall receive differential pay which shall be calculated as fifty percent (50%) of his or her regular salary, for the remainder of the Leave of Absence.

- a. If the unit member terminates employment before the end of the Academic Year, any entitled Sick Leave used but not earned shall be paid back to the District.
- b. There will be no salary deduction for any period of time covered by accumulated Sick Leave.
- c. When a unit member is absent from duties on account of illness or accident for a period of more than five (5) Academic Year months [e.g., more than one hundred (100) working days] and has exhausted all paid Sick Leave, the unit member shall be placed on Sick Leave without Pay for up to one (1) year, and then be placed on an eighteen (18) month re-employment list, at the unit member's option.
- d. Medical examination(s) may be required to be performed by one or more physicians paid by the District to determine physical and mental condition for continued service.
- e. The unit member understands that receiving fifty percent (50%) differential pay for a period of time will impact the accrual of service credit with CalSTRS or CalPERS.

11A.5 Medical Verification

Whenever a unit member claims Sick Leave for three (3) or more consecutive working days, or five (5) or more cumulative days in any thirty (30) calendar day period, the District may require the unit member to present a written, signed statement from the unit member's health care provider¹ or religious advisor where it is deemed in conformance with religious tenets, verifying the illness, injury or quarantine and the date the unit member can return to work.

¹ For purposes of this section, the term "health care provider" shall be consistent with the definition of the same in the Family and Medical Leave Act of 1993, 29 USC 2601 (Public Law 103-3), which states, in pertinent part, that a health care provider is "... a doctor of medicine or osteopathy who is authorized to practice medicine or surgery by the State in which the doctor practices or any other person deemed ... to be capable of providing health care services."

Unit members returning to work following illness may be required to provide medical evidence of recovery sufficient to assume regular duties. A medical examination may be required at any time to be performed by one or more physicians approved by the District, at the District expense.

11A.6 Sick Leave Donation for Terminally Sick Employees

[See Appendix](#): Sick Leave Donation Application.

A Terminal Illness is a disease that cannot be cured or adequately treated and that is reasonably expected to result in the death of the patient within a short period of time.

Each unit member may donate days of Sick Leave to individual employees of the District who, due to a terminal illness, have exhausted all accumulated Sick Leave. Donors may not donate more than two (2) days of Sick Leave in any Fiscal Year for Full-time unit members and twelve (12) hours for Part-time unit members, Full-time unit members must have a minimum of forty (40) days of accumulated Sick Leave on account with the District. To donate, Part-time unit members must have a minimum of seventy-two (72) hours of accumulated Sick Leave on account with the District. A Part-time unit member can donate no more than six (6) hours in any Fiscal Year. If a Full-time unit member donates a Full-time day of Sick Leave, that day shall equate to six (6) hours. Full-time unit members may also donate sick leave hours. A Full-time unit member may receive no more than one hundred (100) days of donated Sick Leave in total. A Part-time unit member may receive no more than seventy-five (75) hours of donated Sick Leave in total. A “terminal illness” must be certified by the procedure established in [Article 11A.5](#) above – Medical Verification.

11A.6a. Process for Requesting Donations see [Article 11A.7a](#)

11A.6b. Process for Making Donations see [Article 11A.7b](#)

11A.7 Sick Leave Donation to Employees Suffering a Serious Health Condition

[See Appendix](#): Sick Leave Donation Application.

A “serious health condition” is defined as an illness, injury, impairment, or other physical or mental condition of a nature necessitating a continuous absence from work of more than ten (10) days that involves inpatient or outpatient care in a hospital or residential health care facility, and continuing treatment or continuing supervision by a health care provider as defined in [Article 11A.5](#) (Medical Verification). The District has the right to require additional certification by a physician chosen by and paid for by the District as per [Article 11A.5](#).

Each unit member may donate days of Sick Leave to individual employees of the District who, due to a serious health condition, have exhausted all accumulated Sick Leave. Donors may not donate more than two (2) days of Sick Leave in any Academic Year for Full-time unit members and six (6) hours for Part-time unit members, and Full-time unit members must have a minimum of forty (40) days of accumulated Sick Leave on account with the District. To donate, Part-time unit members must have a minimum of seventy-two (72) hours of accumulated Sick Leave on account with the District. A Part-time unit member can donate no more than six (6) hours in any Fiscal Year. If a Full-time unit member donates a Full-time

day of Sick Leave, that day shall equate to six (6) hours. Full-time unit members may also donate sick leave hours. No Full-time Faculty person may receive more than thirty (30) days of donated Sick Leave per year. No Part-time Faculty may receive more than thirty-six (36) hours of donated Sick Leave per year. A Full-time unit member may donate Full-time Sick Leave days to a Part-time unit member at the rate of six (6) hours of Part-time Sick Leave per one (1) Full-time day.

The donated Sick Leave may be used only when the unit member has exhausted accumulated Sick Leave and is not eligible for long-term disability coverage or not yet begun to receive long-term disability coverage. The recipient is responsible for payment of any State and Federal taxes on the donated time. These taxes shall be withheld at the normal rate for the recipient.

11A.7a. Process for Requesting Donations

- (1) The applicant for donated Sick Leave shall fill out an Application for Donated Sick Leave Form ([Appendix: Sick Leave Donation Transfer Form](#)), stating the nature of the serious health condition, the number of days estimated that the illness will last, or how many days the illness did last and the number of days the applicant currently has on account with the District. This application shall be provided to applicants by the Vice Chancellor of the Office of Human Resources.
- (2) The application must be signed by the applicant and the applicant's physician(s), and sent to the Vice Chancellor of the Office of Human Resources who may demand additional medical verification as per the procedure cited in [Article 11A.5](#).
- (3) As soon as the Vice Chancellor of the Office of Human Resources has reviewed the application, the applicant shall be so informed and solicitation of donations may then be made by the individual or his/her representatives on his/her behalf. The Vice Chancellor of Human Resources must be notified that solicitation of donations has commenced. The solicitation period shall be limited to a period not to exceed one (1) month.
- (4) The applicant may request to be anonymous and/or the reason be withheld from the public request for Sick Leave donations.

11A.7b. Process for Making Donations

- (1) Donations of Sick Leave shall be authorized by a signed Pledge Form, which shall be filed with the Office of Human Resources. This Pledge Form shall provide legal waiver and spousal consent, where necessary.
- (2) Donated Sick Leave must be in one (1) day increments for Full-time unit members. Donated Sick Leave must be in hourly increments for Part-time unit members.
- (3) In the event that several unit members sign Pledge forms to donate, the Sick Leave shall be allocated to the donee in the order the signed Pledge Forms are received by the Office of Human Resources.

- (4) Sick Leave shall not be transferred from a donor's account until it is used by the recipient for the serious illness or medical condition detailed on the Application for Donated Sick Leave. Once transferred, the transfer is irrevocable. In the event that the recipient does not use all pledged Sick Leave, any unused Pledge forms shall be returned and no Sick Leave deductions made from the donor's Sick Leave account.
- (5) The Office of Human Resources shall keep the identities of any of those pledging Sick Leave confidential.

No more than seven (7) days may be so deducted from Sick Leave in one (1) Fiscal Year. [Exception: (2) below.]

- (2) Notwithstanding (1) immediately above, up to one-half (½) of a unit member’s annual Sick Leave allotment, once it has actually accrued, may be used when the unit member needs time off to care for a child, parent or spouse.
- (3) Under this Section, Sick Leave is defined as accrued increments of compensated Leave of Absence meant for a unit member’s illness or injury, doctor’s appointments or other medical needs.
- (4) Under this Section, Personal Necessity Leave of Absence deducted from Sick Leave does not carry over from Fiscal Year to Fiscal Year.
- (5) Under this Section, proof of illness of a spouse, child or parent may be required.

11B-1.3 Verification

Each unit member requesting a Leave of Absence under these provisions shall file with the College President, upon forms provided, proof or statement of facts as may be determined necessary to carry out the intent of this Article.

11B.2 Personal Necessity Leave of Absence Deducted from Sick Leave for Part-Time Faculty or Full-Time Faculty Doing Overload

Sick Leave hours accrued by a Part-time unit member or a Full-time unit member doing overload may be used, at his or her election, in cases of Personal Necessity for the purposes defined in [Article 11B.1](#) above. The following provisions shall also apply:

11B.2a. Maximum Number of Hours

A maximum of one (1) week's absence for a Full-Term assignment (Fall or Spring) may be accounted for as Personal Necessity Leave under this provision. In the case of a Partial-Term assignment, or an assignment during Summer Session or Inter-session, a maximum of one sixteenth (1/16) of the total paid hours for the assignment may be accounted for as Personal Necessity Leave. In all cases, the unit member's Part-time (Hourly) sick leave balance shall be charged for the actual number of hours the unit member is absent, under the terms herein.

11B.2b. Verification

Each unit member requesting a Leave of Absence under these provisions shall file with the College President, upon forms provided, proof or statement of facts as may be determined necessary to carry out the intent of this Article.

11B.2c. Applicability to Full-Time Overload

It is understood that the provisions herein also apply to Full-time Faculty performing overload service.

11C. Bereavement Leave of Absence: District Provided

[See Appendix](#): Absence: Leave of Absence (LOA) Request or Report and Absence Report Form.

11C.1 Definition of Immediate Family

For purposes of this provision, an immediate family member shall be limited to the spouse, mother, father, grandmother, grandfather, or a grandchild of the unit member or of the spouse of the unit member, and the spouse, son, son-in-law, daughter, daughter-in-law, brother, sister, brother-in-law, or sister-in-law of the unit member or any relative or equally significant other person living in the immediate household of the unit member, or registered domestic partner.

11C.2 Duration of Bereavement Leave of Absence

A Contract, Regular, or Temporary Leave Replacement (TLR) unit member shall be entitled during the Academic Year and Summer Session to a maximum of three (3) working days' Leave of Absence, or five (5) working days' Leave of Absence if out of state travel or a distance exceeding three hundred and fifty (350) miles is required, without loss of salary or benefits or extra hours pay on account of the death of any member of his or her immediate family (see [Article 10C.1](#) for full-service week).

This Section applies to unit members on Pre-retirement Reduction of Annual Workload with no reduction in duration of the Leave of Absence.

A Part-time unit member shall be entitled to a maximum of two (2) working days' Leave of Absence without loss of salary or benefits or extra hours pay on account of the death of any member of his or her immediate family. This provision also applies to Contract, Regular, and Temporary Leave Replacement (TLR) Faculty teaching overload classes.

11D. Industrial Accident and Illness Leave of Absence

[See Appendix](#): Workers' Compensation Claim Form (DWC1); Absence: Leave of Absence (LOA) Request or Report and Absence Report Form.

11D.1 Purpose

Unit members shall be entitled to Industrial Accident and Illness Leave of Absence according to the provision in California Education Code Section 87787 for personal injury which has qualified for Worker's Compensation under the provisions of the District's Worker Compensation Insurance Fund.

11D.2 Duration and Accumulation

Industrial Accident and Illness Leave of Absence shall not exceed sixty (60) days during which the colleges of the District are required to be in session or when the unit member would otherwise have been performing work for the District in any one (1) Fiscal Year for the same industrial accident.

Industrial Accident and Illness Leave of Absence shall be reduced by one (1) day for each day of authorized absence regardless of a temporary disability indemnity award. Leave of Absence for this purpose is not cumulative from Fiscal Year to Fiscal Year, and if an absence overlaps into a new Academic Year, the unit member will have available only that amount which was not used the prior Fiscal Year for the same illness or injury.

11D.3 Medical Examination

The District has the right to have the unit member examined by a physician designated by the District to assist in determining the length of time during which the unit member will be temporarily unable to perform assigned duties and the degree to which a disability is attributable to the injury involved.

11D.4 Reimbursement

For any days of absence from duty as a result of the same Industrial Accident and Illness Leave of Absence, the unit member shall endorse to the District any wage loss benefit check from the District's Worker Compensation Fund which would make the total compensation from both sources exceed one hundred percent (100%) of the amount the unit member would have received as salary had there been no industrial accident or illness.

11D.5 Sick Leave

If the unit member is unable to return to duty after exhausting paid Industrial Accident and Illness Leave of Absence, the unit member will receive any accumulated paid Sick Leave and other extended Sick Leave benefits. This Leave of Absence shall not affect the normal accumulated Sick Leave. Leave of Absence allowances will be reduced only in the amount necessary to provide a full day's wages or salary, when added to compensation from the District's Worker Compensation Fund.

11D.6 Residency Requirement

A unit member receiving benefits under these provisions shall, during periods of injury or illness, remain within the State of California unless otherwise authorized by the Board of Trustees.

11D.7 Separation from District Employment

When all available Leaves of Absence, paid or unpaid, have been exhausted and if the unit member is not medically able to assume the duties of the position, he/she shall be separated from employment with the District.

11E. Pregnancy Disability Leave of Absence

[See Appendix](#): Leave of Absence (LOA) Request or Report and Absence Report Form.

Under California Law, a pregnant unit member is entitled to take up to four (4) months of Pregnancy Disability Leave of Absence, if disabled by pregnancy, childbirth or a related medical condition.

The four (4) month Leave of Absence period above does not include days or weeks when the Academic Calendar is not in session. If the unit member is assigned to Summer Session or Inter-session, the four (4) month Leave of Absence period above applies but holidays are exempted.

The length of such Pregnancy Disability Leave of Absence, when it shall commence and the date on which duties are to be resumed, shall be determined by the pregnant unit member and the health care provider. The District may require a medical verification and clearance to return to work as provided in [Article 11A.5](#) of this Article.

11E.1 Use of Sick Leave

While on Pregnancy Disability Leave of Absence, Contract, Regular, Temporary Leave Replacement (TLR), and Part-time unit members are entitled to use their accumulated Sick Leave of Absence as set forth in [Section 11A](#) of this Article.

11E.2 Differential Pay After Sick Leave is Exhausted

When a Contract, Regular, Temporary Leave Replacement (TLR) or Part-time unit member has exhausted their sick leave during the Pregnancy Disability Leave of Absence period, they shall receive differential pay which shall be calculated as fifty percent (50%) of their regular salary for the remainder of the Pregnancy Disability Leave of Absence.

11E.3 Benefits While on Pregnancy Disability Leave of Absence

Unit members on Pregnancy Disability Leave of Absence are also entitled to the same District-provided health care benefits they received prior to taking such Leave. For example, if the unit member received full District-provided medical health care benefits while active, then the unit member will receive full District-provided health care benefits while on Pregnancy Disability Leave of Absence. If the unit member received partial District-provided health care benefits while active, then they will receive the same partial District-provided health care benefits while on Pregnancy Disability Leave of Absence.

11E.4 California State Teachers' Retirement System (CalSTRS) or California Public Employees' Retirement System (CalPERS) Credit

The unit member understands that receiving fifty percent (50%) differential pay for a period of time will impact the accrual of service credit with CalSTRS or CalPERS.

11E.5 Probationary/Tenure Review Period

A probationary unit member (Contract Faculty person) understands that tenure may be delayed by taking any extended Leave of Absence.

11F. Parental Leave of Absence

[See Appendix](#): Leave of Absence (LOA) Request or Report and Absence Report Form.

Under the Family Medical Leave Act, and the California Family Rights Act, an eligible unit member is entitled to take up to twelve (12) weeks of Unpaid Leave of Absence for childbirth preparation and/or postpartum infant care, including adoption.

11F.1 Parental Leave

- (1) Under the California Family Rights Act (CFRA), an eligible unit member is entitled to take up to twelve (12) weeks of Unpaid Leave of Absence for bonding with a newborn within twelve (12) months from the date of birth.
- (2) For children placed by adoption or foster care the unit member is entitled to take up to twelve (12) weeks of Family Medical Leave Act (FMLA) and California Family Rights Act (CFRA) running concurrently within a twelve (12) month period.

The twelve (12) week Leave of Absence period above does not include days or weeks when the Academic Calendar is not in session. If the unit member is assigned to Summer Session or Inter-session, the twelve (12) week Leave of Absence period applies but holidays are exempted.

The District will apply the provisions of Education Code Section 87780.1 to Parental Leave. Education Code Section 87780.1 currently entitles an eligible Full-time or Part-time unit member to use his or her accrued sick leave for a Parental Leave of Absence under the California Family Rights Act (CFRA) for up to twelve (12) workweeks. Education Code Section 87780.1 also provides that if a unit member exhausts his or her sick leave, and continues to be absent from his or her duties on account of a Parental Leave of Absence under the CFRA, he or she is entitled to

receive differential pay which shall be calculated as fifty percent (50%) of his or her regular salary, for the remaining portion of the twelve (12) workweeks. In the event that there is a conflict or difference in benefits between the language in this paragraph of [Section 11F.1](#) and the law, the law shall govern.

11F.2 Intermittent Parental Bonding Leave for Reduced Load

The CLPCCD supports Intermittent Parental Bonding Leave in accordance with applicable law. Faculty should work collaboratively with their appropriate Administrator and Human Resources in planning an Intermittent Parental Bonding Leave schedule in advance of the term in which leave will be taken.

11F.3 Benefits While on Parental Leave of Absence

Parental Leave of Absence shall be with employee benefits, if the unit member is otherwise eligible for these benefits. The District-provided benefits shall be the same as what the unit member received while on active status. For example, if the unit member received full District-provided benefits while active, then he/she will receive full District-provided benefits while on Parental Leave of Absence. If the unit member received partial District-provided benefits while active, then he/she will receive the same partial benefits while on Parental Leave of Absence.

11F.4 Extended Leave of Absence

If eligible, a unit member may combine Pregnancy Disability Leave of Absence under Article 11E above and Parental Leave of Absence, to take up to a total of seven (7) months Leave of Absence under the California Pregnancy Disability Leave and the California Family Rights Act (CFRA), under the provisions outlined in [Articles 11E](#) and [11F](#) above.

11F.5 California State Teachers' Retirement System (CalSTRS) or California Public Employees' Retirement System (CalPERS) Credit

The unit member understands that receiving fifty percent (50%) differential pay for a period of time will impact the accrual of service credit with CalSTRS or CalPERS.

11F.6 Probationary/Tenure Review Period

A probationary unit member also understands that tenure may be delayed by taking any extended or unpaid Leave of Absence.

11G. Judicial Leave of Absence

[See Appendix](#): Leave of Absence (LOA) Request or Report and Absence Report Form. A unit member who is employed with Contract, Regular, or Temporary Leave Replacement (TLR) status for one half (½) time or more during the Academic Year, Inter-session, and Summer Session and who has been regularly called for Jury Duty in the manner provided for by law, or who is ordered to appear as a witness in court other than as a litigant, shall be granted a paid Leave of Absence up to the amount of the difference between the unit member's regular earnings excluding extra hours pay and any amount the individual receives for jury or witness fees. Upon notification of Jury Duty, it is the obligation of the unit member to immediately inform his or her immediate supervisor. No deduction shall be made from salary. Any daily jury or witness fee, exclusive of travel expenses, shall be

deposited to the credit of the District. When the court appearance consumes only a portion of the day, the unit member shall make reasonable attempts to return to work for classes or services that have not already been canceled and for which substitutes have not already been obtained.

This provision shall apply to Regular Faculty on Pre-retirement Reduction of Annual Workload.

A Part-time unit member shall be entitled to up to three (3) hours of Judicial Leave of Absence according to the above specifications. This provision also applies to Contract, Regular, and Temporary Leave Replacement (TLR) unit members teaching on an overload basis.

11H. Military Leave of Absence

[See Appendix](#): Leave of Absence (LOA) Request or Report and Absence Report Form.

11H.1 Military Service Leaves

Eligible unit members shall be granted a Military Leave of Absence in accordance with the California Education Code, Military and Veterans Code, and the Uniformed Services Employment and Reemployment Rights Act (USERRA).

Pursuant to California law, eligible unit members, when called to “ordered duty” (military training, encampment, naval cruises, like exercises, etc.) for less than one hundred and eighty (180) days, and/or active duty, shall be entitled to receive their regular salary for the first thirty (30) days they are absent from their duties due to such service.

11H.2 Military Family Leave

Pursuant to certain Family Medical Leave Act (FMLA) Leave entitlements for military families, eligible unit members who are the spouse, child, parent, or next of kin of a military service member shall be granted a Military Family Leave of Absence for a “qualifying exigency” and/or to care for a covered service member with a serious illness or injury incurred in the line of duty on active duty.

Pursuant to California law, an eligible spouse of a military service member may also take up to ten (10) days of Unpaid Leave of Absence when the military service member is on Leave from deployment during a period of military conflict.

11H.3 Orders

A copy of the official orders shall be submitted to the Chancellor at the time of such request and in advance of the approval by the Board of Trustees.

11I. Personal Leaves of Absence with Pay

[See Appendix](#): Leave of Absence (LOA) Request or Report and Absence Report Form.

11I.1 Provisions

Unit members with Contract, Regular or Temporary Leave Replacement (TLR) status shall be entitled to a Personal Leave of Absence with Pay for a period of one (1) day per Academic Year. Personal Leave of Absence with Pay shall be taken without loss of either pay or benefits. Personal Leave of Absence with Pay may not be used for any purpose covered by any other type of Leave of Absence and must not take precedence over other provisions of this Agreement. Notification that Personal Leave of Absence with Pay is being taken shall be presented to the appropriate College President in writing at least two (2) days prior to the anticipated absence. The condition of prior notification does not preclude the use of Personal Leave of Absence with Pay in emergency situations. Only one (1) day of unused Personal Leave of Absence with Pay may be carried over from one (1) Academic Year to the next so as to allow a maximum of two (2) days of Personal Leave of Absence with Pay to accrue at any time. Personal Leave of Absence with Pay shall not be granted during the Summer Session or for overload hours of service. The Personal Leave of Absence Day is accrued July 1 but posted on the August pay warrant.

a. Impact of Pre-Retirement Reduction of Annual Workload

Regular Faculty on Pre-retirement Reduction of Annual Workload shall receive one (1) full day of Personal Leave of Absence with Pay for the Academic Year.

b. Impact of Sabbatical Leave of Absence

Regular Faculty on Sabbatical Leave of Absence shall receive one (1) full day of Personal Leave of Absence with Pay for the Academic Year regardless of whether the unit member is on a full Academic Year or semester-long Sabbatical Leave. If the unit member elects to use Workload Banked Load to bring his/her salary to one hundred percent (100%), his/her Academic Year's Personal Leave with Pay accrual shall be a full day. See [Article 12-1A.5d.](#)

11J. Paid Administrative Leave

Pursuant to PERB (Public Employee Relations Board) Case No. SF-CE-2886-E. [See Appendix](#): PERB Case No. SF-CE-2886-E. and [Article 16-2.5.](#)

“With respect to placing a member who is the subject of a misconduct investigation on Paid Administrative Leave during an investigation, the parties understand and agree as follows:

- a. Placement on Paid Administrative Leave while an investigation is pending constitutes a nondisciplinary action;
- b. Placement on Paid Administrative Leave shall not be automatic, and it is not an action that the District takes lightly. The District will not take this step unless:
 - (1) The allegations, if true, indicate that the employee poses a safety threat to him/herself or others;
 - (2) The allegations, if true, involve harassment, retaliation and/or dishonesty; and/or
 - (3) Other extenuating circumstances with the written approval of the Chancellor, which approval will state the nature of the extenuating circumstance.

- c. The notice placing an employee on Paid Administrative Leave will provide information about the Leave, including but not limited to:
- (1) The basis or bases on which he/she is being placed on Paid Administrative Leave;
 - (2) That, as this investigation could lead to discipline, the employee is entitled to representation during his/her investigatory interview.
 - (3) That placement on Paid Administrative Leave constitutes a directive not to attend work or perform work duties and that the employee is not to be present at work or in the work area without prior written consent.
 - (4) That placement on Paid Administrative Leave does not constitute a directive to stay away from public events or public areas of campus.”

a. Intent

Family and Medical Leave of Absence is an Unpaid Leave of Absence and shall be available for the following purposes:

- (1) Birth and care of the unit member’s child;
- (2) Placement of a child with the unit member for adoption or foster care;
- (3) Care for the unit member’s child, spouse, parent, or equally significant other person with a serious health condition;
- (4) The unit member’s own serious health condition that keeps the unit member from performing his/her job function.

b. Eligibility

A unit member is eligible for Family and Medical Leave Without Pay under this provision if the unit member has been employed by the District for at least twelve (12) months from the first day of service and has provided service for at least one thousand two hundred and fifty (1250) hours over the previous twelve (12) months.

c. **Term of Leave of Absence**

The eligible unit member shall be entitled to up to twelve (12) work weeks of Family and Medical Leave of Absence Without Pay within a twelve (12) month period for family and medical reasons under the Federal Family and Medical Leave Act of 1993 and the California Family Rights Act (“Family Medical Leave”). The following provisions shall be interpreted in accord with those statutes and their regulations. Family and Medical Leave of Absence Without Pay will run concurrently with other paid and unpaid Leaves of Absence if the reasons for the Leave of Absence meet the requirements of Family and Medical Leave of Absence Without Pay.

d. **Notice**

A unit member must provide thirty (30) days advance written notice of the need for the Family and Medical Leave of Absence Without Pay to the appropriate College President and Chancellor or designees. If the need for the Family and Medical Leave of Absence Without Pay is unforeseen, written notice must be given as soon as possible. Failure to provide advance written notice may delay the granting of this Leave of Absence.

e. **Certification of Eligibility**

A unit member will be required to provide medical certification whenever a serious health condition of the unit member or his/her family member is the reason for the Family and Medical Leave of Absence Without Pay. A second or third medical opinion may be required regarding the unit member’s serious health condition at the District’s expense. In certain circumstances, the unit member may be required to provide re-certification of his or her serious health condition (e.g., when the duration and/or need for the Family and Medical Leave of Absence Without Pay is uncertain). Failure to obtain medical certification when necessary may delay the granting of this Leave of Absence request until the certification is provided.

f. **Benefits**

A unit member taking Family and Medical Leave of Absence Without Pay may continue to participate in the District-provided health plan and insurance benefits under the same terms and conditions as if employed. For example, if the unit member is enrolled in the District-provided health plan and receives full benefits from the District, then the District shall continue to pay the full health plan benefits while the unit member is on the Family and Medical Leave of Absence Without Pay. If a unit member is receiving a portion of the District-provided health plan, then the unit member shall receive the same portion of the health plan while on this Leave of Absence.

11N.2 Other Leaves of Absence Without Pay

Note: See [Article 21E.2](#): Step Advancement for Leaves of Absence Without Pay that are presumed to have educational benefit to the District and students.

Unit members with Regular status may be granted Leaves of Absence Without Pay by the Board of Trustees for a period of up to one (1) Academic Year. Leaves of Absence Without Pay shall be granted only upon prior written request and approval of the appropriate College President, Chancellor, and Board of Trustees at the convenience of the appropriate College.

- a. Leaves of Absence Without Pay may be renewed to a maximum of one (1) additional Academic Year upon written request to the appropriate College President no later than ninety (90) days prior to the termination of the Leave of Absence Without Pay and with the recommendation of the Chancellor and the approval of the Board of Trustees. Leave of Absence Without Pay shall be taken Without pay or other benefits.
- b. Failure to comply with this provision may allow the District to assume that the unit member is not going to return to the District at the end of the second Academic Year of the Leave of Absence Without Pay.
- c. Partial Leaves of Absence Without Pay may also be granted where unit members desire to reduce their Full-time [one hundred percent (100%) contract] assignment to a lesser amount in a particular Academic Year. Partial Leaves of Absence Without Pay shall be for whatever amount is recommended by the Chancellor and approved by the Board of Trustees.

12-1A. Paid (Funded) Sabbatical Leave of Absence

12-1A.1 Purpose

A Sabbatical Leave of Absence (California Education Code 87767) may be granted for purposes of study or travel of a kind and in an amount that will so improve and update capabilities that during future employment the unit member will be of increased value to the District and to the students of the District. A Sabbatical Leave of Absence shall be taken for one (1) semester, one (1) full Academic Year, or as a split Sabbatical Leave of Absence for two (2) semesters within a two (2) Academic Year period.

Subject to California Education Code Section 87770, the unit member shall agree in writing to a period of service in the employ of the District following his/her return from the Paid Sabbatical Leave of Absence, which is equal to twice the period of the Leave.

12-1A.2 Funding

a. The Sabbatical Leave of Absence Fund

An amount equal to one percent (1%) of the total District Budget for Contract and Regular Faculty Salaries, excluding managerial salaries for the current Fiscal Year, shall be allocated to the cost of Sabbatical Leaves of Absence to be taken during the next succeeding Fiscal Year. The calculations of the one percent (1%) is done for each college and then the appropriate dollar amount is transferred from the Colleges' Unrestricted General Fund Budget to the Sabbatical Leave Fund. Costs for any replacement Faculty are paid from the Sabbatical Leave Fund. Compensation to the unit member on Sabbatical Leave of Absence shall be paid from the College Budget. Any funds allocated in one (1) Fiscal Year but not spent shall be replenished to the Sabbatical Leave Fund during the annual True-Up (See Section 2 below).

This Fund shall be cumulative from Fiscal Year to Fiscal Year. Individual unit members shall have no vested interest in any funds allocated for Sabbatical Leaves of Absence.

One (1) Full-time Equivalent Faculty (FTEF) per Academic or Calendar Year may be allowed for retraining purposes. See [Article 28A.10](#). The cost will be paid at one hundred percent (100%) of the appropriate salary. Costs for any replacement Faculty are paid from the Sabbatical Leave Fund.

In computing the Sabbatical Leave of Absence cost, the following guidelines will be followed:

- (1) The charge to be made against the Sabbatical Leave Fund shall be calculated as follows:

$$\text{Charge} = \text{Sabbatical Leave Salary} + \text{Substitute Costs} \\ - \text{Unit Member Annual Salary}$$

- (2) When a Full-time replacement for the person on Sabbatical Leave of Absence is not employed, the Sabbatical Leave Fund will be charged only the actual expenses incurred for Part-time or partial contract Temporary Leave Replacement (TLR) unit members who are employed as a result of the Sabbatical Leave of Absence having been granted. The Substitute Costs charged to the Sabbatical Leave Fund shall be based on the average Part-time replacement cost, as specified in Section 2 below [Sabbatical Leave Fund Adjustment (True Up)].
- (3) If a member of the Faculty has been retained, only for the purpose of replacing a unit member on Sabbatical Leave of Absence, the Sabbatical Leave Fund shall be charged the actual salary of the replacement.
- (4) The two College Vice Presidents, Academic Services will advise the Vice Chancellor of Business Services and the Faculty Association annually on or before March 1 as to the extent and nature of the replacements as provided in the above paragraph in order that the Vice Chancellor of Business Services may compute the cost of Sabbatical Leaves of Absence. Twice a Fiscal Year, on or before January 15 and July 15, the Vice Chancellor, Business Services will give financial statements including an annual summary of the Sabbatical Leave Funds to the Faculty Association President and the Sabbatical Leave Committee;
 - To the extent possible, a modest deficit may be permitted in the Sabbatical Leave Fund to be paid from funds made available in the ensuing Fiscal Year in those instances in which this would permit one (1) additional person to take a Sabbatical Leave of Absence;

(5) The procedure for hiring Temporary Leave Replacements (TLRs) for unit members on Sabbatical Leave of Absence shall follow the same practices used for hiring both Temporary Leave Replacement (TLR) and Part-time Faculty as they apply to other Leaves of Absence.

b. Sabbatical Leave Fund Adjustment (True-Up)

Each Fiscal Year, once the relevant actual salary and benefits data become available, the District and Faculty Association shall jointly perform a recalculation, or “True-Up” of the credits and charges to the Sabbatical Leave Fund, to ensure accuracy in compliance with this Section and [Article 12-1A.4](#) below. This recalculation shall be done in such time that any adjustment to the balance may be used to fund additional Sabbatical Leaves of Absence in the immediately subsequent Fiscal Year.

Average Part-time Faculty replacement cost will be used in the recalculation [in 2019- 20 the cost is calculated at seventy-two percent (72%) of the Full-time Faculty Salary at Column III/Step 7 plus seven percent (7%) for statutory benefits]. In future Fiscal Years, the District and Faculty Association shall jointly determine average Part-time Faculty backfill cost. If the unit member on Sabbatical Leave of Absence is replaced with less than 1.0 FTEF (Full-time Equivalent Faculty), the replacement cost shall be prorated commensurately, and the unused funds shall be replenished to the Sabbatical Leave Fund. [See Appendix](#): MOU: Sabbatical Leave Fund Adjustments [“True Up”].

12-1A.3 Eligibility and Priority Ranking

Any unit member with Regular status and employed fifty percent (50%) or more will be eligible for either a Paid or Unpaid Sabbatical Leave of Absence upon completion of six (6) full Academic Years of bargaining unit service (California Education Code 87768). These same service requirements shall apply each time an individual seeks a subsequent Sabbatical Leave of Absence, Paid or Unpaid. See [Article 12-1B](#) for Unpaid Sabbatical Leave of Absence.

Eligibility each Academic Year for a Sabbatical Leave of Absence shall be based upon a Priority Ranking determined by the following:

- a. The number of quarters/semesters of service in the bargaining unit from the date of initial employment as a Regular or Contract unit member, or from the date of completion of the last Sabbatical Leave of Absence, whichever is later;
- b. When two (2) or more applicants have the same number of quarters/semesters of service in the bargaining unit, priority ranking shall be determined by Seniority Number;
- c. Quarters/Semesters on authorized Leave of Absence Without Pay and any service outside of the bargaining unit shall not count toward

priority ranking; nor shall there be any provision for obtaining credit for this service. It is understood that unit members who provide service as Acting or Interim Administrators within the Chabot-Las Positas Community College District and who have returned to Faculty status shall be considered to be within the bargaining unit for the purpose of this provision only. These unit members shall receive a maximum of two (2) Academic Years of Service from their Chabot-Las Positas Acting or Interim Administrative position. This service shall be attributed to their Sabbatical eligibility and priority ranking upon their return to Faculty status and their application for Sabbatical Leave of Absence. This provision is not intended for individuals currently serving as Interim Administrators, and these individuals are ineligible to apply for a Sabbatical Leave of Absence while serving as Interim Administrators. This provision shall be applied retroactively;

- d. Quarters/Semesters prior to interruption of bargaining unit service shall be reinstated upon return to bargaining unit service;
- e. A Workload Bank Leave of Absence (LOA) taken according to the terms of [Article 12-2](#) below shall count as service in the bargaining unit when ranking candidates for a Sabbatical Leave of Absence.
- f. Because of potential adverse impact on programs, if two (2) or more unit members from the same subject discipline and the same college are approved for a Sabbatical Leave of Absence for the same semester or Academic Year, and in the judgment of the appropriate College President, both or all taking the Sabbatical Leave of Absence would have a disparate impact on the relevant program, and the individuals concerned cannot decide whom shall be granted the Sabbatical Leave of Absence, then that unit member with greater seniority shall be chosen. The other unit member(s) shall be guaranteed top priority ranking among the next Academic Year's Sabbatical applicants, even though new applicants may have greater seniority in the following Academic Year;
- g. Because of potential adverse impact on programs, full year [two (2) semesters] Sabbatical Leaves of Absence that start in the Spring Semester, or that are split between two (2) Spring Semesters or two (2) Fall Semesters, must be approved both by the Sabbatical Leave Committee and by the President of the appropriate college;
- h. A unit member on Sabbatical Leave of Absence can work for the District while on Sabbatical Leave of Absence on an overload basis. Said work shall be paid on the [Part-Time Faculty Salary Schedule](#). Any work for Load shall be approved on a case-by-case basis at the sole discretion of the District, and permitting a unit member to work for Load during a Sabbatical Leave of Absence shall not constitute a past practice creating an entitlement in any other member. Unit members on Sabbatical Leave of Absence have no entitlement to be offered overload assignments before hiring Part-time Faculty.

See [Article 10D.11](#).and [Article 18B.1e.\(2\)](#).

- i. An applicant shall inform the Committee in writing of his/her cancellation of the Leave of Absence application by March 1.

12-1A.4 Sabbatical Leave of Absence Salary

Salary for Sabbatical Leave of Absence shall be paid in the same manner as if the unit member were currently employed as an Instructional, Counseling, Library or Special Assignments Faculty. The salary will be determined as follows:

- a. The [Faculty Salary Schedule](#) for the Fiscal Year of Sabbatical Leave of Absence is used;
- b. Placement on the [Full-time Faculty Salary Schedule](#) will be the same as if the unit member were currently employed as an Instructional, Counseling, Library or Special Assignments Faculty;
- c. For unit members who have had any reduced contracts, an average percentage of Full-time bargaining unit service is computed as follows: The Service Term is determined from the date of initial employment or from the date of completion of the last Sabbatical Leave of Absence. The percentages of contract worked each Academic Year of the Service Term are used to compute an average percentage for the Term of service. This average percentage is multiplied by the salary from [Article 12-1A.4b](#) above;
- d. Compensation during the Academic Year in which the year-long Sabbatical Leave of Absence is taken is adjusted beginning with the first paycheck of the Fiscal Year and continues at the same pay rate for the entire Fiscal Year. The annual compensation will be prorated over the number of months of the unit member's normal pay period of ten (10) months or twelve (12) months;
- e. If the total approved Sabbatical Leave of Absence is for a full Academic Year, or as a split within a two (2) Academic Year period (see [Article 12-1A.1](#)), the compensation will be seventy-six percent (76%) of the annual salary from Sections a through c above. If the total Sabbatical Leave of Absence is for one (1) semester, the compensation for all Faculty except Library Faculty and Special Assignments Faculty will be ninety percent (90%) of the annual salary rate for that semester from paragraphs a through c above. If for one (1) semester, the compensation for Library Faculty and Special Assignments Faculty shall be ninety-five percent (95%) of the annual salary for that semester from Sections a through c.

Unit members are expected to do an equivalent amount of work over the same time period regardless of their salary differential;

- f. Time on Sabbatical Leave of Absence will count as Regular Faculty service and will not interrupt the unit member's progress on the [Faculty Salary Schedule](#);

- g. Use of Workload Banked Load to increase Salary on Sabbatical Leave of Absence ([Appendix](#): Workload Banking: Augment Sabbatical Salary Form).

A request to use earned Banked Workload shall be submitted with the original Sabbatical Leave of Absence Application to the appropriate College Vice President, Academic Services by September 15 of each Academic Year. A unit member taking a Sabbatical Leave of Absence has until the end of the Term preceding the Sabbatical Leave of Absence to complete any required Load banking.

The Workload Banking Policy outlined in [Article 12-2](#) remains in effect unless otherwise stated in this Section as it pertains to requests for Load Bank use to increase salary during a Sabbatical Leave of Absence.

- (1) In the case of multi-term Sabbaticals: A unit member may use up to nine (9) Calculated A Hours (CAHs) equivalent units of Banked Load to increase their compensation while on a full Academic Year Sabbatical Leave of Absence that starts in the Fall Semester and continues through the following Spring Semester or for a Sabbatical Leave of Absence that is split between two (2) Academic Year periods (see Articles 12-1A.1 and 12-1A.4e. above). If the unit member on a full-year sabbatical elects to apply workload banking, compensation shall increase at the rate of 2.6766% for every 1 CAH or eight percent (8%) for every three (3) CAH applied. The following table illustrates how a faculty could increase to 100% salary leave while taking a multi-term sabbatical:

Applied from Workload Banking	Sabbatical Leave salary percentage of normal full-year salary
0 CAH	76.0%
1 CAH	78.7%
2 CAH	81.3%
3 CAH	84.0%
4 CAH	86.7%
5 CAH	89.4%
6 CAH	92.0%
7 CAH	94.7%
8 CAH	97.4%
9 CAH	100.0%

- (2) In the case of a single semester Sabbatical: An Instructional Faculty and Counseling Faculty unit member may use three (3) Calculated A Hours (CAHs) equivalent units of earned Banked Load and be compensated at full salary while on a one (1) semester Sabbatical Leave of Absence. A Library Faculty or Special Assignments Faculty may use one and a half (1.5)

Calculated A Hours (CAHs) equivalent units of earned Banked Load and be compensated at full salary while on a one (1) semester Sabbatical Leave of Absence.

12-1 A.5 Retirement Contributions, Benefits, and Sick Leave While on Sabbatical Leave of Absence

a. Retirement

Time on Sabbatical Leave of Absence will count toward retirement, and retirement contributions will be paid for these periods. The District will pay its share of payback to the California State Teachers' Retirement System (CalSTRS) or the California Public Employees' Retirement System (CalPERS) to enable the unit member to obtain the same retirement credit as would have been received if the unit member were not on Sabbatical Leave of Absence provided:

- (1) The unit member satisfies the conditions of the Sabbatical Leave of Absence; and
- (2) The unit member elects to pay his or her share of the retirement contribution.

b. Reimbursing CalSTRS and CalPERS for Retirement Contributions Not Made While You Are on Sabbatical Leave of Absence

Faculty who take a Sabbatical Leave of Absence have the option at any time to "buy back" retirement service credit for the difference between the amount they received as salary and their full rate. In order to do this, they must complete all obligations on the Sabbatical Leave of Absence and pay their portion of the retirement contribution.

In order to determine your portion due of the retirement contribution, you must contact CalSTRS and inform them you wish to "buyback" service credit lost during your Sabbatical Leave of Absence. They will send you an invoice detailing your contribution and the District's. You will be given an option of making one lump sum payment or monthly payments (in either case, you must get certification from the Sabbatical Leave Committee that you have fulfilled your obligations under your Sabbatical Leave of Absence Contract of Agreement. [[Articles 12-1A.5](#) and [12-1B.](#)]).

Present your invoice from CalSTRS or CalPERS and the certification from the Sabbatical Leave Committee to the District Offices of Payroll and Human Resources. If you decide on one lump sum payment, pay your portion to the District. The District will then make payments to CalSTRS of both your portion and the District's. If you choose to make monthly payments, make those arrangements with CalSTRS or CalPERS.

Questions should be directed to the District Offices of Payroll and Human Resources.

c. **Benefits**

The District shall continue to pay all group medical, dental, vision, and life insurance benefits provided in [Article 20](#) while the unit member is on a Sabbatical Leave of Absence.

d. **Sick Leave**

For any Academic Year that includes one or both semesters on Sabbatical Leave of Absence, the Sick Leave earned shall be a pro-rata accrual of the normal ten (10) day allotment, in a proportion equal to the percentage of the unit members' normal salary that is to be disbursed for the Academic Year [for example, a unit member earning seventy-five percent (75%) of his/her normal annual salary will accrue seven and half (7.5) days for the Academic Year]. If the unit member elects to use Banked Load to bring his/her pay to one hundred (100%), then the Academic Year's Sick Leave accrual shall be the full ten (10) days.

e. **Personal Leave**

Regular Faculty on Sabbatical Leave of Absence shall receive a full day of Personal Leave regardless of the length of the Sabbatical Leave of Absence.

f. **Effect on Pre-Retirement Reduction of Annual Workload**

See [Article 30A.2a.](#) for the implications of Sabbatical Leave of Absence vis a vis qualifying for Pre-retirement Reduction of Annual Workload.

12-1A.6 Committee Letter of Intent

By the end of the second week of March, the Vice Presidents of Academic Services at each college shall send notices to all Full-time Faculty of the deadline to submit a Letter of Intent to apply for a Sabbatical Leave of Absence.

To inform potential unit member applicants of their Sabbatical Leave of Absence priority number, the Sabbatical Leave Committee may implement a required Letter of Intent from unit members to apply for a Sabbatical Leave of Absence. If implemented, the Letter of Intent must be submitted by the unit member to the Office of the Vice President, Academic Services of the respective college, on or before 5:00 p.m., by April 1 of the Academic Year preceding the Academic Year during which the application for Sabbatical Leave of Absence is submitted to the Sabbatical Leave Committee. The Sabbatical Leave Committee reserves the right to consult with other persons knowledgeable in the subject area of the objectives stated in the application. Those applications which qualify and are approved will be recommended in the order as established in [Article 12-1A.3](#).

Sabbatical Leave Committee completes its review of the applications and forwards original documents (Letter of Intent to Apply for Sabbatical Leave of Absence, Application for Sabbatical Leave of Absence, and Workload Banking: Augment Sabbatical Salary) to the respective College Vice President, Academic Services' Office, who will forward a set of original forms for each approved applicant to the Office of the Vice Chancellor, Educational Services and Student Success **by the end of the Fall Semester**. ([Articles 12-1A.7](#), [12-1A.4g](#), and [12-1B](#).)

The Sabbatical Leave Committee begins review of reports from the previous Spring Semester and the previous Academic Year. The Committee shall complete the review no

later than sixty (60) days after the beginning of the following semester or as soon thereafter as possible. Reports with Sabbatical Leave Committee approval or disapproval shall be forwarded to the Chancellor through the College President for Board of Trustee review.

c. Standards of Review

The standards for review shall be whether there is good cause to conclude: (1) that the intent and purpose of the Sabbatical Leave of Absence have not been satisfied; or (2) that the Sabbatical Leave of Absence Report was not submitted within the required time period, or in the form and content prescribed. and if so, what is the appropriate penalty?

d. Sabbatical Leave Committee Review

- (1) The Sabbatical Leave Committee shall review all Sabbatical Leave of Absence Reports.
- (2) Prima facie evidence of non-compliance and notice.

The Sabbatical Leave Committee, should it conclude that there is prima facie evidence that the Sabbatical Leave of Absence Standards have not been satisfied, shall notify the recipient in writing of:

- (a) its tentative conclusion;
- (b) the basis for its conclusion;
- (c) all documents supporting this conclusion; and,
- (d) what the Sabbatical Leave Committee believes the recipient failed to do to satisfy the intent and purpose of the Sabbatical Leave of Absence.

e. Meeting

The Sabbatical Leave Committee shall meet with the recipient to attempt to give the recipient an opportunity to respond to the Committee's concerns and tentative conclusions. The recipient is entitled to representation from the Faculty Association.

f. Opportunity to Correct Deficiencies

If, after the meeting, the Sabbatical Leave Committee concludes that there is cause to reject the Sabbatical Leave of Absence Report, it will further consider whether the deficiencies are correctable. A deficiency will be considered correctable if the Sabbatical Leave Committee has concluded that the unit member engaged in the activities articulated in the Sabbatical Contract of Agreement, but failed to prepare the required Sabbatical Leave of Absence Report. A deficiency will not be considered correctable if the Sabbatical Leave Committee has concluded that the unit member failed to engage in the activities articulated in the Sabbatical Leave Contract of Agreement.

If the Sabbatical Leave Committee determines that some or all of the violations are correctable, the recipient shall be granted sufficient time and opportunity to satisfy the concerns of the Committee and meet the standard.

g. Resubmission

The recipient shall resubmit the Sabbatical Leave of Absence Report with evidence he/she has fulfilled the intent and purposes of the Sabbatical Leave of Absence within the time frame established by the Sabbatical Leave Committee.

h. Reconsideration

The Sabbatical Leave Committee shall hold a meeting to reconsider. The recipient is entitled to appear in support of his/her resubmission. Thereafter, the Committee shall issue its decision.

The Sabbatical Leave Committee shall then forward the Sabbatical Leave of Absence Report, or revised Report, to the Chancellor with its decision to approve or disapprove.

i. Review by the Chancellor

If the Sabbatical Leave Committee recommendation is to approve the Report, and the Chancellor disagrees with the Committee, the Chancellor shall report the basis of his/her disagreement, and allow the recipient an opportunity to meet and justify his/her Report.

j. Report to the Board of Trustees

After reviewing the Report of the unit member and the decision of the Sabbatical Leave Committee, and considering the recipient's position and evidence, the Chancellor shall forward the Report and the recommendation of the Sabbatical Leave Committee, and his/her own recommendation, to the Board of Trustees.

k. Review by the Board of Trustees

The Board of Trustees shall accept, reject or institute penalty action regarding the matter as specified herein.

l. Penalties for Non-Compliance

If the recipient has not satisfied the standards the available penalties are:

- (1) Refund, by the recipient, of all or part of the Sabbatical Leave monies. The percent of the refund is determined by the Board of Trustees upon the recommendation of the Sabbatical Leave Committee relative to the percent the recipient satisfied the objectives in the Sabbatical Leave of Absence application, and
- (2) Limitation on eligibility for a Sabbatical Leave of Absence for seven (7) Academic Years after the conclusion of the repayment schedule.

m. Complaints by Recipients

(1) Grievance and Arbitration

A recipient may appeal the final decision of the Board of Trustees by filing a grievance against the Chancellor based on the Chancellor's recommendation to the Board of Trustees in accordance with [Article 7](#). The sole basis on which a recipient may appeal is that the Sabbatical Review procedures set out in this Article have been violated. The recipient is precluded from asserting through a grievance that there is no good cause for the decision and/or that the penalty was too severe. The burden of proof shall rest with the grievant who shall also be required to proceed first with the evidence.

(2) Alternative Hearing Committee

If the Faculty Association declines to take the grievance to arbitration, the recipient shall be entitled to proceed to a hearing before an Administrative Law Judge in accordance with the provisions of Education Code Section 87470, et seq. The District shall promptly arrange for the hearing.

The decision of the Administrative Law Judge shall be final and binding on the parties, subject only to review pursuant to Code of Civil Procedure (CCP) §1094.5.

n. Cause for Denial of Sabbatical Leave of Absence Report

The Sabbatical Leave Committee shall, in its discretion, be granted the authority to deny all or part of a Sabbatical Leave of Absence Report based on the standards below. The Sabbatical Leave Committee members shall be given broad powers to authenticate their findings, and their recommendations shall be provided to all parties in the appeals process above.

- (1) Fraud or misrepresentation related to the Sabbatical Leave of Absence on the part of the recipient; or
- (2) Academic dishonesty related to the Sabbatical Leave of Absence, including but not limited to plagiarism; or
- (3) Failure to complete all or part of the Sabbatical Leave of Absence objectives; or
- (4) Failure to meet the academic standards and provide appropriate documentation of the Sabbatical Leave of Absence Report.

o. Recoupment of Monies

The District and recipient shall attempt to agree upon a schedule for repayment of any penalty. Absent agreement, the District may implement a wage deduction at the garnishment rate permitted under the wage garnishment law of the State of California, without initiating statutory wage garnishment proceedings. Rather, the

Sabbatical Leave of Absence Contract shall state that upon completion of all administrative due process afforded under this Agreement, should the Board of Trustees determine a recoupment is required, the unit member consents to the wage deduction.

Absent mitigating circumstances, the repayment schedule shall ordinarily provide for repayment within three (3) Academic Years of return from the Sabbatical Leave of Absence when the Sabbatical Leave of Absence was for one (1) Academic Year, and within three (3) semesters of return from the Sabbatical Leave of Absence when the Sabbatical Leave of Absence was for one (1) semester.

Absence agreement between the District and the recipient, the District may, using the statutory wage garnishment proceedings, implement a wage deduction at the garnishment rate permitted under the California Wage Garnishment Law.

p. **Discipline**

The unit member's failure to repay the salary may also be grounds for disciplinary action.

q. **Credit to Fund**

The Sabbatical Leave Fund shall be credited with any amount so recovered.

r. **Interrupted Leaves**

In case the approved Sabbatical Leave of Absence activity, as agreed upon in the Sabbatical Leave of Absence Contract with the District, is interrupted by serious accident or illness during the Sabbatical Leave of Absence, and the accident or illness is properly verified by a qualified physician, and this interruption does not extend over a period of time that would cause the purposes of the Sabbatical Leave of Absence to be abandoned, this interruption shall not constitute a violation of the Contract of Sabbatical Leave Agreement nor prejudice the unit member against receiving the rights and benefits provided for under terms of the Sabbatical Leave of Absence.

In cases where interruption due to accident or illness would preclude satisfactory completion of the Sabbatical Leave of Absence purposes, the Sabbatical Leave of Absence shall be terminated, and a Sick Leave of Absence shall be substituted by mutual agreement between the District and the unit member. If a Sabbatical Leave of Absence is terminated due to extended illness or serious accident, the Sabbatical Leave of Absence salary shall also be terminated, and the expenses drawn against the Sabbatical Leave Fund shall be terminated.

In all cases of serious accident or illness of a unit member on Sabbatical Leave of Absence, the Chancellor shall be promptly notified by Registered Letter via the U.S. Mail after occurrence or

medical diagnosis, and the Chancellor shall so notify the Sabbatical Leave Committee. While on Sabbatical Leave of Absence, if any material changes occur beyond the control of the unit member which may affect the contractual obligations of the unit member on Sabbatical Leave of Absence, he or she shall notify the Chancellor and a revised Contract of Sabbatical Leave Agreement may be written with the unit member if necessary. The Chancellor shall so notify the Sabbatical Leave Committee.

s. Modified Sabbatical Leave of Absence Purpose

A recipient is permitted to modify the approved Sabbatical Leave of Absence activity only in cases of serious and unforeseen circumstances, and only after approval by the Sabbatical Leave Committee.

The unilateral alteration of a Sabbatical Leave of Absence activity by a recipient, without obtaining prior approval by the Committee shall, in and of itself constitute a basis to disapprove the Sabbatical Leave of Absence Report or a particular objective therein.

In case the Sabbatical Leave of Absence activity, as approved by the Board of Trustees, or agreed upon in the Sabbatical Leave Contract with the District, must be changed due to unexpected undue hardship and/or other unusual or unforeseen circumstances, the unit member taking the Sabbatical Leave of Absence (or an agent representing the unit member if he/she is unable to communicate) shall immediately notify the Office of the Vice President, Academic Services in writing (email acceptable) of his/her respective college, who shall so notify the Sabbatical Leave Committee. This request to modify shall include the reason(s) for the modification, a description of alternative plan(s) including alternative objective(s) and method(s) for achieving the intended outcome.

This notification shall be made by verifiable written medium such as email, or U.S. Mail as a Certified or Registered Letter, shall state completely the reason(s) for the change, and include a complete description of any alternative plan [alternative objective(s), method(s) for achieving objective(s) and documentation]. The Sabbatical Leave Committee reserves the right to require verification of the circumstances causing the change.

The Sabbatical Leave Committee shall recommend its approval or disapproval of the requested change to the Chancellor for final approval in consultation with the appropriate College President. The Chancellor shall inform the Sabbatical Leave Committee, in writing, of his/her decision as soon as possible. A revised Contract of Sabbatical Leave of Absence Agreement may be written with the unit member if necessary. Should the need for approval of a change in the Sabbatical Leave of Absence activity occur at a time when the Committee Chairperson or the Committee is not available and a delay in receiving a response from the appropriate Vice President would

cause undue hardship for the unit member taking the Sabbatical Leave of Absence, the appropriate Vice President is empowered to act upon the request for change in Sabbatical Leave of Absence activity without the Sabbatical Leave Committee's recommendation. The appropriate Vice President shall inform the Sabbatical Leave Committee, in writing, of his/her action in these cases.

t. **Postponed Sabbatical Leaves of Absence**

A unit member who has had a Sabbatical Leave of Absence approved shall be entitled to postpone it under the following conditions:

- (1) The Sabbatical Leave Committee and the unit member agree; or
- (2) The Chancellor or his/her designee grants the postponement.

12-1B. Unpaid Sabbatical Leave of Absence

Any unit member with Regular status and employed fifty percent (50%) or more will be eligible for either a Paid or Unpaid Sabbatical Leave of Absence upon completion of six (6) full Academic Years of bargaining unit service (California Education Code 87768). These same service requirements shall apply each time an individual seeks a subsequent Sabbatical Leave of Absence, Paid or Unpaid.

For Unpaid Sabbatical Leaves of Absence, unit members are advised to refer to Articles [20B.2a](#) and [20C.2d](#) for impact issues regarding Unpaid Sabbatical Leaves of Absence and retirement.

Sabbatical Leaves of Absence Without Pay or Benefits, granted to the unit member for experiences which may be presumed to be of educational benefit to the students and the District, as determined by the Sabbatical Leave Committee, shall result in service credit up to a one (1) Academic Year maximum on the [Full-time Faculty Salary Schedule](#) for the period of the Unpaid Sabbatical Leave of Absence.

Application for [Full-time Faculty Salary Schedule](#) Step Advancement credit must be made in advance. See [Article 12-1A.7](#) for application – Sabbatical Leave of Absence.

A Letter of Intent shall not be required per [Article 12-1A.6](#). Applicants shall be notified no later than March 1st by the Vice Presidents, Academic Services through the Sabbatical Leave Committee of the Board of Trustees' action.

Sabbatical Leave Committee completes its review of the applications and forwards original documents (Letter of Intent to Apply for Sabbatical Leave of Absence, Application for Sabbatical Leave of Absence, and Workload Banking: Augment Sabbatical Salary) to the respective College Vice President, Academic Services' Office, who will forward a set of original forms for each approved applicant to the Office of the Vice Chancellor, Educational Services and Student Success **by the end of the Fall Semester** (Articles [12-1A.7](#), [12-1A.4g](#), and [12-1B](#)). If denied, see Appeal Process ([Article 12-1A.7a.](#)).

The Vice Presidents of Academic Services shall communicate the decision of the Sabbatical Committee by the end of the Fall Semester with a full explanation of the person's standing on the list for approval or non-approval. This communication shall be in a verifiable format (email is acceptable).

The unit member shall not have to serve a period of service in the employ of the District, which is twice the period of the Unpaid Sabbatical, following his/her return from said Unpaid Sabbatical. A Contract of Agreement and Sabbatical Report shall be required per [Articles 12-1A.9a. and 9b.](#) The following logistics shall apply with respect to the Contract of Agreement ([Appendix](#): Unpaid Sabbatical Leave of Absence (LOA) Contract):

- Human Resources shall mail the Sabbatical Leave of Absence Contract of Agreement to Board of Trustees approved applicants by April 1. This shall occur through a verifiable mailing system.
- Board of Trustees approved applicants will return signed Contract of Agreement to Human Resources no later than ten (10) days after receipt.
- Human Resources will verify with the Sabbatical Committee Chair through the Vice Presidents, Academic Services receipt of Board of Trustees approved applicant's Contracts of Agreements no later than April 30.
- If the Contract of Agreement is not signed within ten (10) days, then the Offer of a Sabbatical Leave of Absence shall be automatically withdrawn.
- Human Resources will obtain both parties signatures by the end of May. A copy will be sent through a verifiable mailing system to the Board of Trustees approved applicant.
- In the absence of signed Contract of Agreement, the Faculty Association-District Contract shall control and is binding on the Sabbatical Leave of Absence recipient.

If the Sabbatical Leave Committee finds deficiencies in the Sabbatical Report, the unit member shall not advance one (1) Step on the Full-time [Faculty Salary Schedule](#) upon his/her return to work at the end of the Unpaid Sabbatical Leave of Absence and shall not be eligible to buy the appropriate Service Credit from the California State Teachers' Retirement System (CalSTRS) or the California Public Employees' Retirement System (CalPERS) Service Credit.

Reports are due from the Faculty returning in either the Fall or Spring Semester to the Chairperson of the Sabbatical Leave Committee through the Vice Presidents, Academic Services on the first day of return to active service.

The Vice President, Academic Services at each college will send letters welcoming returnees back and informing them of the date their Sabbatical Leave of Absence Report sixty (60) days after the start of their return to active service. This process shall occur in June for those returning in the Fall Semester or after a full Academic Year, or in October for those returning in the Spring Semester.

The Sabbatical Leave Committee begins review of the reports from previous Spring Semester and previous Academic Year. The Committee shall complete the review no later than sixty (60) days after the beginning of the following semester or as soon thereafter as possible. Reports with Sabbatical Leave Committee approval or

disapproval shall be forwarded to the Chancellor through the College President for the Board of Trustees review.

If the Sabbatical Leave Committee acts affirmatively on the acceptance of the Unpaid Sabbatical Report, the District shall, if requested by the unit member, report said Unpaid Sabbatical Leave of Absence to the California State Teachers' Retirement System

(CalSTRS) or the California Public Employees' Retirement System (CalPERS) as an Unpaid Sabbatical Leave of Absence for the purpose of allowing the unit member to purchase said Leave as CalSTRS or CalPERS Service Credit. If the unit member requests the District to report the Unpaid Sabbatical Leave of Absence to CalSTRS or CalPERS, then the District shall report the Unpaid Sabbatical Leave of Absence to CalSTRS or CalPERS when the Sabbatical Leave Committee acts affirmatively on the eligible unit member's report.

It is understood that the unit member bears the full financial burden of purchasing this Unpaid Service Year of CalSTRS or CalPERS service credit. It is further understood that CalSTRS or CalPERS regulations control with respect to the granting of the respective Service Credit.

This provision shall be applied retroactively to all eligible unit members.

12-1C. Unpaid Leave of Absence (Not Sabbaticals) for Educational Benefit

Per [Article 21E.2](#), Unpaid Leaves of Absence (other than Sabbatical) granted to unit members for experiences which may be presumed to be of educational benefit to the students and the District, as determined by the Sabbatical Leave Committee, shall result in Service Credit on the [Faculty Salary Schedule](#) up to one (1) Academic Year. Application for this Leave must be made in advance to the Sabbatical Leave Committee. At the end of said Unpaid Leave of Absence, the unit member must submit a report to the Sabbatical Committee verifying that the objectives of the Leave of Absence were accomplished. The Sabbatical Leave Committee has the authority to determine if the Leave of Absence objectives were accomplished before the Step Advance shall occur.

ARTICLE 12-2

WORKLOAD BANKED LEAVE OF ABSENCE

12-2. Workload Banked Leave of Absence Policies

(See [Article 10D.9](#))

12-2A.1 Maximum Workload Banked Leave of Absence

Regular unit members may earn a maximum of one (1) semester Workload Banked Leave of Absence without loss of salary or benefits.

Sixteen (16) Calculated A Hours (CAHs) must have been banked in order to take a Workload Banked Leave of Absence in any proposed semester. A unit member may take a semester of Workload Banked Leave of Absence (LOA) while on Pre-retirement Reduction in Workload (See [Article 30](#) for this type of Leave of Absence). If the unit member is on Pre-retirement Reduction in Workload according to the terms of [Article 30](#), he/she shall be charged a proportional amount of Banked Load when applying his/her Banked Calculated A Hours (CAHs) toward a full semester's absence, commensurate to his/her Load obligation for that semester. For example, if the unit member's Load obligation is seventy-five percent (75%) for the semester in question, as per [Article 30](#), then he/she needs to apply seventy-five percent (75%) of sixteen (16) Calculated A Hours (CAHs), *i.e.*, twelve (12) Calculated A Hours (CAHs) from his/her Banked Load balance, to take that semester as a Banked Load Leave of Absence. Faculty cannot workload bank any hours over forty (40) scheduled hours per week.

- a. For Counseling Faculty, Library Faculty, and Special Assignments Faculty participating in a Workload Banked Leave of Absence, Calculated A Hour (CAH) equivalents for non-instructional service shall be computed according to [Article 10D.12](#). In these cases, the District shall maintain Load Sheets according to [Article 10D.9](#).

Unit members must request in writing if the overload earned is for banking or non-banked carryover at the time of the acceptance of the overload. Only overload that is properly requested on the official form shall go into the unit member's Workload Banked Account. See [Appendix](#): Workload Banking Request Form (Regular Unit Members only).

A unit member with an underload is not eligible to workload bank any hours until the underload is satisfied.

Any class taught for Load during Summer or Inter-session, whether units are banked or not, shall incur an obligation to serve office hours in accordance with [Article 17E.2](#).

- b. A unit member desiring to participate in Workload Banking shall use the [Workload Banking Request Form](#) (Regular Unit Members only) to request the transfer of a specified number of Calculated A Hours (CAHs) from his/her Non-Banked Carry-over into Banked Load, subject to the conditions below.
- c. A maximum of six (6) Calculated A Hours (CAHs) may be banked in any one (1) semester or Term (including Summer Session or Inter-session).
 - (1) These hours may be earned at any time during the Faculty member's one hundred and seventy-five (175) day contract, or during the Summer or Inter-session.
 - (2) Only CAHs within a positive Non-Banked Carry-over may be transferred to Banked Load; Banked Load shall never show a negative balance.
 - (3) If a unit member experiences a negative Non-Banked Carry-over (underage) at the end of any Academic Year, he/she may elect to reduce the underage by transferring a specified amount of CAHs from the Banked Load to the Non-Banked Carry-Over, as long as the CAHs transferred are less than or equal to the unit member's Banked Load balance.
- d. Unit members who intend to take a Semester Workload Banked Leave of Absence must submit their Workload Banked Leave of Absence request to their immediate supervisor and the appropriate College Vice President by March 15 for the following Fall Semester and by September 15 for the following Spring Semester. Sixteen (16) Calculated A Hours (CAHs) or the equivalent must be completed by the Term preceding the intended Workload Banked Leave of Absence, including Summer Session. Failure to accrue the mandatory Calculated A Hours (CAHs) or the equivalent by the Term preceding the intended Workload Banked Leave of Absence will result in either cancellation or postponement of the Workload Banked Leave of Absence. Approval or disapproval of the Workload Banked Leave of Absence request will be based on the impact of the Workload Banked Leave of Absence on the integrity of the unit member's program. Notification of approval or disapproval will be given to the unit member by April 15 for Fall Semester Workload Banked Leaves of Absence or October 15 for Spring Semester Workload Banked Leaves of Absence.
- e. In the event the Workload Banked Leave of Absence request is denied, an Ad Hoc Committee consisting of the following members will be convened by the College Vice President, Academic Services or the Vice President, Student Services to re-assess the potential program impact.
Members of the Ad Hoc Committee include:
 - (1) The College Vice President, Academic Services or the College Vice President, Student Services or his/her designee;

- (2) The unit member planning the Semester Workload Banked Leave of Absence; and
- (3) One unit member not planning a Semester Workload Banked Leave of Absence, mutually agreed to by the College Vice President, Academic Services or the College Vice President, Student Services and the unit member planning the Semester Leave of Absence.

This Ad Hoc Committee will make a written recommendation to the College Vice President, Academic Services or the College Vice President, Student Services who will review the recommendation of the Ad Hoc Committee and make a recommendation to the appropriate College President. The final decision will rest with the College President. The decision and its rationale will be sent in writing to each member of the Ad Hoc Committee.

- f. Limit on Load Bank. No unit member may bank more than seventeen (17) Calculated A Hours (CAHs) or equivalent. See [Article 10D.11](#).
- g. Commencing with the Fall Semester 2014, the requirement for Sixteen (16) Calculated A Hours (CAHs) will be required for all requested Workload Banked Leaves of Absence unless the unit member is on Pre-retirement Reduction in Workload according to the terms of [Article 30](#). See [Article 12-2A.1](#), above.
- h. Any class taught for Load during Summer or Inter-session, whether units are banked or not, shall incur an obligation to serve office hours in accordance with [Article 17E.2](#).

12-2A.2 Cancellation or Extension of Workload Banked Leave of Absence by The Unit Member

A cancellation of one (1) Academic Year extension may be requested from the College Vice President, Academic Services or the College Vice President, Student Services a minimum of one (1) semester in advance of the planned Workload Banked Leave of Absence (April 1 for Fall Semester, October 1 for Spring Semester).

12-2A.3 Frequency of Workload Banked Leaves of Absence

A Workload Banked Leave of Absence may be taken once in a three (3) Academic Year period.

12-2A.4 Restrictions on Taking Workload Banked Leaves of Absence

Workload Banked Leaves of Absence shall not be granted during the Summer Session nor during the semester immediately before or after a Sabbatical Leave of Absence.

12-2A.5 Accounting for Workload Banked Load Conversion of Workload Banked Load to Unbanked Load

- a. At the time a unit member Workload Banks Load hour in lieu of receiving overload pay, this money must be set aside in a specially identified fund for use by the college where the unit member is employed. These reserves must be accounted for semiannually.
- b. Accumulated Workload Banked units may be converted to Load by the unit member but only according to the terms of [Article 12-2A.1c\(3\)](#) above.

12-2A.6 Cashing Out Workload Banked Load

12-2A.6.1 Restrictions on Cashing Out Workload Banked Load

After July 1, 2005 a unit member shall not be entitled to cash out Workload Banked overload except under one (1) of the following circumstances:

- a. Exigent circumstances as decided by the District beyond the unit member's control; or
- b. Retirement; or
- c. Permanent movement from the unit position to another permanent position in the District; or
- d. Resignation from a permanent unit position but continuation as a Part-time unit member; or
- e. Termination from District employment; or
- f. Death of the unit member. The balance in the deceased unit member's account shall be paid to his/her estate.

12-2A.6.2 Guidelines for Cashing Out Workload Banked Load

Subject to [Article 12-2A.6](#) above, cashing out Workload Banked Load will occur under the following guidelines:

- a. The Workload Banked units shall be paid according to the prevailing Schedule of Part-time Faculty Salary Rates, at the Calculated A Hour (CAH) rate indicated for instructional assignments, at the highest step shown that is not greater than the unit member's current step on the Full-time [Faculty Salary Schedule](#).

Because Workload Banked Load commingles Load from both instructional and non-instructional service, it is understood that non-instructional pay rates cannot be applied when cashing out Workload Banked Load.

- b. A written request for cash out must be made at least thirty (30) calendar days before cash out is desired.

- c. A unit member wishing to cash out Workload Banked Load must submit a written request to the appropriate College Vice President stating the reason for the request according to the above guidelines and circumstances. Thereafter, the request shall be forwarded to the Office of Human Resources.
- d. When a Full-time unit member leaves the employment of the District, any unused Workload Banked overload shall be paid as described herein.

12-2A.7 Load Sheet

Effective Fall Semester 2012, unit member Load Sheets shall delineate banked versus non-banked overages in accordance with [Article 10D.9](#).

12-2A.8 Working While on Workload Banked Leave of Absence

Unit members on Workload Banked Leave of Absence shall be deemed eligible to perform overloads, for compensation on the [Part-Time Faculty Salary Schedule](#). See [Article 18B.1e.\(2\)](#).

ARTICLE 12-3

FACULTY EXCHANGE LEAVE OF ABSENCE

12-3A. Faculty Exchange Leave of Absence

Leaves of Absence may be granted during the Academic Year to Full-time Regular Faculty. Regular unit members who are approved may participate in a Personnel Exchange Program for a period not to exceed one (1) Academic Year under the provisions of Section 87422 of the Education Code, Temporary Exchange of Academic Employees. These Leaves of Absence shall be mutually agreed upon and determined on the basis of the following factors:

12-3A.1 Effect of Faculty Exchange Leave of Absence

There shall be no interference with the normal operations of the College or District, the educational program, proper instruction, or the provision of services to students.

12-3A.2 Costs

No additional cost to the District shall necessarily be incurred as a result of the exchange. However, the Board of Trustees may appropriate funds to encourage the program. These funds may be allocated to the unit member for actual and necessary expenses as are appropriate and specifically designated.

12-3A.3 Requirements

All exchanges shall be on a one-for-one basis, and visiting personnel shall meet District requirements for unit members in their classification of Instructional Faculty, Counseling Faculty, Library Faculty, or Faculty on Special Assignments, as appropriate. The District's unit member shall continue to receive salary, seniority, increments, and other benefits during the Leave of Absence. Salary, benefits, and other expenses of visiting exchange personnel shall not be the responsibility of this District.

12-3A.4 Reinstatement into Position

The unit member, upon expiration of the Faculty Exchange Leave, shall be reinstated in the position held at the time of the granting of the Leave of Absence unless agreed otherwise by the unit member and the District.

ARTICLE 13

TRANSFERS

13A. Faculty Transfers

A transfer refers to any action which results in the transfer of a Contract or Regular unit member from college to college and/or division/area to division/area within a college.

13A.1 Voluntary Permanent Faculty Transfers

Current Contract and Regular tenured unit members who request a transfer shall self-identify as current CLPCCD Full-time Faculty in the applicant tracking system, must meet the minimum qualifications for the opened position and must complete all application requirements that external applicants complete. This unit member shall be included in the initial interview round. All applicants shall be screened by the Office of Human Resources, who shall notify the appropriate managers of an internal applicant before the initial interview round.

13A.2 Voluntary Temporary Transfers (One or Two Semesters)

- a. Contract or Regular unit members may voluntarily transfer from one (1) service unit (e.g., discipline and/or college) to another, or they may divide their duties between service units.

Unit members already in the discipline which the unit member is transferring into shall be notified of the transfer when the transfer decision is final.

- b. Request to temporarily transfer shall be granted by the involved Vice Presidents on the basis of the criteria listed below:
 - (1) The transfer will enhance the efficiency of the District’s educational program and the transfer will not create an overload for the transferee;
 - (2) The unit member has the required Faculty Service Area (FSA) and minimum qualifications, majors or minors to perform the services required and seniority; and
 - (3) If all the factors noted above are equal, the bargaining unit member with the most seniority shall have preference.

13A.3 Involuntary Faculty Transfers

- a. Contract and Regular unit members may be involuntarily transferred from college to college, one instructional or service unit to another on the same campus, or they may be required to divide their duties between colleges or service sites provided that said involuntary transfer shall not occur unless the requirements set forth in items (1) through (4) below are satisfied. Unit members already in the discipline which the unit member is transferring into shall be notified of the transfer when the transfer decision is final. The following guidelines shall apply:

- (1) It is demonstrated by the District that there is a significant reduction in the need for the services provided by Instructional Faculty, Counseling Faculty, Library Faculty, or Faculty on Special Assignments, and other members of the bargaining unit, or it is demonstrated by the District that there is a valid educational need for the transfer. Upon request, written reasons for the transfer shall be provided by the District;
 - (2) No unit member shall be involuntarily transferred if there is another unit member with less District-wide seniority who is credentialed or meets the minimum qualifications to fill the vacancy, unless
 - (a) transferring the unit member with least seniority will disrupt the program, or
 - (b) transferring this unit member will not meet the educational needs of the other college. In this case, the reasons shall be stated in writing and the next least senior unit member shall be transferred. If the same condition prevails, the procedure shall be repeated until a satisfactory transfer can be made;
 - (3) The unit member to be transferred is given notice at least twenty (20) calendar days prior to the beginning of the semester except in unusual circumstances due to resignation, death, illness, accident, emergency leave, or physical catastrophe. In addition, unit members shall be notified seventy-five (75) calendar days prior to the beginning of the semester if their involuntary transfer will result in a new preparation. The seventy-five (75) day notice shall state the involved course(s)/assignment(s) being dropped and added, and the days, hours and locations now required by the involuntary transfer. [See Appendix: Transfer: Notice of involuntary Transfer](#); and,
 - (4) When a unit member has been subject to involuntary transfer, the timely application to voluntarily transfer back to the unit member's former position will be given preference over the filling of a vacancy in that position by a new hire or other Faculty transfer.
- b. A unit member may request a reduced Load as an alternative to an involuntary transfer.

13B. Transfer of Managers to Faculty: Voluntary or Involuntary

CONTRACT (UNTENURED) FACULTY EVALUATION

14A. Purpose

In the granting of tenure, a peer review process will be used to ensure that Contract (Probationary) Faculty demonstrate the qualities and performance necessary to meet professional responsibilities. Tenure derives from two (2) sources: the authority of the Chabot-Las Positas Community College District Board of Trustees, who ensures that the communities they represent are provided the best possible learning environment, and the college Faculty, who are obliged as professionals and specialists in their fields to provide a high-quality educational forum for learning. While the Board of Trustees and the Administrators it appoints set in place the guidelines for hiring effective Faculty and for evaluating their performances, the Faculty, represented by the Faculty Senates, have the responsibility under shared governance to implement these guidelines and to participate in the evaluation process. The Faculty Association has the responsibility to monitor contractual procedural due process aspects of the evaluation process. The mutual goal of the District administration and faculty is to hire qualified, diverse Faculty who are expert in their subject areas, skilled in their professional responsibilities, and sensitive to equal employment guidelines and community diversity.

Through an ongoing evaluation process, the decision to grant tenure generally occurs at the end of the fourth Academic Year for a Probationary Faculty unit member (hereafter referred to as a Contract unit member) (See [Article 14L.2](#), Footnote 2). In the normal process, the Tenure Committees, comprised of Faculty peers and Administrators, recommend to the Board of Trustees the appropriate Faculty for tenure.

14D. Frequency and Timeline

The following procedures apply to faculty evaluation during the first four (4) Academic Years of Contract Faculty employment. The first contract is for one (1) Academic Year, the second contract is for one (1) Academic Year, and the last contract (third and fourth Academic Years) is for two (2) Academic Years. This frequency and timeline conform

Only one (1) Academic Year of the immediately prior Temporary Leave Replacement (TLR) Faculty service shall count toward the Tenure Review Process. It is understood that this provision shall apply regardless of whether the tenure track position is in the same or related discipline as the Temporary Leave Replacement (TLR) Faculty assignment.

In addition, for unit members teaching asynchronous, synchronous, hybrid or Hyflex courses the evaluator will be granted access to Canvas or the currently employed LMS for the purpose of evaluation. The evaluator will be granted access for up to seventy-two (72) hours.

Both people shall sign this negotiated Class Visit Report Form. Additional visits may occur at the request of either the Level One Tenure Review Committee or the Contract Instructional Faculty unit member. For Contract Instructional Faculty unit members who teach primarily laboratory courses, this evaluation shall include visits in the laboratory setting.

When a Contract Instructional Faculty unit member has an offsite assignment as part of his/her Load, the respective program Faculty will implement procedures on negotiated forms to obtain information from the staff at the site regarding the Contract Instructional Faculty unit member's performance. This information will serve as only one (1) part of input into the Contract Instructional Faculty unit member's evaluation, and this information will be shared first with the Contract Instructional Faculty unit member and then with the members of the Level One Tenure Review Committee. See [Article 19D](#) and [Article 19C.3](#) for evaluation of online class.

c. Additional Class Visits

When additional relevant information (as defined by [Article 14F.4](#)) comes to the attention of the appropriate Administrator, the Contract Instructional Faculty unit member shall be subject to unannounced observations and evaluations by the appropriate Administrator into classrooms or work areas.

d. Summary of Student Surveys

A student survey shall normally be conducted in tandem with each of the classroom visits described above. Students shall be surveyed in no fewer than three (3) classes for each of the first and second Academic Year contracts. For the first and second Academic Year contracts, at least one (1) student survey should occur in the Spring Semester. Surveys for the third, two Academic Year contract shall occur during no fewer than two (2) classes in the Fall Semester for both Contract Academic Years. The Level One Tenure Review Committee shall be responsible for the distribution and collection of the surveys. The survey form used will be a standard negotiated form. The

This shall be done on a timeline as set forth at the initial meeting of the Contract Instructional Faculty unit member with the Level One Tenure Review Committee.

f. **Report of In-Class Visit**

The Contract Instructional Faculty unit member shall receive a written, signed report of the in-class visit within twenty (20) working days of the occurrence of the visit. Where the in-class visit is conducted by a Level One Tenure Review Committee member, failure to provide this report in a timely fashion shall not be deemed to be a violation of the evaluation process.

14F.3 Appropriate Administrator's Review

The appropriate Administrator will write a review of the Contract Instructional Faculty unit member's performance, based upon information such as Class Visit Reports, the Contract Instructional Faculty unit member's narrative description of the assignment (first Academic Year) or Professional Review (second, third, and fourth Academic Years), the Contract Instructional Faculty unit member's fulfillment of collegial responsibilities, Administrative Summary and Evaluation based on applicable contractual faculty standards including: fulfillment of collegial responsibilities, excellence in working with students, participate in program and subject areas improvement tasks, meet deadlines and submittal of grades and Census Reports, and meet additional specific standards for Instructional faculty, and other relevant information. Other relevant information pertinent to the evaluation process may include documents from the Personnel File (see [Article 16-1](#)). The Level One Tenure Review Committee shall not consider information about the private life, religious, political and/or organizational affiliations, or sexual preferences of the Contract Instructional Faculty unit member. No anonymous letters or material shall, in any form, be used in the evaluation process except that student surveys of the Contract Instructional Faculty unit member done on negotiated student survey forms shall be anonymous in order to protect the identity of the student. Any substantiated information which the appropriate Administrator has and which is relevant to the Faculty Standards shall be shared with the Level One Tenure Review Committee and the Level Two Tenure Review Committee, and the new information shall require the Level One Tenure Review Committee to reconvene and meet with the Contract Instructional Faculty unit member, who shall be given an opportunity to respond in writing within a timeline agreed upon between the Faculty Association President and the Chancellor or their designee(s). The response from the Level One Tenure Review Committee and from the Contract Instructional Faculty unit member shall be submitted to the Level Two Tenure Review Committee per the timeline agreed to by the Chancellor and the President of the Faculty Association. The Level One Tenure Review Committee may revise its initial Level One Report and Recommendation.

15C.11 Evaluation of Faculty Teaching Distance Education Courses and Performing Other Online Services

See [Article 19F](#)

15D. Frequency and Timeline

There are two (2) different types of evaluation: regular scheduled and nonscheduled. Each type must follow the Faculty Standards and timelines articulated in this Article.

All Regular (Tenured) unit members will undergo a regular scheduled evaluation once every three (3) Academic Years. The three-year period is measured from when the process should have last begun (i.e., if an evaluation should have started Fall 2010, the next must be started and completed in Fall 2013).

This regular scheduled evaluation cannot be deferred except by a negotiated agreement between the District and the Faculty Association.

A nonscheduled evaluation will only occur under the conditions stated in Article 15.D.2 below. The process for a nonscheduled evaluation is the same as for a regular scheduled evaluation except for the special expectations articulated in Articles 15D.2 and 15D.3a below.

15D.1 Regular Scheduled Evaluation

Evaluation for an individual unit member shall occur once every three (3) Academic Years. See [Article 15D](#) above.

15D.2 Non-Scheduled Evaluations

If the College Vice President, Academic Services or College Vice President, Student Services becomes aware of Faculty performance issues which appear to indicate a need for improvement, the appropriate College Vice President will consult with the unit members' most recent Peer Review Committee, and the

Committee will consider and may recommend options for a follow-up nonscheduled evaluation. If one or more of the Peer Review Committee members is unavailable (i.e., on Leave of Absence, or no longer in active service in the District), the Vice President will consult with those members who are currently available. It is understood that this nonscheduled evaluation will take place out of sequence from the three (3) Academic Year evaluation cycle described in [Article 15D.1](#) above.

When possible, a meeting with the unit member and the Peer Review Committee will take place prior to any recommendation for a nonscheduled evaluation. If a nonscheduled evaluation is ultimately elected, it will be conducted by a special Peer Review Committee established for this purpose in accordance with [Article 15F.1b](#).

15D.3 Timelines for Regular Scheduled and Nonscheduled Evaluations

As stated above in [Article 15D.1](#), the entire evaluation shall take place within a single semester, with the documents to the appropriate Vice President by the end of the semester. The following timeline shall be observed during the semester in which the review takes place:

- a. For nonscheduled application only: Identification of, and notice to, a unit member evaluatee and his/her most recent Peer Review Committee within thirty (30) days of the date upon which the appropriate Vice President became aware of issues nominally indicating a need for improvement (applies to nonscheduled evaluation only);
- b. Submission by the Peer Review Committee of the Peer Review Report to the unit member evaluatee, in a private confidential meeting, by the end of the semester; and
- c. A copy of the Peer Review Committee's Report and all supporting documents, with the unit member evaluatee's response, shall be routed to the appropriate Administrator, appropriate College Vice President and the College President, and then forwarded to the unit member evaluatee's District Personnel File, see [Article 16-1](#).

- (1) Regular Evaluation:

The Peer Review Committee shall consist of two (2) Regular (Tenured) Faculty members, one (1) of whom shall be from the unit member evaluatee's Division.

If one member of the Peer Review Committee does not complete his or her duties during the assigned semester, then the outstanding evaluation shall be completed during the following semester without a need to repeat any portion of the process that was already performed. It is understood that this follow-up evaluation may be performed by a new Peer Review Committee member, with his/her name drawn in a manner consistent with [Article 15F](#).

15E. Evaluation Components and Procedures

Training sessions to prepare Faculty to perform evaluations shall be conducted on an annual Academic Year basis as part of Faculty Association activities. Each appropriate Administrator shall be required, by the end of the third week of the Academic Year, to submit a schedule for conducting Regular (Tenured) Faculty evaluations to the appropriate Vice President. The parties understand and agree that the District has the authority and obligation to investigate complaints, reports and/or other credible information that a unit member has engaged in misconduct. The parties further understand and agree that unit members are entitled to be presumed innocent of wrongdoing during the investigation process and are entitled to certain protections during the investigation process. This Article incorporates the mutual agreement of the parties set forth in their Settlement Agreement and Memorandum of Understanding adopted in PERB Case No. SF-CE-2886-E. [See Appendix](#): PERB Case No SF-CE-2886-E.

16-2.2 Misconduct Investigation Defined

A misconduct investigation is a District-initiated investigation of a unit member into allegations that the unit member has violated District policy and/or law, based on information received from a formal or informal complaint made by an identifiable author; a report of misconduct; manager observations; or other credible sources of information. An investigation is initiated at the point that the District determines to go beyond meeting with the accuser and the accused to interview other potential witnesses. An anonymous accusation shall not form the basis for initiating an investigation.

16-2.3 Non-Investigatory Interviews

The parties understand and agree that in the day-to-day operation of the District, managers and unit members meet regularly to share information. These are not investigatory interviews. However, the parties further understand and agree that, if a manager reasonably expects that such a meeting may elicit information that warrants discipline, the manager shall notify the unit member in advance. The unit member so notified shall have the right to bring the appropriate College Faculty Association Grievance Officer or his/her designee to the meeting. In addition, a unit member may act independently to bring the appropriate Faculty Association Grievance Officer or his/her designee to the meeting if the unit member reasonably believes that it could lead to discipline.

16-2.4 Notice of Investigation

[See Appendix](#): PERB Case No SF-CE-2886-E.

An employee who is under investigation shall be sent an Employee Notification Summary form no later than five (5) business days before his/her appointment for an investigatory interview. The negotiated form is attached to this Agreement. [See Appendix](#): Notification Procedure for Faculty investigation.

The form is intended to provide employees subject to misconduct investigations with a description of the subject matter of the investigatory interview, and shall include the following:

a. An introductory statement that:

- (1) The District takes a neutral stance when investigating possible misconduct and no findings of wrong-doing have been made;
- (2) The District maintains the confidentiality of the investigation to the fullest extent possible;
- (3) No findings will be made prior to completion of the investigation, and the investigation will not be closed until after the scheduled date of the employee's interview;
- (4) The information received could lead to discipline and the employee is entitled to have representation at the meeting;
- (5) The investigation is confidential and the employee should refrain from discussing it with other members of the campus community while the investigation is pending (except for the purpose of receiving representation during the investigation or exercising other rights as recognized under the Educational Employment Relations Act (EERA));
- (6) Every effort will be made to complete the investigation within ninety (90) days of when the District first received the complaint or information triggering the investigation. Where this is not possible two things will occur: the employee will receive a status update on where the District is in its investigation and when it expects to be completed; and the District and the Chabot- Las Positas Faculty Association will have a check-in meeting in person or by telephone;
- (7) The employee will receive notice of the findings of the investigation, and whether the allegations investigated were or were not sustained;
- (8) In the event the investigation leads to disciplinary action, the employee will be afforded all of the pre-discipline due process rights to which he/she is entitled. This includes providing the employee, and Chabot-Las Positas Faculty Association with the employee's consent, with a copy of the information relied upon to issue the charges; and
- (9) District policy and law prohibit retaliation of any kind against anyone the employee believes to have provided information or otherwise cooperated in the investigation, and that such conduct constitutes an independent basis for serious discipline up to and including termination.

b. A summary of the subject matter of the interview including:

If appropriate, and at the discretion of the Vice Chancellor of Human Resources or his/her designee, the name of the complainant(s), or individual(s) whose concerns caused the District to initiate an investigation. To the extent the Collective Bargaining Agreement (CBA) provides for greater notice, the CBA prevails;

- (1) What allegedly occurred. The employee shall be entitled to a description of the subject matter or allegations of the investigation;

- (2) When the incident(s) allegedly occurred. The notice will be as specific as possible, based on the information available at the time the Notice is given; and
- (3) Where the incident(s) allegedly occurred. The notice will be as specific as possible, based on the information available at the time the Notice is given.

16-2.5 Placement on Paid Administrative Leave of Absence While an Investigation is Pending

Placement of a member on Paid Administrative Leave of Absence while an investigation into alleged misconduct is pending shall conform to the following standards and procedures:

- a. Placement on Paid Administrative Leave of Absence while an investigation is pending constitutes a nondisciplinary action;
- b. Placement on Paid Administrative Leave of Absence shall not be automatic and it is not an action that the District takes lightly. The District will not take this step unless:
 - (1) The allegations, if true, indicate that the employee poses a safety threat to him/herself or others;
 - (2) The allegations, if true, involve harassment, retaliation and/or dishonesty; and/or
 - (3) Other extenuating circumstances with the written approval of the Chancellor, which approval will state the nature of the extenuating circumstance.
- c. The notice placing an employee on Paid Administrative Leave of Absence will provide information about the Leave, including but not limited to:
 - (1) The basis or bases on which he/she is being placed on Paid Administrative Leave of Absence;
 - (2) That, as this investigation could lead to discipline, the employee is entitled to representation during his/her investigatory interview;
 - (3) That placement on Paid Administrative Leave of Absence constitutes a directive not to attend work or perform work duties and that the employee is not to be present at work or in the work area without prior written consent; and
 - (4) That placement on Paid Administrative Leave of Absence does not constitute a directive to stay away from public events or public areas of campus.

16-2.6 Completion of Investigation and Notice of Completion

Every effort will be made to complete the investigation within ninety (90) days, and where this is not possible, the member under investigation will receive a status update on where the District is in its investigation and when it expects to be completed.

16-2.7 Security of Investigation Files

In the event that an investigation does not lead to discipline, the District confirms that it is its practice, and will continue to be its practice to maintain the investigation file in a secure location, separate and apart from the employee's Personnel File ([See Article 16-1B.7](#)). Further, access to these files shall be on a "needs to know" basis only, as determined by the Vice Chancellor of Human Resources.

ARTICLE 16-3

DISPOSITION OF COMMUNITY COMPLAINTS AND STUDENT GRIEVANCES

16-3.1 Community Complaints

- a. A community complaint is any written complaint by an identifiable author (other than a student) alleging that a unit member has violated District policy to his/her detriment and that he/she seeks a remedy.
- b. If the Office of Human Resources determines that the complaint requires an investigation consistent with the standards set forth in [Article 16-2](#), then the notices and procedures set forth in [Article 16-2](#), investigation of Unit Members, shall apply to the disposition of the complaint.
- c. If an investigation is not initiated, the following timelines and procedures shall apply:
 - (1) The complaint shall be presented to the Faculty member by the Administrator receiving the complaint as soon as possible but no later than ten (10) instructional days after it was received. If the Faculty member is not available within this time frame, the complaint shall be presented upon the Faculty member's return to work.
 - (2) The appropriate Administrator and affected Faculty member shall meet to review the complaint. At the request of the Faculty member, a Faculty Association Officer or member may accompany the Faculty member to the meeting. The appropriate Administrator shall also meet with the complainant to clarify the issue. If the appropriate Administrator determines that a meeting between the complainant and affected unit member is appropriate, he or she will call the meeting and the affected member shall attend. Further, the affected unit member shall have the right to request a meeting with his or her appropriate Administrator and other affected parties, to attempt to settle the allegations informally.
- d. Complaints which are withdrawn, shown to be false, or not sustained, shall not be placed in the Faculty member's Personnel File and shall not be utilized in any evaluation or disciplinary action against the Faculty member. Such documents shall be retained in a separate and secure file within the Office of Human Resources to the extent required by the laws regulating the retention of public records. Further, access to these documents shall be on a "needs to know" basis only, as determined by the Vice Chancellor of Human Resources.
- e. Placement of a sustained complaint in a unit member's Personnel File must comply with the protections and restrictions on placing derogatory information in the Personnel File set forth in [Articles 16-1](#) and [16-2](#), including the right to notice and the opportunity to attach a response.

16-3.2 Student Grievances

- a. Students are provided with a complaint process pursuant to Board of Trustees [Board Policy and District Administrative Rule 5530](#). These complaints are referred to as student grievances.
- b. If a student files a grievance about a unit member, it shall be provided to the unit member within ten (10) instructional days of when it is received, unless the information pertains to a class that is currently in session, and in which the student grievant is enrolled. If the complaint relates to a class where the grievant is currently enrolled, the affected unit member shall still be informed of the existence of the allegations unless doing so would be likely to reveal the identity of the student complainant. Whether or not general notice of the allegations is provided while class is still in session, the grievance will be provided to the unit member no later than ten (10) work days after the grades for the class are filed at the completion of the Academic Term.
- c. If the grievance pertains to a grade assigned by the unit member, or other matters related to academic freedom or academic fairness, the unit member shall be consulted as part of the effort to resolve the matter, consistent with [District Administrative Rule 5530](#). The unit member shall have the right to review all pertinent document(s).
- d. The unit member shall have the right to provide a written response to the grievance consistent with [District Administrative Rule 5530](#). To the extent the member prepares a written response, it shall be attached to the document(s) in any folder such documents are held. Further, the affected unit member shall have the right to request a meeting with his or her appropriate Administrator and other affected parties to attempt to settle the allegations informally.
- e. If the grievance leads to a misconduct investigation, the procedures and protections of [Articles 16-1](#) and [16-2](#) shall apply.
- f. If the student grievance leads to a grade change, per the recommendation of the Academic Fairness Committee or Student Grievance Committee, the procedure in [Article 9L.4](#) shall apply.

ARTICLE 17

SUMMER SESSION AND/OR INTER-SESSION ASSIGNMENTS

See [Article 10D.10b.](#) for timeline to request Summer Session and/or Inter-session assignments.

17A. Summer Session and/or Inter-Session Assignments for Contract and Regular Unit Members

Unit members may make suggestions regarding Summer Session and/or Inter-session offerings through the Enrollment Management process (see [Article 26.](#) Summer and/or Inter-session assignments shall be offered to Contract and Regular unit members for acceptance prior to making offers to Part-time unit members. Summer Session and/or Inter-session assignments to Contract and Regular unit members shall follow the terms of [Article 10D.10](#) and [10D.11.](#)

17B. Summer Session and/or Inter-Session Wage Rates

17B.1 Summer Session and/or Inter-Session Wages for Qualified Contract and Regular Faculty

Contract and Regular Faculty, including Instructional Faculty as well as Counseling Faculty and Library Faculty, who perform work during Summer Sessions and/or Inter-sessions shall be compensated for that service in accordance with the Schedule of Part-time Faculty Service Rates.

a. Minimum Step Placement for Summer Session Service

Nominally, placement on the Faculty Schedule for Summer Session service shall be consistent with the unit member's placement for overload service during the Academic Year, however a minimum placement shall apply:

If the unit member has completed at least one (1) Academic Year of Full-time Faculty service, then his/her minimum Step on the Schedule of Part-time Faculty Service Rates, for work during Summer Sessions and/or Inter-sessions, shall be minimally the same as the unit member's Full-time Faculty Step, up to Step Six (6).

b. Applicability of Summer Session Service to Step Advancement

All Summer Session service shall count towards the unit member's advancement on the Schedule of Part-time Faculty Service Rates for overload service in accordance with [Article 21I,](#) regardless of whether it counted in the past, and regardless of whether the minimum Step placement in Section (a), above, is applicable.

17B.2 Provision for Regular and Contract Athletic Directors, Athletic Trainers, Nursing Clinical Skills Laboratory Instructor, Director of Nursing, or Faculty on Alternative Duty/Special Assignments

Alternative Duty or Special Assignments performed during the Summer Session shall be compensated in accordance with the “F” Hour rate. Those positions that are considered Full-time Faculty Alternative Duty, including but not limited to campus Athletic Directors, Athletic Trainers, Director of Nursing, and the Nursing Clinical Skills Laboratory Instructor, shall each receive a minimum allotment of four and a half (4.5) Calculated A Hours (CAHs) for Summer Session work.

17C. Summer Session and Inter-Session Sick Leave

Sick Leave for Summer Session and Inter-session assignments shall normally accrue to, and be utilized from, the unit member’s Part-time Faculty Overload Sick Leave balance, in accordance with [Article 11A.3](#).

17D. Summer Session and Inter-Session Office Hours

Unit members teaching in Summer Session or Inter-session on a Part-time Faculty or overload basis are entitled to one (1) paid office hour per week for every three (3) Calculated A Hours (CAHs) of instruction, excluding activity hours courses, or courses taught exclusively in individualized learning laboratories/centers. Summer Session office Hours will be compensated in accordance with the rate specified in [Article 21G.1f](#) for unit members teaching for Load, see [Article 17E](#) below.

17E. Application of Load to Summer Session and Inter-Session Assignments

Regular or Contract unit members may perform Summer Session or Inter-session assignments as part of their annual Academic Year Load requirement. Regular unit members may perform Summer Session or Inter-session assignments or for Workload Banking. for general provisions, limitations, and impact on professional obligations, see [Article 10D.c](#); and [Article 12-2](#) for Workload Banking definition.

17E.1 Sick Leave of Absence Impact

For assignments performed for Load, whether Workload Banking or not, Sick Leave of Absence shall be deducted at the rate of one (1) day for each day the unit member is absent due to illness or Personal Necessity Leave of Absence. It is understood that this deduction on the basis of days shall not alter the practice of hourly deduction for Summer Session Sick Leave of Absence when a unit member performs Summer Session service for overload.

17E.2 Office Hour Obligation

If a unit member performs a Summer Session Instructional Faculty Assignment for Load in accordance with [Article 10D.c](#), whether Workload Banking or not, he/she shall incur an office hour obligation at the rate of five (5) total office hours per Calculated A Hour (CAH), over the duration of the course. for example:

- Three (3) Calculated A Hours (CAHs) Load in Summer Session or Inter-session incurs an obligation to serve fifteen (15) office hours, typically two and a half (2.5) weekly office hours if the class runs six (6) weeks.
- Five (5) Calculated A Hours (CAHs) Load in Summer Session or Inter-session incurs an obligation to serve twenty-five (25) office hours, typically three (3) weekly office hours if the class runs eight (8) weeks.

When a Regular and Contract unit member's Instructional Teaching Assignment for Load is less than one hundred percent (100%) in Fall or Spring Semester as a result of exercising this provision, the unit member's office hour obligation for that semester shall be reduced in accordance with [Article 10D.3a \(1\)](#).

ARTICLE 18

PART-TIME FACULTY

18A. Notification of Contract and Temporary Leave Replacement (TLR) Faculty Vacancies

18A.1 Vacancy Postings

The District shall notify all Part-time Faculty sixty (60) days before the beginning of each semester, Inter-session and Summer Session of all Contract or Temporary Leave Replacement (TLR) unit member vacancies.

If a vacancy becomes available less than sixty (60) days before the beginning of a Semester, Inter-session or Summer Session, then this notification shall occur as soon as the vacancy is known to the District.

Vacancies are positions not filled by permanent unit members as part of their regular assignment or as part of an overload assignment. Notification shall be made by hard copy through Faculty mailboxes and on designated bulletin boards and by electronic mail. It is understood that weekly electronic distributions from the office of Human Resources shall continue.

Part-time Faculty shall inform the Office of Human Resources of their intent to apply for Contract and Temporary Leave Replacement (TLR) vacancies by submitting a District Faculty Application within a published deadline.

18B. Employment Rights

The parties recognize the provision of Education Code 87665 which states, “The Governing Board may terminate the employment of a Temporary Part-time employee at its discretion at the end of a day or week, whichever is appropriate.”

18B.1 Part-Time Faculty Seniority

a. College

The Office of Human Resources shall be responsible for verifying and maintaining a separate Seniority List for each college-specific Discipline. Disciplines shall be defined according to the Discipline List as adopted by the State Board of Governors of California Community Colleges and college-specific disciplines as negotiated. The latest version of the Disciplines List shall be on file in the Office of Academic Services and the Office of Student Services. A Part-time unit member may accumulate separate Seniority placement(s) in more than one (1) Discipline, by establishing service in one or more additional Disciplines. When a Part-time unit member seeks an assignment in a new Discipline for which they are qualified, the hiring or onboarding practices of the indicated department shall apply.

(1) The Faculty Association Right to Review the Seniority List

The Faculty Association retains the right to review the Seniority List and the process for determination of placement on the List at will. Within two (2) work weeks of requesting said review by the Faculty Association, the District shall make all the relevant documents available.

(2) Date Seniority List Posted Publicly

A draft Seniority List for the following Academic Year will be posted on or before October 15. The District will notify all Part-time unit members and the Faculty Association by email when the college-specific discipline Seniority list(s) will be made available for review in appropriate Administrators' Offices. This notification shall remind unit members of their right to contest their placement. Part-time unit members shall have two (2) work weeks from the posting to contest their placement on the List in writing to their appropriate Administrator, who shall work with Human Resources to ensure due diligence. The final Seniority List shall be stamped with the date and posted on or before November 10.

(3) Signature of Appropriate Administrator

The appropriate Administrator shall sign the Seniority List for his/her division at the time of its posting in the division.

b. Determination of the Date of Initial Service

For Part-time unit members hired in Fall Semester, 2006 or later, Seniority shall be based on his/her date of initial Term of service in the college-specific discipline. Seniority shall not be attributed on a rotational basis. Initial and/or continued placement on the Seniority List is dependent on the unit member's receiving "Satisfactory" evaluations. Further, all other employment rights criteria in this [Article 18B](#) shall be met for placement on the Seniority List.

New Part-time unit members will be given a provisional lottery number by Human Resources in cooperation with the Faculty Association for the first five (5) semesters of employment (Fall and Spring or Spring and Fall depending on date of hire). After five (5) semesters, if a "Satisfactory" evaluation has been received or no evaluation has occurred, the new Part-time unit member will be moved to the appropriate college-specific discipline Seniority List(s).

The first day of the Term in which a unit member begins work in a college-specific discipline shall normally be the unit member's date of hire for Seniority purposes (or Seniority Date) in that discipline. In the event that the unit member was hired after the beginning of the semester (*e.g.*, to teach a late-start class), the Seniority Date shall be the Monday of the week in which the assignment formally begins. If two or more-unit members in the same discipline have the same initial date of service, then their respective placement shall be determined by lottery. The lottery draw will occur no later than September 15th for Fall Semester, February 15th for

Spring Semester, and the second week of the Summer Session or Inter-Session. Any Part-time unit member hired after the lottery draw for the specific Term will be given the next available lottery number.

(1) Break in Service

A break in service at the unit member's assigned college of three (3) consecutive semesters (not including Summer Sessions or Inter-sessions) in a college-specific discipline shall result in the unit member's name being removed from that college's discipline Seniority List, except in cases of extenuating circumstances described in Subsection two (2) below. After said break, the unit member shall have to establish a new date hire upon rehire in that discipline at that college, as follows:

- a. The first day of the Term in which the unit member returns to paid service in the discipline shall be the unit member's new date of hire in that discipline for Seniority purposes.
- b. The returning unit member shall be considered senior to other new faculty whose initial service in the discipline is the same date of hire established per paragraph (a) above, and shall not be subject to the lottery described above.

Notwithstanding the above, unit members shall retain their seniority ranking in a college-specific discipline during periods in which they have a paid Summer Session service each Fiscal Year.

(2) Extenuating Circumstances—Not Considered A Break in Service for the Purpose of Seniority

An absence of service shall not be considered a break in service, or otherwise count towards a break in service described in [Article 18B.1b.1](#) above, if the Part-time unit member is not given an assignment due to a Reduction in force, bumping by a Full-time unit member, class cancellation due to low enrollment, active military service as defined in [Article 11H](#), or if the unit member is unable to accept an assignment for extreme personal reasons as determined and mutually agreed upon by the District and the Faculty Association, or in order to accept a Temporary Leave Replacement (TLR) Full-time Instructional, Counseling, Library or Special Assignments Faculty position at another Institution of higher education, or some other temporary academic appointment (*e.g.*, a Fulbright scholarship). With extenuating circumstances, an absence in service that exceeds three (3) full calendar years shall result in the unit member's name being removed from the affected college-specific discipline Seniority List.

(3) Retirement from CalSTRS or CalPERS or Social Security

The process of retiring from CalSTRS, CalPERS or Social Security shall not impact a Part-time unit member's position(s) on the Part-time Seniority Lists. Notwithstanding, the provisions around Break-in-

Service, specified in paragraph (1) above, shall apply.

(4) Previous Full-Time Not Emeritus Retired Status

Effective January 1, 2020, in the event that a Full-time unit member resigns without retiring from CalSTRS, CalPERS or Social Security, and is subsequently rehired as a Part-time Faculty member, for Seniority purposes he/she shall be treated as a new hire. The new date of initial Term of service shall be the first day of the Term when the unit member returns to service as Part-time Faculty, pursuant to [Article 18B.1b](#).

(5) Resignation

If a Part-time unit member formally resigns from his/her position, he/she will then be removed from the applicable Seniority Lists. After said resignation, the unit member shall have to establish a new date of initial Term of service upon rehire in that discipline at that college. The first day of the Term in which the unit member returns to paid service in the discipline shall be the unit member's new initial date of service in that discipline for Seniority purposes.

c. Part-Time Unit Members Hired Prior to Fall, 2006

For Part-time unit members hired prior to Fall Semester, 2006, the date of initial service in the college-specific discipline(s) shall be as previously determined. Notwithstanding, the provisions concerning Break-in Service and Resignation, shown above, shall pertain (Procedures for determining the date of initial Term of Service can be found in the 2015-18 Collective Bargaining Agreement).

d. Distribution of Assignments

Assignments to Part-time Faculty will be based first on program needs. District Program needs shall have priority over the Part-time Seniority List(s). See [Article 18B.2](#) below. Part-time unit members who are on more than one Seniority List should be offered assignments in each discipline/area in which they have seniority according to availability of assignments. Deans are encouraged to coordinate their assignments for such a faculty member. Notwithstanding, a Part-time unit member who is on more than one Seniority List is not guaranteed assignments per the above suggestion.

e. Order of Assignments

The order of assignments for the Academic Year and Summer/Inter-session shall be according to the following priority:

- (1) To all Contract, Regular, and Temporary Leave Replacement (TLR) Faculty for Load;
- (2) To Contract and Regular Faculty for overload for extra pay and Summer/Inter-session, in accordance with the Load limits defined in [Article 10D.11](#) (see Articles also [10D.10](#) and [17E](#)). Minimum qualifications shall be used to determine overload, Summer Session and Inter-session assignment eligibility.

This provision applies to Regular Faculty on Workload Banked Leave of Absence, see [Article 12-2A.8](#).

See Articles [10D.11](#) and [12-1A.3h](#) for exception if Regular Faculty is on a Sabbatical Leave of Absence;

- (3) To retirees with Emeritus Status (see [Board of Trustees Policy 7800](#) for Emeritus Status) at the District's discretion. Retirees will not be placed on the Part-time Seniority List, and they shall be subject to the evaluation process outlined in this [Article 18I.1](#). Emeritus Faculty are encouraged to fill out an Assignment Preference and Availability form on a yearly basis;
- (4) To existing or newly hired Part-time Faculty in order to fulfill one (1) or more program need(s) according to [Article 18B](#). (includes non-Emeritus Faculty who resigned—see [Article 18B.1.b2](#). above.);
- (5) To Temporary Leave Replacement (TLR) Full-time Faculty for overload.

It is understood that prior to making offers to Part-time unit members, Summer Session and Inter-session assignments shall be offered to Contract and Regular unit members.

f. [**Assignment Preference and Availability Form**](#)

Part-time unit members shall complete an Assignment Preference and Availability form each year for the subsequent Academic Year. The Assignment Preference and Availability form shall be emailed via campus email no later than the first week in December by their appropriate Administrator's Office. In the event that the Part-time Faculty member is hired after the first week in December, he/she shall be given the opportunity to submit an Assignment Preference and Availability form within two (2) weeks of hire pursuant to this Article. The Assignment Preference and Availability form shall request Part-time unit members to indicate their interest and availability for a(n) assignment(s) each Semester or Inter-session or Summer Session consistent with [Article 18C.3](#). The Assignment Preference and Availability form shall be provided in the form of a fillable PDF document, either from the Office of the Dean for their respective Division, or by the Part-time unit member acquiring the document on their own. The Part-time unit member shall return the form to his/her appropriate Administrator's Office, via campus email, no later than the first Friday after the start of Spring Semester, to be considered for assignments for the immediately following Summer Sessions and Academic Year. In the event a Part-time unit member does not submit a preference form by the established deadline, that Part-time unit member risks losing his/her seniority preference when classes are assigned. [See Appendix](#): Assignment Preference and Availability form: Part-time Faculty.

The appropriate Administrator shall keep the returned Assignment Preference and Availability form for one (1) Academic Year and shall produce it within five (5) days if requested by the Part-time unit member or the Faculty Association. The unit member may update the Assignment

Preference and Availability form every Academic Term, including Summer Session, in advance of the distribution of assignments so as to keep the Assignment Preference and Availability form current as to the unit member's availability.

g. Part-Time Unit Member Assignment Guidelines

After Full-time Faculty receive overload assignments according to [Articles 10D.b](#), [10D.10](#), and [17A](#), and Emeritus Faculty receive assignments at District discretion, according to [18B.1.e](#) above, the appropriate Administrator may reserve up to twenty percent (20%) of the total Full-time Equivalent Faculty (FTEF) allocated to the discipline to assign at his/her discretion, see [Article 18B.1d](#) above.

For any term (including Summer and Inter-session), Part-time unit members shall be offered an assignment of maximum Load requested, up to sixty-seven percent (67%) [10.05 Calculated A Hours (CAHs) or equivalent], that is workable within the constraints of the available college-specific discipline assignments, in order of Seniority, and per availability as provided on the Assignment Preference form, before the next senior Part-time unit member receives his/her assignment. Offers of assignment will be made via campus email. The process shall continue until all Part-time assignments have been distributed. The unit member has the right to decline any or part of the offered assignment without penalty.

- (1) Part-time unit members have forty-eight (48) hours to accept the assignment. At the time assignments are made, the most current Seniority List will apply. Administrators will make a reasonable attempt to not offer assignments during weekends and holidays.
- (2) If a course of instruction, Counseling Faculty hours, Library Faculty hours, or other assignments become available after the procedure for making assignments has begun, these shall be assigned to unit members, taking into account program needs, in the exact manner and order described in [Article 18B.1e](#) above. When assignments are made from the Seniority List in this circumstance, the offering of the assignments will start with the most senior Part-time Faculty who has less than a sixty-seven percent (67%) Load already assigned that is workable within the constraints of the available college-specific discipline assignments. No unit members, Contract, Regular, Temporary Leave Replacement (TLR) or Part-time, are allowed to change or modify their original assignment when taking new assignments under this circumstance. At the time assignments are made, the most current Seniority List will apply.
- (3) Part-time unit members offered an assignment within thirty (30) days of the start of the assignment shall have twenty-four (24) hours to respond. If no response has been received within twenty-four (24) hours, the appropriate Administrator shall follow the order of Seniority in offering the assignment consistent with [Article 18B.1e](#) above.

(4) Guidelines Specific to Part-time Counseling Faculty:

Effective Spring Semester 2023, for every block of five (5) weekly Counseling hours scheduled for direct student contact, Part-time Counseling Faculty shall be scheduled for an additional half (0.5) hour for the purpose of proactive follow-up with students via telephone and electronic mail. This provision shall also apply to Full-time Counseling Faculty performing Counseling Faculty “D” Hour work for overload.

For any Term, block scheduling assignments shall occur as described below, unless the College Counseling Department elects to follow an alternative process through mutual agreement of Management and Counseling Faculty. The initial assignments shall allow for Counseling Faculty to be assigned hours in blocks of up to five (5) weekly Counseling Faculty D Hours (“D” Hour) each, to which the half (0.5) hour for scheduled follow-up, mentioned above, shall be added, up to a maximum of up to three such blocks per person. The load limit under this section shall be sixteen and a half (16.5) weekly Counseling “D” Hours per unit member, including the scheduled one and a half (1.5 hours) for follow up with students. The assignments will be offered in blocks and must be accepted as such. If available hours are insufficient to provide sixteen and a half (16.5) Counseling “D” Hours for each Counseling Faculty person as described herein, then new hours shall be assigned where the original assignments left off to the first person who initially received an assignment of less than an aggregate of sixteen and a half (16.5) hours. Those following on the Seniority List shall be allowed to achieve up to sixteen and a half (16.5) weekly Counseling “D” Hours, which includes the scheduled one and a half (1.5) hours for follow-up with students, before giving any more hours to Counseling Faculty at the top of the List. Each block of five and a half (5.5) weekly hours, including a scheduled half hour for student follow up, over the course of a full Fall or Spring semester, shall be deemed equivalent to a twenty percent (20%) load assignment of three (3) CAH.

Once all the Counseling Faculty at the college have received an aggregate assignment of sixteen and a half (16.5) weekly Counseling “D” Hours for the Term, including a scheduled hour and a half for follow up with students, additional hours shall be assigned as follows:

- (a) For Fall and Spring Terms, the blocks of time available for assignment shall be identified. Unless required otherwise by program need, newly acquired hours shall be distributed in blocks of one (1) whole Counseling “D” Hour at a time per the Seniority List. Evaluation may also function as a channel of communication about program needs. This policy conforms to Sections 87663, 87664, and 87665 of the California Education Code.

18I.1 Guiding Principles

- a. The evaluators shall not consider information about the private life, religious, political and/or organizational affiliations, or sexual preferences of the unit member evaluatee;

 - g. Non-retaliation. There shall be no retaliation against a Part-time unit member who voices an opinion or files a signed written opinion.

18I.2 Evaluations

Part-time unit members shall be evaluated within the first two Terms, including Summer term, of employment. This process shall be repeated in all disciplines where the Part-time unit member is assigned. Evaluations shall be peer review driven with coordination and appropriate involvement of the appropriate Administrator (Education Code 87663). Thereafter evaluation shall be done at least once every three (3) Calendar Years of employment. If there is a break in service of two (2) Academic Years, the unit member shall be evaluated during the first semester of reemployment. The evaluator will be granted access for up to seventy-two (72) hours for classes of any modality.

The evaluator will notify the evaluatee a minimum of one (1) week before the observation takes place. The unit member being evaluated is encouraged to provide relevant course information including exam dates. Visit for observation may be unannounced, but shall occur with the consent of the Part-time unit member being evaluated. If there is difficulty in coordinating the visit, the peer evaluator and evaluatee shall schedule a specific visiting time.

Refer to [Article 19F](#) for evaluation of online classes.

There shall be no adverse impact upon Seniority List placement due to the failure to institute the contractually required evaluations. Evaluations reflect “Satisfactory”, “Needs Improvement” or “Unsatisfactory”. “Satisfactory” guarantees placement on the Seniority List or retention of placement on the Seniority List. In addition, all other criteria in [Article 18B](#) must be met. If a Part-time unit member is assigned in more than one (1) discipline, this process shall be applied to each discipline separately.

Notwithstanding the above, the parties recognize the provisions of Education Code 87665 which states, “The Governing Board may terminate the employment of a Temporary (Part-time) employee at its discretion at the end of a day or week, whichever is appropriate.” In exceptional circumstances, upon the recommendation of management, a Part-time unit member may be terminated from District employment without a second evaluation described in [Article 18I.2a. and b](#) below. This termination may occur at the end of the day or week, whichever is appropriate, and the unit member shall be notified.

a. Needs Improvement Status

A Part-time unit member is in “Needs Improvement” status if his/her most recent evaluation identifies a “Needs Improvement.” The intent of a “Needs Improvement” recommendation is that the unit member be given an opportunity to improve, and resulting in a “Satisfactory” follow-up evaluation. At the request of the Part-time unit member, the Faculty Association shall function exclusively to monitor the evaluation process as to contract and procedural due process issues.

(1) Process and Timeline for Needs Improvement Status

- (d) If the “Needs Improvement” recommendation comes from the Administrator, the Administrator will convene a meeting with the Part-time unit member no later than the last day of the Term in which the evaluation took place. The purpose of the meeting is to clarify the evaluation and the areas that need improvement;

- (e) The unit member evaluatee should be re-evaluated within the next Term. If the unit member evaluatee does not have an assignment during that time, re-evaluation will occur the next Term in which he/she has an assignment. The re-evaluation will be performed by a different evaluator;
- (f) If a Part-time unit member evaluatee receives a “Satisfactory” evaluation, he/she is taken off “Needs Improvement” status. Notwithstanding, the appropriate Administrator may elect to accelerate the timeline for the next regular evaluation, in accordance with [Article 18I.3](#) below.
- (g) If the subsequent re-evaluation described in [Article 18I.2a.\(1\)\(d\)](#) above results in a final summary of “Needs Improvement” or “Unsatisfactory,” the unit member evaluatee’s performance shall not be considered to uphold a standard that warrants rehire preference. The unit member shall be removed from or not placed on the Seniority List(s). If the unit member evaluatee has received an assignment(s) for the Term(s) following the unit member evaluatee’s removal from the Seniority List(s), the appropriate Administrator will reassign the course(s), counseling or library assignment in accordance with Articles [18B.1d](#), [18B.1e](#) and [18B.1g](#).
- (h) If a unit member evaluatee has been removed from the Seniority List pursuant to [Article 18I.2a.\(1\)\(f\)](#) above and is rehired at a later date, for Seniority purposes the unit member shall be treated as a new hire.

The new date of initial Term of service shall be the first day of the Term, when the unit member returns to paid service, pursuant to [Article 18B.1b](#).

b. Unsatisfactory Status

“Unsatisfactory” means that the Part-time unit member’s performance is deemed unsatisfactory for continued employment. A Part-time Unit member is in “Unsatisfactory” status if his/her most recent evaluation identifies an “Unsatisfactory” Performance. (1) Process and Timeline for Unsatisfactory Status

- (a) Categories for which the unit member is deficient shall be specifically indicated in an evaluation conducted by a unit member or by the appropriate Administrator, in accordance with [Article 18I.2](#) above or [Article 18I.3](#) below. These categories must conform to those listed in [Article 18I.7a.-f.](#) and/or those listed in the negotiated evaluation forms used in the initial evaluation process;

- (b) An evaluation with the recommendation of “Unsatisfactory” shall be forwarded to the appropriate Administrator within fifteen (15) work days of the observation visit;
- (c) The appropriate Administrator will convene a meeting with the Part-time unit member evaluatee and the evaluator within fifteen (15) work days of receiving the written evaluation. The purpose of the meeting is to clarify the performance areas in which the unit member’s performance was deemed deficient;
- (d) If the “Unsatisfactory” recommendation comes from the Administrator, the Administrator will convene a meeting with the Part-time unit member no later than the last day of the Term in which the evaluation took place. The purpose of the meeting is to clarify the performance areas in which the unit member’s performance was deemed deficient;
- (e) A second evaluation will normally be performed within fifteen (15) work days after the meeting with the appropriate Administrator, evaluatee, and evaluator. The second evaluation shall be done by a different evaluator in accordance with this [Article 18I.2](#). At the appropriate Administrator’s prerogative, this required re-evaluation may be deferred to the following Term. In such cases, the appropriate Administrator may offer an assignment for the following semester that carries less than the sixty seven percent (67%) Load entitlement given in [Articles 18b.1g](#), [18C.2](#) and [18J](#);
- (f) If the subsequent re-evaluation described in [Article 18I.2b.\(1\)\(d\)](#) above again identifies “Unsatisfactory” performance or identifies “Needs Improvement,” the unit member evaluatee, who is on the Seniority list, shall be removed from the Seniority List. If the unit member evaluatee has received an assignment for the Term(s) following the re-evaluation which resulted in an “Unsatisfactory” or “Needs Improvement” status, the appropriate Administrator will reassign the course(s), counseling or library assignment(s) in accordance with [Articles 18B.1d](#), [18B.1e](#) and [18B.1g](#));
- (g) If the subsequent re-evaluation described in [Article 18I.2b.\(1\)\(d\)](#) above results in a final summary of “Satisfactory,” the unit member is taken off “Unsatisfactory” status. The unit member will be re- evaluated under provisions of [Article 18I.2a](#) during the following semester.
- (h) If a unit member evaluatee who has been removed from the Part-time Faculty Seniority List is rehired at a later date, for Seniority purposes he/she shall be treated as a new hire. The new date of initial Term of service shall be the first day of the Term when the unit member returns to paid service, pursuant to [Article 18B.1b](#).

Management reserves the right to conduct more frequent evaluations. These unscheduled evaluations may be conducted by the appropriate Administrator or different Full-time Faculty member than the initial Evaluator.

18I.4 Student Surveys

The negotiated standard Student Survey forms shall be distributed and collected by the evaluator as part of the classroom visit or appropriate observation. [See Appendices](#): Evaluation: Counselor Faculty Evaluation Form: Student Survey, Evaluation: Library Faculty Orientation - Student Survey Form, Evaluation: Student Response to Instruction Form - Face to Face Class, Evaluation: Student Response to Instruction Form - Math Emporium, Evaluation: Student Response to Instruction Form - Online Class.

The negotiated standard Student Survey Forms shall be summarized as part of the negotiated evaluation report. The negotiated student Survey forms shall be anonymous. The summary shall be a fair and accurate report of the information provided on the Student Survey forms.

The evaluation report shall be a fair and accurate summary of the judgment of the individual evaluator. The student Survey forms should be returned by the appropriate Administrator to the Part-time unit member evaluatee at the end of the Academic Term after grades have been submitted.

18I.5 Rights of Part-Time Faculty to Perform Evaluations or Evaluation Training

A qualified Part-time unit member may perform Part-time Faculty evaluations. Part-time unit members shall not evaluate other Part-time unit members with whom they compete for assignments within a discipline.

Qualification as an evaluator is dependent upon participation in evaluation training. Training sessions for performing evaluations shall be conducted by the Faculty Association on an annual basis as part of Professional Development activities. Part-time unit members who have completed their third semester or later of employment in the District, who have completed one training session on evaluation, and who have “Satisfactory” status, shall be eligible to become evaluators. Compensation for completing a training session shall be made, not to exceed three (3) hours at the rate stated in [Article 21G.2b](#).

- (6) Applying new technologies in the delivery of library services.

g. Specific Standards for Part-Time Faculty on Special Assignments/Coordinator Assignment(s)

The unit member evaluatee and the supervisor will develop standards appropriate to each Faculty on Special Assignments/Coordinator Assignment(s). The Faculty Standards shall be clearly related to the Special Assignments/Coordinator Assignment(s) and comparable in their level of specificity to the Faculty Standards described above for the other categories of faculty. The Faculty Standards shall be approved in writing by the appropriate Vice President, within three (3) weeks of the first day of service of the Part-time unit member.

181.8 Training for Evaluators

Qualification as an evaluator is dependent upon participation in evaluation training. Training sessions for performing evaluations shall be conducted on an annual basis by the District and the Faculty Association. Each Division shall be required by the end of the fifth (5th) week of the Academic Year to submit a schedule to the appropriate Vice President for conducting faculty evaluations. Each appropriate Administrator shall be responsible for maintaining a cadre of trained evaluators who will fulfill the Division's evaluation obligation.

a. Pay for Evaluator Traveling to a Distant Site

Evaluators shall be paid the Internal Revenue Service (IRS) mileage reimbursement rate to travel to a distant campus for the purpose of performing the evaluation.

181.9 Grievance

A unit member shall be able to grieve his/her placement on the Seniority List. A unit member shall be able to grieve non-placement on the Seniority List based upon the failure to do the required Faculty evaluation(s) in a timely manner. A unit member cannot grieve the results of a properly performed faculty evaluation.

Nothing in this Article shall be construed to permit either the Faculty

Association or a unit member to file a grievance to challenge the substance of any evaluation. Any grievance challenging the procedure utilized for an evaluation shall only be filed after the completion of the evaluation process at issue.

18I.10 Diversity, Equity, Inclusion, and Accessibility (DEIA)

The District and Faculty Association will meet and confer as necessary, in the event that Title 5 guidelines are promulgated by the state, that stipulate how DEIA initiative goals should bear upon faculty standards and evaluations. See [Article 29F](#).

18J. Maximum Workload

18J.1 Sixty-Seven Percent (67%) Law Limit on Assignments

Part-time unit members shall be limited to assignments totaling no more than sixty-seven percent (67%) of a Full-time (100%) workload in any semester. This Load limit is computed in terms of Calculated A Hours (CAHs) per week. Summer Session, Inter-session and office hours are excluded from the calculation. Sixty-seven percent (67%) of a Full-time Load is 10.05 Calculated A Hours (CAHs) or equivalent. See [Article 1C.1d](#).

18J.2 Sixty-Seven Percent (67%) Law Exceptions

Under the provisions of Education Code Section 87482, a Part-time unit member may be assigned to teach more than sixty-seven percent (67%) of a Full-time workload limit in any one (1) semester, Classified Professional with Part-time status, so long as these assignments are limited to no more than two (2) semesters within any period of three (3) consecutive Academic Years. [See [Article 18J.1](#) above for definition of sixty-seven percent (67%) of a Full-time Load.] Subject to Education Code extension, a Part-time Nursing Faculty may be assigned to teach more than sixty-seven percent (67%) of a Full-time workload limit in any one (1) semester, so long as these assignments are limited to no more than four (4) semesters within any period of three (3) consecutive Academic Years.

Part-time unit members shall only become eligible for an assignment above the sixty-seven percent (67%) limit after their satisfactory first evaluation, except in special circumstances in consultation with the Vice President, Academic Services.

18J.3 Sixty-Seven Percent (67%) Law Exclusions

Service by Part-time unit members in professional ancillary activities such as evaluations, professional development activities, committee work, non-discipline related program coordination (e.g. scheduling, equipment requests, facilities management), guided pathways (e.g. lead projects or initiatives in guided pathways, serve on an intersegmental pathway team), governance, grant writing, mentoring, advising student organizations, or any other professional ancillary service of an occasional nature shall not count toward the Load limit as stated in [Article 18J.1](#) above. Day to day substitution shall not count toward the load limit as stated in [Article 18J.1](#) above.

Tutorial hours (Faculty Hour H) shall not count towards the Load limit as stated in [Article 18J.1](#) above.

[See [Article 18D.1](#) below for paid office hour(s) exception to the Sixty-seven Percent (67%) Law.]

Professional responsibility hours, as defined in [Article 18I.7c](#), do not count in the 67% Law limit.

Professional responsibility hours as defined in [Article 18D.3](#), do not count in the Sixty-seven Percent (67%) Law calculation.

Substitute service, per class section, for more than two (2) consecutive weeks is included in the Sixty-seven Percent (67%) limitation and shall be counted from the initial day of substitute service for the course.

DISTANCE EDUCATION

19A. Definitions

Distance Education uses technologies to deliver instruction to students who are separated from the instructor(s) and to support regular and substantive interaction between the students and the instructor(s), either synchronously or asynchronously through the District approved Learning Management System (LMS) (5 CCR § 55200).

19A.1 Course Modality Definitions

- a. **Online Synchronous:** Course meets live online at specific, scheduled days and times.
- b. **Online Asynchronous:** Course does not meet on specific days and times; students may complete the course in Canvas at any time of the day or night.
- c. **Online Combo:** Scheduled live, online meetings are combined with online asynchronous activities.
- d. **HyFlex:** Instruction is conducted on campus and online (synchronous and/or asynchronous). Students decide how they want to participate.
- e. **Hybrid:** Combines on campus instruction with one of the online types described above. A hybrid course is a course that has any combination of on-campus meetings (excluding orientations) and online meetings. For example, a class meeting once online and the rest of the time face-to-face would be considered a hybrid, so would a class meeting half the time face-to-face or most of the time face-to-face.
- f. **Face to Face:** Instruction takes place on campus or in a college facility and is delivered synchronously.

19B. Distance Education Intellectual Property Rights

Notwithstanding any other provisions of this Agreement, the unit member retains ownership of and the right to copyright course materials of Distance Education courses he/she develops, except for ownership of the empty courseware shell and any other technologies used in the course. All these materials, except the empty courseware shell and other course technologies, are not “work for hire” as that term is defined in the Federal copyright laws. Any use of these materials without the consent and/or written authorization of the originating unit member is prohibited. See [Articles 27B.1 and 27B.2](#).

No course content created by a unit member shall be made available to other faculty to use unless the unit member chooses to make the course content available.

19C. Distance Education General Working Conditions

Teaching of Distance Education courses and all courses that use Distance Education for some portion of instruction shall be on a voluntary basis when the needs of the program are sufficiently covered by those preferring to teach in the Distance Education modality. Faculty who are asked to teach online involuntarily will be given notice during the schedule

development process of when such a section might be scheduled, and won't be asked to teach more than one (1) section in Distance Education modality in any given Fall or Spring Semester.

19C.1 Administrative Provisions

- a. Instructional Faculty members teaching Distance Education courses shall be evaluated in accordance with [Article 19E](#), below.
- b. Unit members' working hours shall be reasonable. Unit members shall not be required to instantaneously respond to student inquiries, or to respond during otherwise duty-free time.
- c. Unit members shall be empowered to drop and add students into an online class electronically, according to the established college enrollment timeline without filing a hardcopy form with Admissions and Records. See [Article 9L.6](#)

19C.2 Faculty Rights

- a. The District shall notify the Faculty Association and the Instructional Faculty unit member of Record of any plan to enter a Distance Education course for evaluative or disciplinary reasons. Prior knowledge of the entry, though not necessarily consent to the entry, is a requirement.
- b. No unit member shall be displaced because of Distance Education courses.
- c. No Distance Education work traditionally performed by unit members shall be offered to, or performed by, persons not employed within the Faculty bargaining unit, with the exception of classes accessible to Chabot-Las Positas Community College District students via CVC-OEI.

19C.3 Recording, Rebroadcasting and Accessibility

- a. It is understood that the District provides support for unit members to meet accessibility requirements, including providing assistive technology and alternative media software tools and staff to accomplish these tasks. Only video content prepared prior to delivery/assignment of a given module can be viewed as part of evaluation. Synchronous course delivery recorded for student use shall not be used for evaluation purposes.
- b. The District shall provide notice to all students enrolled in a course offered in Distance Education format that any recording, rebroadcasting, sharing, copying, or any other use beyond appropriate instructional activity as provided or arranged by the instructor, is strictly prohibited and may lead to disciplinary action.

19D. Assignment of Distance Education Sections to Unit Members

Full-time unit members shall have the opportunity to perform up to sixty percent (60%) of their primary workload (assignable hours) in online Distance Education format (as defined in [Article 19A](#) above), to the extent that online assignments are available in the unit member's discipline or service area. Unit members must notify the Dean and their Full-time department colleagues of their interest in teaching online, including what modalities as set forth in [Article 19A.1](#) above, prior to the process used for determining assignments.

With approval from the appropriate Administrator, a unit member may teach more than the limit herein in online Distance Education format, on the basis of program need.

Hybrid class assignments shall toll against the sixty percent (60%) primary workload limit in accordance with the table below. For the purposes of this calculation, course load for a given class assignment is expressed in Calculated A Hours (CAH).

Proportion of the required instructional time in which students are separated by time or distance (per Article 19A)	Proportion of the course load that tolls against the 60% load limit (9 CAH in most cases)
More than 60%	100%
40%-60%	50%
Less than 40%	0% (Does not toll)
Hyflex class	0% (Does not toll)

Example. A Full-time unit member is assigned a 5 CAH class that is 100% online, and a 4 CAH Hybrid class that meets 50% online and 50% Face to Face. The 5 CAH class fully tolls against the limit, while half of the 4 CAH class tolls. Thereby, the two classes combined toll 7 CAH (5 CAH + 2 CAH) against the limit.

A course that switches modalities during the registration process to meet student demand will count the CAH as originally scheduled.

19D.1 Distance Education Scheduling Guidelines

- a. **Class Instruction.** In consultation with the dean, as part of the Discipline Plan process, the department will prospectively recommend the proportion and modality of sections for each course to be offered in online Distance Education format for the upcoming Academic Term ([See Article 26](#)). Such a recommendation should consider recent enrollment trends in courses offered in the formats listed in [Article 19A.1](#) above. Notwithstanding, where appropriate, each department should ensure that it offers classes in formats that best prepare its students to meet the demands of the academic and professional work that follows.
 - (1) Synchronous class meeting times should be scheduled in a manner that fulfills program need and complements the meeting times of existing Face to Face sections in the discipline and/or associated programs ([See Article 26](#)).
 - (2) Distance Education courses should be assigned only to faculty trained in Distance Education Instruction as described in [Article 19H](#) below.
 - (3) In the event that the number of online sections of a specific modality available in a given discipline is insufficient to meet the demand of eligible Full-time faculty who want to teach them, the Full-time faculty in the discipline, in consultation with the appropriate dean, may develop a rotational seniority process that ensures that online course assignments

are distributed fairly. If the faculty are unable to arrive at a mutually agreeable scheme, [Article 10C\(a\)](#) shall apply.

- (4) If, after the class schedule is published, the pattern of class enrollments suggests that a given section should change from Face-to-Face to online, the instructor shall be consulted before any change is made. Such consultation shall address the modality in which the section will be offered.
- b. **Counseling Hours.** In consultation with the dean, as part of the Discipline Plan process, the department will prospectively recommend the proportion of direct student contact hours to be scheduled in each modality (*i.e.*, face-to-face, virtual, group counseling, etc.) for the upcoming Academic Term (See [Article 26](#)). Such a recommendation should consider recent student utilization trends. Notwithstanding, in aggregate, virtual hours should be scheduled in approximately the same proportion as that for class sections offered that are fully online.
- (1) Virtual hours should be scheduled in a manner that fulfills program need, meets student demand, and complements the service hours that are scheduled Face to Face (See [Article 26](#)).
 - (2) Virtual hours should be assigned only to faculty trained to provide the applicable service through provided district virtual platforms (See [Article 19E.4](#)).
 - (3) In the event that the number of virtual hours available in a given service area are insufficient to meet the demand of eligible Full-time faculty who desire such hours, the Full-time Counseling faculty in the service area, in consultation with the appropriate dean, may develop a rotational seniority process that ensures that online work assignments are distributed fairly. If the faculty are unable to arrive at a mutually agreeable strategy, [Article 10C\(a\)](#), which describes Rotational Seniority for Instructional Faculty shall apply.

19E. Minimum Standards for Distance Education Instruction

19E.1 Course Organization and Navigation for Asynchronous Classes

In addition to Syllabus requirements stated in [Article 9B](#), any portion of a course taught in online Asynchronous format shall meet the following guidelines:

- a. Course includes a distinct starting point and instructions on how to begin course.
- b. Instructor contact information is easily located along with response times for email, grade turnaround, and other contact information.
- c. Navigation and content flow are easily determined by students in the class.
- d. Content is organized logically, and follows a consistent layout and structure.
- e. Content is segmented into distinct units or modules, as appropriate.
- f. Course navigation menu is intuitive and only includes items students will use.

- g. Clear due dates for submitting work are posted along with late work policy.
- h. Opportunities for regular and substantive interaction from student to student and instructor to student(s) are provided.
- i. Course design includes instructions for learners to work with content in meaningful ways (e.g. guiding students to take notes during a video, explaining what to look for in an article, etc.)

19E.2 Specific Guidelines for Synchronous Instruction

In addition to Syllabus requirements stated in [Article 9B](#), any portion of a course taught in online Synchronous format shall follow the following guidelines:

- a. The instructor shall provide a courseware shell (e.g. Canvas or the currently employed LMS) for the class, and utilize the shell to post important information for the class. In addition, the instructor is encouraged to utilize the course design principles described in [Article 19E.1](#), above, as appropriate.
- b. Instructor uses either camera or other instructional media such as slides or videos during instruction.
- c. Recorded course content used in or saved to course site does not reveal personally identifying information for students in other course sections.
- d. Teaching on Zoom or using other synchronous tools follows best practices and encourages student participation.
- e. Instructor makes every effort to have consistent connectivity.

19E.3 Specific Guidelines for Library

- a. The librarian shall know how to use and access all applicable software and library services and databases.
- b. Scheduled orientations shall be delivered synchronously or asynchronously in Canvas (or other LMS) course shells at a time chosen by the librarian in consultation with the course instructor.
- c. During scheduled librarian work hours, virtual services shall be delivered including appointments and live chat using library applications.

19E.4 Specific Guidelines for Counseling

In addition to on-campus student contact, counseling faculty shall service student needs virtually by using the agreed upon platforms:

- a. Counselors shall follow the same protocol for scheduled virtual appointments as for in person appointments.
- b. If no one is waiting for in person services, face to face counselors shall take students waiting for virtual appointments.
- c. While using Cranium Café, or other virtual counseling platform, the counselor shall be logged into the Cranium Lobby, or waiting room, during assigned times and invite students into meetings.

- (1) Use of conferencing software. Students experiencing technical difficulties with Cranium Café, or other virtual counseling platforms, shall be seen using other conferencing platforms, like Zoom or referred to a phone call if necessary. Counselors shall generate meeting invites and mail to student's Zone Mail account.

During or after an appointment

- a. The counselor shall know how to use and access all applicable software and college databases.
- b. The counselor shall either address all student questions or schedule a follow up appointment.
- c. The counselor shall have familiarity with all transfer patterns, eligibility requirements, including transferrable and non-transferrable courses.
- d. The counselor shall enter data about the appointment in SARS.

19F. Evaluation of Faculty Teaching Distance Education Courses and Performing Other Online Services

Instructional Faculty members teaching Distance Education courses (in any of the modalities described in [Article 19A.1](#), with the exception of synchronous courses) shall be evaluated with the negotiated forms for said purpose ([See Appendix](#)). Unit members shall be evaluated during the semester in which they teach their first Distance Education course and as prescribed in ([Articles 14, 15, & 18](#)) thereafter.

Non-Instructional counseling faculty members performing remote counseling services shall be evaluated with the negotiated forms for said purpose in the virtual platform being used by the individual counselor ([See Appendix](#)). Unit members shall be evaluated during their first semester of employment and as prescribed in [[Articles 14, 15, & 18](#)] thereafter.

Librarian faculty members offering remote library orientations are evaluated using forms used for synchronous online evaluations. Librarians performing other library services shall be evaluated using the forms created for library evaluation ([Articles 14, 15, & 18](#)).

19F.1 Online Course Evaluation Process

- a. These guidelines and specifications shall inform how online courses are assessed, for the purpose of fulfilling the normal Faculty performance evaluations described in [Articles 14, 15, & 18I](#). It is understood that this process is separate and independent to the CVC-OEI Peer Review described in [Article 19G.2](#), which fulfills a different purpose. Neither process shall inform the results of the other.
- b. Online Synchronous courses will be evaluated using the Evaluation of instruction form for Face to Face Classes ([See Appendix](#)).
- c. The pay for an online course evaluation shall be as specified in [Article 21C](#).
- d. An online course evaluation shall normally involve an interactive “tour” of the online class with the evaluatee, as well as an availability for the evaluator to observe the class. By mutual agreement between the evaluator and evaluatee,

the tour and follow-up meeting (to discuss the results of the evaluation) may take place virtually. For Asynchronous classes, the tour shall include examples or evidence of regular and substantive interaction and evidence (e.g., feedback on assignments, rubric comments, discussion, and inbox messages), through a sample of course content, that course content is accessible to students with disabilities.

- e. By the end of the second full week of each Fall and Spring Semester, the Vice President, Academic Services at each college shall identify a list of the online unit members to be evaluated and the evaluators and provide the list to the appropriate Administrators and Faculty Association for implementation. The unit members to be evaluated should include Regular (tenured) unit members due for a review [if one (1) of the courses their Peer Review Committee chooses to evaluate is online], Part-time Faculty due for a review [if teaching online], and all Instructional Faculty teaching online for the first time. See [Article 14D](#) for Contract (Untenured) Faculty Evaluation Timeline.
- f. It is understood that the college (or District) may need to set a window each semester in which the online course evaluation will be conducted, in order to align with timeline for the deployment of student surveys, and thereby meet applicable faculty evaluation deadlines ([Articles 14, 15, & 18](#)).

19F.2. Guidelines for Peer Evaluators for Online Asynchronous Classes

- a. Qualification as an online evaluator is dependent upon participation in online evaluation training. Training sessions for performing evaluations shall be conducted each semester at each college by the District and the Faculty Association. The office of Academic Services, in consultation with the Faculty Association, will provide a list of qualified evaluators and make this list available to each Division Dean and the Faculty Association Vice-Presidents.
- b. All Distance Education Instructional Faculty shall be evaluated using the appropriate form for an online class ([See Appendix](#): Evaluation: Student Response to Instruction Form - online Class, Evaluation: Observation of Instruction Form - Online Class). The procedure for accessing the Distance Education class shall be as follows:
- c. The evaluator shall meet in person or virtually with the evaluatee to become oriented to the course. This meeting shall follow the terms of [Article 19F.1\(d\)](#) above.
- d. The evaluator shall be added to the course with customized Evaluator role or other LMS-specific defined role created for the purposes of course evaluation. The evaluator shall have access to the course site for a maximum of seventy-two (72) hours unless the evaluatee voluntarily agrees to extend this time limit. At the pre-arranged observation time, the evaluatee will add the evaluator into the course site. The evaluatee will also remove the evaluator using the same method. It is the responsibility of the evaluatee to remove the evaluator's access to the course to meet the agreed-upon time frame for the observation. The evaluatee shall not block access to the course site earlier than seventy-two (72) hours.

- e. The evaluator shall use for the purpose of evaluation course modules, content or lessons that cover a minimum of two weeks' worth of instruction. The observation report shall be focused on this unit.
- f. The evaluator shall be provided access to the welcome message, home page, introductory content such as a "Start Here" page, and any orientation module of the course, as well as course syllabus, discussion boards, and relevant exams as well as any other relevant materials related to student learning for the week or module being observed. It is assumed that the evaluator shall have access to all general course information available to students in the course menu.

19G. Participation in CVC-OEI

19G.1 CVC-OEI Course Alignment and Assignment to Unit Members

Faculty will submit an application to convert courses by their discipline for OEI exchange online instruction on a voluntary basis. Applications will be approved by the appropriate Administrator at the Administrator's sole discretion after consultation with the discipline coordinator and the Vice President of Academic Services. ([See Appendix](#): Online Education initiative (OEI) Course Alignment Application [for Payment] form.)

- a. Since CVC-OEI course alignment is a combination of course and instructor being approved for the exchange, CVC-OEI courses are not subject to bumping as described in [Article 9A.3b](#).
- b. In the event that multiple CVC-OEI aligned sections of a course are available, course assignments shall be made according to the provisions of [Article 9A](#) and [Article 18B](#). CVC-OEI aligned courses can be assigned according to the appropriate Administrator's discretion over and above allotment described in [Article 18B.1g](#). Only the unit member who aligned the course is eligible to teach the course.

19G.2 Peer Online Course Review (POCR)

POCR and alignment with the CVC-OEI Rubric is required for a course to be offered as quality reviewed on the CVC-OEI exchange. Faculty peer reviewers will be identified and trained to review courses for alignment to the CVC-OEI exchange. POCR reviewers will complete peer review training as described in the CVC-OEI process.

- a. The peer review process is not part of Faculty evaluation and will not be considered in the College's Faculty Evaluation Process.
- b. POCR lead reviewer compensation will be twelve (12) F Hours for each course review, unless review compensation is part of the Faculty member's pay.
- c. Compensation available for the second peer reviewer as described in the CVC-OEI process will be five (5) "F" Hours per evaluation, unless review compensation is part of the Faculty member's pay.

19H. Role of Las Positas Distance Education Committee (DE) and Chabot Committee on Online Learning (COOL) [MOU dated 12/21/2021]

Faculty members who have not taught a Distance Education or COOL reviewed online course in a prior semester or have taught a CVC-OEI aligned class, or attained the @ONE online teaching certification— must engage the COOL/DE review process prior to the first day of instruction for their particular assignment(s). If the unit member has completed Distance Education Instruction elsewhere, they can apply for exemption from this requirement. [See Appendix](#))

19H.1 Specific Provisions at the Colleges

- a. **Las Positas College.** Engagement with the review process means either starting work on the Online Course Development Program (OCDP) by the first day of classes, with the goal of completing it during the current semester, or, if the OCDP is not completed, completing a Distance Education course review before the end of the current term.
- b. **Chabot College.** Engagement with the review process means completing the COOL Online Teaching Plan (OTP) for new courses for the same instructor. It is expected that the COOL review process will be completed during the same semester.

19I. HyFlex Instruction

19I.1 Training and Compensation

- a. HyFlex assignments are voluntary and require training provided by the college.
- b. The method for notifying the dean of interest in a HyFlex assignment shall follow that described above in [Article 19.D](#) for Full-time unit members, and shall be indicated on the Part-time Preference form for part-time unit members.
- c. The District shall provide adequate training, along with logistical, instructional, and technical support to faculty teaching a course in HyFlex modality to ensure proficiency, including accessibility and accommodations.
- d. Unit members who are trained in Hyflex instruction will be compensated 15 F hours. Compensation will be triggered when a unit member creates their first HyFlex course and subsequently performs a Hyflex assignment.
- e. No part of the video or audio recording or livestream may be used as part of the faculty member's evaluation process.
- e. Instructors in the HyFlex modality are required to hold all class meetings on campus in the originally scheduled location regardless of student attendance patterns.
- f. Instructors may choose to offer both synchronous and asynchronous modalities following the specific guidelines in [19E.1](#) and [19E.2](#) above.

Eligible benefits will be provided in the event a unit member retires to another state and maintains documented eligibility consistent with the California Family Code Section 297.

a. **Eligibility for Benefits**

Domestic partner benefits are available as provided by law to registered domestic partners. Benefits will be provided to the eligible dependents of registered partners as provided by law and the health benefit plans. Benefits consist of medical, dental and vision benefits only. Active unit members granted Domestic Partnership before August 2006 includes heterosexual couples. Effective August 2006, new Domestic Partnerships shall be limited to and governed by the eligibility and registration requirements of the State of California.

b. **Documentation**

Both the unit member and the domestic partner must attest to certain facts by completing and signing the Affidavit, which implies an Affidavit of mutual responsibility. This Affidavit may have potential legal implications under California law, which has recognized that non-marital cohabiting couples may privately contract with respect to the financial obligations of their relationship. The requirement of an Affidavit shall be waived for unit members who are registered as Domestic Partners with the State of California and provide a copy of this documentation to the District.

The District may, at its discretion, require supportive documentation satisfactory to the District concerning the eligibility criteria and assertions contained in the Affidavit.

The administrator of any benefit plan at issue will be the sole and final judge of whether a domestic partner is qualified for benefits.

An “Affidavit for Enrollment of Domestic Partners” is contained in [Appendix](#): Domestic Partnership: Affidavit.

c. **Affidavit of Proof**

Domestic partners shall prepare an Affidavit of Proof for the District. This requirement of an Affidavit of Proof shall be waived for domestic partners who provide a copy of a valid State of California Domestic Partner Registration. Unit members who marry in the future shall similarly provide a copy of a Marriage Certificate.

20A.4 Period of Coverage and Payment of Premiums

a. **Eligibility: One Hundred Percent (100%) Contract, Regular, and Temporary Leave Replacement (TLR) Faculty**

Contract, Regular and Temporary Leave Replacement (TLR) unit members with a one hundred percent (100%) contract shall be entitled to group benefits for the entire Fiscal Year, at the District’s contribution level as specified in [Article 20A.1](#) above. Contract and Regular unit members employed for less than an Academic Year shall be entitled to group benefits for the actual period of employment.

b. Eligibility: Less Than One Hundred Percent (100%) Contract, Regular and Temporary Leave Replacement (TLR) Faculty

Contract, Regular and Temporary Leave Replacement (TLR) unit members with less than a one hundred percent (100%) Contract, who are not on Pre-retirement Reduction of Annual Workload, shall have their benefit entitlement pro-rated in accordance with items (1) and (2) below. If a unit member is on Pre-retirement Reduction of Annual Workload, he/she shall receive full benefits in accordance with [Article 30A.4b](#).

- (1) **Full Year.** Eligible Contract, Regular, and Temporary Leave Replacement (TLR) unit members (see definitions in [Article 1C.1a-c](#)) who are employed fifty percent (50%) or more for the full Academic Year may choose to accept one or more group benefits and shall be entitled to the selected benefits for the entire Fiscal Year, but shall only be entitled to the percentage of District contribution for the plan in which they are enrolled in the same ratio as their actual service assignment bears to a Full-time [one hundred percent (100%)] assignment, with the unit member's share to be paid by personal payroll deduction.
- (2) **Partial Year.** Eligible unit members employed for fifty percent (50%) or more for a period of less than an Academic Year, (two complete semesters) may choose to accept one or more group benefits for the entire Fiscal Year, but shall only be entitled to the percentage of District contribution for the plan in which they are enrolled in the same ratio as their actual service assignment bears to a Full-time [one hundred percent (100%)] assignment, with the unit member's share to be paid by personal payroll deduction.

c. Cash in Lieu of Medical Benefits

Should the eligible Full-time unit member choose not to accept any medical plan as provided by the Board of Trustees in accordance with the law, the District shall offer the unit member four hundred dollars (\$400) per month.

d. Exemptions to Benefits

Contract, Regular, and Temporary Leave Replacement (TLR) unit members employed for less than fifty percent (50%) of the service assignment of a Full-time [one hundred percent (100%)] employee, or for a period less than a complete Academic Semester, shall not be entitled to group benefits.

e. Leaves of Absence and Separation from District Service

A Consolidated Omnibus Budget Reconciliation Act (COBRA) option shall be made available to any Full-time or Part-time unit member who is enjoying health and welfare benefits, at the time his/her eligibility for said benefits is temporarily or permanently discontinued.

20A.5 Other Conditions Related to Benefits

a. Effect of a Leave of Absence on Benefits

Unit members who are granted Leaves of Absence without Pay in excess of thirty (30) calendar days in any Academic Year shall not be entitled to the extension of health and welfare benefits during the inclusive dates of these Leaves of Absence, unless specifically granted elsewhere in this Agreement. These unit members, however, may choose to continue their enrollment in existing group insurance plans at the unit member's own expense. If the Leave of Absence without Pay reduces a unit member's time assignment to less than Full-time (100%), but equal to or greater than fifty-percent (50%) of a similar or related Full-time (100%) position, the unit member shall only be entitled to the percentage of District contribution in accordance with the ratio established. See [Article 20A.4b](#) above for partial contracts.

b. Effect of Reduction in Workload on Benefits

If a unit member is specifically requested by the Chancellor to accept a reduction in service assignment, he or she may continue to receive the group insurance benefits on record immediately prior to said reduction in service assignment.

c. Timing of Benefits

Group benefits shall become effective as of the first day of the calendar month following the month in which service to the District first begins. Group benefits for unit members whose service ends during or at the end of the Academic Year or who are granted a Leave of Absence without Pay in excess of thirty (30) calendar days shall terminate at the end of the calendar month during which the service ends or the Leave of Absence begins. Unit members who terminate their employment after working a complete Academic Year shall have their benefits continue at the same rate through June, unless they are on a Temporary Leave Replacement (TLR) and are returning Part-time, in which case their benefits shall continue in July and August, and the Part-time unit member shall pay the proportionate premium.

d. Unit Members Employed Pre-July 1, 1972

Unit members employed prior to July 1, 1972, who were employed one half-time ($\frac{1}{2}$) or more and for a period of at least one (1) full Quarter in the Academic Year shall continue to receive those group benefits on record as of June 30, 1972, with the same degree of participation in premium costs as provided in [Article 20.A.1](#) above.

20A.6 Medical Benefits for Part-Time Unit Members

a. Eligibility

The District shall provide medical benefits to each qualified Part-time unit member as specified in this Article. A qualified Part-time unit member is one who:

- (1) Worked forty percent (40%) of an annual Full-time equivalent Load

[twelve (12) Calculated A Hours (CAHs)] or more during the Academic Year prior to receiving benefits, including any service on a Full-time basis, and Summer Session service;

- (2) Had affirmed via a signed affidavit that he/she has no other access to medical insurance where all or part of the premium is paid through some other source; and
- (3) Had approval of this arrangement by the carriers.

b. Medical Plan

Each qualified Part-time unit member and his or her eligible dependents are eligible to enroll in the District's Kaiser Foundation Health Plan at the "High HMO" or "Low HMO" level. The Part-time unit member must enroll annually. [See Appendix](#): Medical Benefits - Enrollment form for Part-time Faculty (Note: This form is only available during enrollment periods).

There will be two (2) enrollment periods: Fall and Spring Semester. Only those Part-time unit members who became eligible in the Spring may enroll in the Spring. Notwithstanding, unit members who have a "qualifying event" as defined by the District and Insurance Carriers may also enroll in the Spring.

c. Premium Payment

Premium payment shall be dependent upon the Part-time unit member's annual Load in the prior Academic Year and be subject to the following conditions:

- (1) **Program Payments.** The program shall be dependent upon the continuation of funding as described in Education Code Sections 87860 through 87868 whereby the State pays up to one-half (½) of the District's total cost, provided that the amount claimed by all districts in the State does not exceed the funding provided in the California State Budget.

Unit Members with Loads of forty percent (40%) or more, who meet the criteria of Section (a) above, shall be eligible for a fifty percent (50%) pro-rata share of the total premium amount paid by the District for the Kaiser "High HMO" or "Low HMO" plan defined [in Article 20A.1](#). The eligible unit member shall be responsible for fifty percent (50%) of the total premium cost of the Kaiser plan chosen. If State funding is less than fifty percent (50%), the District shall contribute the same percentage as the State provides. If a change occurs in the State funding to the District for this program, both the District and the Faculty Association agree to re-open negotiations on the program.

In recognition of the ongoing dollars provided in the State's fiscal year 2022-23 enacted budget within the Part-time Faculty Health Benefits fund, the District and Faculty Association agree to work on potential benefit enhancements for Part-time faculty once the parameters of the program become clear. Such discussions will take place in a manner in which any benefit changes for Part-time faculty would go into effect

as mutually agreed upon.

Insofar as guidance is promulgated by the State in time to implement benefit enhancements prior to the open-enrollment period for Spring Semester 2023, the District and Faculty Association shall make a good-faith effort to do so.

- (2) **Monthly Premium Deductions.** All monthly premium payments for medical benefits will be deducted directly from the unit member's monthly paycheck. Unit members are required to sign an agreement authorizing the District to deduct money owed from their paychecks. For the months the unit member does not receive a monthly paycheck, the unit member will reimburse the District by personal check or money order, which will be due on the tenth (10th) day of the following month. If the premium payment is not received by the tenth (10th) day of the following month, the District shall cancel the unit member's medical benefits.
- (3) **Premium Billing.** The District will bill for the collection of premiums due in excess of the District contribution as referenced in [Article 20A.6c](#). If the premiums due are not received by the tenth (10th) day of the month following notification that past due premiums are owed, the District shall cancel the member's medical benefits and proceed to collect past due premiums. Unit members will be billed for the collection of past due premiums and, if not fully paid within thirty (30) days from the date of notification, will be debited from future earnings or via other collection remedies.
- (4) **Payroll Deductions.** Payroll deductions begin no later than the month preceding the effective date of coverage. The District shall notify eligible Part-time Faculty of the process to apply for benefits and applicable deadlines two months prior to the coverage's effective date.
- (5) **Continuity of Benefits.** Part-time Faculty receiving benefits are eligible for continuous benefits until the following Fall open enrollment.

d. **Continuing Eligibility and Cessation of Eligibility**

Continuing eligibility shall be determined annually for the period September 1 through August 31 based upon the Part-time unit member's assignment during the prior Academic Year.

Eligibility shall cease if:

- (1) The unit member's Load for the prior Academic Year is less than forty percent (40%); or
- (2) The individual is no longer employed by the District.

Notwithstanding the above, if the Part-time unit member participating in District coverage has a break in service lasting one (1) year or less for the purposes of accepting a TLR or other temporary academic appointment (*e.g.*, Fulbright Scholarship), their eligibility for District coverage will reinstate

upon their return to District service. Upon return to service, eligibility shall be subject to provisions of [Article 20A.6](#) and the amount of load the unit member was teaching in their last academic year.

e. **Consolidated Omnibus Budget Reconciliation Act Rights (COBRA)**

Should coverage cease, the Part-time unit member is eligible for COBRA Rights.

f. **Domestic Partner Rights**

The District and the Faculty Association agree that domestic partners shall be included under this Article.

20B. Group Medical Insurance for Retirees Hired Before April 1, 1986

[See Appendix:](#)

Retiree Medical Benefits: Letter From Charlotte Lofft,

Retiree Medical Benefits: Letter From Susan Cota.

20B.1 Definition of Retired Employee

A “retired” employee shall be defined as one who has retired from District service and who is eligible for or is receiving a retirement allowance from the California State Teachers’ Retirement System (CalSTRS) or the California Public Employees’ Retirement System (CalPERS). This means that to be a “retired” employee from the District, and eligible for District retiree benefits as set forth in this Agreement, a unit member does not have to be retired from either the California State Teachers’ Retirement System (CalSTRS) or the California Public Employees’ Retirement System (CalPERS).

20B.2 Length of Service Requirement for Eligibility

For unit members employed before April 1, 1986, the District will pay the full cost of the District’s medical insurance plan(s), [including the Preferred Provider Organization (PPO) plans], notwithstanding that active unit members may pay a share of the premiums for similar plans, for each unit member and spouse or approved domestic partner according to [Article 20A.3](#) following retirement of the member provided that the employee has rendered Full-time Service to the District at the age of retirement, including the five (5) years immediately preceding retirement, as follows:

Age at Retirement	Full-time Service
55 Years	15 Years
56 Years	14 Years
57 Years	13 Years
58 Years	12 Years
59 Years	11 Years
60 Years	10 Years

a. **Effect of District Approved Leave of Absence**

A District-approved Leave of Absence, granted in a single Board of Trustees action to a maximum of two (2) Academic Semesters within the past five (5) years, shall be computed as fulfilling one (1) year of Full-time required service.

b. **Preservation of Right: Impact of Future Benefit Elimination for Active Staff**

If the District and the Faculty Association agree in the future to eliminate health benefit coverage for active staff, this retiree right will be preserved for unit members hired before April 1, 1986.

c. **Impact of Pre-Retirement Reduction in Load** see [Article 20C.2f](#).

20B.3 Length of Benefit

An eligible unit member or eligible retired unit member hired before April 1, 1986 has a vested right to deferred compensation in the form of premium-free retirement medical benefits that will continue during the life of the retiree. Upon the death of the retiree, the retiree's spouse or approved domestic partner may continue group coverage at his/her own expense and with advance payments as determined by the District.

a. **Surviving Spouse or Approved Domestic Partner Rights**

If two (2) Chabot-Las Positas Community College District retired individuals are married and one (1) passes away, then the surviving retiree is only eligible for those benefits that he/she had earned under his/her own service.

20B.4 Coverage for Eligible Dependents Other Than Spouse

The retired unit member may pay the additional premium(s) necessary to provide coverage for eligible dependents other than his/her spouse or approved domestic partner.

20B.5 District Coverage Limits

The District medical plans will be limited to the coverage provided for active staff in the case of retirees under sixty-five (65) years of age, or to the premiums which will replace or supplement Medicare, for retirees sixty-five (65) years of age or older. Retirees eligible for Medicare must enroll in all parts for which they are eligible.

a. **Notice of Intent to Retire**

When an eligible unit member notifies the District of his/her intent to retire, the District will provide the unit member with information relating to retirement benefits. At the time of retirement, the retiree must be enrolled in a District group medical insurance plan and eligible for continuance under any special requirements which are a part of that plan.

An eligible unit member who provides notice of his/her intent to retire shall begin receiving the retiree benefits to which he/she is entitled under this Agreement upon the earlier of the following:

- (1) The effective date of the retirement; or
- (2) July 1 of the summer immediately following the unit member's last Academic Year of service.

b. Enrollment in Medicare Parts A, B and D

Retirees eligible for Medicare must also enroll in Parts A, B, and D. When a retired unit member or spouse or approved domestic partner who has been determined to be Medicare eligible reaches the age of sixty-five (65), it is understood that he/she must enroll in Medicare Parts A, B, and D during his/her initial enrollment period as specified by the Social Security Administration. To be eligible for the District paid Medicare Risk Health Maintenance Organization (HMO) or the Medicare Supplement Preferred Provider Organization (PPO), the retiree or spouse or approved domestic partner must enroll in the District program at the time of enrollment in Medicare Parts A, B, and D. The District will cover the cost of Parts B and D. The District will reimburse the retiree cost of Medicare Parts B and D monthly. If the retiree and/or his/her spouse or approved domestic partner is ineligible, he/she must show proof of the ineligibility.

c. Additional Plan Options

Effective July 1, 2012, the District will offer additional options to the Preferred Provider Organization (PPO) plan for retirees living out of state. Thereafter, the District will investigate additional alternatives to the PPO plan for retirees who live in the State of California, but outside the District's medical plan service area.

20B.6 Changing Insurance Plans

Medical Insurance plans can be changed from one company to another by the retiree once during the annual open enrollment period established in the District. The District agrees to notify all retirees by U.S. Mail of the annual open enrollment period at least thirty (30) days before the commencement of said period. Changes between companies for retirees will be subject to the policies in effect at that time by the Insurance companies providing medical coverage.

20B.7 Requirement to Enroll in Plan at Time of Retirement

At the time of retirement, the retiree must be enrolled in a District group medical insurance plan and eligible for continuance under any special requirements that are a part of that plan.

20B.8 Effect of Absence on Retirement Benefits

Regular unit members who are absent because of injury or illness, and who have (1) exhausted all paid leave, (2) are on Leave of Absence without Pay, and (3) are eligible for Group Medical Insurance for Retirees, shall continue to receive medical benefits without a break in coverage, so long as all of the aforesaid conditions still apply.

20B.9 Effect of Pre-Retirement Reduction of Annual Workload

Unit members on Pre-retirement Reduction of Annual Workload shall receive Full-time service credit under [Article 20B.2](#) as if they were working Full-time.

20B.10 Dental and Vision Coverage

Effective July 1, 2012, the District shall offer retired Regular unit members the opportunity to participate in the District's group dental and vision plans subject to plan provisions. The retiree shall be responsible for the full cost of the total actual premiums.

20B.11 Out-of-Country Retirement Medical Coverage for Eligible Retirees

This Article only applies to Unit Members Employed Before April 1, 1986.

a. Election and Conditions:

- (1) This option may be elected solely at the discretion of the retiree. It is available to all eligible current and former retirees any time they permanently move outside the U.S. where no current District retiree medical coverage exists;
- (2) The retiree must state in writing to the District that permanent residence is being taken outside the country at least sixty (60) days before the move occurs;
- (3) It is the retiree's sole responsibility to arrange for a personal (plus spouse or approved domestic partner) medical coverage policy with a foreign carrier. The District is not required to help in this search and is not responsible for the performance of the policy selected by the retiree;
- (4) A contract for the medical coverage must be sent to the District before any payments for the coverage are made. The contract must state the monthly premium rate for a period of one (1) Fiscal Year; and
- (5) The policy and payment method must be constructed in a way that prevents the District from incurring any tax liability [Internal Revenue Service (IRS) or otherwise]. IRS regulations preclude payment being made to the retiree. Payment must be made directly to the medical carrier.

b. District Responsibility:

- (1) The District will pay to the retiree's foreign medical carrier a monthly, quarterly, or annual amount up to the maximum monthly, quarterly, or annual amount that is paid to a carrier for working members of the bargaining unit at the time the coverage is initiated; and
- (2) If the cost of the foreign medical coverage contract is not stated in U.S. currency, the monthly, quarterly, or annual premium to be paid by the District may be paid directly to the foreign policy carrier by check, credit or debit card, or Electronic Funds Transfer (EFT) in an amount equivalent to the U.S. currency amount.

c. Retiree's Responsibility:

- (1) The retiree will be responsible for any exchange rate fluctuations that directly cause a diminishment to the funds received by the foreign carrier from the District. In such event, the retiree will have to personally pay the difference between the exchanged funds received by the foreign carrier from the District and the cost of the policy;
- (2) The retiree must notify the District in writing each calendar quarter that he/she is in need of continuing medical coverage. Failure to provide this notification will cause the District to withhold payment to the foreign policy carrier until said notice is received;
- (3) If the retiree wishes to change to a different foreign medical carrier, all the requirements and conditions noted above in [Article 20B.11 a-c](#) must be satisfied under the new coverage policy before the change can occur. Changes can only be made during open enrollment periods or when the existing policy is no longer available;
- (4) If the retiree wishes to return to the U.S. as a permanent resident, written notice of such intent must be received by the District. The retiree will be allowed back into the plan within thirty-one (31) days of losing his/her other coverage and choose among policies available to retirees under the conditions of the current Contract with the bargaining unit; and
- (5) Unit members employed on or after April 1, 1986 will not be eligible for coverage as set forth in this Article.

20C. Group Medical Insurance for Retirees Hired on or After April 1, 1986 Through December 31, 2012

[See Appendix:](#)

Retiree Medical Benefits: Letter From Charlotte Lofft,

Retiree Medical Benefits: Letter From Susan Cota.

For unit members hired after the date referenced above, see [Article 20D](#).

20C.1 Definition of Retired Employee

A “retired” employee shall be defined as one who has retired from District service and who is eligible for, or is receiving a retirement allowance from the California State Teachers’ Retirement System (CalSTRS) or the California Public Employees’ Retirement System (CalPERS). This means that to be a “retired” employee from the District, and eligible for District retiree benefits as set forth in this Agreement, a unit member does not have to be retired from either the California State Teachers’ Retirement System (CalSTRS) or the California Public Employees’ Retirement System (CalPERS).

20C.2 Eligibility and Level of Coverage

Effective January 1, 1998, all eligible unit members employed on or after April 1, 1986, shall be able to participate in District group medical retirement

benefits under the conditions stated in Articles [20C.3](#) - [20C.9](#), and [20C.11](#) below, subject to the following understanding:

a. Notice of Intent to Retire

When an eligible unit member notifies the District of his/her intent to retire, the District will provide the unit member with information relating to retirement benefits. At the time of retirement, the retiree must be enrolled in a District Group Medical Insurance Plan, and be eligible under any special requirements which are part of that plan.

An eligible unit member who provides notice of his/her intent to retire shall begin receiving the retiree benefits to which he/she is entitled under this Agreement upon the earlier of the following:

- (1) the effective date of the retirement; or
- (2) July 1 of the summer immediately following the unit member's last Academic Year of service.

b. Impact of Change of Carriers and/or Plans

Both the District and the Faculty Association recognize that carriers, plans, and coverage available to retirees may change in the future. Retirees will be allowed to continue enrollment in District plans that are available to active employees at any time in future years, subject to any restrictions imposed as stated in [Article 20C.2a](#) above. It is understood that if in some future Fiscal Year any of the current carriers are changed, the District does not have an obligation to replicate the coverage provided by a lost carrier. Additionally, both parties understand that the District's obligation does not include maintenance of a particular coverage that was available when the retiree left the District.

c. Length of Service Requirement for Eligibility

It is understood that all retirees must meet the same conditions for continuous service before retirement as set forth in [Article 20B.2](#) In order to qualify for District group medical benefits, namely, that the employee has rendered Full-time service to the District at the age of retirement, including the five (5) years immediately preceding retirement, as follows:

Age at Retirement	Full-time Service
55 Years	15 Years
56 Years	14 Years
57 Years	13 Years
58 Years	12 Years
59 Years	11 Years
60 Years	10 Years

d. Effect of District Approved Leave of Absence

A District-approved Leave of Absence granted in a single Board of Trustees action to a maximum of two (2) Academic Semesters within the past five (5) years shall be computed as fulfilling one (1) year of Full-time required service.

e. Preservation of Right

It is understood that if the District and the Faculty Association agree in the future to drop medical benefits for active staff, this retiree right will be preserved for Faculty eligible for retiree coverage under [Article 20C](#).

f. Impact of Pre-Retirement Reduction of Annual Workload

Unit members on Pre-retirement Reduction of Annual Workload shall receive Full-time Service Credit under [Article 20C](#) above as if they were working Full-time.

20C.3 Coverage Limits for Eligible Retirees Under the Age of Sixty-Five (65)

a. Limits on District Premium Payment

The District's premium payment for health benefits for a retiree under this Section shall be limited to the cost of coverage equivalent to the most expensive Health Maintenance Organization (HMO) plan available to active employees during any particular Fiscal Year. The cost to the retiree is based on the retiree's premium rate.

b. District Share of Premium

The District contribution toward group medical coverage for the retiree and spouse or approved domestic partner, until the affected retiree or spouse or approved domestic partner reaches sixty-five (65) years of age or otherwise becomes eligible for Medicare coverage, shall be limited to a percentage of the maximum health benefits contribution to premiums as cited in [Article 20C.3a](#) above. This percentage is determined from the table shown below. This table, based upon Years of Service in the District and age upon retirement, shows the percentage of the premium to be paid by the retiree. Beginning July 1, 2002, the retiree's co-payment shall continue at this percentage level until the retiree reaches age sixty (60) or age of retirement, whichever is later, at which time the premium cost to employee shall freeze and remain at that maximum amount not to be increased. Any required co-payments must be made in advance to the District in order for coverage to continue.

	65	0	0	0	0	0	0	0	0	0	0	0	0	0	0	0	0	0	0	0	0	0

The table is based on the following rule:

If the retiree’s age plus Years of Service ≥ 85 , then his/her premium contribution is zero. Each decrease of one (1) year in either age or Years of Service increases the retiree’s contribution by five percent (5%). If a retiree under this Section enrolls in a plan that is costlier than the most expensive Health Maintenance Organization (HMO) [e.g. a Preferred Provider Organization (PPO) plan], he/she must pay the difference between the cost of the chosen plan and that of the most expensive HMO plan, in addition to the premium contribution for the most expensive HMO plan according to the matrix above.

Squares that show an X indicate that the retiree does not qualify for retirement medical coverage.

Example: An employee retires at age sixty (60) with twenty-three (23) Years of Service. The retiree’s premium contribution for Health Maintenance Organization (HMO) level coverage is ten-percent (10%) of the cost of said coverage. This contribution continues until age sixty-five (65). At age sixty-five (65), the retiree must enroll in Medicare Parts A, B, and D and coverage shall be in accordance with [Article 20C.4](#) below.

20C.4 Medical Coverage for Eligible Retirees Upon Reaching Age Sixty-Five (65)

Impact of Change in Federal Law

It is understood that Medicare regulations under Federal Law may change over

time, and that these regulations take precedence over this Agreement in case of conflicting language.

a. Requirement for Medicare Enrollment

A retiree must enroll in Medicare Parts A, B, and D during his or her initial enrollment period as specified by the Social Security Administration. If the retiree and/or his/her spouse or approved domestic partner is ineligible, he/she must show proof of the ineligibility. The District shall cover the cost of Medicare Parts B and D, either directly or via monthly reimbursement, as appropriate. In addition, the District will pay the full premium of the highest Medicare Risk Health Maintenance Organization (HMO) plan available, unless the retiree selects a lower cost plan, in which case the District will pay the full premium cost of the plan selected. The plans available shall be identical to the HMO plans available to active unit members, however retirees under this Section shall not be required to contribute a share of the premium cost. If the retiree selects a coverage level higher than the highest Medicare Risk Health Maintenance Organization (HMO) [e.g. the Medicare Supplement Preferred Provider Organization (PPO)], the retiree must pay the difference.

b. Penalty for Non-Compliance of Retiree in Medicare Enrollment

If a retiree fails to enroll in Medicare Parts A, B, and D during the Medicare initial Enrollment Period, as specified above, he or she must cover all penalties, financial and otherwise, for this delay.

c. Spousal Enrollment in Medicare

Upon reaching age sixty-five (65), the spouse or approved domestic partner of a retiree must also enroll in Medicare Parts A, B, and D during his or her initial enrollment period, as specified by the Social Security Administration, if the spouse or approved domestic partner wishes to continue group coverage under a District sponsored group plan.

d. Penalties for Non-Compliance of Spouse in Medicare Enrollment

If the spouse or approved domestic partner of a retiree fails to enroll in Medicare Parts A, B, and D during his/her Medicare initial Enrollment Period, as specified above, he or she must cover all penalties, financial and otherwise, for this delay.

e. Exception to Requirement for Medicare Enrollment

If the retiree or spouse or approved domestic partner enrolls in Medicare and the other is not yet eligible for Medicare, then the one who is not eligible can continue group coverage at the rates charged the retiree under [Article 20C.3b](#) until the spouse or approved domestic partner reaches age sixty-five (65) or otherwise becomes eligible for Medicare coverage.

20C.5 Length of Benefit

Continuation of Coverage

An eligible retired unit member under [Article 20C](#) has a vested right to deferred compensation in the form of retirement medical benefits that are premium-free up to the level of the most expensive Medicare Risk Health Maintenance

Organization (HMO), that will continue during the life of the retiree. Upon the death of the retiree, the retiree's spouse or approved domestic partner may continue group coverage at his/her own expense and with advance payments as determined by the District, subject to the following:

a. **Medicare Enrollment**

Upon reaching age sixty-five (65), the spouse or approved domestic partner of a deceased retiree must also enroll in Medicare Parts A, B, and D during his or her initial enrollment period as specified by the Social Security Administration, if the spouse or approved domestic partner wishes to continue group coverage under a District-sponsored group plan at his/her own expense.

b. **Penalty for Non-Compliance in Medicare Enrollment**

If the spouse or approved domestic partner of a deceased retiree fails to enroll in Medicare Parts A, B, and D during his/her Medicare Initial Enrollment Period, as specified above, he or she must cover all penalties, financial and otherwise, for this delay.

20C.6 Out of State/Local Area Health Maintenance Organization (HMO) Coverage for Eligible Retirees

Effective July 1, 2012, the District will offer additional options under [Article 20C](#) for eligible retirees who are living out of the State of California or out of the local benefits coverage area. These options will include Kaiser coverage (subject to availability in the retiree's local area) and possibly a "Limited Preferred Provider Organization (LPPO)" style plan. If the retiree opts to enroll in such a plan, the District's contribution to the premium shall be limited to the cost of the most expensive Medicare risk Health Maintenance Organization (HMO) plan the District provides to retirees within the Chabot-Las Positas Community College District Service Area.

Effective January 2023, if the retired employee is unable to enroll in the District's Kaiser coverage or LPPO style plan, they may alternatively contract for medical insurance available in the geographic area, and shall make arrangements for the District to pay the carrier directly via check, credit or debit card, or Electronic Funds Transfer (EFT). The following conditions shall apply:

- a. It is the retiree's sole responsibility to arrange for a personal (plus spouse or approved domestic partner) medical coverage policy with a local carrier. The District is not required to help in this search and is not responsible for the performance of the policy selected by the retiree;
- b. A contract for the medical coverage and a W9 form must be sent to the District before any payments for the coverage are made. The contract must state the monthly premium rate for a period of one (1) Fiscal Year;
- c. The policy and payment method must be constructed in a way that prevents the District from incurring any tax liability [Internal Revenue Service (IRS) or otherwise];
- d. If the retiree becomes eligible for the District's Kaiser coverage or LPPO style plan at a later date (*e.g.*, if the retiree reaches the age of 65 and becomes

Medicare eligible), they will transfer their coverage to a such plan as soon as practical to do so, if allowed by the carrier;

- e. In all cases, the District's contribution to the premium shall be limited to the cost of the most expensive Medicare Risk Health Maintenance Organization (HMO) plan the District provides to retirees within the Chabot-Las Positas Community College District Service Area. In addition, the retiree shall also cover their share of the premium per [20C.3](#) above.

20C.7 Coverage Limits if Both Spouses Are Eligible

When two (2) District employees retire who are married to each other or domestic partners of each other, the District will pay the cost of only one (1) medical insurance plan, to continue during their lifetimes. Should one (1) or both employees be required to contribute a share of premiums, this shall be the lesser of the two (2). If one (1) is deceased, then the spouse or approved domestic partner can continue the District insurance plan based on his/her own earned rights for insurance, or those earned rights of the deceased spouse or approved domestic partner, whichever are greater.

20C.8 Payment of Premiums for Eligible Dependents

The retired unit member may pay the additional premium(s) necessary to provide coverage for eligible dependents other than the spouse or approved domestic partner.

20C.9 Change in Plans and/or Carriers

Medical insurance plans can be changed from one company to another by the retiree once each Fiscal Year during the annual open enrollment period established by the District. Changes between health carriers for retirees will be subject to the policies in effect at that time by the carriers providing medical coverage, see [Article 20C.2b](#). The parties agree to include selected out of District options.

The District shall notify all retirees by U.S. Mail of the annual open enrollment period at least thirty (30) days before the commencement of said period.

20C.10 Dental and Vision Coverage

The District shall offer retired Regular unit members the opportunity to participate in the District's group dental and vision plans. The retiree shall be responsible for the full cost of the premium.

See [Articles 20B.9](#) and [20C.2f](#).

20D. Retiree Benefits for Unit Members Hired on or After January 1, 2013

The District and Faculty Association agree to the provisions below. These provisions only apply to unit members hired on or after January 1, 2013.

20D.1 Coverage Option for Retirees Under the Age of Sixty-Five (65)

A unit member hired on or after January 1, 2013, who retires before reaching Medicare eligibility may, at his/her option, participate in the District's group medical retirement benefits by paying the full cost of premiums. It is understood that said premiums may be specially priced to the retiree's age class and may be considerably more expensive than those paid for active employees.

20D.2 Coverage Option After Enrolling in Medicare

After enrolling in Medicare, the retiree may, at his/her option, participate in the District's group medical retirement benefits by paying the full cost of premiums.

20D.3 Health Retirement Savings Plan/Health Reimbursement Account (HRA)

[See Appendix](#): Board of Trustees' Resolution No. 08-1213, Authorization to Establish and Implement A Health Reimbursement Account, Effective January 1, 2013.

Effective January 1, 2013, the District shall establish a Health Retirement Savings Plan, or Health Reimbursement Account, or similar savings vehicle (here referred to as HRA) for each Contract and Regular unit member hired under this Section, for the purpose of funding the unit member's post-retirement health benefits. It is understood that the future interest for this class of unit members shall be January 1, 2013. All Contract and Regular unit members who are hired on or after January 1, 2013 shall be subject to the following HRA provisions:

- a. The District shall contribute \$200 monthly to the HRA of each Contract or Regular unit member covered under this Section. The monies placed in each unit member's account will earn interest which will be credited to his/her account;
- b. In future years, the District and Faculty Association may agree to adjust the contribution amounts described in (a) above;
- c. The Contract or Regular unit member's rights to the money the District deposited in the HRA shall vest in five (5) years from the date of hire of the unit member;
- d. If a Contract or Regular unit member has a partial contract of less than one hundred percent (100%) (0.5 FTE or more), then the District contribution shall be proportional to his/her FTE in the District;
- e. The District shall bear the full cost of administering the HRA, and the separated employee shall bear the full cost of the distribution fee to access his/her share of the funds;
- f. If there is a forfeiture of the HRA, based on the unit member leaving District service before vesting, the monies which the District deposited on behalf of the unit member shall revert to the District for use in paying future contributions to eligible HRA members; and

- g. The Faculty Association and the District shall meet and negotiate over future changes in the Internal Revenue Service (IRS) regulations that may impact HRAs.

20D.4 Dental and Vision Coverage

The District shall offer retired Regular employees the opportunity to participate in the District's group dental and vision plans, subject to plan provisions. The retiree shall be responsible for the full cost of the premiums.

20D.5 Definition of Retired Employee

A "retired" employee shall be defined as one who has retired from District service and who is eligible for, or is receiving a retirement allowance from the California State Teachers' Retirement System (CalSTRS) or the California Public Employees' Retirement System (CalPERS). This means that to be a "retired" employee from the District, and eligible for District retiree benefits as set forth in this Agreement, a unit member does not have to be retired from either the California State Teachers' Retirement System (CalSTRS) or the California Public Employees' Retirement System (CalPERS).

20E. Group Medical Insurance for Retirees Due to Disability

20E.1 Coverage

The District will continue to pay the cost of a District group medical insurance plan for each unit member and spouse or approved domestic partner following retirement of the unit member from District service due to disability, provided that the employee has attained the age of fifty (50) years and has rendered ten (10) years' Full-time Service to the District at the age of retirement, including the five (5) years immediately preceding retirement. A District approved Leave of Absence granted in a single Board of Trustees action to a maximum of two Academic Semesters within the past five (5) years shall be computed as fulfilling one (1) year of Full-time required service.

20E.2 Definition

A "disability retired" unit member shall be defined as one (1) who has involuntarily retired from service and from the District due to disability and who is receiving a disability retirement allowance from the California State Teachers' Retirement System (CalSTRS) or the California Public Employees' Retirement System (CalPERS).

20E.3 Term

A disability retiree who meets the minimum service requirements of ten (10) years' Full-time Service, including the five (5) years immediately preceding retirement, but who has not attained the age of fifty (50) years at the time of retirement, may continue to receive medical insurance coverage from the District if the unit member chooses to continue coverage and agrees to pay quarterly the full premium due to the District in one (1) advance quarterly payment.

If said payments are continued without a break by the unit member until attainment of age fifty (50), the District shall contribute towards the payment of health benefits premiums in accordance with [Articles 20B](#) and [20C](#). See [Article 20E.6](#) below.

20E.4 Length of Coverage and Impact on Surviving Spouse

Benefits will continue during the life of the disability retiree. Upon the death of the retiree, the surviving spouse or approved domestic partner may continue Group coverage at his/her own expense and with advanced payments as determined by the District. If said retiree's spouse or approved domestic partner is employed by the District, in no instance will the District contribute more than the specified District contribution for one (1) medical plan covering unit member and spouse or approved domestic partner.

20E.5 Coverage for Non-Spousal Eligible Dependents

The disability-retired unit member may pay the additional premium(s) necessary to provide coverage for eligible dependents other than spouse or approved domestic partner, to be made by quarterly advance payments to the District.

20E.6 Medicare Eligibility for Disabled Retirees

The District medical plans will be limited to the coverage provided for active staff or to the premiums which will replace or supplement Medicare, for disability retirees at the time the disability retiree becomes Medicare-eligible. Disability retirees eligible for Medicare must enroll in all parts for which they are eligible.

The requirements cited in [Article 20B.5](#) apply to unit members who were employed on or before April 1, 1986 who are planning to take disability retirement. The requirements cited in [Article 20C.4](#) apply to unit members who were employed on or after April 1, 1986 who are planning to take disability retirement.

Specific Medicare Regulations and protections apply to disability retirements, and a unit member who is retiring under the California State Teachers' Retirement System (CalSTRS) or the California Public Employees' Retirement System (CalPERS) disability provisions must consult the Social Security Administration for details.

Changes between companies for disability retirees will be subject to the policies in effect at that time by the insurance companies providing medical coverage. Also see [Article 20C.2b](#).

20F. Continuation of Benefits Upon Death of Unit Member

Upon the death of a unit member, the District will provide continuation of the benefits as specified in [Article 20A.1](#) of this Article for eligible dependents through the end of the month following one hundred and twenty (120) calendar days from the date of death of the unit member. Upon the death of a unit member, the surviving spouse or approved

domestic partner may continue, at his/her own expense, the District's benefit programs with advance payments as determined by the District, and accepted by the insurance carrier.

20G. Medical Coverage for Active Employees Who Are Age Sixty-Five (65) or Older

Medical coverage for active employees who are age sixty-five (65) or older is subject to Federal Medicare Regulations, and these unit members are advised to inform themselves about these regulations.

20H. Effect of Leaves of Absence on Coverage

Regular unit members who are absent because of injury or illness, and who have (1) exhausted all paid Leaves of Absence, (2) are on a Leave of Absence without Pay, and who are eligible for Group Medical Insurance for Retirees, shall continue to receive medical benefits without a break in coverage, so long as all of the aforesaid conditions still apply.

20I. Effect of Pre-Retirement Reduction of Annual Workload on Coverage

Unit members on Pre-retirement Reduction of Annual Workload shall receive Full-time Service Credit as if they were working Full-time.

20J. Waiver of Rights by Retirees

Retirees who waive their rights to insurance benefits are ineligible for future re-enrollment for benefits.

20K. Change in Family Status Notification

It is the unit member's and retiree's responsibility to notify the District, via U.S. Certified Mail, of family status changes which may affect insurance coverage. Failure to notify the District of these changes shall cause the unit member or retiree to be responsible for the cost of the insurance coverage for any period of time from the change thereafter.

20L. 403b and 457 Pre-Tax Account Benefits

(See [Article 21M.](#))

20M. Childcare

The District and Faculty Association agree to meet by December 15, 2023 on a potential MOU defining the terms of a childcare benefit to be made available to Full-time unit members in the 2023-2024 academic year or as practical in working with the third-party administrator.

21F.3 Insufficient Payment of Salary

Any payroll error resulting in insufficient payment for an employee in the bargaining unit shall be corrected, and a special payroll check issued no later than ten (10) working days after the District has received both a written request from the employee and verification of the error. Otherwise, the supplemental amount will be included in the next regular pay warrant following verification of the error.

21F.4 Repayment of Unearned Salary

Any unit member who terminates his/her employment before the end of the school year will be paid as stated herein. In some instances, due to early termination/separation from employment, a unit member may be required to repay his/her unearned salary to the District. Unit members (hired prior to 1991-92) are paid one-twelfth (1/12) of their annual salary on July 31 before they have rendered any service to the District. Unit members (hired beginning 1991-92) are paid one-tenth (1/10) of their annual salary on August 31 before they have rendered a full month service to the District. Unit members are required to sign an agreement authorizing the District to deduct money owed from their paychecks.

- a. **Termination by Death of the Unit Member.** In the event of a unit member's death, the salary warrant for the month in which the unit member dies will be issued to the survivor entitled to it. Repayment of the unearned salary by the survivor will be deferred until the receipt of the District-paid life insurance proceeds and then shall be promptly paid to the District. In any event, repayment shall be made within six (6) months of the date of the unit member's death. If a unit member, who is otherwise eligible for medical benefits upon retirement (as per [Articles 20B.1-20B.7](#)) dies before retirement, his/her spouse may purchase medical benefits from the District at the prevailing group rate.

- b. **Other Employment Termination.** If employment is terminated by causes other than death, the unit member shall promptly repay the unearned portion of his/her salary to the District. The Payroll Office may withhold the unearned portion of such unit member's salary from any money which would otherwise be paid by the District to the unit member.
- c. **Repayment in Case of Overpayment.** If an overpayment of salary has occurred, the unit member shall be notified in writing before any attempt is made by the District to retrieve the overpayment via Payroll deductions. If the overpayment is \$100 or less, the employee shall have the overpayment deducted in the next paycheck. For overpayments exceeding \$100, the repayment schedule shall be spread over the remaining months of the semester, with equal amounts deducted each month. Alternatively, the unit member may request that the repayment period be set equal to the number of months they were overpaid (For example, a unit member who was overpaid a total of \$300 over a period of three months would have \$100 deducted in each of the subsequent three months).

The following additional conditions shall apply:

- (1) Monthly payroll deductions shall not exceed 10% of the unit member's regular salary, minus mandatory withholdings (Federal and state taxes, Medicare, union dues, etc.) unless the unit member authorizes a higher monthly amount.
 - (2) If the unit member separates from the District, or goes on unpaid leave prior to complete repayment, the remainder of the overpayment shall be deducted from their final check. If the final check is insufficient to cover the amount owed, the employee will submit the necessary funds to the District within 30 calendar days.
- d. **Load Residuals on Termination of Employment** (see [Article 10D.9](#).)

If there is a positive Load residual upon termination of employment, it will be compensated to the unit member. If there is a negative Load residual upon termination of employment, the unit member will reimburse the District. In each instance, the remuneration will be computed according to the prevailing Schedule of Part-time Faculty Service Rates, at the Calculated A Hour (CAH) rate indicated for instructional assignments, at the highest step shown that is not greater than the unit member's final step on the Full-time Faculty Salary Schedule. Unit members are required to sign an agreement authorizing the District to deduct money owed from their paychecks.

21F.5 Pay Method for Part-Time Faculty and Overload Assignments

a. Part-Time and Overload Assignments Faculty.

Part-time and Contract, Regular and Temporary Leave Replacement (TLR) unit members teaching overload instructional assignments shall be paid by the course, except in accordance with paragraph (c) below. Assignments as a Counseling Faculty or Library Faculty, or for short-term or incidental Alternative Duty ("F" Hour) work, shall be paid by the hour.

b. Pay-by-Course for Full-Term Assignments.

Pay for Full-term instructional assignments are computed in terms of the Load value of the assignment. for this provision,

$$\text{Pay} = (\text{Assignment Load Value in CAH}) \times (\text{Instructional CAH Rate})$$

The Instructional Calculated A Hours (CAH) Rate is defined in [Article 21G.1](#).

c. Pay for Partial Term Assignments.

This provision applies to unit members credited with performing less than one hundred percent (100%) of the duties associated with teaching a course on a Part-time or Overload basis, including but not limited to substitute service, or course sections to be shared between two (2) or more Faculty members (*i.e.*, team-taught courses), or courses in which a portion of the Calculated A Hour (CAH) value is applied to fulfill a Full-time unit member's annual Load obligation.

Whenever possible, the unit member will be paid a pro-rated share of the pay for the course defined in Section (b) above, commensurate to the proportion of the course taught by the unit member on a Part-time or Overload basis.

For substitute assignments of two (2) weeks duration or less, the unit member will be paid according to the actual contact hours served. Instructional Hourly Rates are defined in [Article 21G.1](#). It is understood that when a unit member is paid on this basis, he/she will not be compensated for classes which do not meet due to a Holiday or Flex Day.

After two (2) weeks of substitute service paid on an hourly basis, the unit member will be paid a pro-rated share of the pay for the course defined in Section (b) above, commensurate to the proportion of the course taught by the unit member. Such proportion will normally be calculated on a weekly or monthly basis.

d. Coordinator or Alternate Duty Assignments.

Unit members performing coordinator or alternate duty assignments on a Part-time or Overload basis may be paid by the assignment in a manner similar to pay by the course as described above, if the assignment is for a Full Semester and/or can be expressed in terms of Calculated A Hour (CAH) value. In such case,

$$\text{Pay} = (\text{CAH value}) \times (\text{"F" Hour CAH pay rate})$$

"F" Hour pay rates are defined in [Article 21G.2](#).

e. Number of Payments.

Service paid by the course for courses of semester length duration shall be made in five (5) equal installments each semester, with payments starting at the end of the first month of service. For service paid for courses of shorter duration than a semester the amount of payments and the number of payments will depend upon the length of the course and the

start and end date. If services terminate for any reason, the amount to be paid will be based upon the proportion of the assignment served.

f. **Reporting of Other Services.**

Any service that is not paid by the course or assignment shall be reported on official service forms that document hours of service. [See Appendix: Service Report: Part-Time Faculty.](#)

21G. Compensation for Eligible Part-Time and Overload Service

21G.1 Schedule of Part-Time Service Rates

Effective Fall Semester 2022, Unit members performing eligible Part-time and Overload service shall be paid on a Schedule consisting of ten (10) steps, and based upon a negotiated percentage of the pro-rata calculation of the appropriate Full-time Faculty Salary in Column III, Steps 2-11. Movement to Step 11 requires CAH to have been earned in Fall 2021 or after; CAH accumulated prior to Fall 2021 will not be counted towards the migration from Step 10 to Step 11.

For Full-term instructional assignments paid in accordance with [Article 21F.5b](#):

Instructional CAH Rate = 72% of Annual Salary ÷ 30

The equivalent hourly rates shall be determined as follows:

a. Lecture Hour Rate = 72% of Annual Salary ÷ 525 This rate applies to Faculty A Hours.

b. For Faculty Hour B.1, B.2, B.3 and B.4 (laboratory hours):

Effective Hourly Rate = (Applicable Load Factor) × (Lecture Hour Rate)

Note: For laboratory hours carrying Load Factor 0.75, it is understood that the above formula is equivalent to 70% of Annual Salary ÷ 700.

c. Non-Credit Hourly Rates:

Hourly compensation rates for Noncredit instruction are as follows:

Faculty Hour G.1: 75% of Lecture Hour Rate above
(Traditional Non-credit, or CDCP Lab)

Faculty Hour G.2: Equivalent to the Lecture Hour Rate above
(Lecture-equivalent hours in CDCP classes)

Faculty Hour H: 52% of Lecture Hour Rate above
(Drop-in Tutorial hour)

d. For Counseling Faculty Hour D:

Effective Hourly Rate = 76.5% of Annual Salary ÷ 962.50.

Note: It is understood that the above formula is equivalent to 83.45% of Annual Salary ÷ 1050.

- e. For Library Faculty Hour E (“E” Hour): the Hourly Rate for “E” Hours shall be the same as that for “D” Hours (Counseling Faculty).
- f. Office Hour Rate = The prevailing “F” Hour (Hourly Rate).
- g. It is agreed that if the State of California’s Part-time Faculty allocation is increased such that the District receives annual funding beyond the current level the distribution of such monies shall be negotiated.

21G.2 Pay Rates for Part-Time/Overload Coordinator, Special Assignments or Alternate Duty

- a. Compensation for coordinator or alternate duty or special assignment work (“F” Hour Assignments) on a Part-time/hourly basis shall be as follows:

For Summer and Fall, 2022: The prevailing rates from Academic Year 2021-22.

Effective Spring Semester 2023: \$2,300 per CAH or \$60.53 per hour.

For Academic Years 2023-24 and 2024-25, the “F-Hour” CAH and Hourly rates shall reflect the salary adjustments implemented in accordance with [Article 21A.2 and 21A.3](#).

- b. Part-time Faculty performing approved incidental hourly work (e.g., program or professional development, attending meetings, etc.) shall be paid at the hourly rate as defined above. [See Appendix](#): Service Report: Academic Non-Instruction/Special Assignment.

21H. Initial Placement on The Schedule of Part-Time Service Rates for Part-Time Faculty

21H.1 Initial Step Credit

[See Appendix](#): Verification of Work Experience.

Effective Fall Semester 2022, Step 1 on the Schedule of Part-Time Service Rates is eliminated, and entering faculty shall be granted one (1) increment of basic step credit. Additional step credit shall be applied on the following basis:

- a. Entering Part-time Faculty shall be placed minimally at Step 2, and may be placed as high as Step 5 on the Schedule of Part-time Service Rates (Part B of the Faculty Salary Schedule). Initial Step placement shall be effective for their initial Term of Service, whether it be Summer Session, Spring Semester or Fall Semester.
- b. Full-time Instructional Faculty, Counseling Faculty, Library Faculty or Special Assignment Faculty experience in an accredited school (K-12) or college including Temporary Leave Replacement (TLR) work, shall be credited at the rate of one (1) Step for each year of experience.
- c. Part-time Instructional Faculty, Counseling Faculty, Library Faculty or Special Assignment Faculty experience in an accredited school (K-12) or college, including Summer Session work, and verified long-term substitute service (defined as over fifty percent [50%] of a course), shall

be aggregated into Full-time Equivalent Years.

- d. Credit for Full-time work experience in an occupation directly related to the assignment shall be allowed at the rate of one (1) Step for every two (2) Calendar Years of experience. The applicant bears the burden of proving a nexus between his/her work experience and proposed assignment.
- e. Fractional years shall be carried through as the results from Parts b through d above are added. The resulting sum will be truncated to the highest whole number, which will determine the Step credit for entering Faculty.
- f. Work experience other than that listed above, including experience as a Teaching Assistant, shall not be considered.

21H.2 Recalculation of Initial Step Placement

Any Part-time unit member at Step 2, 3, or 4 on the Schedule of Part-time Service Rates may request a recalculation of initial Step placement, if experience attained subsequent to date of hire (including service both within and outside the District) results in a higher Step placement, as calculated in accordance with Article 21H.1 above, than would be afforded by normal advancement according to [Article 21I.1](#). Within forty-five (45) days of the beginning of the semester in which such a revised placement would take effect, the unit member must submit a request in writing to the Office of Human Resources that details the request. The unit member must also submit verification, consistent with [Article 21H.3b.](#), below, of any relevant experience outside the District that was gained subsequent to his/her current initial Step placement.

21H.3 Verification of Experience

In order to verify Step placement, it is the responsibility of the unit member to request submission of verification letters to the Office of Human Resources.

- a. Within forty-five (45) days of Board approval of hire, the Office of Human Resources shall send the negotiated form to new Faculty member ([See Appendix: Verification of Work Experience](#)). The form shall include [Articles 21H.1](#), [21H.2](#) above, and [21H.3](#), and stipulate the timeline for verification documents to be submitted in order for the initial placement to be effective. This includes retroactive placement for Fall, Spring, or Summer Term of initial service.
- b. Letters for this purpose must be on official letterhead or other documents signed by the appropriate authority of the verifying institution. Copies of employment contracts issued from the Office of Human Resources of local educational institutions may serve in lieu of narrative letters, as long as such documents contain detailed enough information from which service credit can be calculated. Additional requirements may apply, as agreed by the District and Faculty Association.

- c. Each letter must clearly state the Term of the teaching employment or work experience. In addition, if this prior teaching experience was not Full-time, the verification letters must evidence details as to the equivalent units taught for each semester or quarter.
- d. Step placement shall not occur until verifying documentation is received. If documentation received more than ninety (90) days after notification in accordance with Section “a”, above, results in a change of initial placement, and the unit member is retained to work subsequent semesters, the resulting change shall be effected beginning with the unit member’s next Semester and/or Summer or Inter-session assignment.

Notwithstanding, errors in placement due to factors other than the unit member’s failure to provide necessary documentation shall not be subject to this timeline governing retroactivity.
- e. A newly hired Part-time unit member who believes he or she has been improperly placed may appeal that placement via the Faculty Association.

21I. Step Advancement on The Schedule of Part-Time Service Rates Schedule

21I.1 Normal Step Advancement

After initial placement on the Schedule of Part-time Service Rates is established, the next Step, and all subsequent Steps, shall be earned by aggregating at least eighteen (18) Faculty Calculated A Hours (CAHs) equivalents of Full-time Equivalent Load at the current Step (refer to Part B: Schedule of Part-time Service Rates for maximum step). This Load will carry over from Term-to-Term (Fall Semester, Inter-session, Spring Semester, Summer Session) until eighteen (18) Equivalent Faculty Calculated A Hours (CAHs) are achieved. Step advancement shall be effective the Academic Term (Fall Semester, Inter-session, Spring Semester or Summer Session) immediately following the Academic Term in which an aggregated total of eighteen (18) Faculty Calculated A Hours (CAH equivalents) is earned; any residual overage of Load (or hours) above the aggregated eighteen (18) Faculty Calculated A Hours (CAH equivalents) shall not carry over to the next Term. A unit member may advance a maximum of one (1) Step per year. For purposes of this Section only, a year is defined as a twelve (12) month period comprised of the four (4) Academic Terms, including Inter-session. It is understood that the year shall begin at the Term where the individual unit member is advanced a Step and shall continue for the three (3) Terms thereafter. It is understood that a unit member does not have to serve each Term of the year to be advanced, and that the aggregated total of eighteen (18) Faculty Calculated A Hour (CAH equivalents) shall determine eligibility for advancement.

- a. Implementation of Step 11: Step 11 shall be implemented effective Fall Semester, 2022. Any unit member who was at Step 10 as of Fall Semester, 2021, must accrue an additional eighteen (18) or more Calculated A Hours (CAHs) prior to advancement to Step 11. CAH accrued prior to Fall 2021 will not be eligible to be counted towards the necessary CAH needed to move from Step 10 to Step 11.

- b. For Counseling Faculty, Library Faculty and Special Assignment Faculty, all hours earned up until the last work day immediately prior to a new Academic Term will count for aggregating hours toward achieving Step advancement.

For non-instructional hours, eighteen (18) Faculty Calculated A Hours (CAHs) is equivalent to the following, effective Spring Semester, 2023: 575 (five hundred seventy-five) cumulated Counseling Faculty hours; or 630 (six hundred thirty) cumulated Library Faculty hours; or 682 (six hundred eighty-two) cumulated Special Assignment Faculty hours. If hour types commingle, eligibility for Step advancement shall be computed in terms of Calculated A Hour (CAH), based on the hour definitions specified in [Article 10D.12](#).

- c. For laboratory assignments equivalent to seventy-five (75%) of a Calculated A Hour (CAH), four hundred and twenty (420) hours equals eighteen (18) Calculated A Hours (CAHs).

211.2 Application of Long-Term Substitute Service for Step Advancement

Substitute service shall be included in the foregoing if the Part-time unit member has taught more than fifty percent (50%) of a course. All such substitute work shall be pro-rated based on the portion of the course taught, to determine the Calculated A Hour (CAH) value. Placement on the higher Steps of the Schedule is understood to provide no expectation of tenure or permanence of employment.

211.3 Banked Units Not Eligible for Step Advancement

For Full-time unit members, any full or partial assignment credited to the member's Load sheet, including Calculated A Hour (CAH) units designated for Workload Banking, shall not count for Step credit for advancement on the Schedule of Part-time Service Rates. Notwithstanding, any Calculated A Hour (CAH) overage paid out to a Full-time unit member on the basis of his/her current Step on the Schedule of Part-time Service Rates shall count for Step credit at the time it is paid.

21J. Extra Hours Compensation—Intercollegiate Athletics, Forensics, Newspaper Production, and Music and Theater Performance

21J.1 Provisions for Coaches in Intercollegiate Athletics

Load Credit for Instructional Assignments: Head Coaches in Intercollegiate Athletics shall receive instructional Load credit of 7.5 (seven and a half) Calculated A Hours (CAH) for the assignment, commensurate with service as instructor of Record for an intercollegiate athletics class which generates apportionment based on ten (10) weekly scheduled contact hours over a 17.5 (seventeen and a half) week semester [or otherwise a season lasting 17.5 (seventeen and a half) weeks.

Associate Head Coaches in the sports of Football, Baseball and Track shall receive 5.0 Calculated A Hour (CAH) Instructional Load. The exception for

this provision is the Head Coach for Diving, which shall be compensated as an assistant coach. It is understood that Part-time unit members who serve as Head Coach or Associate Head Coach shall be compensated for the Instructional Load credit described above, in accordance with Schedule of Part-time Service Rates.

“F” Hour Alternative Duty Compensation: In addition to the Load credit for Head Coaches and Associate Head Coaches shown above, coaches in Intercollegiate athletics, including assistant coaches, shall receive “F” Hour Alternative Duty Load credit, or compensation in accordance with [Article 21G.2](#) above, as follows:

Position	“F” Hour Total CAH Effective Spring 2023
<i>Head Coach:</i> M Baseball, M Football, M/W Track	4.5
<i>Head Coach:</i> M Basketball, W Basketball, M Soccer, W Soccer, M/W Swimming, M/W Tennis, M Wrestling, W Softball, W Volleyball, M/W Cross Country, M Water Polo, W Water Polo	3.5
<i>Head Coach:</i> M/W Diving	3.0
<i>Associate Head Coach:</i> Baseball, Football, Track	3.5
(Football only) Offensive & Defensive Coordinator	3.5
<i>Assistant Coaches:</i> All sports (where assigned)	3.0

- a. **Payment Schedule and Load Limit in Accordance with the Sixty-Seven Percent (67%) Law:** It is understood that a portion (up to two thirds) of the “F” Hour Alternative Duty compensation will be paid for duties performed when the sport is not in season, and accordingly said portion of the “F” Hour Calculated A Hour (CAH) will be assigned off season, which may include work in Summer Session, as approved by the immediate supervisor. In all cases, the aggregated assignment (Instructional Load from all assignments plus “F” Hour Alternative Duty) for Part-time unit members shall not exceed ten (10) Calculated A Hours (CAHs) in any one Fall or Spring Semester. For each Head Coach, Associate Head Coach, or Assistant Coach, the immediate supervisor will provide the District with the distribution of “F” Hour Alternative Duty for the assignment, as delineated above, between Fall Semester, Spring Semester, and Summer Session. This distribution of payments will follow the current pattern of compensation— five (5) equal payments for the portion of duties designated for Fall; five (5) equal payments for the portion of duties designated for Spring; and/or three (3) equal payments for the portion of duties designated for Summer Session.

- b. **Inapplicability of [Article 10C.3](#):** The District and Faculty Association agree that [Article 10C.3](#), regarding the opening of Alternate Duty assignments to other interested unit members, shall not apply to intercollegiate coaching assignments.
- c. **Items Requiring Subsequent Negotiation:** In the event that a college elects to add an Athletic Program, or to make significant changes to an existing program (*e.g.* consolidation or de-consolidation), the District and Faculty Association shall negotiate impact effects to the provisions herein.

21J.2 Extra Hours Compensation for Forensics, Newspaper, Performing Arts, Music and Theater

Faculty members may receive Instructional Load credit for the courses associated with the programs listed below. In addition, the areas as defined below shall receive minimum Alternative Duty “F” Hour Load credit for activities outside of the core functions described in [Article 10C.4](#). In the case of Performing Arts, Music and Theater the allocation shall be determined by the appropriate Administrator.

Forensics: no less than 8 (eight) CAH will be allotted per college annually for the unit members serving as Director of Forensics. In addition, the Forensics program at each college shall be allotted a traveling Assistant Coach position that will carry three (3) CAH.

Newspaper: no less than 4 (four) CAH per college annually.

Performing Arts, Music and Theater: no less than 15 (fifteen) CAH per college annually, to be divided at each college as recommended by affected unit members, and approved by the appropriate Administrator.

21K. Large Enrollment Classes

See [Article 10E.3](#).

21L. Summer/Inter-Session Wage Rates

See [Article 17](#).

21L.1 Pay for Part-Time Faculty to Participate in New Faculty Orientation

Part-time Faculty shall be paid for up to two (2) hours of participation in orientation as new Faculty regardless of whether this orientation is face-to-face or online. See [Article 18E.3](#).

21M. 403b and 457 Pre-Tax Account Benefits

Full-time and Part-time unit members may voluntarily participate in 403b and/or 457 accounts on a pre-tax basis per the Federal Internal Revenue Service (IRS) and the California Franchise Tax Regulations. These voluntary retirement accounts are funded by employee deductions. If you have any questions on how to set up this pre-tax account or need additional information, contact the Payroll Office for specifics.

ARTICLE 22

FACULTY SERVICE AREAS

22A. Minimum Qualifications (MQs)

No one may be hired to serve as a community college faculty member unless the governing board determines that he or she possesses qualifications that are at least equivalent to the minimum qualifications set out in the “Minimum Qualifications for Faculty and Administrators in California Community Colleges” handbook available on the CCCCCO website. Every unit member who possesses a Credential authorizing California Community College service shall be deemed to have met minimum qualifications for purposes of serving in the discipline named (Education Code Section 87355).

22B. Structure of Faculty Service Areas (FSAs)

An FSA ("Faculty Service Area") is defined as "a service or instructional subject area or group of related services or instructional subject areas performed by faculty and established by a community college district." (Cal Ed Code § 87743) The function of FSA's is to provide a rational and workable framework within which retreat rights, seniority rights, and bumping rights can be exercised by faculty in the event of a layoff, reduction in force, or reduction in services. FSAs and MQs do not have the same criteria and are not treated the same for creating and maintaining a faculty workload.

FSAs are established according to the Disciplines List, as adopted by the State Board of Governors of California Community Colleges, including any subsequent modifications thereof.

Faculty Service Areas (FSAs) are assigned on the basis of competency. All Contract or Regular unit members, including all Full-time Faculty and Educational Administrators with retreat rights, who are competent and eligible to qualify for an FSA in which the unit member has met both minimum qualifications and District competency standards set forth below are assigned FSAs (Education Code Section 87743.3).

To receive an FSA, the unit member with a Master’s degree must have completed the equivalent of 24 semester units in the additional discipline, of which twelve (12) semester units must be upper division or graduate level.

22B.1 Competency Standards

A Contract or Regular faculty member shall be considered to meet District competency criteria to receive an FSA if that member meets at least one of the criteria listed below.

- a. Has had satisfactory experience in the District or has been evaluated in the District as “satisfactory” in their primary discipline or non-instructional assignment within the seven previous years.
- b. Has been employed Full-time for the equivalent of at least three academic years within the seven previous years in the District or at another California

community college district, rendering service which would have been in the applicable FSA.

- c. For disciplines requiring a master’s degree: has completed the requirements for minimum qualifications in a discipline more than seven years prior and has successfully completed (with grade of “C” or better) six semester units in a combination of upper division or graduate-level coursework directly related to the FSA discipline within the three years prior.
- d. For disciplines not requiring a master’s degree: has had two years of Full-time paid work experience directly related to the discipline within the seven previous years.

The bargaining unit member will have responsibility to provide the District with all records necessary to substantiate the claim of competence.

An FSA is valid for life, and cannot be lost by (1) resignation and subsequent rehire within ten (10) Calendar Years; (2) loss of employment due to layoff or non-rehire, and then subsequent re-hire within ten (10) Calendar Years; or (3) service as an Administrator and subsequent “retreat” to the Faculty.

22C. Cross-Listed Courses

A unit member who is eligible to teach a course that is cross-listed in different disciplines may teach that course in either discipline.

22D. Initial Assignment of Faculty Hired After Adoption of Policy

22D.1 Initial Procedure

A newly hired unit member may request and receive advice by a designated representative from the Academic Senate and the Office of Academic Services for Faculty assignments within its jurisdiction or the Office of Student Services for Faculty assignments within its jurisdiction in filing appropriate Faculty Service Area (FSA) documents.

The Office of Academic Services will assign Faculty Services Areas (FSAs) for that portion of an assignment outside Student Services.

Upon request, the Faculty Association shall be given a list of every Faculty Service Area (FSA) assigned to every Full-time unit member.

22D.2 Verification of Qualifications

The Office of Academic Services or Office of Student Services verifies academic and professional qualifications and assigns Faculty Services Areas (FSAs) subject to the appeals process outlined in [Section 22E](#) below.

22E. Annual Application Process

22E.1 Application Schedule

[See Appendix](#): Faculty Service Areas: Record Form.

An employee may petition for recognition of competence in an FSA by completing the FSA Record form for such recognition with the District no later than February 15 for recognition in the following academic year. (See Education

Code §87743.3). The completed FSA Record form shall be submitted to the Office of Academic Services and/or Office of Student Services, as appropriate.

22E.2 Information for Application

On implementation of this Article, representatives of the Academic Senate, Office of Academic Services, and Office of Student Services will provide assistance to all divisions for the purpose of providing information to unit members on the Faculty Service Area (FSA) application process.

22E.3 Assistance in Application

The Faculty Association and Academic Senate will, in consultation with management, design forms that lead each unit member through the process of self-identifying appropriate Faculty Service Areas (FSAs). [See Appendix: Faculty Service Areas: Record Form.](#)

22E.4 Submission of Application

Applications shall be submitted on forms approved by the Office of Academic Services and Office of Student Services. [See Appendix: Faculty Service Areas: Record Form.](#)

22E.5 Academic Credential Verifications

It will be the responsibility of Office of Academic Services and/or Office of Student Services, as appropriate, to verify academic credentials and claims for Faculty Service Area (FSA) eligibility. The Office of Academic Services and/or Office of Student Services shall issue its decision on any application by March 15.

22E.6 Filing of Approved Applications

Approved Faculty Service Area (FSA) assignments will be forwarded to the applicant's Personnel File, see [Article 16-1](#).

22E.7 Denial of Application

Failure of a unit member to have demonstrated competency in accordance with minimum qualifications and competency standards outlined in Article 22B.1 above shall constitute a basis for denial of the unit member's application.

22E.8 Notice of Denial

Denials of Faculty Service Area (FSA) applications will be forwarded in writing to the unit member by March 15. The denial shall specify the deadline for filing an appeal with the District Equivalency Committee. The denial shall set forth the basis for its action with reasonable particularity. [See Appendix: Faculty Service Areas: Approval/Denial Form.](#)

22F. Appeal Process

22F.1 Appeal to District Equivalency Committee (DEC)

See [Administrative Procedure 7211](#): Faculty Service Areas (FSAs), Minimum Qualifications and Equivalencies.

A unit member who believes this policy has been applied in error may appeal to the District Equivalency Committee (DEC) citing the specifics of the alleged misapplications, misinterpretations and/or violations.

22F.2 Members of District Equivalency Committee (DEC)

The District Equivalency Committee (DEC) consists of four (4) individuals: two (2) Administrators (one from each college where each one is selected by the College President at the respective college), and two (2) Faculty members (one from each college; one selected by the Faculty Association and one selected by the Academic Senate) for a two (2) year term which can be renewed. It is understood that the two (2) Faculty appointees shall concurrently represent each college in the following manner: if the Academic Senate appoints its member from one college then the Faculty Association shall appoint its member from the other college. This Committee will meet for each FSA appeal as needed. The majority will decide the vote.

If there is a two-two (2-2) tie on granting the FSA appeal, then two (2) Faculty members (one from each college) within the applicant's discipline or related discipline will review the FSA appeal. These two (2) Faculty members (one from each college) shall be selected in the following manner: one shall be appointed by the Academic Senate and one appointed by the Faculty Association. If these two (2) individuals vote two to zero (2-0) in favor, then the FSA appeal shall be granted. If the vote is two to zero (2-0) against, then the FSA appeal shall be denied. If there is a tie vote, then the FSA appeal shall be denied.

A person who had an FSA appeal denied can reapply after one (1) year if he/she has changes in circumstances.

Other than described above, no unit member with a potential FSA or Equivalency in the discipline which is the subject of the application shall serve in the Appeal's process. See [Administrative Procedure 7211](#): Faculty Service Areas (FSAs), Minimum Qualifications and Equivalencies.

The Committee shall appoint a chairperson who shall communicate the final outcome of the process to the applicant. The applicant shall only be entitled to know the decision.

22F.3 Role of The Faculty Association

The Faculty Association is entitled to represent the interests of the unit member(s) denied a Faculty Service Area (FSA).

22F.4 Appeal Timeline

Unit members denied a Faculty Service Area (FSA) shall be informed by both Regular and Certified U.S. Mail, return receipt requested. Any appeal must be filed with the District Equivalency Committee (DEC) within fourteen (14) days of receipt of the notification.

22F.5 Documentation

Applicants are responsible for providing needed documentation. The applicant, Faculty Association, and District shall cooperate in providing records pertinent to an application.

ARTICLE 23

ACADEMIC FREEDOM

23A. Essential Academic Freedom Rights

The District and Faculty are dedicated to maintaining a climate of Freedom of Expression and Academic Freedom, which encourages the sharing and cultivation of a wide variety of viewpoints. Freedom of Expression and Academic Freedom support the parties' shared belief in inquiry, informed debate, and the search for truth.

23A.1 Accreditation

No work related to fulfilling the accreditation requirements of the institution shall impinge upon a unit member's individual Academic Freedom or Free Speech Rights.

23B. Communications Media

The District provides various electronic media, including telephones and laptop and/or desktop computers for use by Faculty. Faculty members are encouraged to use these media in their work to communicate with students, with each other and with the administration, and to improve their access to research and instructional tools. It is understood that the District may, through Shared Governance, enact policies to regulate use of such devices, including the development and maintenance of web sites that support, or otherwise pertain to, District services and instructional programs. It is not the purpose of this Agreement to dictate how such policies are enacted; however, insofar as such policies apply to members of this bargaining unit, the District and Faculty Association agree to the following:

23B.1 General Operating Parameters

a. Restrictions

District email or computer services may not be used for any unlawful activities, commercial purposes not under the auspices of the District, or for personal financial gain. This restriction does not include the following:

- (1) Communications announcing or describing a unit member's publications, presentations or other activities in his/her fields of study, so long as he/she does not solicit sales or violate any applicable conflicts of interest laws;
- (2) Communications announcing nonprofit fundraising activities so long as they are occasional and non-disruptive of the work environment; and
- (3) *De minimis* communications related to outside commercial activities, so long as they are occasional, non-disruptive, and do not violate any applicable conflicts of interest laws.

b. Intellectual Property

Faculty intellectual property rights are contained in [Article 27](#).

c. Copyright Observance

Computer software that is protected by copyright is not to be copied from, into, or through the use of District computers, except in the case of copies (e.g., backup copies) as permitted by law, or by the contract with the owner of the copyright.

d. Personal Use

Unit members may use District telephones, email, and other electronic resources for incidental personal purposes, provided that, in addition to following the provisions herein, such use does not directly interfere with the normal performance of duties, or with the normal operation of District facilities.

e. Privacy

The District shall afford privacy protections in email and computer use that are comparable to those traditionally observed for paper mail as well as in-person and telephone communications. Except as noted in [Article 23B.3](#) below, the District shall not inspect, monitor, or disclose email or other computer files without the holder's consent.

- (1) Notwithstanding, users should be advised that electronic communications may be less private than they anticipate. The District cannot routinely protect users' confidentiality in some situations.
- (2) Some email or computer use, when created or stored on District equipment, may constitute a District record subject to disclosure under the California Public Records Act or other laws, or as a result of litigation. Users of District computer resources should be aware that such situations or laws may not permit the confidentiality of email in some circumstances. For example, an Academic Senate may be considered a "governmental body," and as such certain documents created by an Academic Senator may be subject to disclosure under the California Public Records Act, and that might include information included within or attached to email.

23B.2 Academic Freedom with Regard to Communications

The District cannot and does not wish to be the arbiter of contents of documents in any physical or electronic media; nor shall the District protect users from receiving transmitted or physically conveyed language or images which they may find offensive or objectionable in nature or content, regardless of whether such documents originated within the District, or without. Unit members are strongly encouraged to use the same personal and professional courtesies and considerations in such communications as they would with regards to face-to-face conversation.

a. **Academic Freedom and the Internet**

The following affirmations of Academic Freedom rights are suggested by the ever-increasing use of web sites and the internet in the professional activities of unit members. It is understood that Academic Freedom rights apply in many ways that are not exemplified herein:

(1) **Presentation of Web Sites**

In principle, District policy, including regulation of web-site performance parameters such as appearance, organization, and navigability, should not infringe upon a unit member's professional judgment and Academic Freedom rights as he or she seeks to develop and/or update web pages that deliver course or program-specific content in a manner that most efficaciously satisfies the needs of the course or program.

(2) **Controversial Content**

The District and Faculty Association recognize that the internet offers exceptional access to a wide range of materials, and that some of these materials may be offensive, controversial, even obscene or pornographic. Further, it is understood that access to such materials may be related to a legitimate pedagogical inquiry or course of instruction. The District and the Faculty should employ common sense in accessing any such materials, and satisfy themselves that access is appropriate for the situation. Unit members are encouraged to use a disclaimer such as, "for Illustrative Academic Purposes only" where appropriate.

(3) **Web Material Housed Outside of District Facilities**

Pursuant to the principles of Academic Freedom, unit members should retain the right to utilize web-based materials that are housed off-site, that students, colleagues and others may access as they progress through, or seek information pertaining to, the unit member's course or program. Web sites that fall under this provision are not subject to regulation or other standards imposed by the colleges or District, except for those listed in Article 23B.2b., "Restrictions," below.

b. **Restrictions**

Unit members should not intentionally incorporate the following into materials that support District services and instructional programs:

- (1) Copyrighted or licensed materials for which the necessary permissions for use have not been obtained;
- (2) Material for commercial gain unrelated to the college or District;
- (3) Material or speech that is unlawful or illegal, unless it carries the disclaimer, "for Illustrative Academic Purposes only";
- (4) Material that is intended to damage, to interfere with, or place an excessive Load on a computer system or network.

c. **Appearance of Representing the District**

In principle, unit members should not deliberately represent their statements or opinions as being those of the District, or otherwise imply that they are speaking on behalf of the District, unless appropriately authorized (explicitly or implicitly) to do so. Where appropriate, an explicit disclaimer should be included, unless it is clear from the context that the user is not representing the District. An example of an appropriate disclaimer is, “These statements are my own, and not those of the Chabot-Las Positas Community College District.”

23B.3 District Access without Consent

a. **Definition of Circumstance**

The District shall only permit the inspection, monitoring or disclosure of email or computer usage without the consent of the holder of such email or user of such equipment;

- (1) When required by and consistent with the law;
- (2) When there is a substantiated reason to believe that violations of law or provisions herein have taken place and the holder or user is the subject of suspicion; or
- (3) Under time-dependent emergency circumstances or critical compelling circumstances.

Substantiated reason means that reliable evidence indicates the probability that violation of law or provisions herein has occurred, as distinguished from rumor, gossip, speculation or other unreliable evidence.

Time-dependent, emergency circumstances means where time is of the essence and where there is a high probability that delaying action would almost certainly result in critical compelling circumstances.

Critical compelling circumstances means that a failure to act may result in significant bodily harm, significant property damage or loss, loss of significant evidence of the violation of law or provisions herein, significant liability to the District or District employees or students.

b. **Authorization and Notification**

Except in emergency circumstances as defined above, such actions as described above must be authorized in advance and in writing by the responsible District Official, who shall be the Chancellor or a College President. This authority shall not be further delegated. The District shall make a full and complete written record of the rationale for such access, which shall be provided to the affected unit member and to the Faculty Association within two (2) work days of obtaining access.

c. Limitation on Scope

Authorization shall be limited to the least perusal of contents and the least action necessary to resolve the situation. All inspection and/or monitoring pursuant to this Section is limited to the specific computer hardware which the District has a substantiated reason to believe were used in the violations as alleged and described in the written authorization. All inspection and/or monitoring shall be limited to the investigation of the violations as alleged and described.

d. Timeline

Monitoring shall be limited to the least amount of time necessary to resolve the situation.

e. Routine Maintenance Disclaimer

Users should be aware that during the performance of their duties, Information Technology Services (ITS) personnel occasionally need to observe certain transactional addressing information to ensure proper functioning of the District's computer services, including email. Except as provided in this Section, they are not permitted to intentionally read the contents of email or other electronically transmitted documents, or to read transactional information where not germane to the foregoing purpose, or to disclose or otherwise use what they have seen.

23C. Academic Freedom Statement

[See Appendix](#): Academic Freedom Statement.

23D. Faculty Free Speech

23D.1 General Principles of Free Speech

Faculty are entitled to Free Speech protections both in the performance of their professional duties and as private citizens.

As private citizens, outside the performance of their employment duties, the District's Faculty shall enjoy the same Constitutional protection and access to District forums as nonemployees exercising their Free Speech rights on District property.

Employment by the District does not in any way restrict or limit the Federal First Amendment and California Constitutional right to Freedom of Expression and political activity that Faculty enjoy as members of their communities during non-work time. Faculty understand that the degree of Constitutional protection afforded such speech may depend on the forum in which the speech occurs. As such, when speaking as private citizens, Faculty enjoy the same rights and are subject to the same narrowly tailored, content-neutral time, place and manner restrictions, designed to serve a significant public interest, as other members of the community.

in the performance of their duties, Faculty have the right to speak and write free from viewpoint censorship and shall be afforded the Academic Freedom protections, and uphold the Academic Freedom responsibilities, designed to serve a significant public interest, as other members of the community.

In the performance of their duties, Faculty have the right to speak and write free from viewpoint censorship and shall be afforded the Academic Freedom protections, and uphold the Academic Freedom responsibilities, as set forth in [Article 23C](#) above and the [Appendix](#) thereto. As such, the District shall not place any viewpoint-based restrictions on Faculty speech.

Faculty shall not be restricted in:

- a. Displaying buttons, clothing, insignias or symbols which convey expressive speech, provided such speech is not obscene or defamatory according to current legal standards;
- b. Displaying posters, photographs, art, comics, or similar material in their offices or private work space, immediately outside their offices or work space, on the outside of their office doors or windows, provided such displays are not obscene or libelous according to current legal standards; violate State or Federal law; or state or imply that the display expresses the views of the District;
- c. Their speech and associational rights as provided under the California Educational Employment Relations Act (EERA). EERA Deferral shall be reserved for specific contract disputes, and not this or other general statements of EERA rights in the contract.

23D.2 Limitations on Faculty Speech Made in The Performance of Duties

The performance of duties, as used in this Article, includes those duties and responsibilities as set forth in [Article 10](#) of this Agreement.

It is the policy of the District to maximize the opportunity for free discussion and expression while minimizing the potential for substantial disruption of classroom and college/district/campus activities or operations, and interference with the ability of students to obtain an education.

Faculty speech on District property shall be prohibited that is defamatory or obscene according to current legal standards, or which advocates for the use of force or of law violation where such advocacy is directed to inciting or producing imminent lawless action and is likely to incite or produce such action, or which causes the substantial disruption of classroom or college/district/campus activities or operations.

Nothing in this Article shall prohibit the regulation of hate violence directed at District employees, members of the public, or students in a manner that denies their full participation in the educational process or of discrimination or harassment in violation of District policies or current legal standards, so long as the regulation confirms to the requirements of the First Amendment to the United States Constitution, and of Section 2 of Article 1 of the California Constitution.

23D.3 Faculty Use of District Public Forums and Designated Public Forums

When Faculty speak in the performance of their duties, regardless of the forum, they are entitled to the Constitutional right to be free from content-based retribution and censorship, as well as the rights afforded to Faculty under the principles of Academic Freedom as described in this Article and in the Academic Freedom Statement referenced in [Article 23C](#) above.

When, outside the performance of their employment duties, Faculty utilize District public and designated forums to engage in expressive activities they shall be entitled to the same freedoms, and be subject to the same reasonable time, place and manner restrictions, as other members of the public. Faculty members are free to speak or write publicly on any issue, as long as they do not state or imply they are speaking on behalf of the District.

These rights and restrictions shall include:

- a. A Faculty member in public and designated public forums, may distribute petitions, circulars, leaflets, newspapers and other printed material as long as it does not include expression which is obscene or libelous according to current legal standards or advocates for the use of force or of law violation where such advocacy is directed to inciting or producing imminent lawless action on District property and is likely to incite or produce such action, or the substantial disruption of classroom or college/district/campus activities or operations. The District assumes no responsibility for the accuracy of the material.
- b. Faculty using and/or distributing materials in District campus public forums or designated public forums shall not impede the progress of passersby, nor shall they force any passerby to take material.
- c. No Faculty member shall touch, strike or impede the progress of a passerby, except for incidental or accidental contact or contact initiated by a passerby.
- d. A Faculty member shall not use any means of amplification that creates noise or diversion that substantially disrupts classroom or college/district/campus activities or operations, the orderly conduct of the college/campus, district site, classes or operations.
- e. Regulation of time, place and manner of Faculty Free Speech activities consistent with this Article may be imposed for the purpose of preventing the substantial disruption of the orderly conduct of college classes, college/district/campus programs or services, classroom or college/district/campus activities or operations. Such regulation must be reasonable and not discriminate on the basis of the content of the speech. All restrictions shall be applied consistently to all Faculty. Time limits may be imposed when necessary to ensure all interested parties have equal access to use District public forums or designated public forums.

In applying Faculty speech rights in the District's public forums and designated forums, it is understood that these terms are used as follows:

(1) **District Grounds**

The grounds of the District, including sidewalks, streets, plazas, quadrangles, patios, knolls, lawns and similar or related open space of the District are public forums, available for the exercise of Academic Freedom and Free Expression, except as may be limited by narrowly tailored, content-neutral, time, place and manner restrictions designed to serve a significant public interest.

(2) **Administrative Offices**

Administrative Offices are non-public forums subject to reasonable, viewpoint-neutral restrictions.

(3) **Classrooms**

While classrooms are intended for educational purposes, the District may designate a classroom as a designated public forum for a particular event or debate, with the classroom otherwise being a non-public forum.

(4) **Cafeterias**

District cafeterias are non-public forums, subject to reasonable time, place and manner rules, and to the other Faculty speech rights and responsibilities set forth in this Article.

(5) **Other District-Owned Property**

Other areas of the District which are enclosed, such as meeting rooms, auditoriums, and similar areas may be intentionally designated by the District as designated public forums, subject to content-neutral time, place and manner restrictions. Unless so designated, such areas are non-public forums.

The forum designated of a classroom or other District-owned property in no way restricts, limits or alters Faculty Academic Freedom as provided by this Article or in the Academic Freedom Statements referenced in [Article 23C](#) above.

23D.4 Reasonable Time, Place, and Manner Restrictions for Faculty for District Public Forums and Designated Public Forums

- a. A Faculty member in public and designated public forums may distribute petitions, circulars, leaflets, newspapers and other printed material as long as it does not include expression which is obscene or libelous according to current legal standards or advocates for the use of force or of law violation where such advocacy is directed to inciting or producing imminent lawless action on District property and is likely to incite or produce such action, or the substantial disruption, classroom or college/district/campus activities or operations. The District assumes no responsibility for the accuracy of the material.
- b. Faculty using and/or distributing materials in District campus public forums or designated public forums shall not impede the progress of passersby, nor

shall they force any passerby to take material.

- c. No Faculty member shall touch, strike or impede the progress of a passerby, except for incidental or accidental contact or contact initiated by a passerby.
- d. A Faculty member shall not use any means of amplification that creates noise or diversion that substantially disrupts classroom or college/district/campus activities or operations, or the orderly conduct of the college/campus, district site, classes or operations.
- e. Regulation of time, place and manner of Faculty Free Speech activities consistent with this Article may be imposed for the purpose of preventing the substantial disruption of classroom or college/district/campus activities or operations. Such regulation must be reasonable and not discriminate on the basis of the content of the speech. All restrictions shall be applied consistently to all Faculty. Time limits may be imposed when necessary to ensure all interested parties have equal access to use District public forums or designated public forums.

ARTICLE 24

24B.1 Progressive Discipline

The District shall implement progressive discipline for those matters set forth in this Section 24B. The District may consider any mitigating circumstances when deciding on appropriate discipline. In some cases progressive discipline may not be warranted due to the serious nature of the employee infraction (including but not limited to examples such as gross insubordination, theft, etc.).

24B.2 Causes for Discipline Under This Section

Just cause is required for discipline under this Section 24B. Causes for the discipline under this Section 24B include but are not limited to:

provisions of the California Education Code.

24D. Representation Notice

If there is a reasonable expectation that a meeting between management and Faculty may lead to discipline, management shall notify the unit member in advance of this potential eventuality. The unit member so notified shall have the right to bring the appropriate College Faculty Association Grievance Officer or his/her designee to the meeting. In addition, a unit member may act independently to bring the appropriate Faculty Association Grievance Officer or his/her designee to the meeting.

 - (2) If the physician is unable to determine a valid medical reason for the unit member/driver to have inadequate breath for alcohol testing, then the unit member/driver's failure to provide adequate breath for alcohol testing shall be considered to be a refusal to test.
- c. If a unit member/driver refuses to take the test without giving a valid medical excuse from a physician, the District shall view this refusal as a positive test result.

25B.4 Right to Drug or Alcohol Test Results

The unit member/driver shall have the right to the results of the test.

ARTICLE 26

ENROLLMENT MANAGEMENT

26A. Productivity Assessment

There will be a District Enrollment Management Committee (DEMC), described in [Article 26C](#). The DEMC shall develop a common understanding of the issues, methods, and data to be utilized in order to set appropriate Weekly Student Contact Hour/Full-time Equivalent Faculty (WSCH/FTEF) targets for the colleges, as well as goals and targets used in the Counseling disciplines.

There will be a College Enrollment Management Committee (CEMC) at each college, described in [Article 26E](#). Each CEMC shall annually provide a prioritized list of planned activities designed to achieve cost effective productivity improvements. This list shall consist of activities initiated in the disciplines as well as activities initiated by the CEMCs. This list shall consist of activities requiring financial support as well as activities requiring no additional financial support. The prioritization and implementation timelines of these activities will be voted on by the members of the CEMCs, and the list will be forwarded to the DEMC for additional allocations if appropriate.

In addition, CEMC and DEMC will also analyze, provide input, and work collaboratively to design strategies and activities with the goal of optimizing revenue yields under the Student Centered Funding Formula (SCFF).

Each CEMC will receive seven (7) Calculated A Hours (CAHs) reassign time (or equivalent stipend) per semester.

26B. Basic Principles

The District and the Faculty Association agree that the following principles shall be the basis for productivity assessments in the District.

26B.1 Academic and Counseling Discipline Quality

Improvements in the District's economic productivity must not be achieved at the cost of each college's academic quality.

26B.2 Productivity Achievement

Improvements in the District's economic productivity must be pursued and achieved by cooperation of managerial staff, classified professional staff, and Faculty staff equally.

26B.3 Data Input

Work of the DEMC and CEMC's shall be based upon accurate data pertinent to the issues being examined.

26B.4 Productive Economic Effect

Improvements in the District's academic productivity and Counseling

discipline metrics must not be achieved through economic expenditures that threaten the District's economic survival.

26B.5 Effect on Students

Improvements in the District's economic, counseling discipline metrics, and academic productivity must be achieved in conjunction with, and not at the expense of, student access, student success and student equity.

26C. District Enrollment Management Committee (DEMC)

The DEMC shall be composed of six (6) representatives appointed by the Faculty Association, including a minimum of one (1) Faculty representative from each College Enrollment Management Committee (CEMC) described in [Article 26E](#) below; two (2) of the faculty representatives must come from the Counseling Disciplines, one (1) from each college. Additionally, six (6) representatives of the District appointed by the Chancellor, including each College President or their designee, and two (2) appointees from the Counseling area, one (1) from each college, and appropriate non-voting staff as necessary. The DEMC shall have appropriate support services and unimpeded access to all relevant data.

26D. Establishing District/College Weekly Student Contact Hour/Full-Time Equivalent Faculty (WSCH/FTEF) Goals and Counseling Discipline Goals

The WSCH/FTEF goals for each college and the District shall be established on an annual basis by the District, after consulting with t/he DEMC, as part of the District's annual Budget development process. The WSCH/FTEF goal(s) will be established within the framework of a balanced Budget. The colleges shall not exceed their FTEF allocation. WSCH/FTEF goals shall be met fairly and equitably across each division of the College based upon their capabilities. The DEMC shall also make recommendations to the CEMCs and the District about cost effective productivity innovations and procedures to be implemented in the future. The WSCH/FTEF goals for the colleges will be established by the DEMC for the upcoming year no later than last working day of November the previous Academic Year. If this date cannot be achieved, the parties will work on another mutually agreeable date.

The Counseling Discipline plan and goals will be established within the framework of a balanced budget. The goals and metrics used in this section will be determined as described in 26E.1 below.

26E. College Enrollment Management Committees (CEMCs)

Each college will have a College Enrollment Management Committee (CEMC). The CEMCs shall be composed of four (4) representatives appointed by the Faculty Association, at least one of whom will come from the Counseling discipline, and four (4) representatives appointed by the College President, as well as non-voting support staff as necessary. The CEMCs will be co-chaired by a Faculty member and one of the appointees of the College President. The CEMCs will make recommendations as described below and will serve as a resource to the Faculty on the planning for and implementation of cost effective productivity goals. The CEMCs shall be responsible for recommending annual WSCH/FTEF and Counseling discipline goals to the DEMC and the College President for

each of the disciplines or groupings of disciplines, and workload goals for other services.

26E.1 Establishing Discipline Performance Productivity Goals

At the college level, the CEMC, through the leadership of the committee's chairs, will recommend annual WSCH/FTEF goals for each of the disciplines or grouping of disciplines, and the workload goals for the other services, in order for the college to attain its overall assigned workload goals. The goals will be based on the data from the previous three (3) Academic Years, also using the latest Fall ARGOS report available. See [Article 1C.1r.](#) for ARGOS definition.

Likewise, the Counseling discipline goals will be based on data from previous academic years. In academic year 2022-23, a task force of counselors and administrators from both colleges, SARS specialists, and ITS will convene to create a data dashboard that will become available by June 1, 2023. Counseling discipline faculty in agreement with Student Services administrators will determine the metrics which will be used. It is understood that these metrics will evolve and change over time.

26E.2 Factors Determining Weekly Student Contact Hour/Full-Time Equivalent Faculty (WSCH/FTEF) Goals

Contractually agreed upon factors such as room availability, teaching methodology, class size, State imposed professional standards, etc., will be taken into account when determining College WSCH/FTEF goals. The CEMC shall consult each discipline prior to recommending the discipline's goals. The CEMC shall provide the discipline with all the necessary resources (i.e., enrollment data, ARGOS reports, analysis of enrollment trends, comparison of WSCH/FTEF at other community college districts in the Bay Ten, etc.) to formulate the discipline's goals. See [Article 1C.1s.](#) For a listing of the Bay Ten Community College Districts; and, [Article 1C.1r.](#) for definition of ARGOS).

Guided by the student services data, the strategies and goals of the Counseling Discipline Plan shall be developed with contractually agreed upon factors such as room availability, students facing technical challenges (*e.g.* signing into Cranium Café, scheduling appointments), nature of appointments and necessary subsequent follow up. Support staff will be taken into account. The District shall provide the discipline with access to all the necessary resources (i.e., SARS reports, Cranium Cafe reports, dashboard metrics) to formulate the discipline's goals.

26E.3 Weekly Student Contact Hour/Full-Time Equivalent Faculty (WSCH/FTEF) Goal Adjustments

Adjustments in the WSCH/FTEF goals, and/or the Counseling discipline goals, shall be made by the CEMC in cases where the Committee used insufficient and/or erroneous data. In the event that the CEMC is unable to recommend discipline WSCH/FTEF goals, the appropriate College Vice President shall set the discipline's goals.

26E.4 Discipline Plan

Each discipline, or grouping of disciplines, will work with the appropriate Administrator and the CEMC Committee Chairs to develop a Discipline Plan for achieving their recommended WSCH/FTEF goal to be submitted to the responsible College Vice President. The discipline, or grouping of disciplines, can exceed or go below contractual or past practice class size maximums or class size minimums as long as their Division Discipline Plan achieves their WSCH/FTEF goal and serves student needs and enrollment patterns. This Plan must be submitted in time to facilitate timely scheduling.

There will be an opportunity for a minority opinion to be stated and attached to each Plan. The College President will ultimately approve or impose a Plan in time for class scheduling. A discipline may consult with the CEMC at any time in this process.

Each Counseling Division Discipline Plan will provide a rationale for the mix and proportionality of online counseling and teaching modalities they want to use to provide instruction and services (See: [Article 19A](#)).

26E.5 Evaluation

Each discipline's success in achieving its WSCH/FTEF or Counseling discipline goals will be evaluated by the responsible College Vice President as soon as appropriate Enrollment and Census data are available. If the discipline fails to meet its WSCH/FTEF goals, a subcommittee appointed by the CEMC will convene and will work with the discipline to develop a revised Discipline Plan for achieving the Discipline's WSCH/FTEF goals. The Discipline may consult with the CEMC at any time in this process.

26E.6 Review of Discipline Plan

The appropriate Administrator will then review the new Discipline Plan. If the appropriate Administrator does not believe the Plan is workable or will cause an adverse impact on students, the appropriate Administrator, in consultation with the responsible College Vice President, may revise the Plan. In these cases, the appropriate Administrator will inform the Faculty and the CEMC why the Plan is being revised and will propose alternatives. The appropriate Administrator and the Discipline will make a concerted effort to write a Plan that is approved by the appropriate Administrator and CEMC Committee Chairs. The appropriate Administrator will ultimately approve or impose a Plan in consultation with the responsible College Vice President to meet the schedule deadline.

26E.7 Counseling Division Discipline Plan

The Counseling Division at each college, including the appropriate Administrator and Faculty members, shall create the Counseling Division's annual Discipline Plan. This document will include qualitative and quantitative measurements of activities, timelines, accountability strategies, and student contacts per hour. The Counseling Division shall submit their Plan

at the same time as the instructional Discipline Plans in accordance with CEMC guidelines. The Counseling discipline data dashboard will serve as one guide to improve the Counseling Division.

Discipline Plans. This process will commence in Academic Year 2022-23, with an understanding that the necessary data, structures and strategies of this work will be developing, evolving and growing over the course of the year.

INTELLECTUAL PROPERTY

Introduction

It is the policy of the Chabot-Las Positas Community College District to encourage unit members to create materials as an inherent part of the educational mission of the colleges.

The Vice Presidents have the primary responsibility for administering this Policy.

27A. Definitions

27A.1 Materials

Materials include, but are not limited to, those listed below:

- a. Books, texts, glossaries, bibliographies, study guides, laboratory manuals, syllabi, tests, proposals, manuscripts, poems, essays, and memoranda;
- b. Lectures, musical or dramatic compositions (including accompanying words), and unpublished manuscripts;
- c. Films, filmstrips, slides, charts, transparencies, and other visual aids;
- d. Video and audio tapes and cassettes;
- e. Live video or audio broadcasts;
- f. Programmed and instructional materials;
- g. Computer programs and/or software in any medium;
- h. Works of art or models;
- i. Processes;
- j. Machines;
- k. Manufacture of tools and other articles;
- l. Chemical compositions;
- m. Scientific and musical instruments;
- n. Sound recordings;
- o. Architectural works;
- p. Interactive audio/visual software systems in any medium;
- q. Data collection instruments for conference workshop presentation;
- r. Materials for conference presentations;
- s. Dramatic works, including any accompanying music, lectures, and unpublished scripts; and/or
- t. Distance Education courses and materials.

27A.2 Definition of “Primarily Relied On”

In this regulation, the term “primarily relied on” shall mean the following:

If the copyrightable or patented material is prepared because the District supplies extra or special support directly for that purpose, the product is considered substantially supported by the District and there is additional resource cost to the District. “Extra” or special District support includes those support costs which would not have been incurred by the District in the absence of the development of the project. For example, concurrent use of District facilities generally does not generate additional out of pocket costs to the District. However, if extra or special District support is provided, the District will specify that extra or special support in writing and will normally retain copyright.

27B. Ownership

Upon a unit member’s disclosure to the District of a patentable work, the District and its employees and agents shall maintain said disclosure in strict confidentiality.

The ownership and disposition of materials will fall into one of the categories below.

27B.1 Ownership Rights of Faculty

- a. See [Article 19B](#) for Distance Education ownership rights.
- b. Ownership of copyrights or patents, including royalties derived from materials developed by unit members outside their normal teaching, scholarly, or employment activities shall belong exclusively to the unit member whether these materials are related to the unit member’s employer or not.
- c. Ownership of copyrights or patents, including royalties derived from materials developed by unit members during their normal teaching, scholarly, or employment activities when unit members have not primarily relied on District facilities, equipment or support services, shall belong exclusively to the unit member(s) who developed the materials.
- d. Ownership of copyrights or patents, including royalties derived from materials developed by unit members during their normal teaching, scholarly, Sabbatical Leave of Absence, Workload Banked Leave of Absence or other employment activities when the unit members primarily relied on District facilities, equipment, or support services, shall belong exclusively to the unit member subject to the following conditions:
 - (1) The District retains the right to recover its developmental costs associated with the creation of the materials when the unit member has primarily relied on District resources to create the materials. The appropriate College Vice President(s) or designee(s), and the unit member who developed the material shall determine the District’s developmental costs, which will be based on the unit member’s primary reliance on and/or use of the District’s facilities, equipment, or support services. Together they shall also determine the methods by which the developmental costs shall be recovered.

- (2) In the case of a disagreement, a panel of three (3) persons, consisting of a representative selected by the appropriate College Vice President(s), a representative selected by the unit member who developed the materials, and a third member, mutually agreed upon by the other two (2), shall meet to resolve the issue.

If the unit member who developed the material is not satisfied with the outcome of the above panel, the unit member shall have one (1) of the following remedies:

- (a) Grievance Procedure in [Article 7](#) of this Agreement.
The unit member who perceives to be aggrieved by an alleged violation of this Article shall be entitled to the usual and customary grievance remedies as provided in [Article 7](#) of this Agreement; or
- (b) Bypass the Grievance Procedure in [Article 7](#) of this Agreement.
A unit member who perceives to be aggrieved by an alleged violation of this Article shall be entitled to pursue the matter in a court of competent jurisdiction, without resorting to the grievance or arbitration provisions of this Agreement, provided he or she notifies the Faculty Association. If a unit member elects to seek such judicial relief, the Faculty Association shall have no jurisdiction over the case and no Duty of Fair Representation with respect to said action. A unit member electing these judicial remedies, by this election, waives his or her right to pursue a grievance over the matter which is the subject of said legal action. Any decision, settlement, or resolution resulting from said suit shall not be considered precedent for interpreting any provision of this Agreement.
- (3) The District shall retain the non-exclusive, non-transferable, royalty-free license to use the copyrighted or patented material developed by a unit member primarily relying on District support.

27B.2 Ownership Rights of The District

Ownership of copyright or patents, including royalties derived from materials developed as part of specifically ordered and funded projects commissioned by the District, shall reside in the District unless there is a written agreement regarding ownership between all parties concerned and signed by them prior to the initiation of the project. In the event the District does not utilize and/or market the funded project which the District owns within three (3) Calendar Years from the date of completion of the project, the District shall be required to show significant cause as to why ownership of copyright or patent and royalty rights should not automatically revert to the creating unit member(s). If significant cause cannot be established, materials shall automatically revert to the unit member(s) creator(s). In the event a disagreement arises over the definition of significant cause, the matter shall be referred to the three (3) person panel described in Article 27B.1d(2) above, and thereafter be pursued by the appropriate remedy as outlined above.

in any case, the District shall retain the nonexclusive, nontransferable, royalty free license to use the copyrighted or patented material which the District commissioned and funded.

ARTICLE 28

RETRAINING LEAVE OF ABSENCE

28A. Retraining Leave of Absence

28A.1 Request For A Retraining Leave of Absence

A request for a Retraining Leave of Absence may be initiated by the unit member or management. If management initiates the Retraining Leave of Absence, the costs shall be absorbed by the District.

28A.2 Eligibility

Unit members must have been employed by the District as a Regular unit member for at least four (4) Academic Years prior to application for a Retraining Leave of Absence. Exceptions to this timeline will be granted by the Chancellor or designee. The purpose of the Retraining Leave of Absence is to enhance the effectiveness of the unit member's on the job performance and to broaden the unit member's individual scope of Faculty Service Areas (FSAs) in the event of a Reduction in force. It is understood that a Retraining Leave of Absence shall not be exclusively confined to a Reduction in force but shall be available to Regular unit members who must maintain repeated currency in a discipline in order to meet the minimum qualifications to teach in that discipline.

28A.3 Requirements

Unit members receiving a Retraining Leave of Absence shall be required to enroll in an accredited college or university, or some other approved program acceptable to the District, which will qualify the individual to meet the minimum qualifications and competencies necessary to provide service in the area in which he or she is preparing to serve.

28A.4 Application

Application for a Retraining Leave of Absence shall be on negotiated forms and must be reviewed by the appropriate Administrator and Vice President before filing with the appropriate College President by October 1 for a Spring Semester Leave of Absence and by April 1 for a Fall Semester Leave of Absence ([See Appendix](#): Retraining Leave of Absence: Request Form). Evidence of application for a plan of study and/or training must be submitted with the application. The application must state clearly the reason why the unit member needs to be granted the Retraining Leave of Absence according to the criteria for acceptance of the Retraining Leave of Absence. The Chancellor shall have the final authority in distributing a Retraining Leave of Absence, but it is understood that a Retraining Leave of Absence shall be offered a unit member facing an immediate Reduction in force if funding permits.

28A.5 Criteria for Acceptance of Retraining Leave of Absence Application

- a. Unit members who have been evaluated as in need of skills and/or knowledge upgrading, or
- b. Unit members for whom retraining is in the best interest of the District and the unit member, and
- c. Unit members who can achieve the retraining objectives in four (4) consecutive semesters or less.

28A.6 Criteria for Granting a Retraining Leave of Absence

To receive the Retraining Leave of Absence, unit members must be accepted in an education/retraining program which will allow them to achieve the retraining objectives. Before the Retraining Leave of Absence begins, evidence of acceptance shall be submitted to the appropriate College President.

28A.7 Salary

- a. Retraining Leave of Absence salary shall be based on one hundred percent (100%) of the approved Retraining Leave of Absence portion of the unit member's regular contract. It is understood that this salary shall be paid from Sabbatical Leave of Absence monies according to the terms set forth in [Article 12-1A.2](#). Overload service will be permitted based upon programmatic needs determined by the College President.
- b. While on Retraining Leave of Absence, the salary and benefits the unit member would have received if he/she had been in Regular Faculty service shall be the basis for computing his/her compensation. Salary and benefits for a Retraining Leave of Absence shall be paid in the same manner as that paid during Regular Faculty service.
- c. Retraining Leave of Absence shall count for full salary increments and health and welfare, Sick Leave, and retirement benefits. Credits earned while on a Retraining Leave of Absence shall count toward advancement on the [Faculty Salary Schedule](#) upon receipt of official verification from an accredited institution or approved training program.
- d. Retraining Leave of Absence shall not fund the cost of the unit member's retraining educational expenses (i.e. course tuition, books, etc.).

28A.8 Service Obligation

Recipients shall contract to serve the District for a period of equal to twice the length of the Retraining Leave of Absence after completion of a Retraining Leave of Absence. In the event of failure to render such a period of service after return from a Retraining Leave of Absence, the unit member grantee shall indemnify the District against the loss by executing a contract with the District binding the unit member to return the Retraining Leave of Absence cost by a lump sum repayment. The repayment option shall be at the District's discretion. [See Appendix](#): Retraining Leave of Absence: Report Form.

28A.9 Illness, Injury, Death of The Unit Member

In the case of physician documented illness or injury of the unit member while on a Retraining Leave of Absence which prevents his/her completing the purpose of the Retraining Leave, the Retraining Leave will be terminated and all provisions for Sick Leave shall apply. If death prevents the member from fulfilling his/her agreement to return to service in the District, no repayment of salary shall be required of his/her estate. Upon return to service and prior to completion of obligatory years of service, if illness or injury qualifying for Disability Retirement occurs, the unit member shall be exempt from further obligation relative to his/her Retraining Leave of Absence.

28A.10 Number of Retraining Leaves of Absence

The District will provide an aggregate total of one (1) Full-time Equivalent Faculty (FTEF) Retraining Leave of Absence per Academic Year according to the Sabbatical Leave provisions in [Article 12-1A.2](#). It is understood that some individual Retraining Leaves of Absence may be provided for fractions of a full Academic Year's FTEF but that the total of all Retraining Leaves of Absence shall be one (1) FTEF per Academic Year from the Sabbatical Leave Fund during this Contract period. Upon return to service following completion of a Retraining Leave of Absence, the District shall make every effort to assign the unit member to his or her new area of expertise.

28A.11 Retraining Leave of Absence Report

The unit member who received a Retraining Leave of Absence of any type or amount shall submit a follow-up Retraining Leave Report to the appropriate College President within sixty (60) days from returning to District service after completing the Retraining Leave of Absence. After reviewing the Retraining Leave of Absence Report of the unit member, the appropriate College President shall forward said Report to the Chancellor for Board of Trustees approval. Approval shall be granted or denied solely on the unit member's completion or failure to complete the objectives of the Retraining Leave of Absence as stated on the Application. Denial shall be in writing and shall include the reasons for denial. Should the Board of Trustees find upon review of the unit member's Retraining Leave of Absence Report that the Report was not submitted within the required time period, or in the form and content prescribed, or that the purposes for which the Retraining Leave of Absence had been granted had not been reasonably carried out, the Board of Trustees reserves the right, following consultation with the Chancellor, to take such action as may be necessary to recover the monies paid the unit member while on a Retraining Leave of Absence. The Sabbatical Leave fund shall be credited with any amount so recovered. [See Appendix](#): Retraining Leave of Absence: Report Form.

28A.12 Grievance

Grievances pertaining to this Article shall be limited to procedural violations.

ARTICLE 29

PROFESSIONAL DEVELOPMENT

29A. Professional Development

The campus Professional Development Committees (PDC) shall determine the authorized uses of Professional Development funds according to their internal decision making processes.

29A.1 Professional Development Committees (PDC)

Each college shall have its own structure for establishing a Professional Development Committee (PDC). The Faculty Association may appoint a member to this Committee per [Article 4J](#). The PDC reports to the College's Faculty Senate.

29A.2 Reassign Time for Faculty Professional Development Committee (PDC) Members

Reassign Time shall be granted to the PDC members according to the discretion of each college. [Article 10C.3](#) applies.

29A.3 Flex Day Responsibilities of The Professional Development Committee (PDC) Members

The PDC on each campus shall create their campus Flex Day program for mandatory Flex periods. Working with the appropriate College President, the PDC shall review their unit member proposals and recommendations for Flex Day presentations. The decisions for Flex Day programs shall be made jointly by the Academic Senate or designee and the College President or designee. See [Article 1C.4g](#) for Flex Day definitions.

29A.4 Distance Education Training

The District shall allocate funds to the colleges to provide Professional Development for unit members to improve their discipline-specific skills teaching in Online Distance Education formats.

29B. Flex Day Obligations

Flex Day obligations shall be six (6) hours per day for a Full-time Contract, Regular, or Temporary Leave Replacement (TLR) unit member. This shall apply to Mandatory and Variable Flex Days.

A non-working lunch or any other activity that is not required of all unit members is in addition to the six (6) required hours for a Mandatory Flex Day.

- a. **Mandatory Flex Day** is a day set aside for Faculty to participate in programmed activities in person. Mandatory Flex Days are designated by the Academic Calendar Committee (see [Article 8C.1](#)) and mutual agreement between the Professional Development Committee (PDC) and the appropriate College President (see [Articles](#)

[8C.1](#) and [29A.3](#)), and are conducted in lieu of instruction when scheduled at times that classes would normally meet.

- b. **Variable Flex Day** is a requirement for Full-time unit members to complete six (6) hours of improvement activities on the unit member's own time. One or more Variable Flex Days may be designated by the Academic Calendar Committee (see [Article 8C.1](#)) as part of the one hundred seventy-five (175) day Academic Calendar. When so designated, unit members account for their hours in accordance with [Article 29D](#).

Unit members must submit a [Variable Flex Activities Form](#) by November 15th to the Faculty Chair of the PDC (serving as an Academic Senate Subcommittee) for participation in the Variable Flex Activities [See Title V Sections 55720, 55724, 55726, 55728, 55730 and Education Code Section 87153].

Variable Flex Activities documentation (e.g., attendance sheet, meeting minutes, registration receipt, agenda, certificate, transcript) shall be submitted to the Faculty Chair of the PDC by May 15th. See [Article 10G](#) for assignments outside the one hundred and seventy-five (175) day Academic Year.

29B.1 Obligation of Part-Time Faculty

If a Part-time unit member has a class cancelled during a scheduled Mandatory Flex Day, then the Part-time unit member shall be obligated to attend the same portion of the Mandatory Flex Day as the length of the cancelled class. For example, if the cancelled class was one (1) hour, then the Part-time unit member shall be required to attend one (1) hour of the Mandatory Flex Day activities.

A class taught in Online Synchronous modality before 4:00 p.m. on a Mandatory Flex Day will normally be cancelled. Notwithstanding, the college Vice President of Academic Services may grant approval for the class to meet as scheduled, online. If the class is cancelled, the provision above shall apply.

29B.2 Obligation of Contract, Regular, and Temporary Leave Replacement (TLR) Faculty with Overload Assignment

If a Contract, Regular, or Temporary Leave Replacement (TLR) unit member has an overload assignment for extra pay on a scheduled Mandatory Flex Day and starting after the end of the Mandatory Flex Day obligation, then that unit member shall not be excused from part of the Mandatory Flex Day obligation.

29B.3 Flex Obligation When Load Requirement is After the End of Flex Day

If a Contract, Regular, or Temporary Leave Replacement (TLR) unit member has a contract obligation for Load on a Mandatory Flex Day that starts after the end of the Mandatory Flex Day obligation, that unit member shall be excused from the entire Mandatory Flex activity but shall meet his/her scheduled evening Load and office hour obligation. If Load is split between day and night the unit member shall attend three (3) hours of Mandatory Flex

obligation as well as his/her scheduled evening Load and office hour obligation.

29B.4 Attendance Requirement

Mandatory and Variable Flex Day attendance shall be accounted for by the appropriate Administrator(s).

29B.5 Required Orientation Days' Exception

First Academic Year Contract Faculty shall not count the two (2) days of required orientation in [Article 8C.2](#) as Variable Flex activities.

29C. Compensation for Flex Day Activities

29C.1 Contract, Regular, and Temporary Leave Replacement (TLR) Faculty

Contract, Regular, and Temporary Leave Replacement (TLR) unit members who attend a Mandatory Flex Day activity or a Variable Flex Activity as part of their regular Contract duties shall not be compensated extra for their Flex obligations.

29C.2 Part-Time Faculty

Part-time Faculty unit members who participate in Mandatory Flex Day activities as part of their Contract obligations shall not be compensated for their Flex Day activities. If a Part-time Faculty unit member attends a Flex activity for which his/her participation has been approved for compensation by management and which is in excess of his/her Contract obligations, then that unit member shall be paid hourly according to the "F" Hour Rate on the [Faculty Salary Schedule](#), see [Article 21G.2](#).

29C.3 Presenter Compensation

[See Appendix](#): Flex Day: Compensation Form.

Unit members presenting workshops that can be used by others to fulfill Flex requirements shall be compensated at the rate of one (1) hour of preparation time for each hour of presentation time according to the "F" Hour Rate on the [Faculty Salary Schedule](#) (See [Article 21G.2](#)). The presenter's preparation hours shall be listed on the appropriate negotiated form. A presenter may not receive Variable Flex credit for the preparation/presentation of work that is being otherwise compensated or for which Reassign Time is provided. For every hour of presenting there shall be a two-to-one Flex credit to apply to that Academic Year Flex obligation.

29D. Failure to Complete Flex Time Obligations

Every six (6) hour block of time that is fully accounted for on a Contract, Regular, or Temporary Leave Replacement (TLR) unit member's individual Flex Day Report Form shall count toward the completion of one (1) working Flex Day. For every six (6) hour block of time that is not fully accounted for by May 15th of every Academic Year, there shall be one (1) sick day deducted for that unit member for the appropriate Academic

Year.

29D.1 Factual Accounting for Proportional Attendance

If the unit member accounts for part of the six (6) hour block of time but less than the whole block, then a proportional fraction shall be deducted from the unit member's Sick Leave. For example, if a unit member accounts for three (3) hours of Flex activity, then one half (½) of one sick day shall be deducted for that unit member.

29D.2 Part-Time Faculty

Part-time Faculty unit members who miss required hours of Flex activities shall have a one (1) hour for one (1) hour reduction in their Part-time Faculty Sick Leave.

29D.3 Effect of Variable Flex Activity that Extends Beyond the Academic Year

See [Article 1C.4g](#) for Variable Flex definition. Notwithstanding other parts of this Article, if a Variable Flex activity with prior approval of the appropriate Administrator extends beyond the Academic Year, the unit member shall have until June 30 of that Academic Year to finish the activity without a penalty related to completing the requisite one hundred and seventy-five (175) days of the Academic Year.

29E. Conference and Honorary Leave of Absence (Contract/Regular/ Temporary Leave Replacement (TLR) Faculty)

A Contract/Regular/Temporary Leave Replacement (TLR) unit member shall have the opportunity for up to five (5) days of Conference or Honorary Leave of Absence per Academic Year without loss of salary or benefits.

29E.1 Conference Leave of Absence Definition

A Conference Leave of Absence is an employment related conference, institute, workshop, or institute/workshop wherein a unit member will be a recipient of research, artistic production or publications, sponsored by a professional organization, that are pertinent to his/her professional work assignment. This language is not intended to include courses taken by a unit member to obtain an advanced degree, or to further his/her placement on the [Faculty Salary Schedule](#), or District sponsored courses or workshops.

29E.2 Honorary Leave of Absence Definition

An Honorary Leave of Absence is an employment related conference, institute, workshop, or institute/workshop wherein a unit member delivers a paper or speaks on his/her research, artistic production or publication, sponsored by a professional organization.

29E.3 Conference and Honorary Leave of Absence Applications

[See Appendix](#): Conference Leave: Request Form.

Applicants shall submit requests for Conference and Honorary Leaves of Absence to the Professional Development Committee (PDC) on the required negotiated form at least forty-five (45) days in advance. Exceptions to the forty-five (45) day advance application will require a written request for waiver to be submitted to the College President.

Any funds remaining in the PDC travel budget, after all approved travel taken during the Fiscal Year has been reimbursed by the end of the Academic Year, shall be carried forward to the next Fiscal Year.

29E.4 Conference and Honorary Leave of Absence Report

The unit member provided Conference and/or Honorary Leave of Absence shall submit a follow up Report of said Conference or Honorary Leave to the District representative designated at each College. The unit member shall also submit the form for Reimbursement of Conference Expenses to said representative. [See Appendix](#): Conference Expense Claim Form.

29F. Diversity, Equity, Inclusion, and Access Coordination Team (DEIACT)

Each college shall have its own structure for establishing a Diversity Equity inclusion and Access Coordination Team on student equity and student success. Chabot College has currently defined its DEIA coordination team as the Chabot College Equity for Professional Growth group (CCEPG). By Spring of the 2023 academic year, Las Positas College will determine its DEIA coordination team.

No later than May 1, 2023 the District and Faculty Association will meet to negotiate a MOU, which outlines the support and implementation of the DEIA requirements in the academic 2023-2024 issued by the state.

Upon the release of the State's timeline for the mandatory implementation of the DEIA mandate, the district and FA will meet within 30 days to discuss potential impacts and effects on collective bargaining.

29F.1 DEIACT Responsibilities for Spring 2023

- a. Chabot and Las Positas DEIACTs shall collaborate with: each other, existing equity groups on campus, college Presidents or appointee(s), and the Chancellor or appointee and Vice Chancellor of Human Resources or appointee, to develop a unified understanding of the State's DEIA principles.
- b. Working collaboratively with existing equity groups, the campus DEIACTs shall create and recommend the "roll out" for how DEIA competencies are introduced to CLPCCD faculty; define the unit members' professional development obligation, and strategies for ongoing professional development and the equitable inclusion of DEIA competencies. The DEIACTs will share this "roll out" with the college's shared governance committees, senates, College Presidents or

appointee(s), and the Chancellor or appointee and Vice Chancellor of Human Resources or appointee.

ARTICLE 30

PRE-RETIREMENT REDUCTION OF ANNUAL WORKLOAD

30A. Education Code Regulation

The District shall provide for the reduction of Faculty workloads in accordance with the provisions of Education Code Sections 87483 and 22713. The intent is to allow eligible Regular unit members to phase in their retirement program through reduced workloads and without loss of health or final retirement benefits.

30A.1 Age Requirements

The unit member must have reached the age of fifty-five (55) years prior to the start of the school term of the first school year in which the member's workload is reduced.

30A.2 Length of Service

The unit member must have been employed Full-time in the Chabot Las Positas Community College District in a Faculty position with at least ten (10) Academic Years of creditable service, of which the immediately preceding five (5) Academic Years were Full-time employment with no break in service.

- a. Sabbatical Leaves of Absence and other Board of Trustees approved Leaves of Absence shall not constitute a break in service of the preceding five (5) Academic Years.

30A.3 Applying for Pre-Retirement Reduction of Annual Workload and Approval Thereof

Pre-retirement Reduction of Annual Workload must be applied for in writing by the unit member. Use the proper form to notify the District for approval. ([See Appendix](#): Pre-Retirement Load Reduction Form.) The application for Pre-retirement Reduction of Annual Workload Form may be rescinded by the unit member prior to it being approved by the Board of Trustees.

The workload reduction is subject to approval by the Board of Trustees in an open session after being publicly agendized.

A unit member who desires to reduce his/her workload in accordance with this Article shall make application through the unit member's appropriate Administrator by November 1 of the Academic Year prior to the Academic Year when Pre-retirement Workload Reduction of Annual Workload is to become effective. As stated above, this application can be rescinded by the unit member before the Board of Trustees has publicly approved it in open session.

A unit member who belongs to the California Public Employees' Retirement System (CalPERS) must contact the Office of Human Resources prior to requesting Pre-retirement Reduction of Annual Workload, since the California Public Employees' Retirement System (CalPERS) rules may differ from those of the California State Teachers' Retirement System (CalSTRS).

- a. Prior to the reduction of a unit member's workload, the Office of Human Resources, in conjunction with the California State Teachers' Retirement System (CalSTRS) or the California Public Employees' Retirement System (CalPERS), shall verify the unit member's eligibility for the Pre-retirement Reduction of Annual Workload program.

30A.4 Compensation

The unit member shall be paid a salary which is the pro-rata share of the salary that would be earned had the unit member not elected to exercise the option of Pre-retirement Reduction of Annual Workload. The unit member shall retain all other rights and benefits for which the unit member is eligible. The unit member and the District shall continue to pay their respective portion of benefit costs as if the unit member remained in Full-time employment.

- a. **Retirement Fund Obligations**

The District and the unit member shall each contribute to the California State Teachers' Retirement Fund (CalSTRS) as provided in California Education Code Section 22713 and 87483 the amount that would have been contributed if the unit member had been employed on a Full-time basis. For unit members belonging to the California Public Employees' Retirement Systems (CalPERS), the District and the unit member shall each contribute to CalPERS the amount that would have been contributed if the unit member had been employed on a Full-time basis.

- b. **Health Benefits**

The unit member shall receive health benefits as provided in Section 87483 of the California Education Code in the same manner as a Full-time unit member. Also see [Article 20](#).

- c. **Computation for Purpose of Retiree Group Medical Insurance**

Unit members subject to layoff in the event of a Reduction in force shall be notified pursuant to the Education Code, and will be terminated in the inverse order in which they were employed as determined by the District according to applicable law.

32E. Faculty Reassignment

a. Procedures

In the event of Reduction in force proceedings, the District shall reassign Regular unit members in such a manner that they shall be retained to render service in any Faculty Service Area (FSA) in which the unit member is both qualified and competent based on records maintained by the District pursuant to Education Code Section 87743.4. 32G. Grievance or Hearing

A unit member who has been notified that his or her employment may be reduced or terminated because of a Reduction in force may either:

- b. Request a hearing under Education Code Section 87740 (in which case the hearing shall be the exclusive means of reviewing the reduction or termination of employment).

If the unit member elects to file a grievance, the decision that results from that grievance shall be final and the unit member may not request a hearing under Education Code Section 87740. If the unit member elects instead to request a hearing under Education Code Section 87740, the decision that results from that hearing shall be final (unless appealed to the Superior Court), and the unit member may not allege a violation, misapplication, or misinterpretation of this Article by filing a grievance under [Article 7](#) of this Agreement.

The process will be shared with the unit member filing the complaint and the President of the Faculty Association within fifteen (15) working days after receipt. The Faculty Association may assign a participating observer to assist the affected unit member. It is understood that a violation of this Article is not subject to the grievance procedures of [Article 7](#) of this Agreement, but instead shall be processed in accordance with California State and Federal law. It is recognized that a unit member can also file a complaint independently with the Federal Equal Employment Opportunity Commission (EEOC) and the California State Department of Fair Employment and Housing (DFEH).
